

Transfer Ownership – Oregon Title is Lost

If you bought a vehicle and the Oregon title is lost, you may be able to get a replacement title and transfer the title into your name at the same time.

You cannot do a replacement title and transfer the title into your name at the same time if the vehicle is subject to [odometer requirements](#) and all owners are changing. If this is the case, the owner(s) on DMV records must [replace the Oregon title](#) and then disclose the odometer on the title for you.

Title

Provide the following to DMV (if the vehicle is not subject to [odometer requirements](#)):

- A completed [Application for Title and Registration](#);
- A completed [Application for Replacement Title](#), signed by all owners on DMV records;
- Original releases or bills of sale from all previous owners;
- Original lien releases from any previous security interest holders; and
- The appropriate title [fee](#).

Submit the documents and payment to [DMV](#).

Registration (Plates)

Along with all of the requirements listed in the section above, you must also provide the following to DMV:

- If the vehicle does not already have plates, proof of compliance, or exemption from the [Low Emissions Vehicle](#) (LEV) requirement;
- A Certificate of Compliance for passing an [emissions test at DEQ](#) if your vehicle is required to be tested and you live in a [DEQ area](#);
- Your [plate choice](#), if the vehicle does not have plates or if you want a different plate; and
- The appropriate registration fee, based on your plate choice.

Submit the documents and payment to [DMV](#).

If you apply for registration, you are certifying:

- You currently have, and will maintain, motor vehicle [insurance required](#) by Oregon law for as long as you register the vehicle; and
- Your [home](#) is in Oregon or you are eligible, or required, to register under Oregon law.
