

ORDINANCE NO A-211-a.

AN ORDINANCE AMENDING ORDINANCE 211 AND PROVIDING FOR AN EFFECTIVE DATE

THE CITY OF COBURG ORDAINS AS FOLLOWS:

SECTION 1. AMENDMENT TO ORDINANCE 211

The definition of motor fuel in Section 2 DEFINITIONS of Ordinance 211 is amended to read:

Motor Vehicle Fuel. Includes gasoline, mogas, methanol and any other similar flammable or combustible gaseous, liquid, or solid substance, by whatever name such substance is known or sold, usable as fuel for the operation of motor vehicles, but does not include diesel or bio-diesel as those fuels are commonly identified in the industry, and further excepting substances, the chief use of which, as determined by the tax administrator, is for purposes other than the propulsion of motor vehicles upon the highways.

SECTION 2 EFFECTIVE DATE

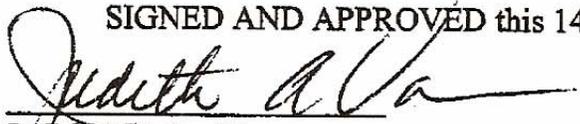

This Ordinance amends an Ordinance which will not become effective until July 24, 2007. Because this ordinance does not create or impose a tax, and because it is important that it become effective at the same time that Ordinance 211 becomes effective, this Ordinance shall become effective after its adoption by the Council and approval by the Mayor on August 24, 2007.

The foregoing ordinance was, by City Council consent, after public notice and Council deliberations, read by title only in accordance with the City Charter on the 14th day of August, 2007, whereupon it was put to a vote, the results of which were:
