# **INTRODUCTION**

**Read This First to Familiarize Yourself With the Tax Reports**

## **ORGANIZATION OF THE REPORTING AND FILING INSTRUCTIONS IN THIS BOOKLET**

Organization of the reporting and filing instructions follows the logical progression of steps required to complete an accurate tax report. This progression is depicted in the Information Flow Chart on the following page. A “detail to summary” concept guides the completion of the City of Eugene Motor Vehicle Fuel License tax report.

- Detail transactions entered on Supporting Schedules (Forms 1424 and 1425) carry forward to the Stock Summary (Form 1423)
- Selected entries from the Stock Summary are then carried forward to the Tax Report (Form 1422)

Instructions for the Stock Summary (Form 1423) and Supporting Schedules (Forms 1424 & 1425) are presented concurrently, followed by instructions for the Tax Report (Form 1422). ***Forms 1422 and 1423 cannot be used to file amended reports for previously filed reports. Instructions for filing amended reports begin on page 33.***

## **RELATIONSHIP BETWEEN THE TAX REPORT AND SUPPORTING SCHEDULES**

**The Multiple Schedule of Receipts (Form 1424) and the Multiple Schedule of Disbursements (Form 1425)** are the forms used to prepare supporting schedules that list detailed fuel transactions during the period. Each form is used one or more times to report specific categories of transactions (i.e. imports, exports, etc) for each product. Totals for these forms are carried forward to the Stock Summary Schedule, Form 1423. When the line item description on the Stock Summary (Form 1423) includes a reference to a supporting schedule, (Schedules 1-8) the supporting schedule(s) must be prepared on Form 1424 and/or 1425 and **are required** to be included with the completed Tax Report documents.

**The Stock Summary Schedule (Form 1423)** is a required supporting schedule for the Tax Report (Form 1422). The Stock Summary Schedule summarizes all receipts, sales, use, and distribution of fuel for the reporting period. Many of the line items on the Stock Summary Schedule are amounts brought forward from Forms 1424 and 1425 (see above). The gallons entered on certain lines of the Stock Summary (Form 1423) are carried forward to the Tax Report (Form 1422). (See below).

**The City of Eugene Motor Vehicle Fuel License Tax Report (Form 1422)** is used to report specific summarized motor vehicle fuel distribution activities and compute/remit taxes, interest and penalty due on this activity. The gallons entered on certain lines of the Tax Report (Form 1422) are brought forward from the Stock Summary Schedule (Form 1423).

## **HOW TO USE THE PAGE REFERENCE GUIDES**

Page Reference Guides are presented for the Stock Summary (Form 1423) and for the Tax Report (Form 1422). See pages 10 and 26. The Page Reference Guides provide a line by line reference to the page on which instructions for each line item appear. Use the Page Reference Guides to quickly locate the instruction page for any given line item on the Stock Summary (Form 1423) and the Tax Report (Form 1422). Do not use the Page Reference Guides in place of prescribed tax report forms.

## **STOCK SUMMARY (FORM 1423) AND SUPPORTING SCHEDULES (FORMS 1424 AND 1425)**

### **Overview and General Instructions**

**PURPOSE OF STOCK SUMMARY (FORM 1423):** The Stock Summary (Form 1423) is used to summarize all receipts, sales, use, and distribution of gasoline, ethanol gasoline and undyed diesel fuel handled in the City of Eugene. The Stock Summary (Form 1423) verifies that the gallons available for sale (beginning inventory and receipts) equals the gallons disbursed and remaining in inventory.

**COMPLETING FORM 1423 REQUIRED HEADING INFORMATION:** Enter the name under which your City of Eugene Motor Vehicle Fuel Dealer License is issued. Enter your City of Eugene Motor Vehicle Fuel Dealer License number. Enter the name of the calendar month and the year for which this report is filed.

**REQUIRED SUPPORTING SCHEDULES:** Detailed schedules completed on Forms 1424 and 1425 are required to support certain line items on the Stock Summary (Form 1423). Where the line item description on the Stock Summary (Form 1423) includes a reference to a Supporting Schedule (Schedules 1 – 8), the supporting schedule(s) must be prepared on Form 1424 and/or 1425 and submitted with the completed tax report documents. **All information in the supporting schedules must be submitted as described in these instructions. Missing detail may result in additional tax, interest and/or penalties.** (See Note 1 on page 32.)

**LINES THAT DO NOT REQUIRE A SUPPORTING SCHEDULE:** Some line items where indicated on the Stock Summary (Form 1423) do not require a supporting schedule to be submitted with the tax report. These line items are indicated with an " \* " in front of the line number on the Stock Summary (Form 1423) instructions to follow. **Regardless of whether or not a supporting schedule is to be provided with the tax report, retain all records of motor vehicle fuel used, sold, or distributed within the City of Eugene a minimum of 3 years. Records are to be kept available, accessible, and provided to the Fuels Tax Group upon request. See pages 42- 43 for more information regarding Records to be Maintained.**

**FORWARDING GALLONS TO THE TAX REPORT (FORM 1423):** The gallons reported on several lines of the Stock Summary (Form 1423) are forwarded to various lines of the Tax Report (Form 1422). The line-by-line Stock Summary (Form 1423) instructions will indicate to what line of the Tax Report (Form 1422) the gallons are to be forwarded. **Therefore, the Stock Summary, (Form 1423) and applicable supporting schedules should be completed before attempting to complete the Tax Report (Form 1422).**

**CORRECTING A PRIOR REPORT:** The Stock Summary (Form 1423) cannot be used to amend a previously filed report. To amend a prior report due to any change other than at audit, use Form 1423MA for Gasoline / Ethanol Gasoline / Undyed Diesel. **Report corrections to a prior month's report on amended report forms. Amended tax report instructions begin on page 33.**

**COMPLETING FORM 1424 AND FORM 1425 HEADING INFORMATION:** Complete the heading information on all supporting schedules to show the name under which your City of Eugene Motor Vehicle Fuel Dealer License is issued, the City of Eugene Motor Vehicle Fuel Dealer License number and the name of the calendar month and the year for which the report is filed. (Reports are to be filed on a calendar month basis).

**SCHEDULE PRESENTATION:** *Present information in supporting schedules as instructed. Complete ALL columns on each supporting schedule.* Report loads by fuel type (gasoline, ethanol gasoline, or undyed diesel fuel, not by fuel grade (premium, mid-grade and regular gasoline). (See Glossary on pages 44-45 for further explanation.) Round load-by-load gallons to the nearest whole gallon.

**ALTERNATIVE REPORT PRESENTATION:** In lieu of completing prescribed tax report forms provided by Oregon Department of Transportation, Fuels Tax Group, licensees may prepare their own computerized report forms, or use their own computerized reports as supporting detail. The use of such report forms is subject to the approval of the Fuels Tax Group and shall be identical in format and design to the forms provided by the Fuels Tax Group. Computerized reports used as supporting detail, should present exactly the same information as required on the Forms 1424 and 1425 provided by the Fuels Tax Group. Avoid using font sizes smaller than 10 points. Avoid double-sided copies. Present information on a load by load basis with the appropriate schedule type identified and with the appropriate subtotals as required by the instructions for the specific schedule being filed.

**IDENTIFICATION AND CODING OF SUPPORTING SCHEDULES:** Supporting Schedules (Forms 1424 & 1425) are to be coded to identify the schedule. Each type of receipt or distribution that requires a supporting schedule has been assigned a 1 or 2 digit number. Each type of product to be reported has been assigned an alpha-character. The Schedule Numbers and Product Codes are listed at the top of the Form 1424 & 1425. Simply circle the appropriate Schedule Number and Product Code that corresponds with the gallons you are reporting. For example: Ethanol Gasoline Gallons received in City of Eugene - Tax-Paid to Supplier, would be reported on a Schedule 1B. The chart below shows all supporting schedules with the corresponding Schedule Numbers and Product Codes. Select only **one** schedule number and **one** product code for each schedule completed.

## **Filing Tax Reports For Local Jurisdictions**

The Fuels Tax Group administers tax for Oregon, Multnomah County, Washington County, the City of Woodburn, the City of Eugene, the City of Springfield, the City of Cottage Grove, and the City of Veneta which are separate taxing jurisdictions. Tax reports for each taxing jurisdiction are processed independently and must "stand alone". Each report for each jurisdiction must include complete supporting schedules and detail applicable to the month and jurisdiction for which the report is filed. Supporting detail must be specific for the reported schedule.

Assemble reports for each taxing jurisdiction separately. DO NOT staple tax reports and supporting schedules of one taxing jurisdiction to tax reports and supporting schedules for another taxing jurisdiction.

**Note 1:** *The Tax Report (Form 1422), Stock Summary (Form 1423), and Supporting Schedules (Forms 1424 & 1425) must be submitted on City of Eugene forms, as described in these instructions for the tax report to be considered complete. The Fuels Tax Group will not accept the supporting schedules and/or detail for one jurisdiction as support for another jurisdiction. You may be asked to correct and re-submit all or part of a tax report that does not meet reporting requirements as described in these instructions. Missing information or detail may result in additional tax, interest and/or penalties.*

Column B of the amended Tax Report will also contain computations of additional tax liability/credit, interest and penalty due as a result of the change(s).
- Column C for both Amended Stock Summary and Amended Tax Report is the sum of Columns A and B.

**SUPPORTING AMENDED SCHEDULES:** Include Amended Supporting Schedules where the line item description on the Amended Stock Summary includes a reference to an Amended Supporting Schedule (Amended Schedules 1-8). The Amended Supporting Schedules must be prepared on Forms 1424 and or 1425. Check the box on the Forms 1424 and/or 1425 to indicate an Amended Schedule. ## **COMMON REPORTING MISTAKES**

Below is a summary of common reporting mistakes and suggestions that may help to avoid these time consuming and potentially costly errors.

### **1. NOT CONFIRMING AGREEMENT BETWEEN SUMMARY AMOUNTS AND SUPPORTING SCHEDULES**

- Validate the mathematical computations on City of Eugene Tax Report (Form 1422), City of Eugene Stock Summary (Form 1423) and all supporting schedules. (Round gallons to the nearest whole gallon).
- Verify agreement between all schedules and City of Eugene Stock Summary (Form 1423) for each line item.
- Verify agreement between applicable lines on the City of Eugene Stock Summary (Form 1423) and the City of Eugene Tax Report (Form 1422).
- Verify that City of Eugene Stock Summary (Form 1423) line 7 agrees with line 19.
- Verify agreement between City of Eugene Stock Summary (Form 1423) line 14 and City of Eugene Tax Report (Form 1422) Line 1.

*Continued on next page*

## **2. NOT PROVIDING ALL REQUIRED SCHEDULES AND DETAIL**

- Verify all required schedules are included as per instructions.
- Arrange supporting detail and summary schedules in numerical sequence by schedule, i.e. 1A, 1B, 1E, 2A, 3A etc.
- Provide complete supporting schedules and detail for each taxing jurisdiction. The Fuels Tax Group will not accept the supporting schedules and/or detail for one jurisdiction as support for another jurisdiction. See note on page 32.

## **3. NOT RECONCILING AMOUNT ON REMITTANCE CHECK TO THE CITY OF EUGENE TAX REPORT**

- Compute tax on the City of Eugene Tax Report (Form 1422), line 12 by multiplying line 10 by line 11.
- Verify that the sum of lines 12 through 15 on Form 1422 equals line 16.
- Confirm that the remittance check agrees with City of Eugene Tax Report (Form 1422), line 16. (Beware of transpositions!)

## **4. SENDING CITY OF EUGENE TAX REPORT TO THE WRONG ADDRESS**

- Confirm the address on the envelope agrees with the address shown on the upper left corner of the City of Eugene Tax Report (Form 1422). See Remittance Instructions on page 32.

## **5. NOT REPORTING DELIVERIES TO SERVICE STATIONS AND CARDLOCKS/KEYLOCKS AS TAXABLE DISTRIBUTION**

- City of Eugene Code requires that tax be paid on DELIVERIES TO, rather than sales from, the City of Eugene service stations and cardlocks/keylocks. Do not report storage losses at service stations and cardlocks/keylocks.

## **RECORDS TO BE MAINTAINED**

Pursuant to the authority granted in the Oregon statutes, it is required that each licensee keep at least the following records:

**STOCK SUMMARY** showing monthly totals for the gallons of motor vehicle fuel handled within the City of Eugene, with an analysis as to inventories, receipts, sales, use, transfer and loss or gain.

**PURCHASE JOURNAL** showing the number of gallons of motor vehicle fuel purchased or received within the City of Eugene each month, supported by purchase invoices, bills of lading or other documents.

**SALES JOURNAL** showing the number of gallons of motor vehicle fuel sold or distributed in the City of Eugene each month, supported by sales invoices to cover each sale or delivery. Sales invoice forms shall be approved by the Department and shall include **at least** the following information:

- Date of sale or delivery.
- Name of place or station from which sales or delivery is made if the vendor has more than one branch or if the sale point is different from the mailing address.
- Name of licensed dealer making the sale or delivery.
- All invoices shall separately state and describe to the satisfaction of the Department the different products shipped thereunder and shall be serially numbered, except where other sales invoice controls acceptable to the Department are maintained.
- Name and address of the purchaser and delivery point if different than the address.
- Gallons of motor vehicle fuel sold.
- When motor vehicle fuel is sold to a person who claims to be entitled to a refund of the tax, the invoices must show no corrections or erasures.
- Where the delivering branch sells and/or distributes motor vehicle fuel to out-of-city locations, the invoice or shipping document shall clearly show the customer or delivery facility name, delivery point city and state where the licensed dealer actually made delivery.

**A RECORD SHOWING ALL WITHDRAWALS OF MOTOR VEHICLE FUEL FROM STORAGE FOR USE BY THE LICENSED DEALER.** Such record shall be summarized into monthly totals and should show separately the number of gallons used for non-highway purposes and the number of gallons used in highway vehicles. Records shall also be maintained showing the total number of miles traveled each month and the total number of gallons of fuel used (segregated as to fuel withdrawn from the licensee's bulk storage and fuel received from other sources by each highway vehicle). Such records are to be kept in the accounting office where the periodic tax audit is to be made and must cover all distributing stations or branches which are operated under the dealer license, whether such distributing stations and branches are operated by employees of the licensee or by commission agents. In addition, individual fueling records, including purchase invoices, when fuel for vehicles is obtained from sources other than licensee's bulk storage, shall be kept and made available for audit when requested.

**PHYSICAL INVENTORY:** A physical inventory of motor vehicle fuel shall be taken at least at the end of each calendar month and preserved for audit purposes.

## **AUDITS**

The Oregon Department of Transportation Fuels Tax Group is responsible for the administration of the City of Eugene Fuels Tax Laws. The Fuels Tax Group of the Oregon Department of Transportation conducts periodic audits of tax reports submitted by the City of Eugene Motor Vehicle Fuel Dealers. The Fuels Tax Group may also conduct any investigation it considers necessary to administer the City of Eugene fuel tax laws.

## **LOCATION OF RECORDS:**

Records supporting the City of Eugene motor vehicle fuel tax reports are to be summarized into calendar month totals and should be centralized in the accounting office where the periodic tax audit is to be made. If a field audit is performed, the auditor will advise the Licensee of the records to be made available at audit. Such records should be retrieved prior to the auditor's arrival and located in an area conveniently accessed by the auditor.

## **REIMBURSEMENT OF TRAVEL EXPENSES FOR AUDITS OUTSIDE THE STATE OF OREGON:**

Pursuant to City of Eugene Code Chapter 3.488, in the event such records are not kept within the State of Oregon, the dealer shall reimburse the tax administrator for all travel, lodging and related expenses incurred by the tax administrator in examining such records.

*NOTE: Through the instructions in this pamphlet, the Fuels Tax Group has attempted to completely and correctly advise Licensees on proper tax report completion. We have made our best effort to address all types of reporting situations, however, due to changing technology or unusual circumstances it is possible that a Licensee may receive special instructions from an auditor intended to address only the special situation.*
