

Webinar: Friday June 3rd, 2016 10:00- 11:30 am

Introduction to Trauma Informed Care for Children, Caregivers and Ourselves

Audience: Intermediate Child Care, Home Visitors and Early Learning Providers

Presenter: Sherri Alderman, MD, MPH, IMH-E

We will discuss historical and cultural considerations of child rearing and a trauma informed approach to understand the roots of challenging behaviors. We will also discuss empathy and reactions to emotionally charged situations involving children, caregivers and professionals.
