

Join AT&T Connect Web Meeting Quickly after the install

1. Click on a meeting link that was probably sent to you via email or is on your calendar.

<https://connect9.uc.att.com/service32/meet/?ExEventID=84345413>

2. Internet Explorer will open to the AT&T Connect "Your Details" page. If you checked the box "Remember me", then just click **[Join]**.

3. If the host is in the meeting, Internet Explorer will open to the AT&T Connect page.
4. The Welcome splash screen will appear. Click **[Got It!]**.

5. Choose how to listen (and speak) on the "Connection Setup" dialog. If you have a microphone on your computer headset, VOIP will transmit your voice.
