- **Customer Number for Persons:** Your customer number is your Oregon driver license (ODL), identification card (ID) or instruction permit number. Use that number on the application. If you do not have an ODL, ID card or instruction permit, DMV will assign a customer number to you when the application is received. You must use your true name on all business you conduct with DMV. This is the name you have established on your ODL, ID card or instruction permit.

- **Customer Number for Businesses:** If you know your customer number for your business, list that number on the application. Businesses must also use the same name in all business they conduct with DMV.

- **Residence or Business Address:** Provide the address where you primarily reside. If the owner listed is a lessee, the address of the lessee must be shown. For a business, you must provide the address of the business.
