Oregon - Common and Contract Petroleum Products Carrier Report Schedule of Deliveries

General Instructions

Schedule of Deliveries provides detail of each delivery included on the Common and Contract Petroleum Products Carrier Report. Prior to recording the information requested in columns (1) through (13), you should organize your records as follows:

- Schedule 14A: Deliveries of fuels from in-state locations to out-of-state locations (exports)
- Schedule 14B: Deliveries of fuel from out-of-state locations to in state (imports)
- Schedule 14C: Deliveries of fuel between points within the state (intrastate)

Column Instructions

- Columns (1) & (2): Person Hiring the Carrier - Enter the name and FEIN of the company that hired the carrier.
- Columns (3) & (4): Seller - Enter the name and FEIN of the company from whose account the fuel was withdrawn at the terminal.
 - Column (5): Mode of Transport - Enter one of the following: J=Truck, R=Rail, B=Barge, PL=Pipeline, S=Ship (ocean marine vessel), CE=Summary, and RT=Removal from Terminal (other than by truck or rail for sale or consumption)
 - Column (6): Origin - Enter the city and/or state or country shown on the delivery document (bill of lading, manifest, or other loading document issued by the terminal operator) where the petroleum product was loaded for each delivery. If the product was loaded at a terminal, enter the IRS Terminal Code assigned to that terminal.
- Columns (7), (8), & (9): Delivered To - Enter the Facility ID for the Destination. If not known or outside of Oregon, enter the destination City, State. Enter the Buyer Name and FEIN of the final delivery point. If delivered to a terminal, enter the IRS Terminal Control Number for that terminal.
 - Column (10): Date Delivered - Enter the date the petroleum product was delivered for each delivery.
 - Column (11): Document/Bill of Lading Number - Enter the identifying number from the manifest issued at the terminal when product was removed over the rack. In the case of pipeline or barge movements, enter the pipeline or barge ticket number. In case of barge, it is the voyage number.
- Columns (12) & (13): Gallons - Enter the number of gross and net gallons for each delivery.
