## Fees

HB 2017 (2017 Legislative Session) authorized an increase in DMV fees effective January 1, 2020. HB 2881 (2019 Legislative Session) authorized a reduced registration fee for vehicles with 40+ MPG that are enrolled in the OReGO program (pay-per-mile), in addition to the discount already provided for electric vehicles.

**Passenger:** Passenger registration fees are based on the combined MPG rating determined by DMV's VIN decoding software. Dealers can also provide the combined MPG rating to DMV for vehicles on the Application for Title and Registration, [Form 226](#).

Passenger vehicles are eligible for 2 or 4 year registration. The following chart gives the passenger registration fee information based on the MPG rating.

REGISTRATION FEE CHART BASED ON MPG AND VEHICLE TYPE

	2-Year	4-Year
Passenger Registration 0-19 MPG	\$122	\$244
Passenger Registration 20-39 MPG	\$132	\$264
Passenger Registration 40+ MPG NOT Enrolled in OReGO	\$152	\$304
Passenger Registration 40+ MPG Enrolled in OReGO	\$86	\$172
Passenger Registration Electric NOT Enrolled in OReGO	\$306	\$612
Passenger Registration Electric Enrolled in OReGO	\$86	\$172

### General fee information

The correct fee to collect for any transaction depends on the type of vehicle and the type of transaction being done. The most common transaction types are:

- Title transfer
- Registration (original or renewal)
- Plate replacement
- Plate transfer

### ***Transaction examples:***

If you are submitting an application for a vehicle with an out-of-state title and issuing Salmon plates, collect the following fees for the transaction:

- Title fee (new to Oregon vehicle)
- +VIN inspection fee
- +Salmon surcharge for one or two plates
- +Plate fee for one or two plates
- +Registration fee for the vehicle type
- =Total fee

If you are submitting an application for a vehicle with a current Oregon title, renewing the registration, and replacing the plates with tree plates collect the following fees for the transaction:

- Title fee (Oregon title transfer)
- +At-renewal replacement plate fee
- +Plate fee for one or two plates
- +Renewal (registration) fee for the vehicle type
- =Total fee

*For more information on the privilege/use tax on new vehicles, see Chapter R, Dealers, or visit <https://www.oregon.gov/dor>*

**Note:** Do not include the privilege/use tax fee on the application.

### Title fee information

Light vehicle title fees are based on the combined MPG rating as determined by DMV’s VIN decoding software. If the VIN does not decode, the title fee will default to the lowest MPG rating and lowest title fee. Dealers can also provide the combined MPG rating to DMV for vehicles on the Application for Title and Registration, [Form 226](#). Title fees for motorcycles, mopeds, low-speed vehicles, medium-speed electric vehicles and trailers default to the lowest MPG rating title fee. Heavy vehicle and salvage title fees are not changing.

TITLE FEE CHART BASED ON MPG AND VEHICLE TYPE

Titles	New Fee
Motorcycle/Moped/RV/PMRV	\$98
0-19 MPG	\$98
20-39 MPG	\$103
40+ MPG regardless of OReGO status	\$113
Electric regardless of OReGO status	\$187

The amount of the title fee for other vehicles is based on the vehicle type and weight and whether or not the title being replaced or applied for is a salvage title. It is necessary to know the weight of the vehicle even if the vehicle is not being registered.

1. Title fees for heavy motor vehicles are based on the gross vehicle weight rating (GVWR). A \$90.00 title fee is charged for the following vehicle types (referred to as "Heavy Vehicles"):
  - Trailers with a loaded weight over 8,000 pounds (this does not apply to other vehicle types such as special use trailers and travel trailers).
  - Motor vehicles with a gross vehicle weight rating (GVWR) over 26,000 pounds (this applies to all truck, bus, and motorized heavy fixed load title transactions, but this does not apply to motor homes).
2. Salvage certificate fee and replacement salvage certificate fee for all vehicle types is \$27.00.

## Four-year registration fee information

The following new vehicles are subject to four-year registration, for the first registration period (see [Chapter K](#) for more background information):

- Passenger vehicles (including electric and hybrid)
- Light trailers
- Mopeds (all motive power types, including electric and hybrid)
- Motorcycles (all motive power types, including electric and hybrid)

The registration fee will double in addition to any surcharges or special fees (such as the custom plate fee). The surcharge for Crater Lake, Cultural plates, Pacific Wonderland, Portland Trail Blazers, Wine Country, Share the Road, and Special Registration Plate Program plates is NOT doubled. After the initial four-year registration period, the renewal will revert back to a two-year registration period.

## Exceptions to four-year registration:

- Vehicle types not listed above
- Plate transfers
- Vehicles applying for permanent registration
- Rental or leasing companies that elect to initially register new passenger vehicles for a one or two year period

**NOTE:** Vehicles registering now with an expiration date on or after January 1, 2020 must pay the new fees. See the [fee chart](#) on page 1 of this chapter.

**Multnomah County:** The additional Multnomah County registration fee is \$19 per year of registration (**until January 1, 2021**). Heavy trailers with a permanent registration are assessed a one-time county registration fee of \$10.

Information about Multnomah County registration fees is located at <https://multco.us/bridges/vehicle-registration-fee>.

**Washington County:** The additional Washington County registration fee is \$30 per year of registration. Heavy trailers with a permanent registration are assessed a one-time county registration fee of \$10. Motorcycles and mopeds will pay an additional \$17 per year of registration.

DMV TITLE AND REGISTRATION HANDBOOK  
Chapter M: Fees

Information about Washington County registration fees is located at <https://www.co.washington.or.us/lut/transportationfunding/vehicle-registration-fee.cfm>.

Registration fees are collected based on the registration period of the vehicle, rather than the transaction date.

County registration fees are based on the customer's vehicle address, residence address or business address (in that order) at the time of application for registration. When filling out applications for title and registration, please include the total registration fee amounts, including county registration fees if applicable, in the REG/REN FEE box on the application.

Most vehicle types are subject to the county registration fees. The tables below list which vehicles are subject and which vehicles are exempt from the county registration fees.

The first table below shows the subject vehicles and corresponding amounts. The second table below shows exempt vehicles and registration types.

## Tree (Graphic), Oregon Trail, “OR 150” Pacific Wonderland, Salmon, Crater Lake, Cultural and Wine Country Plates

### ***"Graphic" plates terminology***

The tree plate was the original graphic plate. When mentioned in older DMV literature, "graphic" means the tree plate.

### ***Tree plates***

Tree plates are issued:

- For light trailers (only option available)
- For passenger vehicles, as regular issue, and custom
- As background for most non-veteran related group plates
- As background for National Guard plates and Elected Official plates
- As background for Disabled Veteran plates (full size only; not moped or motorcycle)

**NOTE:** Vehicles registering now with an expiration date on or after January 1, 2020 must pay the new fees. See the [fee chart](#) on page 1 of this chapter.

**NOTE:** Title and registration fees are no longer included in the following charts. Refer to the [Registration Fee Chart](#) and [Title Fee Chart](#) to assist in assessing fees.

**Tree plate initial issuance fees**

The plate fee is \$24.50 for two plates, and \$12.00 for one.

When tree plates are issued in **conjunction with original registration** (new vehicles or new to Oregon) there is no replacement fee. The fees that should be collected are the plate fee and the registration fee (see fee charts), and custom or group plate fee, if applicable.

When tree plates are issued or replaced in **conjunction with the renewal** of the registration plates, the at-renewal replacement fee of \$5.00 per transaction is charged in addition to the plate fee and registration renewal fee, and custom plate or group plate fee if applicable.

**Tree replacement plate fee example:**

Replacement at renewal			
	Replacement fee	Plate fee	Total
One plate	\$5	\$12	\$17
Two plates	\$5	\$24.50	\$29.50
Replacement between renewal			
	Replacement fee	Plate fee	Total
One plate	\$10	\$12	\$22
Two plates	\$10	\$24.50	\$34.50

If the customer wishes to apply for replacement tree plates at any time between renewals, they will pay the between-renewal replacement fee of \$10 in addition to the plate fee.

The plate fee is \$12 for vehicles requiring one plate, and \$24.50 for vehicles requiring two plates.

**Disabled Veteran Plates**

To assist a customer in applying for Disabled Veteran Plates and for more information about qualifying for a Disabled Veteran Plate, see [Chapter K](#).

A permanent registration fee of \$15 plus the plate fee is required at the time of initial application. The registration is valid for as long as the person who qualified for the Disabled Veteran Plates remains an owner.

**Group plates** (issued only to passenger vehicles)

To assist a customer in applying for Group plates, for more information about qualifying for a group plate, and for group plate transfer information, see [Chapter K](#).

*When Group plates are issued or renewed, a surcharge is collected. See [surcharge fee chart](#) in this chapter for exception and more information.*

Group plates are issued only for passenger vehicles. Veteran related group plates are issued on a white background with a military insignia. Most non-veteran related group plates are issued on the tree plate, except Gold Star Family plates, and Share the Road plates, which have a different design. Many of the veteran group plates have specific eligibility requirements; contact DMV for more information about eligibility. When the plates are issued or renewed, a surcharge is collected (see [surcharge fee chart](#) in this chapter), which goes into an account for the group.

When group plates are issued in conjunction with original registration (new vehicles or new to Oregon) the fees collected are the surcharge, the plate fee and the registration fee.

**GROUP PLATES ISSUED OR REPLACED WITH DIFFERENT TYPE GROUP PLATE:** Collect the replacement fee, group plate surcharge, plate fee, and if at renewal, the registration renewal fee.

**GROUP PLATES REPLACED WITH THE SAME TYPE OF GROUP PLATE:** Collect the replacement fee, group plate surcharge, plate fee, and registration renewal fee at renewal.

No group plate surcharge is charged when replacing a group plate with the same type of group plate between renewals.

For more information on surcharges, see surcharge fee chart later in this chapter.

### **National Guard plates**

Active Members of the Oregon National Guard are eligible for National Guard plates. National Guard plates are issued on tree plates for passenger vehicles and motor homes. One of the owners on the title must qualify for the plate. If there is a lessor and lessee on the title, the lessee must qualify for the plate. The qualified applicant must submit a completed Oregon Military Department Certificate of Eligibility, AGO Form 4309, issued by the Oregon Military Department. For more information and for plate transfer information, see [Chapter K](#).

**NOTE:** Vehicles registering now with an expiration date on or after January 1, 2020 must pay the new fees. See the [fee chart](#) on page 1 of this chapter.

The fee for National Guard plates is the same as for regular tree plates:

Passenger, Original registration .....	\$24.50 + registration fee
Passenger, Replace w/ Renewal .....	\$29.50 + registration fee
Passenger, Replace w/o Renewal .....	\$34.50
Motor Home, Original.....	\$24.50 + registration fee
Motor Home, Replace w/ Renewal .....	\$29.50 + renewal fee
Motor Home, Replace w/o Renewal .....	\$34.50

### **Government Vehicle plates**

The registration fees for government vehicle plates (E plates) are:

Original plates (one-plated vehicle) .....	\$17.00
Original plates (two-plated vehicle) .....	\$29.50

### **Oregon Trail plates**

On November 4, 5693, DMV began issuing the Oregon Trail license plate. Oregon Trail plates are no longer issued but still may be renewed and transferred. See [Chapter K](#) for information about plate transfer requirements.

### **Pacific Wonderland plates**

“OR 150” Pacific Wonderland plates may be issued to passenger vehicles only and may not be issued with a custom or ham configuration.

Registration fees for “OR 150” Pacific Wonderland plates are the same as for regular registration for passenger vehicles plus a surcharge of \$100 per set of plates whether it is 2-year or 4-year registration. The surcharge is required only when “OR 150” Pacific Wonderland plates are initially issued.

If between renewals and the application is a change from any other plate type to “OR 150” Pacific Wonderland plates, charge the replacement fee of \$34.50 plus the “OR 150” Pacific Wonderland surcharge.

### **Salmon plates**

Salmon plates or custom Salmon plates may be issued for passenger vehicles. Passenger vehicles may also have Ham configuration on Salmon background. The Salmon plate surcharge is distributed to two funds: half to the Watershed Conservation Operating Fund and half to the State Parks and Recreation Department Fund. Salmon plates may be transferred to another vehicle of the same type - see [Chapter K](#) for plate transfer requirements.

*When Salmon plates are initially issued or renewed, a surcharge of \$7.50 per plate per year of the registration period is collected. See [surcharge fee chart](#) in this chapter.*

When Salmon plates are issued in conjunction with original registration (new vehicles or new to Oregon) the fees collected are the surcharge of \$7.50 per plate per year of the registration period, the plate fee and the registration fee.

When Salmon plates are issued to an Oregon-registered vehicle, the fees collected are the replacement fee, the Salmon plate surcharge, plate fee, and, if at renewal, the registration renewal fee.

When Salmon plates are replaced (customer already has Salmon plates), the fees collected are the replacement fee, plate fee, and, if renewing, the registration renewal fee and the surcharge. No surcharge fee is collected if the customer is replacing Salmon plates between renewal.

**NOTE:** Vehicles registering now with an expiration date on or after January 1, 2020 must pay the new fees. See the [fee chart](#) on page 1 of this chapter.

**NOTE:** Title and registration fees are no longer included in the following charts. Refer to the [Registration Fee Chart](#) and [Title Fee Chart](#) to assist in assessing fees.

*When Crater Lake plates are initially issued, a surcharge of \$15.00 per plate is collected. See [surcharge fee chart](#) in this chapter.*

(See below.) The business certificate fee is paid separately to DMV. All tow/recovery vehicles with a combined weight of 26,000 pounds or less must register with DMV and pay the \$17.00 business certificate fee at the same time.</p> <p>Registration weight for tow/recovery vehicles is the weight of the tow vehicle fully equipped for service, not including any part of the weight of the vehicle being towed, unless the towed vehicle includes a trailer with a loaded weight of more than 8,000 pounds. In this case, the loaded weight of the trailer must be included in the registration weight.</p> <p>ALL TOW/RECOVERY VEHICLES WITH A COMBINED WEIGHT OVER 26,000 POUNDS MUST REGISTER WITH MCTD. COMBINED WEIGHT IS NOT THE SAME AS REGISTRATION WEIGHT. (See below.)</p>		
<b>IMPORTANT NOTICE FOR VEHICLES WITH COMBINED WEIGHT OVER 26,000 POUNDS</b>		
<p>Vehicles subject to weight-mile tax through the Motor Carrier Transportation Division (MCTD) must be registered with MCTD. This applies primarily to vehicles with a registration weight of 26,001 pounds or more. This also applies to Tow/Recovery vehicles hauling property for-hire, subject to the registration fees under ORS 803.420(14).</p> <p>Vehicles with registration weights of less than 26,001 pounds also may be subject to weight-mile tax if the vehicle's combined weight is 26,001 pounds or more. This would include, for example, a vehicle used exclusively to tow manufactured structures, since the manufactured structure is not included in the registration weight, but is part of the combined weight. If the combined weight of your vehicle is 26,001 pounds or more, you must register it with MCTD. If you do not know if your vehicle is subject to weight-mile tax, contact the Motor Carrier Transportation Division, 550 Capitol Street NE, Salem OR 97301. The telephone number is (503) 378-6699.</p> <p><b>Maximum Weight:</b> The maximum REGISTRATION WEIGHT per single vehicle or combination of vehicles is 105,500 pounds.</p> <p>Regardless of registration weight, variance permits must be obtained when operating vehicles in excess of 80,000 pounds combined weight or any operation that exceeds the maximum allowable weights as described in ORS 818.200. Unlike registration weight, combined weight includes the weight of any camper, trailing vehicles or their loads. Variance permits may be obtained from the Transportation Permit Unit, 550 Capitol St NE, Salem OR 97301. The telephone number is (503) 373-0000.</p>
