B20 Certified Used Cooking Oil Tax Forgiveness Program Sunset

The 2013 legislature introduced House Bill 2435 which implemented a program of tax forgiveness on fuel derived from used cooking oil.

This program will sunset on December 31, 2019.

Effective January 1, 2020, B20 (biodiesel with 20% used cooking oil) will be taxed at the current rate for diesel fuel.

Additionally, on January 1, 2020, the Oregon Fuels Tax rate will increase to 36 cents/gallon.

Please contact our office at the address or numbers listed above with any questions.
