The 2017-2018 Oregon Vehicle Code Book is now available for purchase. The cost of the book is $7 per copy, which covers the cost of publishing and distribution.

*Format* - The books are approximately 5 ½ by 8 ½ inches in size, and are available in both a bound and loose-leaf version. There are a limited number of loose-leaf (notebook style) books available. The loose-leaf format requires a three ring binder, which is not provided by DMV. Requests for loose-leaf books will be filled on a first-come first-served basis until the supply has been exhausted. If there are no loose-leaf books available, requests will be filled with the bound version of the book.

To purchase copies of the book, send your written request, with payment, to:

DMV - Record Services  
1905 Lana Ave NE  
Salem OR 97314

Please be sure to include the complete name and address where you want the books shipped. If the books need to come to a particular person’s attention, please include that information in your request. Please state the number of books you are requesting, as well as the format (see above). It is also a good idea to include a phone number and the name of the person to be contacted in case there are any questions about your request. You must send payment (by check or money order only) with your request, as DMV is unable to process requests without proper payment. If you have any questions, please contact DMV Customer Assistance at (503) 945-5000.

The following commercial motor vehicle credentials may be carried electronically:

Oregon law enforcement has been advised and soon carriers will see information pertaining to this on Trucking Online and in a special edition newsletter. Please become familiar with this information by reviewing our FAQs website and a list of electronic credentials with samples at: www.oregon.gov/ODOT/MCT/Pages/E-Credentials.aspx
