### View the Meeting Online

Did you know that all Capitol Building Hearing Rooms are broadcast, and can be viewed live over the Internet? Holding our March meeting in the Capitol allows us to offer the additional benefit of broadcasting our meeting so that those of you in other parts of the State can "attend" without having to make the trip.

If you would like to view the meeting, here's how to do it:

1. In your Internet browser, go to <http://www.leg.state.or.us/listn/>.
2. Toward the top of the page, you will see the heading for "Video".
3. Click on the link for Capitol Hearing Room 50.

Please note that you will need Microsoft Media Player to view the broadcast. There is a link from the web page on how and where to download the browser plug-in.

Please note that while the video in these rooms always broadcasts, we will not broadcast audio during Executive Session.

### Can't Make a Meeting?

Remember that all agendas, materials and minutes for Board meetings are published to our website. Minutes from past meetings are posted after they are approved at the next Board meeting. And remember; if you have comments for the Board before or after the meeting but can't attend, you can always forward your comments to the Board via mail (address above) or via email: [mortuary.board@state.or.us](mailto:mortuary.board@state.or.us)

Thanks.
