Chiropractic Assistants ¶

(1) The certification period for chiropractic assistants in Oregon is a period equal to 12 months, expiring on the last day of the chiropractic assistant’s birth month/renewal date. ¶
(a) Exception: during the transition from an annual renewal to a birth month renewal, the certification period will be from August 1 of the year of transition to the last day of the assistant’s birth month/renewal date of the following year. ¶
(b) During the 30 days immediately following the renewal date the chiropractic assistant may continue to practice but must meet the requirements of (14)(a) and (b) below. Any chiropractic assistant who has not renewed within that 30 day grace period must cease practice until the requirements of (15) below are met. ¶
(c) Continuing education: ¶
(A) During the transition from an annual renewal to a birth month renewal, all chiropractic assistants shall attest to completing six hours of continuing education. ¶
(B) Allowable continuing education shall be completed between August 1 of year of transition and the last day of the chiropractic assistant’s birth month the following year. This may be more or less than 12 months. ¶
(2) Chiropractic assistants may be certified upon compliance with the following: ¶
(a) The chiropractic assistant applicant shall successfully complete a Board approved training course. The initial training course shall be at least twelve hours in length, of which eight hours shall be didactic training and four hours shall be practical training. ¶
(A) The practical training must be in physiotherapy, electrotherapy and hydrotherapy administered by a health care provider licensed to independently provide those therapies. ¶
(B) A chiropractic physician may perform the initial practical training provided this is direct contact time. ¶
(C) The initial training must have been completed within 60 days preceding the application submission date. ¶
(b) The applicant shall complete an application packet, and an open book examination administered by a national testing agency. ¶
(c) If an applicant has a certificate or license from another state and adequate documentation of training, the Board may waive the requirement for the initial training course. ¶
(3) Prior to initial certification, the training course verification form, completed application packet, passing examination results, and fees in the following amounts shall be submitted to the Board: ¶
(a) A non-refundable application fee - $50; ¶
