Set Next Meeting

To begin we reviewed the purpose and scope of the Rules Committee. Patty reminded us that we cannot do anything in the Rules that we are not given authority for in Statutes. Our goal is to present the Board with a document of recommended changes by the January meeting.

Patty and Jill still need to offer revisions for Statutes sections 637.031 and 687.057. They committed to do so by the November meeting.

There were no questions or revisions to the Minutes of 9/16.

Patty and Shel will be getting Board referrals to the Committee soon.

We reviewed Rules 334-001-0000 through 334-010-0017. Jill will compile the recommended changes to 334-001 and will send them to the Board Office. Personnel in the Board Office will document current application practices pertaining to 334-010-0005 for us to look at next meeting.

We discussed the wording around CPR in the Rules and chose to refer the issue to the Education/Scope of Practice Committee. Lisa will carry this to their next meeting.

For the next meeting, all Committee members will read all the remaining Rules and bring discussion points to the next meeting.

The next meeting will be 11/11, 1:30 – 3:30 at the Board office.
