

BIOGRAPHICAL INFORMATION FOR NEW NOMINEE TO SOUTHWEST OREGON REGIONAL FOREST PRACTICE COMMITTEE

Jay Christensen currently works for Weyerhaeuser Company as the Timberlands Manager for the South Valley Operations. South Valley is made up of approximately 251,000 acres, with approximately 30,000 acres in Douglas County. Jay's role as Timberlands Manager is relatively new (since last September), but he has worked in the timber industry for 30+ years (22 years for Weyerhaeuser/8 years as a contractor). Jay has served in a variety of roles including: Logging Foreman, Cutting Foreman, Commercial Thinning, and Engineering. He has served as a steering committee member on the Calapooia Watershed Council for six years. Jay has also worked as a private consultant and a timber cutter.
