

CENTERLINE RUMBLE STRIP PLACEMENT WITH RECESSED PAVEMENT MARKERS

GENERAL NOTES:

1. Install rumble strips on centerline as shown.
2. Omit rumble strips:
 - on bridge decks
 - on Portland cement concrete surfaces
 - at intersections with public roads as shown
 - other locations as directed

NOTES TO DESIGNER:

1. See Standard Detail DET4556 for rumble strip dimensions.
2. Use for surface-installed pavement markings only.

The selection and use of this detail, while designed in accordance with generally accepted engineering principles and practices, is the sole responsibility of the user and should not be used without consulting a Registered Professional Engineer.
