Transfer Out-of-State Vehicle into Oregon – No Lienholder

Use these instructions if you moved to Oregon and have the out-of-state title or if you are already an Oregon resident and bought a vehicle with an out-of-state title.

Provide the following to DMV:

- A completed Application for Title and Registration;
- The original out-of-state title;
  - If the title is lost, contact the other state to get a replacement.
- The original odometer disclosure, if required;
- Original releases or bills of sale from any previous owners;
- Original lien releases from any previous security interest holders;
- A vehicle identification number (VIN) inspection for $7;
  - At DMV, during an appointment, you can also apply for title; or
  - At DEQ, only if you must have an emissions test.
- The odometer has 7,500 miles or less and you bought the vehicle from an out-of-state dealer, you may need a Use Tax Certificate from the Oregon Department of Revenue; and
- The appropriate title fee – use our online fee calculator!

Options to submit your transaction are on page 2.

Along with all of the requirements listed in the section above, you must also provide the following to DMV:

- A Certificate of Compliance for passing an emissions test at DEQ, if required (newer vehicles are exempt); and
- The appropriate registration fee.

If you apply for registration, you are certifying:

- You currently have, and will maintain, motor vehicle insurance required by Oregon law for as long as you register the vehicle; and
- Your home is in Oregon or you are eligible, or required, to register under Oregon law.

- If you titled your vehicle in another state, you must get a new Oregon title and registration (plates).
- If you only registered your vehicle in another state, you do not need to title it again. If you still have the Oregon plates, you can use the plates and renew them if needed. If you do not have the plates, you can apply for replacements.
Options to submit your transaction:

1. You can make an appointment to title your vehicle at most DMV offices. You can get a VIN inspection and apply for registration during the appointment, if needed.
2. Mail your title transaction and fees to DMV if you do not make an appointment. Keep images or copies of the documents you mail to us.
