IMPORTANT NOTICE TO PERSONS DEALING IN MOTOR VEHICLE FUEL IN THE CITY OF EUGENE

File Code:

June 27, 2007

Due to a potential referendum petition filed in Eugene that could affect implementation of a 3-cent motor vehicle fuel tax rate increase approved by the Eugene City Council last month, the ODOT Fuels Tax Group has determined that it is unable to collect the 3-cent-per-gallon increase during the month of July 2007.

Pending the results of that petition effort, the implementation date of the tax rate increase has been **extended to August 1, 2007**.

Taxes collected beginning August 1, 2007 will be due and payable to the Oregon Department of Transportation Fuels Tax Group on September 25, 2007.

If the petition is determined to be valid, the ordinance authorizing the rate increase will be sent to the voters in a November 6, 2007, special election, and the effective date of the ordinance would be determined based on the outcome of that election.

For more information and to receive updates on the outcome of the referendum petition, please visit the State of Oregon Fuels Tax Group website at <http://www.oregon.gov/ODOT/CS/FTG/>. Information regarding the referendum petition outcome will be available starting July 16th.
