Foreword

Laws governing registration of vehicles and licensing of their operators, as well as the rules of the road, establish the pattern for safe and efficient use of Oregon streets and highways.

Subjects fully covered in this compilation of Oregon Revised Statutes (ORS) include motor vehicle titles and registration; vehicle-related business licensing; driver licensing; vehicle equipment, size and weight; abandoned vehicles; traffic offense procedures; traffic safety; financial responsibility; rules of the road; off-road vehicle regulation; registration of commercial motor vehicles; motor carriers; and railroads.

Four other ORS chapters are included in a section titled “Related Laws.” In this section you will find laws governing traffic violations and offenses, administrative procedures, aircraft and motor vehicle fuel taxes and indigent persons injured in motor vehicle accidents.

The “Miscellaneous Laws” section includes laws that also may affect motor vehicle laws and may be useful to those who use this book. Only selected sections of these chapters are included.

This publication includes statutes adopted and amended through the end of the 2019 Regular Session of the 80th Legislative Assembly. It does not include any changes adopted during the 2020 Regular Legislative Session or any Special Legislative Sessions that may occur. Not all laws are in effect on the publication date of this book. Notes in smaller type may appear before or after laws to alert you to special circumstances.

ORS 802.050 (1) provides: “The Department of Transportation may compile, publish and distribute a vehicle code book containing statutes administered by the department concerning vehicles and drivers, along with other related laws. The department may establish and collect a reasonable fee for books issued to groups or persons who are not employees of the department. Any fee established under this section shall not exceed the costs of the compilation, publication and distribution of the books.”

801.010 Short title. (1) ORS chapters 801 to 826 may be cited as the Oregon Vehicle Code.

(2) ORS 809.600 to 809.640 may be cited as the Habitual Traffic Offenders Act.

(3) ORS 813.095, 813.100, 813.131, 813.132, 813.140, 813.150, 813.310, 813.320 and 813.410 to 813.440 may be cited as the Motorist Implied Consent Law. [1983 c.338 §1; 1985 c.16 §2; 1995 c.733 §10; 1997 c.25 §4; 2003 c.814 §4]

801.015 Effect of naming offenses. The names given offenses in the vehicle code do not establish or limit the elements of the offense described but are merely for the convenience of the readers of the vehicle code and of the persons administering and enforcing the vehicle code. [1983 c.338 §2]

801.020 Statements of policy and purpose; applicability of vehicle code. This section contains statements of purpose or intent that are applicable to portions of the vehicle code as described in the following:

(1) The provisions of the vehicle code and other statutory provisions described in this subsection are an exercise of the police powers of this state, and the purpose, object and intent of the sections is to provide a comprehensive system for the regulation of all motor and other vehicles in this state. This subsection is applicable to the following:

(a) Those provisions of the vehicle code relating to the administration of the Department of Transportation.

(b) Those provisions of the vehicle code relating to the registration and titling of vehicles.

(c) Those provisions of the vehicle code relating to the regulation of the businesses of vehicle dealers, dismantlers, vehicle transporters, driver training schools and instructors and the towing and recovery of vehicles.

(d) Those provisions relating to the transfer and alteration of vehicles.

(2) It is the policy of this state to promote and encourage the fullest possible use of its highway system by authorizing the making and execution of motor vehicle reciprocal or proportional registration agreements, arrangements and declarations with other states, provinces, territories and countries with respect to vehicles registered in this and such other states, provinces, territories and countries, thus contributing to the economic and social development and growth of this state.

(3) The provisions described in this subsection shall be applicable and uniform throughout this state and in all political subdivisions and municipalities therein and on the ocean shore which has been or may hereafter be declared a state recreation area. This subsection applies to provisions of the vehicle code relating to abandoned vehicles, vehicle equipment, regulation of vehicle size, weight and load, the manner of operation of vehicles and use of roads by persons, animals and vehicles.

(4) The provisions of the vehicle code applicable to drivers of vehicles upon the highways shall apply to the drivers of all vehicles owned or operated by the United States, this state or any county, city, district or any other political subdivision of this state, subject to such specific exceptions as are set forth in the vehicle code.

(5) Except as provided otherwise by federal law, the provisions of the vehicle code shall be applicable and uniform on federal lands within this state.

(6) Except as provided otherwise by federal law, traffic rules and regulations which are promulgated by a federal authority having jurisdiction over federal lands within this state and which vary from the provisions of the vehicle code shall be the law of the local authority within whose boundaries the federal land is located, and enforceable as such, if:

(a) Local authorities are authorized to vary in the same manner under the provisions of the vehicle code; and

(b) Prior approval for the variance has been obtained by the federal authority from the governing body of the local authority within whose boundaries the federal land is located.

(7) The vehicle code shall govern the construction and application of any vehicle code offense committed after June 27, 1975, the construction and application of any defense to a prosecution for such an offense and any administrative proceedings authorized or affected by the vehicle code.

(8) When all or part of a vehicle code statute is amended or repealed, the statute or part thereof so amended or repealed remains in force for the purpose of authorizing the accusation, prosecution, conviction and punishment of a person who violated the statute or part thereof before the effective date of the amending or repealing Act.

(9) The provisions of the vehicle code described in this subsection relating to the operation of vehicles refer exclusively to operation of vehicles upon highways and the ocean shore which has been or may hereafter be declared to be a state recreation area, except where the vehicle code specifically provides otherwise. This subsection applies to the provisions of the vehicle code relating to abandoned vehicles, vehicle equipment, regu-
lation of vehicle size, weight and load, the manner of operation of vehicles and use of roads by persons, animals and vehicles.

(10) All reciprocity and proportional registration agreements, arrangements and declarations relating to vehicles, in force and effect on August 22, 1969, shall continue in force and effect until specifically amended or revoked as provided by law or by such arrangements or agreements.

(11) It is hereby declared to be the policy of this state:

(a) To provide maximum safety for all persons who travel or otherwise use the public highways of this state;

(b) To deny the privilege of operating motor vehicles on the public highways to persons who by their conduct and record have demonstrated their indifference for the safety and welfare of others and their disrespect for the laws of the state, the orders of its courts and the statutorily required acts of its administrative agencies; and

(c) To discourage repetition of criminal acts by individuals against the peace and dignity of the state and its political subdivisions and to impose increased and added deprivation of the privilege to operate motor vehicles upon habitual offenders who have been convicted repeatedly of violations of traffic laws.

(12) If any of the provisions under ORS 818.200 relating to variance permits are found to contravene section 127 of title 23, United States Code, it shall not serve to render inoperative any remaining of such provisions that may be held not to conflict with that federal law. [1983 c.338 §4; 1985 c.16 §4; 2003 c.655 §4b; 2005 c.654 §36]

801.025 [1983 c.338 §5; 1985 c.16 §5; 1987 c.447 §139; repealed by 1989 c.400 §1 (801.026 enacted in lieu of 801.025)]

801.026 General exemptions; exceptions. (1) Persons, motor vehicles and equipment employed or used by a public or telecommunications utility, electric cooperative or by the United States, this state or any political subdivision of this state are exempt from the provisions of the vehicle code as described in ORS chapter 811, except that this subsection does not apply to:

(a) Reckless driving, as defined in ORS 811.140.

(b) Driving while under the influence of intoxicants, as defined in ORS 813.010.

(c) Failure to perform the duties of a driver involved in a collision, as described in ORS 811.700 or 811.705.

(3) Devices moved exclusively on stationary rail tracks are exempt from the vehicle code.

(4) Devices that are powered exclusively by human power are not subject to those provisions of the vehicle code that relate to vehicles. Notwithstanding this subsection, bicycles are generally subject to the vehicle code as provided under ORS 814.400.

(5) The exemptions in subsection (3) of this section do not apply to the persons and vehicles when traveling to or from the facilities or construction project. [1989 c.400 §2 (enacted in lieu of 801.025); 1999 c.1051 §82; 2018 c.22 §5]

801.030 Exemptions from amendments to vehicle code. This section describes exemptions from specific changes to the vehicle code. The exemptions allow some practice or right to continue after the change is made. The exemptions are as follows:

(1) Nothing contained in ORS 810.150 shall require the redesign, modification or replacement of street drains installed prior to September 13, 1975.

(2) Sections 2 to 169, chapter 451, Oregon Laws 1975, shall not apply to or govern the construction of or punishment for any vehicle code offense committed before June 27, 1975, or the construction and application of
any defense to a prosecution for such an offense and do not impair or render ineffectual any court or administrative proceedings or procedural matters which occurred before June 27, 1975. [1983 c.338 §6; 1985 c.171 §1]

801.035 [1983 c.338 §7; 1985 c.16 §6; 1985 c.400 §1; 1989 c.43 §15; 1991 c.407 §19; repealed by 1995 c.733 §74]

Note: 801.038 was enacted into law by the Legislative Assembly but was not added to or made a part of the Oregon Vehicle Code or any chapter or series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

801.040 Authority to adopt special provisions. This section describes circumstances where special provisions are made concerning the authority of cities, counties or other political subdivisions in relation to some portion of the vehicle code. This section is not the only section of the vehicle code that applies to such authority and shall not be interpreted to affect the vehicle code except as specifically provided in this section. The following limits are partial or complete as described:

(1) No county, municipal or other local body with authority to adopt and administer local police regulations under the Constitution and laws of this state shall enact or enforce any rule or regulation in conflict with the provisions of the vehicle code described in this subsection except as specifically authorized in the vehicle code. This subsection applies to the provisions of the vehicle code relating to abandoned vehicles, vehicle equipment, regulation of vehicle size, weight and load, the manner of operation of vehicles and use of roads by persons, animals and vehicles.

(2) Except as provided in ORS 822.230 and this subsection, no city, county or other political subdivisions shall regulate or require or issue any registration, licenses, permits or surety bonds or charge any fee for the regulatory or surety registration of any person required to obtain a certificate from the Department of Transportation under ORS 822.205. This subsection does not:

(3) No city, county or other political subdivision of this state, nor any state agency, may adopt a regulation or ordinance that imposes a special fee for the use of public lands or waters by snowmobiles or Class I all-terrain vehicles, or for the use of any access thereto that is owned by or under the jurisdiction of either the United States, this state or any such city, county or other political subdivision. The registration fees provided by ORS 821.320 are in lieu of any personal property or excise tax imposed on snowmobiles by this state or any political subdivision. This subsection does not prohibit any city, county or other political subdivision, or any state agency from regulating the operation of snowmobiles or Class I all-terrain vehicles on public lands, waters and other properties under its jurisdiction and on streets or highways within its boundaries by adopting regulations or ordinances of its governing body if such regulations are not inconsistent with ORS 821.150 to 821.292.

(a) Notwithstanding paragraph (b) of this subsection, a county or incorporated city may supersede such provisions by ordinance or charter provision.

(b) Any road authority described under ORS 810.010 may adopt rules or procedures that do not conflict with such provisions to provide for additional protection for the owner or person with an interest in a vehicle subject to such provisions or that more quickly accomplish the procedures established under such provisions.

(5) Any incorporated city may by ordinance require that the driver of a vehicle involved in an accident file with a designated city department a copy of any report required to be filed under ORS 811.725. All such reports shall be for the confidential use of the city department but subject to the same requirements for release of such reports as provided for the release of such reports by the department under ORS 802.220 and 802.240.

(11) The department may adopt rules necessary to implement any agreement established under this section.

(12) The department must submit a report on any agreement proposed under this section to the presiding officers of each house of the Oregon Legislative Assembly at least 30 days before the agreement may take effect. 802.540 Driver License Compact. The Driver License Compact is enacted into law and entered into on behalf of this state with all other states legally joining therein in a form substantially as follows:

ARTICLE I
FINDINGS AND DECLARATION OF POLICY

(a) The party states find that:

(1) The safety of their streets and highways is materially affected by the degree of compliance with state laws and local ordinances relating to the operation of motor vehicles.

(2) Violation of such a law or ordinance is evidence that the violator engages in conduct which is likely to endanger the safety of persons and property.

(3) The continuance in force of a license to drive is predicated upon compliance with laws and ordinances relating to the operation of motor vehicles, in whichever jurisdiction the vehicle is operated.

(b) It is the policy of each of the party states to:

(1) Promote compliance with the laws, ordinances, and administrative rules and regulations relating to the operation of motor vehicles by their operators in each of the jurisdictions where such operators drive motor vehicles.

(2) Make the reciprocal recognition of licenses to drive and eligibility therefor more
just and equitable by considering the overall compliance with motor vehicle laws, ordinances and administrative rules and regulations as a condition precedent to the continuance or issuance of any license by reason of which the licensee is authorized or permitted to operate a motor vehicle in any of the party states.

ARTICLE II
DEFINITIONS
As used in this compact:
(a) “State” means a state, territory or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.
(b) “Home state” means the state which has issued and has the power to suspend or revoke the use of the license or permit to operate a motor vehicle.
(c) “Conviction” means a conviction of any offense related to the use or operation of a motor vehicle which is prohibited by state law, municipal ordinance or administrative rule or regulation, or a forfeiture of bail, bond or other security deposited to secure appearance by a person charged with having committed any such offense, and which conviction or forfeiture is required to be reported to the licensing authority.

ARTICLE III
REPORTS OF CONVICTION
The licensing authority of a party state shall report each conviction of a person from another party state occurring within its jurisdiction to the licensing authority of the home state of the licensee. Such report shall clearly identify the person convicted; describe the violation specifying the section of the statute, code or ordinance violated; identify the court in which action was taken; indicate whether a plea of guilty or not guilty was entered, or the conviction was a result of the forfeiture of bail, bond or other security; and shall include any special findings made in connection therewith.

ARTICLE IV
EFFECT OF CONVICTION
(a) The licensing authority in the home state, for the purposes of suspension, revocation or limitation of the license to operate a motor vehicle, shall give the same effect to the conduct reported, pursuant to Article III of this compact, as it would if such conduct had occurred in the home state, in the case of convictions for:
   (1) Manslaughter or negligent homicide resulting from the operation of a motor vehicle;
   (2) Driving a motor vehicle while under the influence of any other drug or substance to a degree which renders the driver incapable of safely driving a motor vehicle;
   (3) Any felony in the commission of which a motor vehicle is used;
   (4) Failure to stop and render aid in the event of a motor vehicle accident resulting in the death or personal injury of another.
(b) As to other convictions, reported pursuant to Article III, the licensing authority in the home state shall give such effect to the conduct as is provided by the laws of the home state.
(c) If the laws of a party state do not provide for offenses or violations denominated or described in precisely the words employed in subdivision (a) of this Article, such party state shall construe the denominations and descriptions appearing in subdivision (a) hereof as being applicable to and identifying those offenses or violations of a substantially similar nature and the laws of such party state shall contain such provisions as may be necessary to insure that full force and effect is given to this Article.

ARTICLE V
APPLICATIONS FOR NEW LICENSES
Upon application for a license to drive, the licensing authority in a party state shall ascertain whether the applicant has ever held, or is the holder of a license to drive issued by any other party state. The licensing authority in the state where application is made shall not issue a license to drive to the applicant if:
(1) The applicant has held such a license, but the same has been suspended by reason, in whole or in part, of a violation and if such suspension period has not terminated.
(2) The applicant has held such a license, but the same has been revoked by reason, in whole or in part, of a violation if such revocation has not terminated, except that after the expiration of one year from the date the license was revoked, such person may make application for a new license if permitted by law. The licensing authority may refuse to issue a license to any such applicant if, after investigation, the licensing authority determines that it will not be safe to grant to such person the privilege of driving a motor vehicle on the public highways.
(3) The applicant is the holder of a license to drive issued by another party state and currently in force unless the applicant surrenders such license.

ARTICLE VI
APPLICABILITY OF OTHER LAWS
Except as expressly required by provisions of this compact, nothing contained...
herein shall be construed to affect the right of any party state to apply any of its other laws relating to licenses to drive to any person or circumstance, nor to invalidate or prevent any driver license agreement or other cooperative arrangement between a party state and a nonparty state.

**ARTICLE IX**

**CONSTRUCTION AND SEVERABILITY**

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state party thereto, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

803.010 Proof of ownership. A certificate of title is prima facie evidence of the ownership of a vehicle or of an interest therein. In all actions, suits or criminal proceedings, when the title to or right of possession of any vehicle is involved, proof of the ownership or right to possession shall be made by means of:

(1) The original certificate of title issued by the Department of Transportation;

The rules may include, but need not be limited to, rules authorizing and describing uses of electronic titles and certificates of title.

(2) Rules adopted under this section may require or allow different forms of title for different purposes or for different persons.

(3) Rules adopted under this section may include fee structures that vary for different forms of title but in no case may the department charge more than the fees established for similar title transactions under ORS 803.090.

803.015 Certificate contents. The Department of Transportation shall design a certificate of title for vehicles for situations in which the department determines that certificates will be issued. A certificate of title issued by the department shall conform to all of the following:

(3) The certificate shall contain evidence of identification of the vehicle the department deems proper.
(4) The certificate shall contain the name of the owner of the vehicle.

(7) The certificate shall be authenticated by a seal of the State of Oregon printed on the certificate.
(8) The certificate shall have space to fill in information required by the department upon the transfer of a vehicle under ORS 803.094 and space for the odometer disclosure required on transfer of an interest under ORS 803.102.
(9) If the vehicle is an assembled vehicle, the certificate shall:
(a) Show the make of the vehicle as "assembled."
(b) Show the year the building of the vehicle is completed as the year model of the vehicle.
(10) The certificate shall show the mileage of the vehicle as reported to the department at the time the most recent title transfer was reported to the department, or the mileage reported to the department at the time the vehicle was initially titled in Oregon, whichever occurred last. The information required by this subsection shall be shown as reported to the department on odometer disclosure reports required by law to be submitted to the department.
(11) The certificate shall contain any brand or notation specified by the department by rule.
(12) The certificate shall contain any other information required by the department.

Nothing in this section requires that title issued in a form other than a certificate:

(1) Be numbered as required by ORS 803.015 (1);
(2) Be authenticated as required by ORS 803.015 (7);

(3) The department may require an applicant for optional titling to:

(a) Provide a manufacturer certificate or other information the department deems adequate for ensuring that the vehicle was constructed in compliance with manufacturing standards described in subsection (1)(b)(E) of this section; and

(b) The owner of the vehicle establishes that the vehicle is no longer subject to the vehicle titling requirements under the vehicle code by a method recognized or established by the Department of Transportation.

(c) A salvage title is issued for the vehicle.

(2) Subsection (1) of this section applies to a vehicle issued title by this state even if one of the following applies to the vehicle:

(b) The issuance of the title was permissive under ORS 803.035.

(c) The vehicle is not required to comply with vehicle titling provisions of the vehicle code for any reason. [1985 c.333 §3; 1991 c.873 §30; 1993 c.233 §20]

803.045 Issuance of title; rules. (1) The Department of Transportation shall issue title for a vehicle if the applicant and the vehicle meet the following qualifications:

(c) The applicant must pay the fee for issuance of a certificate of title under ORS 803.090 or the fee for issuance of title in another form, as established by the department by rule in accordance with ORS 803.012.

(d) If the vehicle is a reconstructed vehicle or an assembled vehicle, the applicant must provide the following information in addition to any other information required under this section:

(B) Bills of sale for major components used to build the vehicle.

(e) If the vehicle is covered by an Oregon title or salvage title certificate, the applicant shall surrender the Oregon title or salvage title certificate, submit an application as provided under ORS 803.065 or submit other evidence of ownership satisfactory to the department.

(f) Unless the department adopts rules to the contrary, if the vehicle is from another jurisdiction, the applicant shall surrender to the department with the application the certificate of title issued by the other jurisdiction, if such jurisdiction requires certificates of title. If such jurisdiction does not require certificates of title, then the applicant shall surrender the registration cards.

(g) If required by the department, the applicant must submit proof of ownership as described under ORS 803.205.

(h) Other than a racing activity vehicle as defined in ORS 801.404, if the department has reason to believe a vehicle was not certified by the original manufacturer as conforming to federal vehicle standards, the department may require the applicant to provide proof satisfactory to the department that the vehicle conforms to federal vehicle standards.

(i) Unless the vehicle is exempted from odometer disclosure requirements, the applicant shall submit an appropriate odometer disclosure form. The department shall determine what constitutes an appropriate form in any particular situation. The department may make exceptions by rule to the requirement for submission of an odometer disclosure form.

(2) The department may not issue title for a vehicle:
(a) Required by ORS 803.210 to be inspected unless the vehicle has been inspected as described in ORS 803.212 and the inspection fee paid under ORS 803.215.

(f) If the title application shows a leasehold interest, the lessor shall designate whether the lessor or the lessee is to be shown on the title as the owner of the vehicle.

(g) Any other information required by the department.

A request under this section must be made in the manner required by the department. The department shall adopt rules establishing criteria and procedures for providing expedited titling services under this section.

(2) The fee for providing an expedited title under this section is $100. [2014 c.14 §2]

(2) The offense described in this section, false statement on title or transfer of vehicle, is a Class A misdemeanor. [1983 c.338 §184; 1985 c.393 §1; 1991 c.751 §21]

803.075 False swearing prohibited; penalty. (1) A person commits the offense of false swearing relating to titling of vehicles if the person knowingly makes any false affidavit or knowingly swears or affirms falsely to any matter or thing relating to the titling of vehicles under the vehicle code. 803.092 Application for title upon transfer of interest; when and by whom required; exceptions. (1) Except as otherwise provided in this section, upon the transfer of any interest in a vehicle covered by an Oregon title the transferee shall submit an application for title to the Department of Transportation. Such application shall be submitted to the department within 30 days of the date of transfer of interest.

(2) Notwithstanding subsection (1) of this section, application is not required under this section when:

(a) The change involves only a change in the security interest where the security interest holder or lessor is a financial institution, a financial holding company or a bank holding company, as those terms are defined in ORS 706.008, a licensee under ORS chapter 725, or any subsidiary or affiliate of any of the foregoing and the transfer of the interest of the security interest holder or lessor:

(A) Results from the merger, conversion, reorganization, consolidation or acquisition of the security interest holder or lessor;

(B) Is to an entity that is a member of the same affiliated group as the security holder or lessor; or

(C) Is made in connection with a transfer in bulk.

(b) The vehicle is transferred to a vehicle dealer and the vehicle will become part of the dealer’s inventory for resale. Upon the transfer of a vehicle to a dealer, however, the dealer shall immediately notify the department of such transfer. This exemption from the requirement to apply for title does not apply if the department determines that application for title is necessary in order to comply with odometer disclosure requirements. If the department determines that application for title is not required, it may require filing of documents under ORS 803.126.

(c) The vehicle is to be titled in another jurisdiction.

(d) The vehicle has been totaled, wrecked, dismantled, disassembled, substantially altered or destroyed, in which case the
§803.094 OREGON VEHICLE CODE

provisions of ORS 819.010, 819.012, 819.014 or 822.135 relating to notice and surrender of title documents shall be complied with.

(e) The transfer involves the creation or termination of a leasehold interest in a vehicle that is proportionately registered under ORS 826.009 or 826.011, if the department is furnished with satisfactory proof of the lease.

(3) Except as provided in subsection (2) of this section, the transferee shall:

(a) Submit an application that meets requirements for title under ORS 803.045 and 803.050 and any applicable rules of the department.

(b) Submit the title transfer fees as required under ORS 803.090.

(c) Comply with the provisions of ORS 803.065 and any applicable rules of the department under that statute and submit the duplicate or replacement title fee as provided under ORS 803.090, if the transfer includes an application for duplicate or replacement title and transfer of title.

(d) Submit an odometer disclosure containing information required by the department for the kind of transaction involved.

(e) Submit any late presentation of certificate of title fee as provided under ORS 803.090 if such fee is required under ORS 803.105.

(4) For purposes of this section:

(a) "Affiliated group" has the meaning given to the term in section 1504(a) of the Internal Revenue Code of 1986, as amended (26 U.S.C. 1504(a)).

(b) A "transfer in bulk" is:

(A) The sale or assignment of, the grant of a security interest in, or any other transfer of either a group of loans secured by vehicles, leases of vehicles or both or a participation or other interest in the group of loans;

(B) The creation of asset-backed securities or other securing of assets involving the loans or leases; or

(C) Any similar transaction involving the loans or leases. [1989 c.148 §3; 1989 c.452 §7; 1991 c.67 §212; 1991 c.820 §14; 1991 c.573 §12; 1993 c.233 §29; 1993 c.427 §1; 1997 c.631 §554; 2001 c.377 §53; 2001 c.675 §9; 2003 c.655 §102]

803.094 Release or assignment of title interest; rules; when and by whom required; exceptions. (1) Except as otherwise provided in this section, upon the transfer of any interest shown on an Oregon title any person whose interest is released, terminated, assigned or transferred, shall release or assign that interest in a manner specified by the Department of Transportation by rule. Rules adopted for purposes of this subsection shall be designed, as much as possible, to protect the interests of all parties to the transfer. If required under ORS 803.102, the person shall also complete an odometer disclosure statement.

(2) Notwithstanding subsection (1) of this section:

(a) In the case of a transfer by operation of law of any interest shown on an Oregon title, the personal representative, receiver, trustee, sheriff or other representative or successor in interest of the person whose interest is transferred shall release or assign interest and if required by the department by rule, as provided under ORS 803.102, complete an odometer disclosure statement and shall provide the certificate, if any, and disclosure statement if required to the transferee. The representative or successor shall also provide the transferee with information satisfactory to the department concerning all facts entitling such representative or successor to transfer title. If there is no person to assign interest, the person to whom interest is awarded or otherwise transferred shall be responsible for the requirements of this paragraph.

(b) In the case of a transfer at death of the interest of the owner, lessor or security interest holder if the estate is not being probated and title is not being transferred under the provisions of ORS 114.547, interest may be assigned through the use of an affidavit. The affidavit shall be on a form prescribed by the department and signed by all of the known heirs of the person whose interest is being transferred stating the name of the person to whom the ownership interest has been passed. If any heir has not arrived at the age of majority or is otherwise incapacitated, the parent or guardian of the heir shall sign the affidavit. In the case of a transfer under this paragraph, one of the heirs or any other person designated by the department by rule shall complete any odometer disclosure statement required under ORS 803.102.

(c) In the case of a transfer at death of the interest of the owner, lessor or security interest holder where transfer occurs under the provisions of ORS 114.547, the affiant as defined in ORS 114.505 is the person required to assign interest. The department may designate by rule the affiant or any other person to whom the ownership interest is transferred to complete any odometer disclosure statement required under ORS 803.102.

(d) Upon the termination of a lease, in lieu of the lessee releasing interest, the lessor may provide information satisfactory to the department that the lease has been terminated. The lessor shall provide an odometer disclosure statement if required under ORS 803.102. If the lessor does not take possession of the vehicle upon termination of
the department is in possession of evidence disclosed by the lessee to the lessor under ORS 803.102 unless the lessor has reason to believe that the disclosure by the lessee does not reflect the actual mileage of the vehicle.

(e) A security interest holder or lessor, without the consent of the owner, may assign interest of the holder or lessor in a vehicle to a person other than the owner without affecting the interest of the owner or the validity or priority of the interest. A person not given notice of such assignment is protected in dealing with the security interest holder or lessor as the holder of the interest until the assignee files in accordance with ORS chapter 79. This paragraph does not exempt such assignments from title transfer requirements.

(3) Nothing in this section requires the release or assignment of title upon the creation or termination of a leasehold interest for a vehicle that is proportionally registered under ORS 826.009 or 826.011 if the department is furnished with satisfactory proof of the lease for such vehicle.

(4) The department by rule may allow odometer disclosure statements to be on a form other than the certificate of title.

(5) Persons subject to the provisions of this section shall provide to the transferee a title certificate, if one has been issued and is in their possession, the release or assignment of interest, and any required odometer disclosure statement. If an odometer disclosure statement is required, the transferee shall provide a signed disclosure to the transferor in a form determined by the department by rule. [1989 c.148 §2; 1991 c.67 §213; 1991 c.873 §13; 1993 c.233 §30; 2001 c.675 §10; 2003 c.655 §103; 2019 c.165 §29]

**803.095** [1989 c.338 §189; 1985 c.16 §65; 1985 c.251 §17; 1985 c.300 §4; 1985 c.400 §2; 1985 c.485 §5; 1987 c.750 §4; 1989 c.43 §18; repealed by 1989 c.148 §20]

**803.097** Perfection of security interest in vehicle; rules. (1) Except as provided in subsection (5) of this section, the exclusive means for perfecting a security interest in a vehicle is by application for notation of the security interest on the title in accordance with this section. The application may accompany the application for a title or may be made separately at any time prior to issuance of title and must be accompanied by evidence of ownership as defined by the Department of Transportation by rule unless the department is in possession of evidence of ownership when it receives the application. If title to the vehicle has been issued in a form other than a certificate, and the title reflects a security interest, the application for perfection shall include authorization from the previous security interest holder for the new security interest to be recorded on the title. Authorization under this subsection is not required if:

(a) A release of interest is submitted by the prior security interest holder or the department is otherwise satisfied that the prior holder no longer holds an interest or is otherwise not entitled to title to the vehicle;

(b) The security interest is being added to the title in conjunction with the cancellation of previous title or other action the department takes to correct ownership information reflected on a title; or

(c) Title is being transferred by operation of law.

(2) When the department processes an application for a security interest the department shall mark on the application or otherwise indicate on the record the date the application was first received by the department. The department shall determine by rule what constitutes receipt of an application for purposes of this subsection.

(3) If the department has the evidence required by subsection (1) of this section and if the application contains the name of each owner of the vehicle, the name and address of the secured party and the vehicle identification number of the collateral, the security interest is perfected as of the date marked on the application or indicated in the record by the department. If the application does not contain the information required by this subsection, or if the department does not have the required evidence, the department shall indicate on the application or on the record that the date placed on the application or the record pursuant to subsection (2) of this section is not the date of perfection of the security interest.

(4) The security interest remains effective until released or terminated by the secured party.

(5) A security interest in a vehicle may not be perfected as described under this section but is subject to the perfection provisions under ORS chapter 79 if:

(a) The debtor who granted the security interest is in the business of selling vehicles and the vehicle constitutes inventory held for sale or lease; or

(b) The vehicle is exempt from titling requirements under ORS 803.030. [1987 c.750 §2; 1989 c.148 §13; 1993 c.233 §31; 2001 c.445 §184; 2001 c.675 §11a; 2003 c.655 §104; 2012 c.12 §23]

**803.098** Certain transactions that do not create security interest. Notwithstanding any other provision of law, in the case of motor vehicles or trailers, a transaction does not create a sale or security interest merely because it provides that the rental price is permitted or required to be adjusted
under the agreement either upward or downward by reference to the amount realized upon sale or other disposition of the motor vehicle or trailer. [1993 c.646 §25]

803.100 Application of Uniform Commercial Code. (1) Except as provided in subsection (2) of this section, the rights and remedies of all persons in vehicles subject to security interests established under ORS 803.097 are determined by the provisions of the Uniform Commercial Code.

(2)(a) If perfection of a security interest in a vehicle occurs on or before 30 days after attachment of the security interest, the secured party takes priority over the rights of a transferee in bulk or a lien creditor that arise between the time the secured party’s interest attaches and the time of perfection of the security interest.

(b) This subsection applies to any security interest in a vehicle that is not a purchase money security interest. [1983 c.338 §190; 1985 c.16 §66; 1989 c.148 §14; 1999 c.818 §3; 2001 c.675 §12; 2003 c.655 §105; 2005 c.261 §1]

803.102 Odometer disclosure statement upon transfer of interest; when required; rules. (1) As used in this section:

6 Quarterly registration starts on the first day of any calendar quarter and runs through the last day of the last calendar quarter in the registration period. The number of calendar quarters in a quarterly registration is elected by the vehicle owner at the time of registration. A person may not establish quarterly registration periods for more than four quarters. If a vehicle is registered for a quarterly registration period of less than four calendar quarters, the Department of Transportation shall collect, when issuing or renewing registration of the vehicle, the additional fee for quarterly registration established under ORS 803.420.

7 Four-year registration starts on the day a vehicle is registered and runs through
the same day four years later. [1983 c.338 §222; 1989 c.76 §1; 1993 c.174 §4; 2001 c.124 §2; 2005 c.280 §1]

**803.405 Effect of initial registration month.** (1) The month in which any vehicle is initially registered under annual registration is the month established as the beginning and ending of registration periods for the vehicle unless the Department of Transportation adjusts the registration month of the vehicle upon initial registration under ORS 803.410.

(2) The day on which any vehicle is initially registered under biennial registration or when required under ORS 820.520 is the day established as the beginning and ending of registration periods for the vehicle unless the department adjusts the registration period of the vehicle upon initial registration under ORS 803.410. [1983 c.338 §223; 1989 c.76 §2]

**803.410 Department authorized to adjust periods and fees; rules.** The Department of Transportation is empowered to administer ORS 803.400 and 803.405, relating to the registration periods of vehicles and to adopt and enforce rules, including rules for the adjustment or proration of fees and registration periods, necessary to accomplish the enforcement of those sections. The authority granted the department under this section is subject to the following:

(1) The department may initially register a vehicle that is subject to biennial registration for less than a 24-month period or for more than a 24-month period, not exceeding a maximum of a 30-month period, and prorate the fee on a monthly basis, when in its opinion such fractional registration tends to fulfill the purpose of the biennial registration system.

(2) The department may initially adjust the registration periods of trailers for hire registered as part of a fleet.

(3) The authority granted under this section includes authority to adjust the initial registration period of travel trailers and special use trailers that are required to be registered after being removed from assessment under the ad valorem tax laws by ORS 820.520.

(4) The department, by rule, may adjust registration fees or registration periods for a vehicle, as is administratively convenient for the department, if:

(a) The vehicle is changed from one type of registration to another type; or

(b) Any other change relating to the registration of the vehicle is made where it would be administratively convenient for the department to make such adjustments. [1983 c.338 §224; 1985 c.16 §83; 1985 c.253 §3; 1987 c.750 §6; 1989 c.43 §21; 1993 c.174 §5]

(3) A person qualifies as a disabled veteran under subsection (2) of this section if the person presents a letter from the United States Department of Veterans Affairs or any branch of the Armed Forces of the United States certifying that the person is a disabled veteran.

(4) Registration issued under this section is valid as provided in ORS 803.415. The registration period for vehicles registered under this section exempts the registration from any requirement to be renewed or to make payment of renewal fees. However, if any owner would be required to comply with ORS 815.310 upon issuance or renewal of regular registration for the vehicle, the owner must comply with ORS 815.310 in the manner as for other vehicles or the department may suspend the registration of the vehicle until the owner submits proof of compliance.

(5) The department may suspend or revoke any registration issued under this section if the department determines that the vehicle is owned by a person not qualified for registration under this section or the vehicle is a kind not qualified for registration under this section. [1983 c.338 §247; 1985 c.16 §92; 1993 c.741 §127; 1997 c.517 §1; 1999 c.778 §1]

(3) Registration plates issued under this section shall be considered customized registration plates for purposes of the fee required in ORS 805.250. The department may waive the fee required in ORS 805.250.

(4) The department may not issue registration plates for a motor vehicle under this section if another motor vehicle owned by the applicant has been issued registration plates under this section.

   (b) Be issued with a specific configuration as determined by the department;
   (c) Contain the words “Medal of Honor”;

   (e) Meet the requirements for registration plates under ORS 803.535.

(6) If there is a transfer of interest in the motor vehicle to which the registration plate under this section is assigned, or if the motor vehicle is totaled and not reconstructed, the motor vehicle owner shall remove the registration plate. The Congressional Medal of Honor recipient may retain the registration plate, but the registration plate may not be placed on any other motor vehicle unless the registration plate is transferred as set forth in subsection (7) of this section.

(7) If the motor vehicle owner qualifies for the registration plates under subsection (2) of this section, the department may transfer registration plates issued under this section to another motor vehicle registered under ORS 803.420 (6)(a), as set forth in ORS 805.242.

(8) The department shall cancel any registration plates issued under this section if the department determines that the motor vehicle is owned by a person who does not qualify for the registration plates under subsection (2) of this section or that the motor vehicle is not registered under ORS 803.420 (6)(a).

(1) The Department of Transportation shall establish a veterans’ recognition registration plate program to issue registration plates called “veterans’ recognition registration plates” upon request to an owner of any motor vehicle registered under ORS 803.420 (6)(a) if the owner of the motor vehicle qualifies for the plates. Rules adopted under this section shall include, but need not be limited to, rules that:

(2)(a) In addition to any other fee authorized by law, upon issuance of a veterans’ recognition registration plate under this section and upon renewal of registration for a vehicle that has plates issued under this section, the department shall collect a surcharge of $2.50 per plate for each year of the registration period for the vehicle as described under ORS 803.415.

(b) Except as otherwise provided in paragraph (c) of this subsection, net proceeds of the surcharge collected by the department for the veterans’ recognition registration plate shall be deposited in the trust fund established under ORS 406.050 for paying the expenses of operating the Oregon Veterans’ Homes identified in ORS 408.362.

(c) If the department issues a veterans’ recognition registration plate that names, describes or represents a veterans’ group, that veterans’ group may designate an account into which the net proceeds of the surcharge collected by the department under this section are to be deposited. The department shall keep accurate records of the number of plates issued under this paragraph for each veterans’ group and, after payment of administrative expenses of the department, shall deposit moneys collected under this subsection into the specified account.

(d) Deposits under this subsection shall be made quarterly.

(3)(a) In consultation with the Department of Transportation, the Director of Veterans’ Affairs shall design the veterans’ recognition registration plate.

(b) If the department issues a veterans’ recognition registration plate to recognize a veterans’ group, the department shall, in consultation with the requesting veterans’ group, add words or a military-related decal to the veterans’ recognition registration plate that names, describes or represents the veterans’ group.

(c) The department shall add a gold star decal and the words “Gold Star Family” to a veterans’ recognition registration plate background to recognize surviving family members of persons killed in action during an armed conflict while serving in the Armed Forces of the United States.

(4) The department shall determine how many sets of veterans’ recognition registration plates will be manufactured. If the department does not sell or issue renewal for 500 sets of veterans’ recognition registration plates in any one year, the department shall cease production of veterans’ recognition registration plates. For the purposes of this section, veterans’ recognition registration plates that name, describe or represent a veterans’ group are included in the total number of veterans’ recognition registration plates issued.

(2) If a veterans’ group requests issuance of a veterans’ recognition registration plate under ORS 805.105, the group shall pay to the department all of the department’s anticipated costs of issuance of a veterans’ recognition registration plate that names, describes or represents the group. The department may not begin creating or issuing the plates until the anticipated costs are paid. For purposes of this section, costs of issuing a veterans’ recognition registration plate that names, describes or represents a veterans’ group include, but are not limited to, computer programming costs and vendor set-up fees. [2007 c.564 §3; 2009 c.602 §6]

(e) The person to whom the plates are issued may retain the plates after the official term of honorary consul is over, but the plates may not be valid if displayed on any vehicle other than the one for which the plates were issued.

FLEETS

805.120 Effect of fleet registration; requirements; rules. (1) The owner of a fleet of vehicles may register the vehicles under this section as a fleet in lieu of registering the vehicles individually.

(2) Except as otherwise provided under this section, vehicles registered in a fleet under this section are subject to the same taxes, fees, qualifications, provisions, conditions, prohibitions and penalties applicable to similar vehicles otherwise registered under the vehicle code.

(3) The following apply to fleets registered under this section:

(a) The registered owner of the fleet must maintain the number of vehicles registered in the fleet that the Department of Transportation determines by rule to be required for participation in the fleet registration program.

(b) Fleet registration or renewal of fleet registration under this section may be annual or biennial registration as determined by the department by rule.

(c) The registration of individual vehicles in a fleet registered under this section does not expire as long as the fleet registration is valid.

(d) The department shall assign identification to the fleet and, upon payment of appropriate fees, shall issue to the registered owner of the fleet permanent fleet tags, stickers, plates or other identification the department determines appropriate for the vehicles that the owner and the department have agreed to place in the fleet. The department may establish the use of any appropriate form of identification under this paragraph as the department determines convenient for its own operation.

(e) The tags, stickers, plates or other appropriate identification issued under this section shall be displayed on any vehicle to which it has been assigned by the department.

(f) Registration cards issued by the department for vehicles registered under this section are only required to individually describe the vehicles in the fleet to the extent the department determines necessary and to identify the fleet in which the vehicles are registered.

(g) Application for registration under this section shall be in the manner determined by the department by rule.

(h) The fleet owner shall maintain records and provide information to the department as required by the department by rule and shall allow the department to audit the records of the owner and conduct inspections at any reasonable time to determine compliance with requirements for fleet registration.

(l) The fees for a fleet registered under this section are the same as the fees required if the vehicles in the fleet are individually registered under the vehicle code.

(m) The department may charge a service charge for each vehicle entered into a fleet and a fleet vehicle renewal charge for each vehicle in the fleet at the time of renewal. Fees described in this paragraph are established under ORS 803.420.

(n) The department may schedule the time for payment of fleet registration fees in any manner convenient to the department or the fleet owner.

(o) The fleet owner shall comply with any rules the department establishes for the registration of vehicles in fleets under this section.

(p) The department shall cancel any registration under this section if the department determines that the owner of the vehicles registered is not complying with any requirements for fleet registration established under this section or by the department.

(q) A fleet owner may certify compliance with pollution control requirements under ORS 815.310 in the manner provided under ORS 815.310 for vehicles registered under this section.

(r) The department shall establish procedures for the reporting of odometer disclosures for the vehicles in the fleet on a
regular basis and for vehicles that are withdrawn from the fleet, if odometer disclosures are otherwise required. The department shall provide any information the department determines by rule to be necessary. The department may establish any reporting time the department considers convenient, but shall attempt to establish periods with a frequency roughly equivalent to those for renewal of vehicle registration. The department shall retain the odometer information submitted under this section but need not print it on certificates of title or registration cards.

(4) A fleet owner may request that the registration of all vehicles in the fleet expire in the same month. Notwithstanding ORS 803.405 or any other provision of this section, if such a request is made the department shall:

(a) Adjust the registration expiration date of all vehicles in the fleet.

(b) When a vehicle that is already registered in this state is added to the fleet, adjust the registration expiration date of the vehicle to correspond to that of other vehicles in the fleet.

(c) When a vehicle that has never before been registered in this state is added to the fleet, assign a registration expiration date to the vehicle that corresponds to that of other vehicles in the fleet.

(5) When the department adjusts or assigns registration expiration dates in accordance with subsection (4) of this section, the department shall prorate all registration fees to reflect the adjustment or assignment.

(6) The department shall adopt rules necessary for the administration of this section. The rules may include any rules that increase the convenience of administration or the convenience of the registration process under this section. (b) May design plates, stickers, plate and sticker combinations or other devices or indicia for distinguishing vehicles registered under specific provisions of the Oregon Vehicle Code other than ORS 805.040, 805.105 or 805.205. (3) The department may adopt rules concerning the disposition of plates, stickers, devices or other indicia of registration upon transfer of ownership of the vehicle or when the owner or the vehicle is no longer eligible for the particular indicia. The department may cancel or revoke registration for failure to comply with rules adopted under this section. [1983 c.338 §253; 1985 c.16 §103; 1985 c.547 §15; 1985 c.668 §14; 1987 c.25 §4; 1989 c.43 §31; 1991 c.284 §21; 1991 c.383 §5; 1991 c.481 §8; 1993 c.574 §117; 2007 c.364 §1]

805.205 Special plates for certain groups; rules; surcharge; disposition of moneys. (1) Except as provided in subsection (7) of this section, the Department of Transportation shall provide for issuance of registration plates described in this section for nonprofit groups meeting the qualifications for tax exempt status under section 501(c)(3) of the Internal Revenue Code and for institutions of higher education. Plates issued under this section may be issued to owners of motor vehicles registered under the provisions of ORS 803.420 (6)(a). Plates issued under this section may not contain expressions of political opinion or religious belief. Rules adopted under this section shall include, but need not be limited to, rules that:

(a) Specify circumstances under which the department may cease to issue plates for any particular group.

(b) Require each group for which plates are issued to file an annual statement on a form designed by the department showing that the group is a nonprofit group or is an institution of higher education and that the group or institution otherwise meets the qualifications imposed for eligibility for plates issued under this section. The statement shall include names and addresses of current directors or officers of the group or institution or of other persons authorized to
speak for the group or institution on matters affecting plates issued under this section.

(2)(a) Except as otherwise provided in paragraphs (b) and (c) of this subsection, in addition to any other fee authorized by law, upon issuance of a plate under this section and upon renewal of registration for a vehicle that has plates issued under this section, the department shall collect a surcharge for each year of the registration period. The surcharge shall be determined by the department by rule and may not be less than $2.50 per plate or more than $16 per plate. In setting the amount of the surcharge, the department shall consult with the nonprofit group for which the plates are issued.

(b) In addition to any other fee authorized by law, upon issuance of a plate under this section that recognizes an institution of higher education in this state, and upon renewal of registration for a vehicle that has such plates, the department shall collect a surcharge of $8 per plate for each year of the registration period.

(c) In addition to any other fee authorized by law, upon issuance of a Share the Road registration plate the department shall collect a surcharge of $5 per year of registration.

(3) Plates issued under this section shall be from the current regular issue of plates except that:

(b) If the group requesting the plates is a group that recognizes fallen public safety officers, the plates shall, upon request, contain a decal that indicates the plates are issued to recognize fallen public safety officers.

(4) Except as otherwise required by the design chosen, the plates shall comply with the requirements of ORS 803.535. The department shall determine how many sets of plates shall be manufactured for each group approved under this section. If the department does not sell or issue renewal for 500 sets of plates for a particular group in any one year, the department shall cease production of those plates.

(5) Except as otherwise provided in subsection (6) of this section, each group that is found by the department to be eligible for plates issued under this section may designate an account into which the net proceeds of the surcharge collected by the department under subsection (2) of this section are to be deposited. The department shall keep accurate records of the number of plates issued for each group that qualifies. After payment of administrative expenses of the department, moneys collected under this section for each group shall be deposited by the department into an account specified by that group. If any group does not specify an account for the moneys collected from the sale of plates issued under this section, the department shall deposit moneys collected for those plates into the Passenger Rail Transportation Account established under ORS 802.100 to be used as other moneys in the account are used. Deposits under this subsection shall be made at least quarterly.

(6)(a) Each institution of higher education that requests a plate under this section shall designate an account in the general fund of the institution, and the proceeds in the account shall be used for the purpose of academic enrichment at the institution.

(b) Net proceeds of the surcharge collected by the department for Share the Road registration plates shall be deposited into two accounts designated by The Street Trust Community Fund and Cycle Oregon. The department shall evenly distribute the net proceeds to each account. Deposits under this paragraph shall be made at least quarterly. At any time that the department determines that the accounts designated by The Street Trust Community Fund and Cycle Oregon cease to exist, the department may deposit the proceeds into the Passenger Rail Transportation Account established under ORS 802.100.

(c) Net proceeds of the surcharge collected by the department for Keep Kids Safe registration plates shall be deposited into an account designated by the Children’s Trust Fund of Oregon Foundation to fund strategies and approaches shown to prevent or reduce child abuse. Deposits made under this paragraph shall be made at least quarterly. At any time that the department determines that the account designated by the Children’s Trust Fund of Oregon Foundation ceases to exist, the department shall deposit the proceeds into the Keep Kids Safe Registration Plate Account established in ORS 805.207. At the beginning of each biennium, the Early Learning Council shall evenly distribute the moneys in the Keep Kids Safe Registration Plate Account to the counties in this state, until each county receives $1,000. After each county has received $1,000, the council shall distribute any remaining moneys to each county in an amount equal to the percentage of Keep Kids Safe registration plates sold in that county. Each county shall use the moneys received under this paragraph solely for the purpose of funding strategies and ap-
proaches shown to prevent or reduce child abuse.

Stickers shall be of a size, color and design determined by the department and shall be displayed on plates in the manner determined by the department.

(5) The department may approve plates issued by the state that have been restored to their original color and design provided that if the plate was reflectorized when originally issued, it must be fully reflectorized when restored. This subsection includes products and by-products of commodities or livestock that were packed, processed or manufactured by or for the farm operation so long as the farmer retains ownership of the products but does not include products that have been transformed into a finished state. For purposes of this subsection, products have not been transformed into a finished state if the products:

(b) Will be used in the production of another product;

(6) The vehicles may be operated for the personal use of the farmer, any member of the farmer’s immediate family or any person in the farmer’s employ.

(7) The vehicles shall not be used to transport any of the following:

(9) The vehicles may be partially operated for hire as permitted in ORS 825.024 (1)(c) and (d).

(10) The vehicles may be rented or borrowed by a farmer to haul the farmer’s own products if the farmer would qualify for farm vehicle registration for vehicles of the type and size rented or borrowed.

Except as otherwise provided in this section, farm vehicles registered under ORS 826.009 or 826.011 are subject to the same requirements, conditions and privileges as other vehicles registered under those sections. Farm vehicle proportional registration is subject to the following:
(a) In addition to any application for registration required by ORS 826.009 or 826.011, the applicant must submit an application to the Department of Transportation certified by the applicant and containing the information specified in ORS 805.320 for farm vehicle registration.

805.410 Department investigation of farm vehicle proportional registration application; cancellation. (1) The Department of Transportation shall have the authority to investigate and verify information provided in conjunction with application for proportional registration of a farm vehicle under ORS 805.400. (d) Have more than 25 motor vehicles including commercial buses registered in the person's name.

(2)(a) If an accident occurs while a certificate of self-insurance issued under ORS 806.140 is in force, the liability protection provided and the amounts paid under subsection (1)(c) of this section are secondary to any motor vehicle liability insurance or uninsured motorist coverage available to a customer of the self-insurer, an operator of the self-insured vehicle or an occupant of the self-insured vehicle unless otherwise agreed to by the self-insurer. A self-insurer is required to provide the minimum payments established under ORS 742.502 and 806.070 only when the motor vehicle liability insurance policy of a customer of the self-insurer or an operator of the self-insured vehicle does not provide the minimum required payments established in ORS 742.502 and 806.070.

(b) A self-insurer may recover from a customer of the self-insurer or an operator of the self-insured vehicle the amounts paid under subsection (1)(c) of this section.

(3) Nothing in this section requires a self-insurer to provide liability coverage when a person is operating the vehicle without permission of the self-insurer. [1983 c.338 §849; 1985 c.16 §430; 2007 c.287 §1]

(2) The department may cancel a certificate of self-insurance issued under this section upon reasonable grounds. Failure to pay any judgment described under ORS 806.040 within 30 days after it has become final constitutes reasonable grounds for cancellation under this subsection. The department shall give not less than five days’ notice and a hearing pursuant to such notice before the department may cancel under this subsection. [1983 c.338 §850]

Title 59  Page 140  (2019 Edition)
(b) Require the owner to provide proof of compliance with financial responsibility requirements within the time specified by the department by rule.

(3) After the department receives proof of compliance from a registered owner as required under subsection (2) of this section, the department shall forward the proof of compliance to the listed insurer, or use other means, to determine whether the proof of compliance is correct. An insurer shall notify the department if the proof of compliance is not correct within the time specified by the department by rule.

(4) Civil liability does not accrue to the insurer or any of its employees for reports made to the department under this section when the reports are made in good faith based on the most recent information available to the insurer. [1983 c.338 §851; 1985 c.16 §431; 1985 c.714 §2; 1987 c.158 §165; 1993 c.751 §29; 2005 c.142 §1; 2019 c.312 §1]

Note: The amendments to 806.150 by section 1, chapter 312, Oregon Laws 2019, become operative July 1, 2020. See section 37, chapter 312, Oregon Laws 2019. The text that is operative until July 1, 2020, is set forth for the user’s convenience.

(1) The verification shall be based on motor vehicles registered in this state.

(2) The department may select vehicles for verification when the department considers the selection necessary or appropriate. The department may emphasize, in accordance with rules adopted by the department, verification of vehicles registered to individuals who:

(a) Have been convicted of violating ORS 806.010;

(b) Have submitted certifications of compliance with financial responsibility requirements that have been previously found to be incorrect; or

(c) The department has reasonable grounds to believe are not in compliance with financial responsibility requirements.

(3) When a vehicle is selected for verification under this section, the department shall mail a letter and certification form described under ORS 806.180 to the registered owner of the vehicle notifying the owner that the vehicle has been selected for verification and requiring the owner to respond within 30 days and certify that the owner is in compliance with financial responsibility requirements as of the date of the letter. In addition, the department may seek verification by communicating directly with an insurer or its designee.

(4) Failure of an owner either to return the certification of compliance with financial responsibility requirements to the department within 30 days after mailing by the department or to certify compliance as of the date of the letter, or a determination by the department that a certification is not accurate constitutes reasonable grounds for the department to proceed with a demand for verification under ORS 806.160.

(5) The department shall investigate all certifications returned to the department under this section as follows:

(a) If the owner certifies the existence of insurance described under ORS 806.080, the department shall forward the certification to the listed insurer to determine whether the certification is correct. An insurer shall notify the department if the certification is not correct.

(b) The department may also determine the correctness of certifications of other means of satisfying financial responsibility requirements for the vehicle.

(6) No civil liability shall accrue to the insurer or any of its employees for reports made to the department under this section when the reports are made in good faith based on the most recent information available to the insurer.

Note: 806.160 was repealed by section 36, chapter 312, Oregon Laws 2019. The text of 806.150 that is operative until July 1, 2020, was not amended by enactment of the Legislative Assembly to reflect the repeal. Editorial adjustment of 806.150 for the repeal of 806.160 has not been made.

The Department of Transportation shall investigate all certifications of compliance with financial responsibility requirements made on reports of accidents under ORS 811.725 and 811.730. The department shall contact the insurers listed on the certifications to determine whether each certification is accurate. If the certification is not correct, an insurer shall notify the department no later than 60 days after receiving a request from the department for verification of the accuracy of the certification. 806.210 Exemption from requirement to file after accident. As appropriate, the driver or the owner, or both, are exempt from the requirement under ORS 806.200 to make a future responsibility filing if the person claiming exemption furnishes to the Department of Transportation proof of any of the following:

(1) At the time of the accident the driver was operating a vehicle owned by or leased to, and operated under the direction of, the United States of America, this state or any municipality or subdivision thereof.

(2) At the time of the accident the vehicle was lawfully parked.

This subsection only exempts owners of vehicles who qualify.

(7) At the time of the accident, the driver was operating a vehicle owned, operated or leased by the driver's employer with the permission of that employer. This subsection only exempts drivers of vehicles. Owners remain subject as provided under ORS 806.200. [1983 c.338 §856; 1995 c.733 §87; 2003 c.175 §7]

(a) Provide satisfactory proof of compliance with financial responsibility requirements within the time specified by the Department of Transportation by rule under ORS 806.150; and

(b) Within 60 days after the date the department sent the notice of verification under ORS 806.150, make a future responsibility filing.

(2) The offense described in this section, failure to make future responsibility filing
after failing verification, is a Class B traffic violation. [1983 c.338 §857; 1985 c.393 §64; 1985 c.714 §5; 2019 c.312 §4]

Note: The amendments to 806.220 by section 4, chapter 312, Oregon Laws 2019, become operative July 1, 2020. See section 37, chapter 312, Oregon Laws 2019. The text that is operative until July 1, 2020, is set forth for the user’s convenience.

(2) The offense described in this section, failure to make future responsibility filing after failing verification, is a Class B traffic violation.

Note: 806.160 was repealed by section 36, chapter 312, Oregon Laws 2019. The text of 806.220 that is operative until July 1, 2020, was not amended by enactment of the Legislative Assembly to reflect the repeal. Editorial adjustment of 806.220 for the repeal of 806.160 has not been made.

806.230 Failure of previous violator to file. (1) A person commits the offense of failure of a previous violator to make a future responsibility filing if the person is convicted of a violation of ORS 806.010 or 806.050 and the person does not make a future responsibility filing within 30 days after the conviction.

806.240 Proof of compliance with future responsibility filing requirement; filing for another; failure of proof to meet requirements. Future responsibility filings required by ORS 806.200, 806.220 or 806.230 or by any other law of this state are subject to all of the following:

(1) Except as provided in subsection (3) of this section, the person required to make the filing must file with the Department of Transportation, or have filed with the department for the benefit of the person, proof of compliance that meets the requirements of this section and must maintain the proof of compliance as required under ORS 806.245. The filing is made on the date it is received by the department if it is received during regular business hours.

(2) The proof of compliance filed under subsection (1) of this section must be:

(a) A certificate or certificates of insurance that meet the requirements under ORS 806.270;

(3) The owner of a motor vehicle may make a future responsibility filing under this section on behalf of the owner’s employee or a member of the owner’s immediate family or household in lieu of the filing being made by the person. Filing under this subsection permits the person on whose behalf the filing is made to operate only a motor vehicle covered by the proof of compliance given in the filing. The department shall endorse restrictions, as appropriate, on any license or driver permit the person holds as the department determines necessary to limit the person’s ability to operate vehicles consistent with this subsection.

(4) Whenever proof of compliance filed under this section no longer meets the requirements of this section, the department shall require the furnishing of other proof of compliance for the future responsibility filing. If other proof of compliance is not furnished, the department shall suspend the driving privileges of the person as provided under ORS 809.415 or, if applicable, any registration as provided under ORS 809.050. [1983 c.338 §859; 1987 c.258 §2; 1995 c.41 §7; 2003 c.14 §466; 2003 c.175 §8; 2003 c.402 §16; 2009 c.257 §6; 2019 c.312 §5]

806.245 Termination of future responsibility filing requirement; reasons. A termination of the requirement to maintain a future responsibility filing does not remove a person’s responsibility to comply with financial responsibility requirements. The Department of Transportation shall terminate requirements for a future responsibility filing when any of the following occurs:

(1) The person on whose behalf the filing was made dies.

(2) More than three years have passed from the date the filing was required.

(3) A person on whose behalf the filing was made requests termination and either:

(a) The person was required to file because of an error committed by the department; or

(b) The person was required to file because of an error committed by an insurance company in notifying the department regarding the correctness of proof of compliance with financial responsibility requirements provided under ORS 806.150.

(4) A person who was required to file under ORS 806.150 requests termination and the department determines either:

(a) That the person was in fact in compliance with financial responsibility require-
ments as of the date specified by the department by rule under ORS 806.150; or

(b) That the person reasonably and in good faith believed that the person was in compliance with financial responsibility requirements on the date specified by the department by rule under ORS 806.150.

(5) A person who was required to file because of failure to prove under ORS 806.210 that the person was in compliance with financial responsibility requirements requests termination and the department determines either:

(a) That the person was in fact in compliance with financial responsibility requirements at the time of the accident; or

(b) That the person reasonably and in good faith believed that the person was in compliance with financial responsibility requirements at the time of the accident.

(6) A person’s hardship permit expires and the filing was required only for issuance of the hardship permit under ORS 806.150.

(5) A person who was required to file because of failure to prove under ORS 806.210 that the person was in compliance with financial responsibility requirements requests termination and the department determines either:

(a) That the person was in fact in compliance with financial responsibility requirements at the time of the accident; or

(b) That the person reasonably and in good faith believed that the person was in compliance with financial responsibility requirements at the time of the accident.

(6) A person’s hardship permit expires and the filing was required only for issuance of the hardship permit under ORS 806.240.

Note: 806.160 was repealed by section 36, chapter 312, Oregon Laws 2019. The text of 806.245 that is operative until July 1, 2020, was not amended by enactment of the Legislative Assembly to reflect the repeal. Editorial adjustment of 806.245 for the repeal of 806.160 has not been made.

806.250 [1983 c.338 §860; 1985 c.16 §432; 1985 c.714 §9; 1987 c.158 §167; 1987 c.258 §5; repealed by 2009 c.257 §11]

806.255 [1987 c.258 §7; repealed by 2009 c.257 §11]

806.260 [1983 c.338 §861; repealed by 2003 c.175 §1]

(c) The certificate must show that the person required to make the future responsibility filing is either:

(A) Insured by a policy meeting the requirements under ORS 806.080 that also covers all other persons who, with the consent of the insured, use the vehicles owned by the person making the filing; or

(B) Insured against loss arising from liabilities imposed by law for damages arising out of the ownership, operation, use or maintenance of motor vehicles not owned by the person required to make the filing.

(d) The certificate must:

(A) Include the effective date of the certification;

(B) Contain the policy number; and

(C) Describe all vehicles covered by the policy unless the policy is issued with respect to all vehicles operated by the insured.

(e) The certificate must provide that the insurers will give the Department of Transportation notice of any cancellation of the policy within 10 days after the effective date of the cancellation or termination. The notice requirement under this paragraph does not apply where the insurance is terminated under ORS 806.290.
(2) The certificate or certificates must cover all vehicles that are registered in the name of or operated by the person, except vehicles that are in storage and for which the current registration plates and cards have been surrendered to the department.

(3) Unless the department has reason to believe otherwise, the department may presume that the certificate covers all vehicles described in subsection (2) of this section.

(4) The requirements under this section may be fulfilled by the policies of one or more insurance carriers. [1983 c.338 §862; 1985 c.16 §433; 1985 c.751 §31; 1999 c.259 §239; 2003 c.174 §1; 2009 c.257 §8]

806.280 When certificate of insurer not authorized to do business in this state may be used. [1983 c.338 §863; 2003 c.175 §9; 2019 c.312 §7]

An insurance policy for which a certificate of insurance is filed to comply with future responsibility requirements is terminated with respect to any operator or vehicle designated in the certificate if the operator or vehicle is also covered by an insurance policy subsequently procured and certified to the Department of Transportation. The date of termination under this section is the date the subsequent certificate is filed with the department. [1983 c.338 §864]

806.300 Failure to surrender license and registration on cancellation of future responsibility filing; penalty. (1) A person commits the offense of failure to surrender license and registration on cancellation of future responsibility filing if the person does not immediately return the person’s license or driver permit and registration to the Department of Transportation when any of the following occur:

807.745 Findings regarding personal information contained in driver licenses, driver permits and identification cards. The Legislative Assembly finds that:

(1) Oregon recognizes the importance of protecting the confidentiality and privacy of an individual’s personal information contained in driver licenses, driver permits and identification cards.

(2) Machine-readable features found on driver licenses, driver permits and identification cards are intended to facilitate verification of age or identity, not to facilitate collection of personal information about individuals nor to facilitate the creation of private databases of transactional information associated with those individuals.

(3) Easy access to the information found on driver licenses, driver permits and identification cards facilitates the crime of identity theft, which is a major concern in Oregon. [2009 c.546 §1]

Note: 807.745 and 807.750 were enacted into law by the Legislative Assembly but were not added to or made a part of the Oregon Vehicle Code or any chapter or series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

(a) “Driver license” means a license or permit issued by this state or any other jurisdiction as evidence of a grant of driving privileges.

(b) “Identification card” means the card issued under ORS 807.400 or a comparable provision in another state.

(c) “Personal information” means an individual’s name, address, date of birth, photograph, fingerprint, biometric data, driver license number, identification card number or any other unique personal identifier or number.

(d) “Private entity” means any nongovernmental entity, such as a corporation, partnership, company or nonprofit organization, any other legal entity or any natural person.

(a) To verify the authenticity of a driver license or identification card or to verify the identity of the individual if the individual pays for a good or service with a method other than cash, returns an item or requests a refund.

(b) To verify the individual’s age when providing an age-restricted good or service to any person about whom there is any reasonable doubt of the person’s having reached 21 years of age.

(c) To prevent fraud or other criminal activity if an individual returns an item or requests a refund and the private entity uses a fraud prevention service company or system.
(d) To transmit information to a check services company for the purpose of approving negotiable instruments, electronic funds transfers or similar methods of payment.

(3) A private entity that swipes an individual’s driver license or identification card under subsection (2)(a) or (b) of this section may not store, sell or share personal information collected from swiping the driver license or identification card.

(4) A private entity that swipes an individual’s driver license or identification card under subsection (2)(c) or (d) of this section may store or share the following information collected from swiping an individual’s driver license or identification card for the purpose of preventing fraud or other criminal activity against the private entity:

(5)(a) A person other than an entity regulated by the federal Fair Credit Reporting Act, 15 U.S.C. 1681 et seq., who receives personal information from a private entity under subsection (4) of this section may use the personal information received only to prevent fraud or other criminal activity against the private entity that provided the personal information.

(b) A person who is regulated by the federal Fair Credit Reporting Act and who receives personal information from a private entity under subsection (4) of this section may use or provide the personal information received only to effect, administer or enforce a transaction or prevent fraud or other criminal activity, if the person provides or receives personal information under contract from the private entity.

(6)(a) Subject to the provisions of this subsection, a private entity that is a commercial radio service provider that provides service nationally and that is subject to the Telephone Records and Privacy Protection Act of 2006 (18 U.S.C. 1039) may swipe an individual’s driver license or identification card if the entity obtains permission from the individual to swipe the individual’s driver license or identification card.

(b) The private entity may swipe the individual’s driver license or identification card only for the purpose of establishing or maintaining a contract between the private entity and the individual. Information collected by swiping an individual’s driver license or identification card for the establishment or maintenance of a contract shall be limited to the following information from the individual:

(A) Name;
(B) Address;

(A) Name;
(B) Address;
(C) Date of birth; and
(D) Driver license number or identification card number.

(A) Name;
(B) Address;
(C) Date of birth; and
(D) Driver license number or identification card number.

(7) A governmental entity may swipe an individual’s driver license or identification card only if:

(a) The individual knowingly makes the driver license or identification card available to the governmental entity;
(b) The governmental entity lawfully confiscates the driver license or identification card;
(c) The governmental entity is providing emergency assistance to the individual who is unconscious or otherwise unable to make the driver license or identification card available; or
(d) A court rule requires swiping of the driver license or identification card to facilitate accurate linking of court records pertaining to the individual.

(8) In addition to any other remedy provided by law, an individual may bring an action to recover actual damages or $1,000, whichever is greater, and to obtain equitable relief, if equitable relief is available, against an entity that swipes, stores, shares, sells or otherwise uses the individual’s personal information in violation of this section. A court shall award a prevailing plaintiff reasonable costs and attorney fees. If a court finds that a violation of this section was willful or knowing, the court may increase
the amount of the award to no more than three times the amount otherwise available.

(9) Any waiver of a provision of this section is contrary to public policy and is void and unenforceable. [2009 c.546 §2]

Note: See note under 807.745.

807.760 Prohibition on use of license or permit as evidence of citizenship or immigration status. A driver license, driver permit or identification card that is not a Real ID may not be used as evidence of the holder’s citizenship or immigration status for any purpose. [2019 c.701 §9]

809.010 Court-ordered suspension. A court shall order the Department of Transportation to suspend the registration of a motor vehicle required to be registered by the department upon conviction of the traffic offenses described in this section. The requirement to order the suspension of vehicle registration under this section is subject to all of the following:

1. The court shall order the department to suspend the registration under this section when a person is convicted:
   a. Of driving a motor vehicle while the person’s license is suspended or revoked in violation of ORS 811.175 or 811.182; or
   b. On a second or subsequent charge of driving while under the influence of intoxicants in violation of ORS 813.010.

2. The registration of the following vehicles shall be ordered suspended under this section:
   a. Any vehicle required to be registered by the department of which the convicted person is the owner.
   b. Any vehicle required to be registered by the department which the convicted person is operating at the time of the person’s arrest.

3. A court may not issue an order to suspend the registration under this section for more than 120 days.

4. Upon issuing an order to suspend the registration under this section, a court shall issue a copy of the order to the department for suspension according to ORS 809.020.

5. The court may order, under this section, the department to suspend the registration of a motor vehicle of which the convicted person is not the owner only if the court is satisfied by clear and convincing evidence that the owner knew or had good reason to know that the convicted person:
   a. Did not have a valid license and knowingly consented to the operation of the vehicle by the convicted person; or
   b. Was operating the vehicle while under the influence of intoxicants. [1983 c.338 §286; 1985 c.16 §116; 1999 c.359 §2; 2011 c.355 §28]

809.020 Response to court-ordered suspension. When the Department of Transportation receives an order from a court to suspend the registration of a vehicle, the department shall respond to the order as provided in this section based on the type of suspension. If the court orders the suspension of registration under:

1. ORS 809.120, the department shall impose the suspension as ordered by the court.
2. ORS 809.010, the department shall forthwith suspend the registration and require the owner to return the registration card and plates. When the department suspends a registration under this subsection the department shall:
   a. Destroy the registration card and plates; and
   b. Issue a new registration card and new plates to the owner upon expiration of the period specified by the court in its order upon payment by the owner to the department of a restoration fee established under ORS 809.030. The department may not charge the owner any fee for the card and plates other than the restoration fee.
3. ORS 809.130, the department, after opportunity for hearing under ORS 809.040, shall suspend the registration of the person’s employer’s vehicles, until notified by the court to reinstate the registration and until the department receives proof of compliance with future responsibility filings from the employer, if the department determines that all of the following apply:
   a. A judgment of the type described under ORS 806.040 was rendered against the person.
   b. The judgment has remained unsettled as described by ORS 809.470 for 60 days.
   c. The judgment continues to be unsettled.
   d. At the time of the accident that is the source of the judgment, the employee was driving, with the permission of the employer, a vehicle owned, operated or leased by the employer. [1983 c.338 §234; 1985 c.16 §116; 1999 c.359 §2; 2011 c.355 §28]

809.030 Restoration fee. The restoration fee for registration suspended under ORS 809.020 based on a court order under ORS 809.010 is $10. [1983 c.338 §292]

(1) The Department of Transportation may cancel any driving privileges upon determining that the person is not entitled to the driving privileges under this chapter. The department may reissue driving privileges canceled under this subsection when the applicant has satisfied all requirements for the driving privileges sought.

(2) The department may cancel any driver license or permit that contains any error or defect or that is found to have been issued on the basis of false information given to the department. Cancellation under this subsection is in addition to any suspension of driving privileges authorized for the same conduct.

(3) The department may suspend any driver privileges or right to apply for privileges or any identification card or right to apply for a card upon determining that the person issued or applying for the driving privileges or identification card has committed any of the following acts:

Failure to comply with this subsection is subject to penalty as provided under ORS 809.500.

(5) To obtain driving privileges after the period of suspension or cancellation under this section, a person must reapply for driving privileges in the manner established by law. [1983 c.338 §345; 1985 c.393 §8; 1987 c.272 §1; 1993 c.393 §6; 2018 c.76 §29]

809.312 Reissuance of privileges after suspension for submitting false information. (1) A person whose driving privileges or right to apply for driving privileges or whose identification card or right to apply
for an identification card has been suspended for one of the reasons specified in subsection (2) of this section may request that the person’s driving privileges or right to apply for driving privileges or identification card or right to apply for an identification card be reinstated after the Department of Transportation determines the criteria are met under subsection (4) of this section.

(2) This section applies to suspensions imposed under:

(a) ORS 809.310 (3)(a);
(b) ORS 809.310 (3)(b); and
(c) ORS 809.415 (5) for committing an act that constitutes an offense described in ORS 809.310 (3)(a) or (b).

(4) The granting of an administrative review under this section does not stay the suspension. However, the department shall reinstate the person’s driving privileges or right to apply for driving privileges or identification card or right to apply for an identification card if under objective criteria adopted by the department by rule, the department determines the suspension resulted from:

(a) An act described in ORS 809.310 (3)(a) or (b) committed by the person when the person was under 21 years of age; and
(b) The person committed the act solely for the purpose of:

(7) To reinstate an identification card or the right to apply for an identification card after the department determines that the person meets the objective criteria under subsection (4) of this section, the person shall pay the fee for reinstatement of an identification card as described in ORS 807.410.

(8) The department’s authority to reinstate a suspension of a person’s driving privileges or right to apply for driving privileges under this section does not impinge on a court’s authority to impose a suspension under ORS 165.805 or 471.430. [2012 c.14 §2; 2013 c.237 §46; 2018 c.114 §6; 2019 c.15 §2]

809.320 Cancellation on written request of parent or legal guardian. (1) If an applicant for driving privileges must have a parent or legal guardian sign the application before the person qualifies under ORS 807.060, that parent or legal guardian who has signed the application may thereafter file with the Department of Transportation a written request that the driving privileges of the person so granted be canceled.

(2) The department shall cancel the driving privileges of a person upon written request under this section if the person is under 18 years of age. [1983 c.338 §346; 1985 c.16 §182; 2005 c.143 §2]

809.340 [1985 c.396 §3; repealed by 1991 c.702 §20]

809.350 [1985 c.396 §4; 1999 c.849 §§187,188; repealed by 2001 c.294 §12]

(2) A suspension or revocation of driving privileges ordered by a court shall run concurrently with any mandatory suspension or revocation ordered by the Department of Transportation and arising out of the same conviction.

(3) Judicial review of orders denying, suspending or revoking a license, except where such suspension or revocation is mandatory, shall be as provided in ORS chapter 183.

(4) Whenever the department or a court has reason under any laws of this state to suspend or revoke the driving privileges of any person who does not hold current driving privileges to operate motor vehicles or whose driving privileges are due to expire
during a suspension period, the department or court shall suspend or revoke the right of such person to apply for driving privileges to operate motor vehicles in this state. A suspension or revocation of a right to apply for driving privileges under this subsection shall be for the period provided by law. [1983 c.338 §348; 1987 c.272 §2; 1989 c.636 §34; 1999 c.1051 §282; 2003 c.14 §487; 2007 c.122 §6; 2013 c.237 §16]

§809.380 Period of suspension; effect; reinstatement; fee. All of the following apply to a person whose driving privileges have been suspended:

(1) The period of suspension shall last as long as provided for that particular suspension by law.

During the period of suspension, the person is not entitled to exercise any driving privileges in this state except as provided under this subsection. Unless otherwise specifically provided by law, a person whose driving privileges are suspended may obtain, if the person qualifies, a hardship driver permit under ORS 807.240, and exercise driving privileges under the driver permit.

Upon expiration of the suspension, the Department of Transportation shall reissue, upon request of the person, the suspended driving privileges and any license or driver permit that evidences the driving privileges. The reissuance shall be without requalification by the person except that the department may require the person to furnish evidence satisfactory to the department that the person is qualified to continue to exercise driving privileges in this state before the department reissues the driving privileges.

The department may not issue any driving privileges in contradiction to this section.

If the person fails to surrender to the department any license or driver permit issued as evidence of driving privileges that are suspended, the person is subject to the penalties under ORS 809.500.

No reinstatement of suspended driving privileges will be made by the department until the fee for reinstatement of suspended driving privileges established under ORS 807.370 is paid to or waived by the department. The department may waive the reinstatement fee for any of the following reasons:

(a) The suspension occurred under ORS 809.419 for failure to take an examination upon request of the department under ORS 807.340.

(b) The suspension occurred under ORS 809.419 for failure to obtain required medical clearance upon request of the department under ORS 807.070 or 807.090.

(c) The suspension occurred under ORS 809.419 for incompetence to drive a motor vehicle or having a mental or physical condition or impairment that affects the person's ability to safely operate a motor vehicle.

(d) The suspension occurred under ORS 809.419 upon notification by the superintendent of a hospital under ORS 807.700 that a person should not drive.

(e) The suspension occurred under ORS 809.419 upon notification by a court under ORS 810.375 that a person charged with a traffic offense has been found guilty except for insanity.

(f) The department committed an error in issuing the suspension.

(g) The suspension was the result of an error committed by an insurance company in issuing or failing to issue a certification of insurance or in canceling a certification of insurance filed with the department under ORS 806.270.

(h) The department issued the suspension without error because the person failed to respond as required under ORS 806.150 or to furnish proof of exemption under ORS 806.210 from the filing requirement of ORS 806.200, but the department later determines that the person in fact was in compliance with financial responsibility requirements as of the date specified by the department by rule under ORS 806.150 or at the time of an accident described in ORS 806.200.

(i) The department issued the suspension without error because the person was not in compliance with financial responsibility requirements as of the date specified by the department by rule under ORS 806.150 or at the time of an accident described in ORS 806.200, but the department later determines that the person reasonably and in good faith believed that the person was in compliance with financial responsibility requirements on the date specified by the department by rule under ORS 806.150 or at the time of the accident.

(j) The suspension was the result of an error committed by an insurance company in notifying the department regarding the correctness of proof of compliance with financial responsibility requirements provided under ORS 806.150.

(k) The suspension occurred because the person failed to make future responsibility filings but the department later determines that the reason for the failure was that the person was a military reservist or a member of a national guard unit that was ordered to active military duty to a location outside of the United States. The effective date of the
military orders must be prior to the effective date of a suspension issued by the department for failure to make a future responsibility filing.

(L) The department issued the suspension without error because the department received a notice to suspend from a court under ORS 809.210 or 809.220, but the department later determines that the person in fact was in compliance with the requirements of the court prior to the effective date of the suspension. (5) When a person entitled to possession of the impounded vehicle has complied with the requirements of subsection (3) or (4) of this section, the impounding police agency shall authorize the person storing the vehicle to release it upon payment of any towing and storage costs.

(6) Notwithstanding subsection (3) of this section, the holder of a towing business certificate issued under ORS 822.205 may foreclose a lien created by ORS 87.152 for the towing and storage charges incurred in the impoundment of the vehicle, without payment of the administrative fee under subsection (3)(c) of this section.

(7) Nothing in this section or ORS 809.716 limits either the authority of a city or county to adopt ordinances dealing with impounding of uninsured vehicles or the contents of such ordinances except that cities and counties shall comply with the notice requirements of subsection (2) of this section and ORS 809.725.

ROAD AUTHORITIES

(Jurisdiction)

810.010 Jurisdiction over highways; exception. This section designates the bodies responsible for exercising jurisdiction over certain highways when the vehicle code requires the exercise of jurisdiction by the road authority. This section does not control where a specific section of the vehicle code specifically provides for exercising jurisdiction in a manner different than provided by this section. Except as otherwise specifically provided under the code, the responsibilities designated under this section do not include responsibility for maintenance. Responsibility for maintenance is as otherwise provided by law. The following are the road authorities for the described roads:

(1) The Department of Transportation is the road authority for all state highways in this state including interstate highways.

(2) The county governing body is the road authority for all county roads outside the boundaries of an incorporated city.

(3) The governing body of an incorporated city is the road authority for all county roads outside the boundaries of an incorporated city.

(4) Any other municipal body, local board or local body is the road authority for highways, other than state highways, within the boundaries of the incorporated city.

(5) Any federal authority granted jurisdiction over federal lands within this state under federal law or rule is the road authority for highways on those lands as provided by the federal law or rule.

810.012 Jurisdiction over access to facilities and services from certain roads; rules. Notwithstanding any other provision of the Oregon Vehicle Code, the Oregon Transportation Commission, by rule, may establish procedures for, and certify to the Federal Highway Administration compliance with, 23 C.F.R. part 658 for roads under the authority of cities and counties.

(Roads)

810.020 Regulating use of throughway.

(1) Each road authority may prohibit or restrict the use of a throughway in its jurisdiction by any of the following:

(a) Parades.

(b) Bicycles or other nonmotorized traffic.

(c) Motorcycles or mopeds.

(2) Regulation under this section becomes effective when appropriate signs giving notice of the regulation are erected upon a throughway and the approaches to the throughway.

(3) Penalties for violation of restrictions or prohibitions imposed under this section are provided under ORS 811.445.

(4) The Oregon Transportation Commission shall act as road authority under this section in lieu of the Department of Transportation.

810.030 Imposition of restrictions on highway use; grounds; procedure; penalties. (1) A road authority may impose restrictions described under this section on its own highways as the road authority determines necessary to do any of the following:

(a) Protect any highway or section of highway from being unduly damaged.

(b) Protect the interest and safety of the general public.

(2) Restrictions that may be imposed under this section include any of the following:

(a) Prohibition of the operation of any or all vehicles or any class or kind of vehicle.

(b) Imposing limits on any weight or dimension of any vehicle or combination of vehicles.

(c) Imposing any other restrictions that the road authority determines necessary to achieve the purposes of this section. This paragraph does not grant authority to impose speed restrictions.

(3) Any restrictions or limitations imposed under this section must be imposed by proper order. The restrictions or limitations are effective when appropriate signs giving notice of the restrictions or limitations are erected. A sign giving notice of a restriction or limitation in an order shall be maintained in a conspicuous manner and shall be placed at each end of the highway or section of highway affected by the order and at such other places as is necessary to inform the public.

(4) Penalties are provided under ORS 818.130 for violation of restrictions imposed under this section.

810.040 Designation of truck routes; limitations; penalties. Each road authority may designate any of its highways or any section of any of its highways as a truck route and may prohibit the operation of trucks, machinery or any other large or heavy vehicles upon any other of its highways that serves the same route or area served by the truck route designated. The
authority granted under this section is subject to all of the following:

(1) The governing body of an incorporated city shall not designate a truck route or prohibit the operation of any vehicle on a:

(a) State highway that is within the boundaries of the city without the written consent of the Department of Transportation.
(b) County road that is within the boundaries of the city without the written consent of the governing body of the county.

(2) Any designation or prohibition made under authority of this section must be imposed by appropriate order, resolution or ordinance.

(3) A road authority exercising authority under this section shall erect and maintain signs in a conspicuous manner and place at each end of the highway or section of highway where a designation or prohibition is imposed to give notice of the prohibitions or designations imposed. The road authority shall erect and maintain signs giving notice of any prohibitions or designations imposed under this section at such other places as may be necessary to inform the public.

(4) A prohibition or designation imposed under this section is effective when signs giving notice thereof are posted as required by this section.

(5) Penalties are provided under ORS 811.450 for violation of requirements imposed under this section. [1983 c.338 §148]

810.050 Increase or decrease in size or weight limits on highways if federal mandate allows or requires; rules. (1) The Department of Transportation may authorize the movement on highways under its jurisdiction of vehicles or combinations of vehicles of a size or weight in excess of the limits under ORS 818.020, 818.090 or 818.110 if federal law permits various states to establish size and weight limits in excess of those under ORS 818.020, 818.090 or 818.110.

The department shall exercise the authority granted under this subsection subject to all of the following:

(a) The department shall only establish weight and size limits under this subsection within the limits necessary to qualify for federal aid highway funds.
(b) The department shall exercise the authority either by adoption of a rule or resolution under ORS 810.060 or by issuance of variance permits under ORS 818.200. When the department exercises the authority under this paragraph, the weight limits or size limits established under this subsection shall apply.

(2) The department may by rule prohibit the movement on highways under its jurisdiction of vehicles or combinations of vehicles of a size or weight otherwise authorized by statute if the prohibition is necessary in order to qualify for federal aid highway funds.

(3) Road authorities other than the department may increase or decrease size and weight limits on their own highways if the department exercises the authority granted under this section. The exercise of authority under this subsection is subject to all of the following:

(a) A road authority may not exercise the authority to establish a size or weight limit that exceeds the maximum authorized by the department or to prohibit vehicles or combinations of vehicles that are not prohibited by the department under subsection (2) of this section.
(b) The road authority shall exercise the authority either by adoption of a rule, resolution or ordinance under ORS 810.060 or by issuance of variance permits under ORS 818.200.

(4) Penalties are provided under ORS 818.060 and 818.340 for violation of limits established under this section. [1983 c.338 §149; 1985 c.16 §47; 1993 c.510 §3]

810.060 Increase in weight or size if highway found capable of supporting increase; rules. A road authority shall adopt a rule, resolution or ordinance to allow vehicles or combinations of vehicles with a loaded weight in excess of the weight limitations established by Table III under ORS 818.010 or a length or width in excess of that authorized under ORS 818.080 and 818.090 to be operated over any highway of the road authority if the road authority determines that the highway is capable of carrying greater weight, length or width. The authority granted under this section is subject to all of the following:

(1) The authority may only be exercised by rule, resolution or ordinance.
(2) The authority does not allow any road authority to authorize any vehicle to be operated over any highway if the vehicle has a height in excess of that allowed under ORS 818.080 and 818.090.
(3) The provisions of any rule, resolution or ordinance adopted under this section may be amended, rescinded or repealed at any time.
(4) The provisions of any rule, resolution or ordinance adopted under this section are subject to the maximum size, weight and width limits established under ORS 810.050.
A rule, resolution or ordinance adopted under this section shall fix the maximum loaded weight, length, width and types and classes of vehicles or combinations of vehicles that may be operated on the highway or highways or sections of highways described in the rule, resolution or ordinance.

(6) A duplicate original of a rule or resolution adopted by the Department of Transportation under this section and an amendment to or repeal of a rule or resolution by the department shall be filed with the Secretary of State. This subsection does not require an ordinance adopted by a city or county under this section to be filed with the Secretary of State.

(7) After the effective date of a rule, resolution or ordinance adopted under this section, a variance permit under ORS 818.200 is not required for the operation upon the described highway of a vehicle or combination of vehicles that is not in excess of the maximum loaded weight, length or width fixed by the rule, resolution or ordinance for vehicles or combinations of vehicles of that type or class.

(8) Penalties are provided under ORS 818.060 for violation of limits established under this section. [1983 c.338 §150; 1985 c.16 §48]

810.070 Use of golf carts on highways; rules. A road authority, on any of its own highways that are located adjacent to a golf course, may permit the operation of golf carts between the golf course and the place where golf carts are parked or stored or located within or bounded by a real estate development. All of the following apply to the authority granted under this section:

1. Exercise of the authority granted under this section must be by means of an ordinance.

2. The authority granted under this section may only be exercised where the combined operation of golf carts and regular vehicle traffic can be accomplished safely.

3. A road authority shall prescribe rules and shall regulate the combined operation of golf carts and vehicles when permitted under this section. The rules may establish speed limits and other operating standards but shall not require that golf carts conform with the vehicle equipment laws under the vehicle code.

4. A designation of combined operation under this section or rules instituted under this section are effective when appropriate signs giving notice thereof are posted along the affected highway and are not effective before such posting.

5. If a designation is made under this section to permit combined operation, the golf carts operated in accordance with the designation and rules adopted by the road authority qualifies for the exemptions under ORS 820.210.

6. This section only applies to real estate developments that have single or multiple family residences whose owners or occupants are eligible for membership in or the use of one or more golf courses within the development by virtue of ownership or occupancy of a residential dwelling unit in the development.

(7) This section neither grants authority to nor limits the authority of the Department of Transportation. [1983 c.338 §151; 2003 c.757 §2]

810.080 Pedestrian traffic. (1) Road authorities may regulate the movement of pedestrians upon highways within their jurisdictions by doing any of the following:

(a) Establishing marked crosswalks and designating them by appropriate marking.

(b) Closing a marked or unmarked crosswalk and prohibiting pedestrians from crossing a roadway where a crosswalk has been closed by placing and maintaining signs giving notice of closure.

(c) Prohibiting pedestrians from crossing a highway at any place other than within a marked or unmarked crosswalk.

2. This section neither grants authority to nor limits the authority of the Department of Transportation. [1983 c.338 §152]

810.090 Bicycle racing. Bicycle racing is permitted on any highway in this state upon the approval of, and under conditions imposed by, the road authority for the highway on which the race is held. [1983 c.338 §153]

810.100 Restriction of animal traffic to bridle paths. Each incorporated community within this state has power, by law or ordinance duly enacted, to regulate the use of its streets by horses and other animals to the extent that bridle paths may be designated upon certain streets and the animals may be prohibited on other streets. [1983 c.338 §154]

810.110 Designation of through highways and stop intersections. (1) Each road authority may do any of the following on its own highways:

(a) Designate a main traveled or through highway by placing traffic control devices at the entrances to the highway from intersecting highways to notify drivers to stop or yield the right of way before entering or crossing the designated highway.

(b) Designate intersections or other roadway junctions at which vehicle traffic on one or more of the highways should yield or stop before entering the intersection or junction.
(2) The Oregon Transportation Commission shall act as road authority under this section in lieu of the Department of Transportation. [1983 c.338 §155]

810.120 Designation of no passing zones. (1) Each road authority may do the following on its own highways:

(a) Determine where overtaking or passing or driving to the left of the center of the roadway would be especially hazardous; and

(b) Establish zones on the roadway where overtaking or passing or driving to the left of the center of the roadway are prohibited because such would be especially hazardous.

(2) To establish a zone under this section, a road authority must do all of the following:

(a) Determine that a need for a zone exists in accordance with standards and procedures adopted by the Department of Transportation.

(b) Mark the zone by appropriate signs or by a yellow unbroken line on the pavement of the right-hand side of and adjacent to the center line or a lane line of the roadway to indicate the beginning and end of the zone.

(3) Penalties are provided under ORS 811.420 for passing in a no passing zone designated under this section. [1983 c.338 §156]

810.130 One-way highways; safety zones; turns. The Oregon Transportation Commission shall act as road authority under this section in lieu of the Department of Transportation. Each road authority may do any of the following on its own highways, subject to any limitations described:

(1) Designate a highway or section or specific lane on a highway where vehicle traffic must proceed in one direction at all times or at times indicated by traffic control devices. A designation under this subsection shall become effective when appropriate traffic control devices are placed within or adjacent to the intersections.

(2) Designate places on highways as safety zones and regulate and control traffic with respect to the safety zones. A designation under this subsection shall become effective when appropriate signs are posted.

(3) Penalties are provided under ORS 811.265 for failure to obey signs giving notice of any limitations or restrictions imposed under this section. [1983 c.338 §157; 1985 c.16 §49]

(2) Any restriction or limitation imposed under this section must be imposed by proper order. The restriction or limitation is effective when appropriate signs giving notice of the restriction or limitation are erected. A sign giving notice of a restriction or limitation shall be maintained in a conspicuous manner and shall be placed at each end of the highway or section of highway affected by the restriction or limitation and at such other places as necessary to inform the public.

(3) Penalties are provided under ORS 811.265 for failure to obey signs giving notice of any limitations or restrictions imposed under this section. [1983 c.338 §158; 1985 c.16 §50]

(1) Street drains, sewer drains, storm drains and other similar openings in a roadbed over which traffic must pass that are in any portion of a public way, highway, road, street, footpath or bicycle trail that is available for use by bicycle traffic shall be designed and installed, including any modification of existing drains, with grates or covers so that bicycle traffic may pass over the drains safely and without obstruction or interference.
(2) The Department of Transportation shall adopt construction guidelines for the design of public ways in accordance with this section. Limitations on the applicability of the guidelines are established under ORS 801.030. [1983 c.338 §159]

(Parking)

810.160 Controlling parking on highways; limitations. Except as otherwise provided in this section, each road authority has exclusive authority to regulate, control or prohibit the stopping, standing and parking of vehicles upon its own highways. The Oregon Transportation Commission shall act as road authority under this section in lieu of the Department of Transportation. The authority granted in this section is subject to all of the following:

(1) The commission has exclusive authority to regulate, control or prohibit the stopping, standing and parking on all state highways:

(a) Within the corporate limits of a city except where the highway is routed over a city street under ORS 373.010.

(b) Within the corporate limits of any city if access to or from the section of highway and real property abutting thereon was restricted, controlled or prohibited by the commission before the section of highway was included within the corporate limits of the city.

(2) Road authorities other than the commission may permit angle parking on any highway where parking is subject to their jurisdiction under this section. For cities, this subsection includes authority to permit angle parking on any city street selected and designated as the route of a state highway under ORS 373.010 and, subject to the authority of the commission under this section, any state highway within the corporate limits of the city. This subsection does not allow any road authority to permit angle parking on a state highway if the commission determines that the highway is not of sufficient width to permit angle parking without interfering with the free movement of traffic.

(3) All regulations, restrictions or prohibitions imposed by the commission under this section shall be by resolution or order entered in the commission's official records.

(4) Regulations, restrictions or prohibitions imposed by the commission under this section shall become effective and have the force of law when signs or markings giving notice thereof have been placed. To comply with this subsection, the commission shall place and maintain appropriate signs or markings at such places as may be necessary to inform the public and to give notice of all regulations, restrictions or prohibitions the commission establishes under this section.

(5) Penalties are provided under ORS 811.575 for violation of restrictions placed on state highways under this section. [1983 c.338 §160]

810.170 Winter recreation parking locations; plowing; priorities; enforcement.

(1) The Oregon Transportation Commission shall designate winter recreation parking locations throughout this state where parking is prohibited under ORS 811.590 except for vehicles exempted under that section and vehicles with winter recreation parking permits issued under ORS 811.595. The commission may identify access roads to winter recreation facilities, roadside plow-outs and other areas as winter recreation parking locations under this section. The commission shall designate winter recreation parking locations under this section after consultation with the Winter Recreation Advisory Committee established under ORS 802.350 and with land management agencies managing adjacent land.

(2) The commission shall establish priorities for plowing the winter recreation parking locations established under this section. The commission shall establish priorities under this section after consultation with the Winter Recreation Advisory Committee established under ORS 802.350. The Department of Transportation shall provide for the removal of snow accumulating on winter recreation parking locations established under this section according to the priorities established by the commission under this section. Snow removal provided for under this subsection may be performed by any of the following:

(3) The commission may enter into agreements with county or municipal law enforcement agencies or individual police officers for the enforcement of ORS 811.590. The commission shall only enter into agreements under this subsection after consultation with the Winter Recreation Advisory Committee established under ORS 802.350. [1983 c.338 §161]

(Speeds)

810.180 Designation of maximum speeds; rules. (1) As used in this section:

(a) “Designated speed” means the speed that is designated by a road authority as the
maximum permissible speed for a highway and that may be different from the statutory speed for the highway.

(b) “Statutory speed” means the speed that is established as a speed limit under ORS 811.111, or is established as the speed the exceeding of which is prima facie evidence of violation of the basic speed rule under ORS 811.105.

(2)(a) A designated speed established under this section is a speed limit if the highway for which the speed is designated is subject to a statutory speed limit under ORS 811.111 that is in addition to the speed limit established under ORS 811.111 (1)(b).

(b) A speed greater than a designated speed established under this section is prima facie evidence of violation of the basic speed rule if the designated speed is established for a highway on which there is no speed limit other than the limit established under ORS 811.111 (1)(b).

(3) The Department of Transportation may establish by rule designated speeds on any specified section of interstate highway if the department determines that speed limits established under ORS 811.111 (1) are greater or less than is reasonable or safe under the conditions that exist with respect to that section of the interstate highway. Designated speeds established under this subsection are subject to all of the following:

(a) The department may not establish a designated speed under this subsection of more than:
   (A) Sixty-five miles per hour for vehicles described in ORS 811.111 (1)(b); and
   (B) Seventy miles per hour for all other vehicles.

(b) If the department establishes designated speeds under this subsection that are greater than 65 miles per hour, the designated speed for vehicles described in ORS 811.111 (1)(b) must be at least five miles per hour lower than the designated speed for all other vehicles on the specified section of interstate highway.

(c) The department may establish a designated speed under this subsection only if an engineering and traffic investigation indicates that the statutory speed for the interstate highway is greater or less than is reasonable or safe under conditions the department finds to exist.

(d) A designated speed established under this subsection is effective when appropriate signs giving notice of the designated speed are posted on the portion of highway where the designated speed is imposed.

(4)(a) The department may establish, pursuant to a process established by rule, a designated speed on a state highway outside of a city. The authority granted under this subsection includes, but is not limited to, the authority to establish different designated speeds for different kinds or classes of vehicles as the department determines reasonable and safe. A designated speed established under this subsection for any kind or class of vehicles may not exceed the speed limit for the highway for that kind or class of vehicles as established in ORS 811.111 or, if there is no speed limit for the highway other than the limit established in ORS 811.111 (1)(b), may not exceed 55 miles per hour.

(b) The department may establish a designated speed under this subsection only if an engineering and traffic investigation indicates that the statutory speed for the highway is greater or less than is reasonable or safe under conditions the department finds to exist.

(c) A designated speed established under this subsection is effective when appropriate signs giving notice of the designated speed are posted on the portion of highway where the designated speed is imposed.

(5) After a written request is received from a road authority for a highway other than a highway described in subsection (3) or (4) of this section, the department, pursuant to a process established by rule, may establish a designated speed for the highway. The authority granted under this subsection includes, but is not limited to, the authority to establish different designated speeds for different kinds or classes of vehicles as the department determines reasonable and safe. The authority granted under this subsection is subject to all of the following:

(a) The written request from the road authority must state a recommended designated speed.

(b) The department may establish a designated speed under this subsection only if an engineering and traffic investigation indicates that the statutory speed for the highway is greater or less than is reasonable or safe under conditions the department finds to exist.

(c) The department may not make a final decision to establish a designated speed under this subsection without providing the affected road authorities with notice and opportunity for a hearing.

(d) A road authority may file a written objection to a designated speed that is proposed by the department under this subsection and that affects the road authority.

(e) A designated speed established under this subsection is effective when appropriate signs giving notice of the designated speed are posted on the portion of the highway.
where the designated speed is imposed. The expense of erecting any sign under this subsection shall be borne by the road authority having jurisdiction over the portion of the highway where the designated speed is imposed.

(f) The department, pursuant to a process established by rule, may delegate its authority under this subsection with respect to highways that are low volume or unpaved to a city or county with jurisdiction over the highway. The department shall delegate authority under this paragraph only if it determines that the city or county will exercise the authority according to criteria adopted by the department.

(6) The department may override the speed limit established for ocean shores under ORS 811.111 (1)(c) and establish a designated speed of less than 25 miles per hour on any specified section of ocean shore if the department determines that the speed limit established under ORS 811.111 (1)(c) is greater than is reasonable or safe under the conditions that exist with respect to that part of the ocean shore. The authority granted under this subsection is subject to all of the following:

(a) The department may make the determination required under this subsection only on the basis of an investigation.

(b) A designated speed established under this subsection is effective when posted upon appropriate fixed or variable signs on the portion of ocean shore where the designated speed is imposed.

(7) A road authority may adopt a designated speed to regulate the speed of vehicles in parks under the jurisdiction of the road authority. A road authority regulating the speed of vehicles under this subsection shall post and maintain signs at all park entrances to give notice of any designated speed.

(8) A road authority may establish by ordinance or order a temporary designated speed for highways in its jurisdiction that is lower than the statutory speed. A temporary designated speed may be established under this subsection if, in the judgment of the road authority, the temporary designated speed is necessary to protect any portion of the highway from being unduly damaged, or to protect the safety of the public and workers when temporary conditions such as construction or maintenance activities constitute a danger. The following apply to the authority granted under this subsection:

(a) Statutory speeds may be overridden by a temporary designated speed only:

(A) For a specific period of time for all vehicles; or

(B) For a specified period of time for a specific kind or class of vehicle that is causing identified damage to highways.

(b) This subsection may not be used to establish a permanent designated speed.

(c) The authority granted by this subsection may be exercised only if the ordinance or order that imposes the temporary designated speed:

(A) Specifies the hazard, damage or other condition requiring the temporary designated speed; and

(B) Is effective only for a specified time that corresponds to the hazard, damage or other condition specified.

(d) A temporary designated speed imposed under this subsection must be imposed by a proper written ordinance or order. A sign giving notice of the temporary designated speed must be posted at each end of the portion of highway where the temporary designated speed is imposed and at such other places on the highway as may be necessary to inform the public. The temporary designated speed shall be effective when signs giving notice of the temporary designated speed are posted.

(9) A road authority may establish an emergency speed on any highway under the jurisdiction of the road authority that is different from the existing speed on the highway. The authority granted under this subsection is subject to all of the following:

(a) A speed established under this subsection is effective when appropriate signs giving notice thereof are posted upon the highway or portion of highway where the emergency speed is imposed. All signs posted under this subsection must comply with ORS 810.200.

(b) The expense of posting any sign under this subsection shall be borne by the road authority having jurisdiction over the highway or portion of highway where the emergency speed is imposed.

(c) A speed established under this subsection may be effective for not more than 120 days.

(10) A road authority may establish by ordinance a designated speed for a highway under the jurisdiction of the road authority that is five miles per hour lower than the statutory speed. The following apply to the authority granted under this subsection:

(a) The highway is located in a residence district.

(b) The statutory speed may be overridden by a designated speed only if:

(A) The road authority determines that the highway has an average volume of fewer
than 2,000 motor vehicles per day, more than
85 percent of which are traveling less than
30 miles per hour; and

(B) There is a traffic control device on
the highway that indicates the presence of
pedestrians or bicyclists.

(c) The road authority shall post a sign
giving notice of the designated speed at each
end of the portion of highway where the
designated speed is imposed and at such
other places on the highway as may be nec-
essary to inform the public. The designated
speed shall be effective when signs giving
notice of the designated speed are posted.

(11) A city may establish by ordinance a
designated speed for a highway under the
jurisdiction of the city that is five miles per
hour lower than the statutory speed.

The following apply to the authority granted un-
der this subsection:

(a) The highway is located in a residence
district.

(b) The highway is not an arterial high-
way.

(c) The city shall post a sign giving no-
ice of the designated speed at each end of
the portion of highway where the designated
speed is imposed and at such other places on
the highway as may be necessary to inform
the public. The designated speed shall be ef-
fective when signs giving notice of the des-
ignated speed are posted.

(12) Notwithstanding ORS 801.430, as
used in subsection (11) of this section, “resi-
dence district” includes territory not com-
prising a business district that is contiguous
to a highway and has access to dwellings
provided by alleys.

810.210 Placement and control of traf-
cic control devices.

(1) The Oregon Trans-
poration Commission is vested with
exclusive jurisdiction over the installation at
railroad-highway grade crossings of signs,
signals, gates, protective devices or any
other device to warn or protect the public at
a railroad-highway crossing. The commission
is granted exclusive authority under this
subsection to determine the character or
type of traffic control devices to be used in
this state.

(2) Each road authority shall place,
maintain and control traffic control devices
used upon its own highway as the road au-
thority considers necessary for the safe and
expeditious control of traffic, necessary to
carry out the provisions of the vehicle code
or local traffic ordinances or necessary to
regulate, warn or guide traffic. The commis-
sion shall act as road authority under this
section in lieu of the Department of Trans-
portation. The authority granted under this
subsection is subject to all of the following:

(a) All traffic control devices erected and
used under this subsection shall conform to
the state manual and specifications estab-
lished under ORS 810.200.

(b) The commission has general super-
vision with respect to the placing, construc-
tion and operation of traffic control devices
under this subsection for the purpose of ob-
taining, so far as practicable, uniformity as
to type and location of traffic control devices
throughout the state.

(c) Only the commission has authority
over a state highway whether or not the
state highway is within the jurisdiction of
another road authority. No traffic control
device shall be erected, maintained or operated upon any state highway under this subsection by any authority other than the commission, except with the written approval of the commission.

(d) When the governing body of a city makes a determination that placement or construction of a traffic control device on a highway within the city selected as a state highway under ORS 373.010 is necessary to carry out the provisions of the vehicle code or to regulate, warn or guide traffic, the city governing body shall submit written findings and recommendations to the Director of Transportation in support of placing or constructing the traffic control device on the state highway. If the director approves the findings and recommendations, the director shall notify the city governing body in writing and proceed to place or construct the traffic control device in accordance with the findings and recommendations. If the director does not notify the governing body of disapproval within 90 days after receipt of the findings and recommendations, the findings and recommendations shall be considered approved and the director shall proceed to place or construct the traffic control device in accordance with the findings and recommendations.

(e) The commission is authorized to classify, designate and mark both interstate and intrastate highways within the boundaries of this state. [1983 c.238 §165; 1985 c.16 §54; 1993 c.522 §3; 1993 c.741 §4; 1995 c.733 §8]

The limit in miles per hour shall be printed above the limit in kilometers per hour and shall be of equal size lettering. [1993 c.284 §2]

810.214 Signs prohibiting unmuffled engine brakes. (1) The Oregon Transportation Commission shall adopt uniform standards for posting signs prohibiting the use of unmuffled engine brakes as described in ORS 811.492.

Any sign posted shall inform the driver that the use of unmuffled engine braking is prohibited and shall give the dollar amount of the maximum fine provided for violation of ORS 811.492.

(3) All signs placed shall conform to specifications approved by the commission. The commission may use signs that show internationally recognized and approved symbols. [1993 c.314 §11; 1999 c.1051 §228]

810.220 Exemption from traffic control device specifications. Official traffic control devices placed or constructed by road authorities before June 27, 1975, are not required to conform to specifications and location criteria approved by the Oregon Transportation Commission. Any new or amended specifications approved by the commission under ORS 810.200 after June 27, 1975, for the placement or construction of traffic control devices do not apply to such devices in place on June 27, 1975. However within a reasonable period after June 27, 1975, traffic control devices shall be altered or relocated to comply with the manual and specifications under ORS 810.200. [1983 c.338 §166]

(2) Whenever a particular section of the vehicle code does not state that traffic control devices are required, the section is effective even though no devices are erected or in place.

(3) When a traffic control device is placed in position approximately conforming to the requirements of the traffic regulations or other laws of this state, the device is presumed to have been placed by an official act or at the direction of lawful authority unless the contrary is established by competent evidence.

(4) A traffic control device placed under the vehicle code or other laws or regulations of this state and purporting to conform to the lawful requirements pertaining to that device is presumed to comply with the requirements of the vehicle code unless the contrary is established by competent evidence. [1983 c.338 §167]

(5) Steady yellow arrow signal. Unless entering the intersection to make a movement permitted by another signal, a driver facing a steady yellow arrow signal shall stop at a clearly marked stop line, but if none, shall stop before entering the marked crosswalk on the near side of the intersection, or if there is no marked crosswalk, then before entering the intersection. (10) Traffic control devices at places other than intersections. If a traffic control device that is a signal is erected and maintained at a place other than an intersection, the provisions of this section relating to signals shall be applicable. A required stop shall be made at a sign or marking on the roadway indicating where the stop shall be made, but in the absence of such sign or marking the stop shall be made at the signal.

Except where an exemption under ORS 811.525 specifically provides otherwise, a vehicle that does not comply with this section is in violation of ORS 811.520. Where specific types of lighting equipment are mentioned in this section, those types are types described in ORS 816.040 to 816.290. The requirements under this section are as follows:

(1) Subject to any other provision of this section, any lighting equipment a vehicle is required to be equipped with under ORS 816.040 to 816.290 must be displayed when the vehicle is upon a highway within this state at any time limited visibility conditions exist. The provisions of this subsection apply during the times stated when the required visibility is measured on a straight, level unlighted highway.

(2) Parking lights and lights other than clearance, identification and marker lights that are mounted on the front of a vehicle and are designed to be displayed primarily when the vehicle is parked shall not be lighted when a vehicle is driven upon a highway at times when limited visibility conditions exist except when:

(a) The lights are being used as turn signals; or

(b) The headlights are also lighted at the same time.

(3) Any vehicle parked or stopped upon a roadway or shoulder adjacent thereto, whether attended or unattended, during times when limited visibility conditions exist must display parking lights.

A person violates this subsection if the person does not comply with the following:

(a) Whenever the driver of a vehicle approaches an oncoming vehicle within 500 feet, the driver must use a distribution of light or composite beam so aimed that the glaring rays are not projected into the eyes of the oncoming driver. The use of the low beams of the vehicle headlight system is in compliance with this paragraph at all times regardless of road contour and loading of the vehicle.

(b) Except when in the act of overtaking or passing, a driver of a vehicle following another vehicle within 350 feet to the rear must use the low beams of the vehicle headlight system.

(7) When a vehicle is upon a highway a person shall light not more than a total of four lights at any one time that are mounted on the front of a vehicle and that each projects a beam of intensity greater than 300 candlepower.

(8)(a) A light, other than a headlight, that projects a beam of light of an intensity greater than 300 candlepower shall not be operated on a vehicle:

A) Unless the beam is so directed that no part of the high intensity portion of the beam will strike the level of the roadway on which the vehicle stands at a distance of more than 75 feet from the vehicle; or

A motorcycle may not be operated with more than two lights, other than headlights, under this paragraph.

(9) A spotlight shall not be lighted upon approaching another vehicle unless the spotlight is so aimed and used so that no part of the high-intensity portion of the beam will be directed to the left of the prolongation of the extreme left side of the vehicle upon which it is mounted, more than 100 feet ahead of the vehicle.

(b) Any parking space that is marked or signed to provide parking for persons with disabilities and that is subject to different provisions or requirements under city or county ordinance if the different provisions or requirements are clearly posted.

(3) Unless the police officer or other authorized person issuing the citation witnesses the parking of the vehicle, a rebuttable presumption exists that a vehicle parked in violation of this section was parked by the registered owner of the vehicle and the citation issued for the violation may be placed upon the vehicle. If the parking of the vehicle is witnessed by the police officer or other person authorized to issue a citation for the offense, the operator of the vehicle is in violation of this section.

(4) The penalties provided by this section shall be imposed regardless of the text or symbol displayed on the marking or sign reserving the space or aisle for persons with disabilities. The penalties are in addition to the following:

(b) Received a discharge or release under other than dishonorable conditions.

(3) The Department of Transportation shall determine the form, size and content of the placards or decals, except that the department shall require that the placards or decals:

The placard or decal shall be valid as long as the license, permit or identification card is valid and may be renewed when the license, permit or identification card is renewed.

(2)(a) Unless the police officer or other authorized person issuing the citation witnesses the stopping or parking of a vehicle in violation of subsection (1)(a) of this section, there is a rebuttable presumption that the vehicle was stopped or parked by the registered owner of the vehicle and a citation issued for the violation may be placed upon the vehicle. If the stopping or parking of the vehicle is witnessed by the police officer or other person authorized to issue a citation for the offense, or if the operator is in the vehicle, the operator of the vehicle is in violation of this section.

(b) Unless the police officer or other authorized person issuing the citation witnesses the blocking of a parking space in violation of subsection (1)(b) of this section, there is a rebuttable presumption that the owner or manager of the parking lot placed or allowed placement of the object blocking access to the parking space and a citation may be issued to the owner or manager of the parking lot. If a police officer or other person issuing the citation sees a person placing an object in violation of subsection (1)(b) of this section, the officer or other person may issue the citation to the person seen.

(a) The state agency or political subdivision may require payment of reasonable costs for removal and storage of the vehicle before the vehicle is released.

(b) If the vehicle is not claimed and any fees required under this subsection are not paid within 30 days of the removal, a lien described under ORS 98.812 attaches to the vehicle and its contents for the reasonable costs for removal and storage of the vehicle and contents.

(3) If a vehicle is removed under subsection (2) of this section, the tower removing the vehicle shall:

(a) Notify the local law enforcement agency of the location of the vehicle within one hour after the vehicle is placed in storage; and

(b) Unless the vehicle is claimed, give notice, within 10 days after the vehicle is placed in storage, to the vehicle owner or any other person with an interest in the vehicle, as indicated by the title records. (5) If the court finds that a person committed the offense described in this section by using a permit that was mutilated or illegible, the court may assess any fine it deems appropriate up to the maximum amount allowable for the offense. ACCIDENTS

(Duties)

811.700 Failure to perform duties of driver when property is damaged; penalty. (1) A driver of a vehicle who knows or has reason to believe that the driver's vehicle was involved in a collision commits the offense of failure to perform the duties of a driver when property is damaged if the driver's vehicle is involved in a collision that results in damage to property and the driver does not perform duties required under any of the following:

(a) Immediately stop the driver's vehicle at the scene of the collision or as close to the scene of the collision as possible and reasonably investigate what the driver's vehicle struck. Every stop required under this paragraph should be made without obstructing traffic more than is necessary.

(b) If the driver's vehicle has been involved in a collision that results only in damage to a vehicle that is driven or attended by any other person, the driver shall perform all of the following duties:

(A) Remain at the scene of the collision until the driver has fulfilled all of the requirements under this paragraph.

(B) Give to the other driver or passenger:

(i) The driver's name and address, the name and address of the owner of the driver's vehicle and any other occupants of the driver's vehicle; and

(B) Leave in a conspicuous place in the unattended vehicle a written notice giving:

(i) The driver's name and address and the name and address of the owner of the vehicle that struck the unattended vehicle and a statement of the circumstances of the collision; and

(ii) If the driver's vehicle is a motor vehicle, the registration number of the motor vehicle, the name of the insurance carrier covering the motor vehicle, the insurance policy number of the insurance policy insuring the motor vehicle and the phone number of the insurance carrier.

(d) If the driver's vehicle has been involved in a collision resulting only in damage to fixtures or property legally upon or adjacent to a highway, the driver shall perform all of the following duties:

(A) Take reasonable steps to notify the owner or person in charge of the property of the collision and of the driver's name and address, the vehicle owner's name and address and, if the driver's vehicle is a motor vehicle, the registration number of the motor vehicle, the name of the insurance carrier covering the motor vehicle, the insurance policy number of the insurance policy insuring the motor vehicle and the phone number of the insurance carrier.

(B) Upon request and if available, exhibit any document issued as evidence of driving privileges granted to the driver.

vehicle, fixture or property, the driver shall as soon as reasonably possible make a good faith effort to comply with the requirements of this subsection.

(2) As used in this section, “reason to believe” means that the driver is aware of a circumstance that would cause a reasonable person to be aware of a substantial and unjustifiable risk that the driver’s vehicle has been in a collision. The risk must be of such nature or degree that failure to be aware of it constitutes a gross deviation from the standard of care that a reasonable person would observe in the situation.

(3) The offense described in this section, failure to perform the duties of a driver when property is damaged, is a Class A misdemeanor and is applicable on any premises open to the public. [1983 c.338 §572; 2017 c.75 §1; 2018 c.22 §1]

811.705 Failure to perform duties of driver to injured persons; penalty. (a) Immediately stop the driver’s vehicle at the scene of the collision or as close to the scene of the collision as possible and reasonably investigate what the driver’s vehicle struck. Every stop required under this paragraph should be made without obstructing traffic more than is necessary.

(f) Remain at the scene of a collision until a police officer has arrived and has received the required information, if all persons required to be given information under paragraph (c) of this subsection are killed in the collision or are unconscious or otherwise incapable of receiving the information. The requirement of this paragraph to remain at the scene of a collision until a police officer arrives does not apply to a driver who needs immediate medical care, who needs to leave the scene in order to secure medical care for another person injured in the collision or who needs to leave the scene in order to report the collision to the authorities, as long as the driver who leaves takes reasonable steps to return to the scene or to contact the nearest police officer.

The driver shall immediately contact 9-1-1 and provide to the dispatcher any requested information described in paragraph (c) of this subsection and the location and approximate time of the collision.

The risk must be of such nature or degree that failure to be aware of it constitutes a gross deviation from the standard of care that a reasonable person would observe in the situation.

(3)(a) Except as otherwise provided in paragraph (b) of this subsection, the offense described in this section, failure to perform the duties of a driver to injured persons, is a Class C felony and is applicable on any premises open to the public.

(b) Failure to perform the duties of a driver to injured persons is a Class B felony if a person suffers serious physical injury as defined in ORS 161.015 or dies as a result of the collision. [1983 c.338 §573; 1993 c.621 §1; 2001 c.919 §1; 2017 c.75 §2; 2018 c.22 §2]

[1995 c.782 §2]

Note: 811.706 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 811 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

The risk must be of such nature or degree that failure to be aware of it constitutes a gross deviation from the standard of care that a reasonable person would observe in the situation.

(d) The permit grants the same driving privileges as those granted by the person's license taken into possession under ORS 813.100.

(a) If the person refuses to provide consent to a breath or blood test, and is thereafter requested to provide only physical cooperation to submit to a breath or blood test, and the person refuses to physically submit to a test, evidence of that refusal may be offered against the person.

(b) If the person refuses to submit to a test under ORS 813.100, the person's driving privileges will be suspended. The outcome of a criminal charge for driving under the influence of intoxicants will not affect the suspension. The suspension will be substantially longer if a person refuses a test.

(c) If the person refuses to submit to a breath test under ORS 813.100 and has an Oregon driver license or permit, the license or permit will be taken immediately and, unless the person does not currently have full valid driving privileges, a temporary driving permit will be issued to the person.

(d) If the person refuses to submit to a test under ORS 813.100, the person is not eligible for a hardship permit for at least 90 days, and possibly for three years, depending on the following factors set forth in ORS 813.430:

(A) Whether the person is presently participating in a driving while under the influence of intoxicants diversion program in this state or in any similar alcohol or drug rehabilitation program in this or another jurisdiction; or

(B) Whether within the five years preceding the date of arrest any of the following occurred:

(ii) The person was convicted of driving while under the influence of intoxicants in violation of ORS 813.010 or the statutory counterpart to ORS 813.010 in another jurisdiction, as described in ORS 813.430;

(iii) The person was convicted of driving while under the influence of intoxicants in violation of a municipal ordinance in this state or another jurisdiction, as described in ORS 813.430; or

(iv) The person commenced participating in a driving while under the influence of intoxicants diversion program in this state or in any similar alcohol or drug rehabilitation program in this or another jurisdiction, as described in ORS 813.430.

(f) The person has a right to a hearing to challenge the validity of the suspension before the suspension becomes effective. The person must make a written request to the department for such a hearing. If the person wins at the hearing, the person's driving privileges will not be suspended. If the person loses at the hearing, the suspension will remain in effect during any court review of the hearing.

(g) If the person is issued a temporary driving permit under ORS 813.100, the number of hours before the driving permit will be effective and the number of days the permit will be effective.

(k) If the person is driving a commercial motor vehicle, further information as follows:

(A) If the person refuses to submit to a test under ORS 813.100, the person's commercial driving privileges or right to apply for commercial driving privileges will be suspended and no hardship permit authorizing the person to drive a commercial motor vehicle will be issued. The suspension will be substantially longer if the person refuses the test.

(B) The suspension of the person's commercial driving privileges or right to apply for commercial driving privileges will be for the person's lifetime if the person refuses to submit to a test under ORS 813.100 and:

(i) The person previously has been convicted of failure to perform the duties of a driver;

(ii) The person previously has been convicted of a crime punishable as a felony and the person was driving a motor vehicle at the time the offense was committed;

(iii) The person previously has been convicted of driving a commercial motor vehicle while the person's commercial driving privileges or right to apply for commercial driving privileges was suspended or revoked for offenses committed while operating a commercial motor vehicle;
The person previously has been convicted of any degree of murder, manslaughter or criminally negligent homicide resulting from the operation of a commercial motor vehicle or assault in the first degree resulting from the operation of a commercial motor vehicle;

[1985 c.672 §2; 1987 c.673 §3; 1987 c.501 §1; 1989 c.171 §92; 1991 c.185 §15; 1991 c.860 §10; 1995 c.368 §4; 2003 c.314 §3; 2005 c.694 §28; 2009 c.607 §2; 2009 c.614 §2; 2013 c.257 §27; 2019 c.475 §2]

813.131 Implied consent to urine test; privacy; laboratories for analysis. (1) A person may be asked to provide a urine sample under ORS 813.140 or subsection (2) of this section.

(2) Any person who operates a motor vehicle upon premises open to the public or the highways of this state shall be deemed to have given consent, subject to the Motorist Implied Consent Law, to a chemical test of the person’s urine for the purpose of determining the presence of cannabis, a controlled substance, an inhalant or any combination of cannabis, a controlled substance, an inhalant and intoxicating liquor.

(3) Notwithstanding subsection (1) of this section, no suspension of driving privileges shall be imposed for refusal to submit to a urine test if the person provides documentation from a physician licensed by this state showing that the person has a medical condition that makes it impossible for the person to provide a sample. [1995 c.676 §1; 1999 c.619 §10; 1999 c.752 §1; 2009 c.325 §1; 2015 c.11 §1; 2017 c.218 §2; 2019 c.475 §3]

813.132 Consequences of refusing to take urine test; exception. (1) Except as otherwise provided in this section, a refusal to submit to a urine test requested under ORS 813.131 shall be treated for all purposes as a refusal to submit to a breath test. A suspension imposed for refusal to submit to a urine test under ORS 813.131 (2) shall be consecutive to any other suspension imposed under the Motorist Implied Consent Law. If a person is subject to consecutive suspensions, the length of time that must elapse before the Department of Transportation may reinstate driving privileges or issue a hardship permit under ORS 813.520 shall be doubled.

(2) If a person refuses to submit to a urine test under ORS 813.131 (2), in addition to information described in ORS 813.130, the person asked to take the test shall be informed that if the person refuses to submit to the test, the person’s driving privileges will be suspended for the same time period and with the same consequences as if the person had refused to submit to the breath test and that a suspension for refusal to submit to the urine test will be consecutive to any other suspension under the Motorist Implied Consent Law.

(iv) The person previously has been convicted of any degree of murder, manslaughter or criminally negligent homicide resulting from the operation of a commercial motor vehicle or assault in the first degree resulting from the operation of a commercial motor vehicle;
813.135 Implied consent to field sobriety tests. Any person who operates a vehicle upon premises open to the public or the highways of the state shall be deemed to have given consent to submit to field sobriety tests upon the request of a police officer for the purpose of determining if the person is under the influence of intoxicants if the police officer reasonably suspects that the person has committed the offense of driving while under the influence of intoxicants and that evidence of the offense will be found in the person’s blood or urine; and

813.136 Consequence of refusal or failure to submit to field sobriety tests. If a person refuses or fails to physically submit to field sobriety tests as required by ORS 813.135 after the person has been informed of the consequences of refusing to submit, evidence of the person’s refusal or failure to physically submit is admissible in any criminal or civil action or proceeding arising out of allegations that the person was driving while under the influence of intoxicants.

813.140 Chemical test with consent; unconscious person. Nothing in ORS 813.100, 813.131 or 813.132 is intended to preclude the administration of a chemical test described in this section. The failure or inability to obtain such a test or tests by a person shall not preclude the admission of evidence relating to a test or tests taken upon the request of a police officer.

813.150 Chemical test at request of arrested person. In addition to a chemical test of the breath, blood or urine administered under ORS 813.100 or 813.140, upon the request of a police officer, a person shall be permitted upon request, at the person’s own expense, reasonable opportunity to have any licensed physician and surgeon, licensed professional nurse or qualified technician, chemist or other qualified person of the person’s own choosing administer a chemical test or tests of the person’s breath or blood for the purpose of determining the alcoholic content of the person’s blood or a chemical test or tests of the person’s blood or urine, or both, for the purpose of determining the presence of cannabis, a controlled substance or an inhalant in the person. The failure or inability to obtain such a test or tests by a person shall not preclude the admission of evidence relating to a test or tests taken upon the request of a police officer.

813.160 Methods of conducting chemical analyses; duties of Department of State Police; reports; costs. (1) A chemical analysis is valid under ORS 813.300 if:

(D) Ascertain the qualifications and competence of individuals to conduct chemical analyses in accordance with one or more methods approved by the department.

(E) Issue permits to individuals according to their qualifications. Permits may be issued to police officers only upon satisfactory completion of the prescribed training course and written examination. A permit must state the methods and equipment that the police officer is qualified to use. Permits are subject to termination or revocation at the discretion of the Department of State Police.

(2) In conducting a chemical test of the blood, only a duly licensed physician or a person acting under the direction or control of a duly licensed physician may withdraw blood or pierce human tissue. A licensed physician, or a qualified person acting under the direction or control of a duly licensed physician, is not civilly liable for withdrawing any bodily substance, in a medically acceptable manner, at the request of a peace officer.

(3) An individual who performs a chemical analysis of breath or blood under ORS 813.100 or 813.140 shall prepare and sign a written report of the findings of the test that must include the identification of the police officer upon whose request the test was administered.

In making a determination under this section, the court:

1. Shall consider whether the diversion will be of benefit to the defendant and the community.
2. May take into consideration whether there was an early recognition by the defendant during the proceeding that a course of diagnosis and treatment of problem drinking, alcoholism or drug dependency would be beneficial.
3. May take into consideration whether there is a probability that the defendant will cooperate with the diagnostic assessment and treatment agencies.
4. May take into consideration whether the defendant will observe the restrictions contained in the diversion agreement.
5. May take into consideration whether the offense was committed in a motor vehicle and whether there was a passenger in the motor vehicle who was under 18 years of age and at least three years younger than the defendant.
6. Shall deny the petition for a driving while under the influence of intoxicants diversion agreement if the defendant failed to appear at an arraignment on the present offense without good cause.
7. Shall deny the petition for a driving while under the influence of intoxicants diversion agreement if, after the date the defendant filed the petition, the defendant was charged with or convicted of:

9. 10. Shall deny the petition for a driving while under the influence of intoxicants diversion agreement if the defendant has been convicted of a felony offense described in ORS 813.010 (5)(a).
11. For the purposes of subsection (7) of this section, may not consider a conviction for a driving offense in another jurisdiction based solely on a person under 21 years of age having a blood alcohol content that is lower than the permissible blood alcohol content in that jurisdiction for a person 21 years of age or older as a prior conviction.
12. May not deny the petition for a driving while under the influence of intoxicants diversion agreement solely on the basis that the defendant is a member of the Armed Forces of the United States, the reserve components of the Armed Forces of the United States or the National Guard and has been called or demonstrates that the defendant will be called to active duty, and the military service will impair the defendant’s ability to complete the diversion program. [1983 c.338 §371; 1987 c.441 §6; 1997 c.749 §6; 1999 c.1051 §296; 2003 c.445 §2; 2007 c.867 §15; 2007 c.879 §7; 2011 c.197 §1; 2017 c.21 §86]

(2) The district attorney or city attorney shall notify the victim that the defendant may be eligible for diversion and that if there is a hearing on a petition for diversion, the victim has a right to be present and to be heard at the hearing. [1999 c.445 §3]

(b) If the defendant is serving on active duty as a member of the Armed Forces of the United States, or is a member of the reserve components of the Armed Forces of the United States or the National Guard, at any time prior to the end of the diversion period.

(2) Petition forms for an application for an extension under this section shall be available to a defendant at the court.

(3) The form of the petition for an extension under this section shall be determined by the Supreme Court under ORS 1.525. The petition forms made available to a defendant by any city or state court shall conform to the requirements of the Supreme Court.

(4) The court may grant a petition for an extension filed under this section if the court finds that the defendant made a good faith effort to complete the conditions of the diversion agreement and that the defendant can complete the conditions of the diversion agreement within the requested extended diversion period.

(5) An extension granted under this section may be for no more than 180 days from the ending date of the original diversion period or for another time period the court allows under subsection (7) of this section.

(6) Except as provided in subsection (7) of this section, a court may grant a defendant only one extension of a diversion period under this section.

(7) The court may extend the diversion period as necessary to allow the defendant sufficient time to complete the conditions of the diversion agreement if the defendant:

(a) Is a member of the Armed Forces of the United States, the reserve components of the Armed Forces of the United States or the National Guard;

(b) Is on active duty or has received orders that the defendant will be called to active duty; and

(c) Demonstrates that the military service will impair the defendant’s ability to complete the conditions of the diversion agreement and no comparable treatment program described in ORS 813.233 is available.

(8) If the court grants the petition for an extension under this section, the following apply:

(a) If the defendant fully complies with the conditions of the diversion agreement within the extended diversion period, the court may dismiss the charge with prejudice under ORS 813.250.

(b) If the court finds that the defendant failed to comply with the diversion agreement within the extended diversion period, the court shall enter the guilty plea or no contest plea filed as part of the petition for a diversion agreement, shall enter a judgment of conviction, and shall sentence the defendant.

(9) If the court denies the petition for an extension under this section, the court shall enter the guilty plea or no contest plea filed as part of the petition for a diversion agreement, shall enter a judgment of conviction and shall sentence the defendant. [1997 c.749 §7; 2003 c.816 §3; 2011 c.197 §2]

(a) Accept the guilty plea or no contest plea filed as part of the petition for a diversion agreement but withhold entry of a judgment of conviction; and

(b) Sign the petition and indicate thereon the date of allowance of the diversion period, the length of the diversion period and the date upon which the driving while under the influence offense occurred.

(2) The petition when signed and dated becomes the diversion agreement between the defendant and the court. The court shall make the agreement a part of the record of the case. The court shall notify the Department of Transportation of the diversion agreement in a form agreed to by the department and the State Court Administrator within 48 hours after allowing the petition. The department shall make the fact of the diversion agreement a part of the defendant’s operating record.

(3) A driving while under the influence of intoxicants diversion agreement shall be for a period of one year after the date the court allows the petition. During the diversion period the court shall stay the driving while under the influence of intoxicants offense proceeding pending completion of the diversion agreement or its termination.
(4) When the court denies a petition for a driving while under the influence of intoxicants diversion agreement, it shall continue the offense proceeding against the defendant. The guilty plea or no contest plea filed as part of the petition for the diversion agreement may not be used in the offense proceeding under this subsection. [1983 c.338 §372; 1985 c.16 §193; 1985 c.710 §7; 1993 c.751 §71; 2003 c.816 §4]

813.233 Exemption from completing treatment program in this state. In lieu of completing a treatment program in this state as a part of completing the conditions of a driving while under the influence of intoxicants diversion agreement in this state, the court may allow a defendant who is a member of the Armed Forces of the United States, the reserve components of the Armed Forces of the United States or the National Guard and who is serving on active duty to participate in a comparable treatment program conducted by or authorized by a government entity in another jurisdiction. [2011 c.197 §5]

In a county that has a victim impact program a court may require as a condition of a driving while under the influence of intoxicants diversion agreement that the defendant attend a victim impact treatment session. If the court requires attendance under this section, the court may require the defendant, as part of the diversion agreement, to pay a reasonable fee to the victim impact program to offset the cost of the defendant’s participation. The fee shall be established for each county by the victim impact panel coordinator and steering committee of that county and shall be not less than $5 or more than $50. [1987 c.830 §2; 1993 c.468 §2]

813.240 Amount and distribution of filing fee; screening interview fee. (1) The filing fee paid by a defendant at the time of filing a petition for a driving while under the influence of intoxicants diversion agreement as provided in ORS 813.210 is $490. A fee collected under this subsection in the circuit court shall be deposited by the clerk of the court in the Criminal Fine Account. If the fee is collected in a municipal or justice court, $290 of the fee shall be forwarded by the court to the Department of Revenue for deposit in the Criminal Fine Account, and the remainder of the fee shall be paid to the city or county treasurer.

(2) If less than the full filing fee is collected under subsection (1) of this section in a municipal or justice court, the money received shall be allocated first to the Department of Revenue for deposit in the Criminal Fine Account.

(3) In addition to the filing fee under subsection (1) of this section, the court shall order the defendant to pay $150 directly to the agency or organization providing the screening interview. [1983 c.338 §373; 1985 c.16 §194; 1985 c.277 §3; 1987 c.905 §30; 1989 c.576 §§8a,9a; 1989 c.635 §§22,4; 1991 c.557 §6; 1993 c.13 §7; 1999 c.1051 §297; 2003 c.737 §§717,72; 2005 c.303 §22,3; 2005 c.702 §§85,86,87; 2009 c.595 §§1143; 2011 c.595 §§167,168; 2011 c.671 §4; 2012 c.81 §§4,5; 2015 c.318 §52]

[2015 c.145 §3]

Note: 813.245 was added to and made a part of ORS chapter 813 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

(1) At any time after the conclusion of the period of a driving while under the influence of intoxicants diversion agreement described in ORS 813.230, a defendant who has fully complied with and performed the conditions of the diversion agreement may apply by motion to the court wherein the diversion agreement was entered for an order dismissing the charge with prejudice.

(2) The defendant shall cause to be served on the district attorney or city attorney a copy of the motion for entry of an order dismissing with prejudice the charge of driving while under the influence of intoxicants. The motion shall be served on the district attorney or city attorney at the time it is filed with the court. The district attorney or city attorney may contest the motion.

(3) If the defendant does not appear as provided by subsection (1) of this section within six months after the conclusion of the diversion period, and if the court finds that the defendant fully complied with and performed the conditions of the diversion agreement, and if it gives notice of that finding to the district attorney or city attorney the court may on its own motion enter an order dismissing with prejudice the charge of driving while under the influence of intoxicants with prejudice.

(4) No statement made by the defendant about the offense with which the defendant is charged shall be offered or received in evidence in any criminal or civil action or proceeding arising out of the same conduct.

813.252 Motion to dismiss charge when minimal fine amount remains. (1) At any time before entry of a judgment of conviction and within 180 days after the conclusion of the period of a driving while under the influence of intoxicants diversion agreement described in ORS 813.230 or an extension described in ORS 813.225, a defendant who has complied with and performed all of the conditions of the diversion agreement, except that the defendant owes $500 or less of the fees required under ORS 813.200, 813.210, 813.235 and 813.240, may apply by motion to the court wherein the diversion agreement was entered for a judgment dismissing with prejudice the charge of driving while under the influence of intoxicants.

(2) The defendant shall cause to be served on the district attorney or city attorney a copy of the motion for a judgment dismissing with prejudice the charge of driving while under the influence of intoxicants if:

(a) The defendant has complied with and performed all of the conditions of the diversion agreement under the conditions described in ORS 813.215; or

(b) The defendant failed to fulfill all of the terms of the diversion agreement.

At the hearing on the motion described in subsection (1) of this section, the court shall dismiss with prejudice the charge of driving while under the influence of intoxicants, if the defendant pays the balance of the fees owed by 5 p.m. on the day the hearing is held. The defendant may also pay the balance of the fees owed before the day the hearing is held.

(4) Before the court dismisses with prejudice a charge of driving while under the influence of intoxicants under this section, the court shall enter a judgment containing a money award, as defined in ORS 18.005, for any remaining amount of restitution owed by the defendant. [2013 c.78 §3]

Note: 813.252 was added to and made a part of ORS chapter 813 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

813.255 Termination of diversion. (1) At any time before the court dismisses with prejudice the charge of driving while under the influence of intoxicants, the court on its own motion or on the motion of the district attorney or city attorney may issue an order requiring the defendant to appear and show cause why the court should not terminate the diversion agreement. The order to show cause must:

(a) State the reasons for the proposed termination;

(b) Specify the amount of any fees owed and, if the amount owed is $500 or less, inform the defendant that the court may dismiss with prejudice the charge of driving while under the influence of intoxicants if the person has complied with and performed all of the conditions of the diversion agreement and pays the remaining amount before or on the date of the hearing; and

(c) Set an appearance date.

(2) The order to show cause shall be served on the defendant and on the defendant's attorney, if any. Service may be made by first class mail, postage paid, addressed to the defendant at the mailing address shown on the diversion petition and agreement or at any other address that the defendant provides in writing to the court.

(3) Except as provided in subsections (4), (5) and (6) of this section, the court shall terminate the diversion agreement and enter the guilty plea or no contest plea that was filed as part of the petition for the diversion agreement if the defendant fails to appear at the hearing on the order to show cause or if, at the hearing on the order to show cause, the court finds by a preponderance of the evidence that:

(a) The defendant no longer qualifies for the diversion agreement under the conditions described in ORS 813.215; or

(b) The defendant failed to fulfill all of the terms of the diversion agreement.

(4) If a defendant is a member of the Armed Forces of the United States, the reserve components of the Armed Forces of the United States or the National Guard and is on active duty, the court shall:

(a) Allow the defendant to appear at the hearing by telephone or other communication device approved by the court, if the defendant's military service permits such an appearance; or

(b) Stay the termination proceeding if the defendant's military service prohibits the defendant's appearance by telephone or other communication device and prohibits the defendant from aiding and assisting the attorney who would appear on the defendant's behalf.

(5) If the defendant appears at the hearing on the order to show cause, the court shall dismiss with prejudice the charge of driving while under the influence of intoxicants if:

(a) The defendant has complied with and performed all of the conditions of the diver-
sion agreement except that the defendant owes $500 or less of the fees required under ORS 813.200, 813.210, 813.235 and 813.240; and

(b) The defendant pays the balance of the fees owed by 5 p.m. on the day the hearing is held. The defendant may also pay the balance of the fees owed before the day the hearing is held.

(6) A court may not terminate a diversion agreement under this section for failure to pay restitution under ORS 137.108 if the defendant has otherwise complied with and performed all of the conditions of the diversion agreement.

(7) Before the court dismisses with prejudice the charge of driving while under the influence of intoxicants under this section, the court shall enter a judgment containing a money award, as defined in ORS 18.005, for any remaining amount of restitution owed by the defendant.

(8) If the court terminates the diversion agreement and enters the guilty plea or no contest plea, the court may take into account at time of sentencing any partial fulfillment by the defendant of the terms of the diversion agreement.

813.270 Intoxicated Driver Program Fund; creation; uses. The Intoxicated Driver Program Fund is created to consist of moneys placed in the fund under ORS 813.030 and 813.240 or as otherwise provided by law and of gifts and grants made to the fund for carrying out the purposes of the fund. The moneys in the fund may be used only for the following purposes:

(1) To pay for providing treatment for individuals who enter diversion agreements under ORS 813.200 and who are found to be indigent. Payment for treatment under this subsection may include treatment for problem drinking, alcoholism or drug dependency. Payment shall be made as provided by the Director of the Oregon Health Authority by rule to agencies or organizations providing treatment.

(2) To pay for evaluation as provided by law of programs used for diversion agreements.

(3) To pay the cost of administration of the fund by the Oregon Health Authority.

(4) To pay for materials, resources and training supplied by the authority to those persons, organizations or agencies performing the screening interviews or providing education or treatment to persons under diversion agreements.

(6) To pay for special services required to enable a person with a disability, or a person whose proficiency in the use of English is limited because of the person's national origin, to participate in treatment programs that are used for diversion agreements under ORS 813.200 or are required under ORS 813.020. This subsection applies:

(a) Whether or not the person is indigent; and

(b) Only to special services required solely because of the person's disability or limited proficiency in the use of English.
EVIDENCE

813.300 Use of blood alcohol percentage as evidence; percentage required for being under the influence. (1) At the trial of any civil or criminal action, suit or proceeding arising out of the acts committed by a person driving a motor vehicle while under the influence of intoxicants, if the amount of alcohol in the person's blood at the time alleged is less than 0.08 percent by weight of alcohol as shown by chemical analysis of the person's breath or blood, it is indirect evidence that may be used with other evidence, if any, to determine whether or not the person was then under the influence of intoxicants.

(2) Not less than 0.08 percent by weight of alcohol in a person's blood constitutes being under the influence of intoxicating liquor.

(3) Notwithstanding subsection (2) of this section, for purposes of the Motorist Implied Consent Law as defined in ORS 801.010, for a person who is under 21 years of age, any amount of alcohol in the blood constitutes being under the influence of intoxicating liquor.

(4) Percent by weight of alcohol in the blood shall be based upon grams of alcohol per 100 milliliters of blood or based upon grams of alcohol per 210 liters of breath. [1983 c.338 §590; 1985 c.16 §297; 1989 c.715 §7; 1991 c.860 §8; 2011 c.260 §1]

813.310 Refusal to take chemical test admissible as evidence. If a person refuses to physically submit to a chemical test under ORS 813.100 or 813.131, evidence of the person's refusal is admissible in any civil or criminal action, suit or proceeding arising out of acts alleged to have been committed while the person was driving a motor vehicle on premises open to the public or the highways while under the influence of intoxicating liquor. [1983 c.338 §§595; 1985 c.16 §§301; 2019 c.475 §8]

813.320 Effect of implied consent law on evidence. (1) The provisions of the implied consent law, except ORS 813.300, shall not be construed by any court to limit the introduction of otherwise competent, relevant evidence in any civil action, suit or proceedings or in any criminal action other than a violation of ORS 813.010 or a similar municipal ordinance in proceedings under ORS 813.410.

(2) The provisions of the implied consent law shall not be construed by any court to limit the introduction of otherwise competent, relevant evidence of the amount of alcohol in the blood of a defendant in a prosecution for driving while under the influence of intoxicants. [1983 c.338 §§596; 1985 c.16 §§302; 1999 c.437 §1; 2019 c.475 §9]

813.322 Department of State Police rules regarding breath tests as evidence; validity of officer's permit. (1) If the court shall, at the request of a party to the case, admit into evidence, without certification, a copy of administrative rules of the Department of State Police addressing methods of conducting chemical tests of a person's breath in a proceeding arising from the arrest of a person for driving while under the influence of intoxicants.

(2) If a police officer testifies in a proceeding arising from the arrest of a person for driving while under the influence of intoxicants that the officer has a valid permit to perform analysis of a person's breath, the defendant has the burden of moving forward with evidence to show that the officer does not have a valid permit. [1999 c.446 §2]

Note: 813.322 was added to and made a part of the Oregon Vehicle Code by legislative action but was not added to ORS chapter 813 or any series therein. See Preface to Oregon Revised Statutes for further explanation.

813.324 Use of testimony from implied consent hearing as evidence in prosecution. (1) If the prosecuting attorney or the attorney for the defendant in a prosecution for driving while under the influence of intoxicants obtains a tape or a transcript of a hearing held for the defendant under ORS 813.410, the attorney must provide a copy of the tape or transcript to the attorney for the other party at least seven days prior to the first date set for trial. If the attorney fails to supply the material in the time required, testimony from the hearing may not be admitted in evidence in the trial for any purpose, unless the attorney shows good cause for the failure to make the material available.

(2) The cost of a copy of a tape or transcript furnished under subsection (1) of this section shall be borne by the party who receives the copy.

(3) Nothing in this section requires a tape to be transcribed by the attorney who is required to provide a tape or transcript under subsection (1) of this section. [1999 c.831 §3]

Note: 813.324 was enacted into law by the Legislative Assembly but was not added to or made a part of the Oregon Vehicle Code or any chapter or series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

813.326 Felony driving while under the influence of intoxicants; prior convictions. (1) In a prosecution for felony driving while under the influence of intoxicants under ORS 813.010, the state shall plead the prior convictions and shall prove the prior convictions unless the defendant stipulates to that fact prior to trial. If the
defendant so stipulates and the trial is by jury:

(a) The court shall accept the stipulation regardless of whether or not the state agrees to it;

(b) The defendant’s stipulation to the prior convictions constitutes a judicial admission to that element of the accusatory instrument. The stipulation shall be made a part of the record of the case, but shall not be offered or received in the presence of the jury;

(c) For the purpose of establishing the prior convictions solely as an element of the crime under ORS 813.010, neither the court nor the state shall reveal to the jury the prior convictions, but the prior convictions are established in the record by the defendant’s stipulation; and

(d) The court shall not submit the accusatory instrument or evidence of the prior convictions to the jury.

(2) In a proceeding under ORS 813.010, the state may offer, and the court may receive and submit to the jury, evidence of the prior convictions for impeachment of the defendant or another purpose, other than establishing the prior convictions as an element of the offense, when the evidence of the prior convictions is otherwise admissible for that purpose. When evidence of the prior convictions has been admitted by the court, the state may comment upon, and the court may give instructions about, the evidence of the prior convictions only to the extent that the comments or instructions relate to the purpose for which the evidence was admitted.

(3) When the defendant stipulates to the prior convictions required as an element of felony driving while under the influence of intoxicants under ORS 813.010, if the jury finds the defendant guilty upon instruction regarding the balance of the elements of the crime, the court shall enter a judgment of guilty of felony driving while under the influence of intoxicants.

(4) As used in this section, “conviction” includes a juvenile adjudication. [1999 c.1049 §4; 2009 c.525 §3]

Note: 813.328 was enacted into law by the Legislative Assembly but was not added to or made a part of the Oregon Vehicle Code or any chapter or series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

813.328 Notice of intent to challenge validity of prior convictions. (1) A defendant who challenges the validity of prior convictions alleged by the state as an element of felony driving while under the influence of intoxicants must give notice of the intent to challenge the validity of the prior convictions at least seven days prior to the first date set for trial on the felony charge. The validity of the prior convictions shall be determined prior to trial by the court.

(2) As used in this section, “conviction” includes a juvenile adjudication. [1999 c.1049 §4; 2009 c.525 §3]

SUSPENSION
(For Conviction)

813.400 Suspension or revocation upon conviction; duration; review. (1) Except as provided in subsection (2) of this section, upon receipt of a record of conviction for misdemeanor driving while under the influence of intoxicants, the Department of Transportation shall suspend the driving privileges of the person convicted. The suspension shall be for a period described under Schedule II of ORS 809.428, except the department shall not reinstate any driving privileges to the person until the person complies with future responsibility filings. A person is entitled to administrative review under ORS 809.440 of a suspension imposed under this subsection.

(2) A person convicted of felony driving while under the influence of intoxicants, or a person convicted of misdemeanor driving while under the influence of intoxicants for a third or subsequent time, is subject to revocation of driving privileges as provided in ORS 809.235. [1983 c.338 §353(8); 1985 c.16 §166(8); 1985 c.303 §10a(9); 1985 c.669 §2a(8); 1991 c.702 §13; 2001 c.786 §3; 2003 c.346 §1; 2003 c.402 §40; 2005 c.436 §2]

813.403 [1989 c.636 §40; 1991 c.702 §14; 2003 c.402 §41; repealed by 2013 c.237 §12]

(For Conviction)
813.410 Suspension upon receipt of police report on implied consent test; hearing; validity of suspension; appeal; rules. (1) If the Department of Transportation receives from a police officer a report that is in substantial compliance with ORS 813.120, the department shall suspend the driving privileges of the person in this state on the 30th day after the date of arrest or, if the report indicates that the person failed a blood test, on the 60th day after receipt of the report, unless, at a hearing described under this section, the department determines that the suspension would not be valid as described in this section. A suspension of driving privileges imposed under this subsection shall be for a period of time established under ORS 813.420.

(2) If the department receives from a police officer a report under ORS 813.120 and the person holds commercial driving privileges and the person was driving a motor vehicle or commercial motor vehicle and re-
fused to submit to a test under ORS 813.100 or the person was driving a commercial motor vehicle and submitted to a breath or blood test and the person’s blood, as shown by the test, had 0.04 percent or more by weight of alcohol, the department shall suspend the person’s commercial driving privileges on the 30th day after the date of arrest or, if the report indicates that the person failed a blood test, on the 60th day after receipt of the report, unless, at a hearing described under this section, the department determines that the suspension would not be valid as described in this section. A commercial driving privileges suspension imposed under this subsection shall be for a period of time established under ORS 809.510 or 809.520.

(3) If within 10 days from the date of arrest, or, if the person fails a blood test, within 10 days from the date the department sends notice of suspension, the department receives a request for a hearing from a person whose driving privileges or commercial driving privileges the department proposes to suspend under this section, the department shall provide a hearing in accordance with this section. The person shall request a hearing in the form and manner prescribed by the department by rule. Except as otherwise provided under this section, a hearing held by the department under this section is subject to the provisions for contested cases, other than appeal provisions, under ORS chapter 183. The applicable appeal provisions are as provided under ORS 813.450 and section 24, chapter 672, Oregon Laws 1985. Notwithstanding ORS 809.430, the department is not required to give any notice of intent to suspend or suspension in addition to that provided under ORS 813.100.

(4) Except as provided in subsection (5) of this section, a hearing required by this section is subject to all of the following:

(a) The hearing shall be conducted by an administrative law judge assigned from the Office of Administrative Hearings established under ORS 183.605.

(b) The administrative law judge shall conduct the hearing by telephone or other two-way electronic communication device.

(c) The department may authorize the administrative law judge to issue a final order in any case.

(d) A person who requests a hearing under this section and who fails, without just cause, to appear personally or through an attorney waives the right to a hearing. If a person waives a right to a hearing under this paragraph, the department is not required to make any showing at hearing.

(e) Except as provided in ORS 813.440 or upon remand under ORS 813.450, the department shall hold the hearing and issue a final order within 30 days of the date of the arrest or, if the person fails a blood test, within 60 days from the date the department received the report of the failure.

(f) In connection with the hearing, the department or its authorized representative may administer oaths and shall issue subpoenas for the appearance of witnesses by telephone or other two-way electronic communication device at the hearing requested by the person or the department and the production of relevant documents.

(g) The hearing shall be recorded by whatever means may be determined by the department and shall include testimony and exhibits, if any. The record of the proceedings may not be transcribed unless requested by a party to the proceeding.

(5)(a) A person or a police officer may request that a hearing required by this section be conducted in person.

(b) The department, by rule, shall establish the manner and time limitation requirements by which a person or a police officer may request that a hearing be conducted in person.

(c) Unless there is an agreement between the person and the department that the hearing be conducted elsewhere, a hearing requested under this subsection shall be held either in the county where the alleged offense occurred or at any place within 100 miles of the place where the offense is alleged to have occurred, as established by the department by rule.

(d) In connection with the hearing, the department or its authorized representative may administer oaths and shall issue subpoenas for the attendance of witnesses at the hearing requested under this subsection by the person and the production of relevant documents.

(6) This subsection shall be narrowly construed so as to effect the legislative purpose of limiting the scope of hearings under this section. The scope of a hearing under this section shall be limited to whether the suspension is valid as described in this subsection. A suspension under this section is valid if all of the following requirements have been met:

(a) The person, at the time the person was requested to submit to a test under ORS 813.100, was under arrest for driving while under the influence of intoxicants in violation of ORS 813.010 or a municipal ordinance.

(b) The police had reasonable grounds to believe, at the time the request was made,
that the person arrested had been driving under the influence of intoxicants in violation of ORS 813.010 or of a municipal ordinance.

(c) The person refused a test under ORS 813.100, or took a breath or blood test and the test disclosed that the level of alcohol in the person’s blood at the time of the test was:

(A) 0.08 percent or more by weight if the person was not driving a commercial motor vehicle;

(B) 0.04 percent or more by weight if the person was driving a commercial motor vehicle; or

(C) Any amount if the person was under 21 years of age.

(d) If the report under ORS 813.120 indicates that the person was driving a commercial motor vehicle, the vehicle was in fact a commercial motor vehicle as defined in ORS 801.208.

(e) The person had been informed under ORS 813.100 of rights and consequences as described under ORS 813.130.

(f) The person was given written notice required under ORS 813.100.

(g) If the person arrested submitted to a test under ORS 813.100, the person administering the test was qualified to administer the test under ORS 813.160.

(h) If the person arrested submitted to a test under ORS 813.100, the methods, procedures and equipment used in the test complied with requirements under ORS 813.160.

(7) A suspension imposed under this section shall remain in effect pending any appeal or remand of a final order issued under this section and there shall be no stay of the suspension pending appeal or remand.

(8) Unless a person fails, without just cause, to appear personally or through an attorney at a hearing requested under this section, a person shall have the right to appeal any final order by the department after a hearing under this section by filing a petition. The following apply to this subsection:

(a) The person shall file the petition in the circuit court for the county where the person resides or, if the person does not reside in Oregon, in the circuit court of the county in which the arrest took place within 30 days after issuance of the final order of the department.

(b) The court upon receipt of the petition shall set the matter for hearing upon 10 days’ notice to the department and the petitioner unless hearing is waived by both the department and the petitioner. 813.412 Role of police officer in implied consent hearing. Notwithstanding ORS 9.160 and 9.320, in any hearing under ORS 813.410 in which a city attorney or district attorney does not appear, a police officer actively involved in the investigation of the offense may present evidence, examine and cross-examine witnesses and make arguments relating to:

(1) The application of statutes and rules to the facts in the case;

(2) The literal meaning of the statutes or rules at issue in the case;

(3) The admissibility of evidence; and

(4) Proper procedures to be used in the hearing. [1999 c.831 §4; 2010 c.37 §2]

Note: 813.412 was enacted into law by the Legislative Assembly but was not added to or made a part of the Oregon Vehicle Code or any chapter or series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

813.420 Duration of suspension for refusal or failure of test. When the Department of Transportation imposes a suspension under ORS 813.410, the suspension shall be for a period of time determined according to the following:

(1) If the suspension is for refusal of a test under ORS 813.100 and the person is not subject to an increase in the suspension time for reasons described in ORS 813.430, the suspension shall be for a period of one year.

(2) If the suspension is for refusal of a test under ORS 813.100 and the person is subject to an increase in the suspension time for reasons described in ORS 813.430, the suspension shall be for a period of three years.

(3) If the suspension is because a breath or blood test under ORS 813.100 disclosed that the person had a level of alcohol in the person’s blood that constituted being under the influence of intoxicating liquor under ORS 813.300 and the person is not subject to an increase in the suspension time for reasons described in ORS 813.430, the suspension shall be for a period of 90 days.

(4) If the suspension is because a breath or blood test under ORS 813.100 disclosed that the person had a level of alcohol in the person’s blood that constituted being under the influence of intoxicating liquor under ORS 813.300 and the person is subject to an increase in the suspension time for reasons described in ORS 813.430, the suspension shall be for a period of one year. [1985 c.16 §171; 1993 c.305 §7; 1995 c.568 §7]
813.430 Grounds for increase in duration of suspension. This section establishes circumstances under which ORS 813.420 requires an increase in the time for suspension of driving privileges and under which ORS 813.520 requires an increase in the time before the Department of Transportation may issue a hardship permit. A person is subject to an increase in suspension time under this section if any of the following apply:

1. The person is presently participating in a driving while under the influence of intoxicants diversion program in this state or in any similar alcohol or drug rehabilitation program in this or another jurisdiction.

2. Within the five years preceding the date of arrest any of the following occurred:

   a. A suspension of the person’s driving privileges under ORS 813.410 or 482.540 (1981 Replacement Part) became effective.

   b. The person was convicted of:
      i. Driving while under the influence of intoxicants in violation of ORS 813.010;
      ii. The statutory counterpart to ORS 813.010 in another jurisdiction; or
      iii. A municipal ordinance in this state or another jurisdiction.

   c. A driving under the influence of intoxicants offense in another jurisdiction that involved the impaired driving of a vehicle due to the use of intoxicating liquor, cannabis, a controlled substance, an inhalant or any combination thereof; or

   d. A driving offense in another jurisdiction that involved operating a vehicle while having a blood alcohol content above that jurisdiction’s permissible blood alcohol content.

   e. The person commenced participating in a driving while under the influence of intoxicants diversion program in this state or in any similar alcohol or drug rehabilitation program in this or another jurisdiction.

3. For the purposes of subsection (2)(b) of this section, a conviction for a driving offense in another jurisdiction based solely on a person under 21 years of age having a blood alcohol content that is lower than the permissible blood alcohol content in that jurisdiction for a person 21 years of age or older does not constitute a prior conviction.

813.440 Grounds for hearing on validity of suspension; rules. (1) Notwithstanding ORS 813.410, the Department of Transportation may provide a hearing to determine the validity of a suspension under ORS 813.410 only if the time requirements under ORS 813.410 could not be met because of any of the following:

   a. The person’s physical incapacity, verified by a physician to the satisfaction of the department to be of a nature that would prevent the person from making the appropriate request or attending the hearing.

   b. A death in the immediate family of the person, verified to the satisfaction of the department.

   c. An error of the department.

   d. The inability of a subpoenaed police officer to appear due to the officer’s illness, vacation or official duty conflicts. The department shall set forth by rule the conditions that constitute “official duty conflicts.” A hearing may not be rescheduled more than once for reasons described in this paragraph.

   e. A request for a change of administrative law judge under ORS 183.645.

   f. The inability of the person’s attorney to appear due to the attorney’s illness, vacation or scheduling conflict arising from other court or administrative hearing appearances. A hearing must be rescheduled no later than 45 days after the date of the original hearing and may not be rescheduled more than once for reasons described in this paragraph.

   g. Other just cause as defined by the department by administrative rule.

2. A hearing held under this section is subject to the same provisions as a hearing held under ORS 813.410, except that the department is not required to hold the hearing and make the determination within the time required by ORS 813.410.

3. The granting of a hearing under this section shall not delay the imposition of a suspension under ORS 813.410 within the time required under ORS 813.410. However, if a person establishes that the person was deprived by either department error or a subpoenaed police officer’s illness, vacation or official duty conflicts of an opportunity to appear at a hearing, the department shall rescind the suspension and shall promptly schedule a subsequent hearing to determine the validity of the suspension under ORS 813.410. In other cases under this section, when the department is unable to hold the hearing within the time required by ORS 813.410, the department shall rescind any suspension imposed under ORS 813.410 only if the department determines, at a hearing held under this section, that the suspension was not valid as described under ORS 813.410.

4. The following apply to this section:
(a) The department shall issue a final order within 10 days after the hearing described in this section.

(b) If the department has rescinded a suspension under subsection (3) of this section and if the department, at the hearing described in this section, determines that the suspension is valid as described under ORS 813.410, the department shall reinstate the suspension effective five days after the final order is issued.

(c) Notwithstanding ORS 809.430, no additional notice or order of suspension need be given. [1985 c.16 §145; 1987 c.801 §1; 1989 c.636 §§25, 47; 1999 c.619 §13; 2003 c.75 §§69, 81; 2009 c.520 §1]

813.450 Appeal from suspension for refusal or failure of breath test. (1) The petition to the circuit court appealing an order of the Department of Transportation after a hearing under ORS 813.410 shall state the nature of the petitioner’s interest and the ground or grounds upon which the petitioner contends the order should be reversed or remanded.

(2) The court shall conduct the review without a jury. Review shall be limited to the record of the department's hearing.

(3) Any party to the proceedings before the circuit court may appeal from the judgment of the court to the Court of Appeals.

(4) Upon review in the circuit court and Court of Appeals, the court may affirm, reverse or remand the order as follows:

(a) If the court finds that the department has erroneously interpreted a provision of law and that a correct interpretation compels a particular action, it shall:

(A) Set aside or modify the order; or

(B) Remand the case to the department for further action under a correct interpretation of the provision of law.

(b) The court shall remand the order to the department if it finds the department’s exercise of discretion to be any of the following:

(A) Outside the range of discretion delegated to the agency by law.

(B) Inconsistent with a department rule, an officially stated department position, or a prior department practice, if the inconsistency is not explained by the department.

(C) Otherwise in violation of a constitutional or statutory provision.

(c) The court shall set aside or remand the order if it finds that the order is not supported by substantial evidence in the record.

(5) Upon review, the court shall affirm the department’s order unless the court finds a ground for setting aside, modifying or remanding to the department under a specified provision of this section.

(6) In any review under this section, the court shall also review de novo determinations made by an agency that are subject to ORS 183.650 (4). [1985 c.672 §23; 1989 c.549 §§196,197; 2003 c.75 §69]

813.460 Department procedures upon verification of suspension of driving privileges of wrong person. If the Department of Transportation verifies to its satisfaction that it has suspended the driving privileges of the wrong person under ORS 813.410 because a person arrested for driving under the influence of intoxicants gave false identification at the time of the arrest, all the following apply:

(1) The department shall immediately rescind the suspension order under the false name and shall issue a suspension order for the period set forth in ORS 813.420 to the person arrested.

(2) The department shall issue the order in the manner set forth in ORS 809.430.

(3) No further notice of suspension need be given.

(4) The time limitations in ORS 813.410 (1), (2), (3) and (4)(c) do not apply to a suspension order issued under this section. [1985 c.672 §25; 1989 c.636 §47]

813.470 Department notification on record of person acquitted after suspension. The Department of Transportation shall make a notation on the driving record of a person indicating that the person was acquitted of a charge of driving under the influence of intoxicants if:

(1) The person’s driving privileges were suspended because a breath or blood test under ORS 813.100 disclosed that the person had a level of alcohol in the person’s blood that constituted being under the influence of intoxicating liquor under ORS 813.300;

(2) An accusatory instrument was filed charging the person with driving under the influence of intoxicants in violation of ORS 813.010 arising out of the same incident that led to the suspension of the person’s driving privileges;

(3) The person was acquitted of the charge; and

(4) The person presents the department with a certified copy of the judgment of acquittal from the court clearly showing the location of the court, the date of the arrest and the findings of the court. [1987 c.303 §2; 1993 c.305 §8; 1995 c.568 §8]

(B) Failure to pass a random retest due to a blood alcohol content higher than 0.02 percent by weight unless a subsequent test performed within 10 minutes registers a blood alcohol content of 0.02 percent by weight or lower and a digital image confirms that the same person provided both samples; or

(a) Before the person is eligible for a hardship permit. The requirement is a condition of the hardship permit for the duration of the hardship permit.

(c) For a second or subsequent conviction, for two years after the ending date of the suspension or revocation caused by the conviction. Violation of the condition imposed under this paragraph is a Class A traffic violation.

(2) When a person is convicted of a crime or multiple crimes as described in this subsection, the department, in addition to any other requirement, shall require that the person have installed and be using an approved ignition interlock device in any vehicle operated by the person for five years after the ending date of the longest running suspension or revocation caused by any of the convictions. Violation of the condition imposed under this subsection is a Class A traffic violation. A person is subject to this subsection when the person is convicted of:

(a) Driving while under the influence of intoxicants in violation of ORS 813.010 or of a municipal ordinance and any of the following crimes as part of the same criminal episode:

(ii) The person refused to submit to a chemical test of the person’s breath or blood; or

(iii) A chemical test of the person's breath, blood or urine disclosed a blood alcohol content of more than 0.00 but less than 0.08 percent by weight of alcohol in the blood of the person as shown by chemical analysis of the breath or blood and disclosed the presence of cannabis, a controlled substance or an inhalant.

(B) The court may require that an approved ignition interlock device be installed and used in any vehicle operated by the person during the period of the agreement when the person has driving privileges if the person submitted to a chemical test of the person’s breath, blood or urine and the test disclosed a blood alcohol content below 0.08 percent by weight of alcohol in the blood of the person as shown by chemical analysis of the breath or blood.

(b) In addition to any action taken under ORS 813.255, violation of the condition imposed under this subsection is a Class A traffic violation.

(c) A court may exempt a person from the condition in a diversion agreement to have installed and be using an ignition interlock device if the court determines that the person meets the requirements for a medical exemption in accordance with rules adopted by the department under this section. 813.603 Waiver of costs of ignition interlock device; rules. (1) Except as provided in subsection (2) of this section, if an ignition interlock device is ordered or required under ORS 813.602, the person so ordered or required shall pay to the manufacturer’s representative the reasonable costs of leasing, installing and maintaining the device. A payment schedule may be established for the person by the Department of State Police, in consultation with the Transportation Safety Committee.

(2) The department may waive, in whole or in part, or defer the person’s responsibility to pay all or part of the costs under subsection (1) of this section if the person meets the criteria for indigence established for waiving or deferring such costs under subsection (3) of this section. (1) When a court orders installation of an ignition interlock device pursuant to ORS 813.602, the court shall send a copy of the order to the Department of Transportation. The department shall note the requirement on the driving record of the person required to install the device.
(2) The department may not issue a hardship permit under ORS 807.240 to any person who is ordered to install an ignition interlock device on the person’s vehicle until the person furnishes the department satisfactory proof that the device has been installed on any vehicle owned or operated by the person. The department shall determine by rule what constitutes satisfactory proof under this subsection.

(3) When the department issues a hardship permit to a person who is required to have an ignition interlock device, the department shall note on the permit that the device is required. The notation constitutes a limitation on the permit and a person who violates the limitation is punishable as provided in ORS 811.182 for criminal driving while suspended or revoked. [1987 c.746 §3; 1989 c.398 §2; 1997 c.249 §235]

(1) A person who is not authorized to drive such a vehicle if the person rents, leases, lends or otherwise furnishes a motor vehicle to someone the person knows to have been ordered or required under ORS 813.602, to install an ignition interlock device, and the motor vehicle is not equipped with such a device that is in working order.

(2) The offense described in this section, knowingly furnishing a motor vehicle without an ignition interlock device to someone who is not authorized to drive such a vehicle, is a Class A traffic violation. [1987 c.746 §5; 1989 c.576 §2]

WEIGHT

818.010 Maximum allowable weight.
This section establishes maximum weight limitations for purposes of ORS 818.020. Except as provided in subsections (4) and (5) of this section or where an exemption under ORS 818.030 specifically provides otherwise, a loaded weight that exceeds the maximum allowable weight as determined by any of the following tables exceeds the maximum weight limitations for purposes of ORS 818.020:

(1) A vehicle exceeds the maximum allowable weight if the loaded weight of an axle or tandem axle is in excess of that determined by the formula in the following table:

<table>
<thead>
<tr>
<th>Place for measurement</th>
<th>Maximum allowable weight in pounds</th>
</tr>
</thead>
<tbody>
<tr>
<td>Any individual wheel</td>
<td>10,000</td>
</tr>
<tr>
<td>Any axle</td>
<td>20,000</td>
</tr>
<tr>
<td>Any tandem axles</td>
<td>34,000</td>
</tr>
</tbody>
</table>

(2) A vehicle or combination of vehicles exceeds the maximum allowable weight if the loaded weight measured at any of the places designated on the following table exceeds the maximum allowable weight established on the table for measurement at that place:

Table III

| Maximum allowable weight in pounds for number of axles in group of axles: |
|-----------------------------|-----------------------------|
| 2 Axles                     | 8 Axles | 8 and less |
| 3 Axles                     | 10 Axles | 10 .......... |
| 4 Axles                     | 12 Axles | 12 .......... |
| 5 Axles                     | 14 Axles | 14 .......... |
| 6 Axles                     | 16 Axles | 16 .......... |
| 7 or More Axles             | 18 Axles | 18 .......... |

For purposes of the table in this subsection tire width is determined by measuring the cross section of the tread of a wheel, the outer face of a track or the runner of a sled except for the following:

(a) For solid tires made of elastic material, tire width is determined by measuring the cross section between the flanges of the circumference of a wheel at the base of the tire as customarily measured and rated by the manufacturers of motor vehicles and tires.

(b) For pneumatic tires made of elastic material, tire width is the diameter of the cross section of the tire as customarily measured and rated by the manufacturers of motor vehicles and tires.

(2) A vehicle or combination of vehicles exceeds the maximum allowable weight if the loaded weight measured at any of the places designated on the following table exceeds the maximum allowable weight established on the table for measurement at that place:

<table>
<thead>
<tr>

</tr>
<tr>
<td>Any tandem axles</td>
<td>34,000</td>
</tr>
</tbody>

The sum of permissible axle, tandem axles or group of axles weights as determined under Table I or II of this section is the maximum allowable weight.
For the purpose of the table in this subsection, the distance between axles shall be measured to the nearest foot. When a fractional measurement is exactly one-half foot the next larger whole number shall be used.

(4) Notwithstanding any other provision of this section, a vehicle with farm vehicle registration issued under ORS 805.300 or with out-of-state farm vehicle registration exceeds the maximum allowable weight if the loaded weight of the vehicle or combination of vehicles exceeds the amount shown in the following table:

(5) Notwithstanding any other provision of this section, the maximum wheel load for the front axle of the power unit on a vehicle used for curbside solid waste or recycling collection that has tires that are at least 12-1/2 inches wide shall be the load limit established by the tire manufacturer, as molded on at least one sidewall of the tire, up to a maximum of 10,000 pounds, as long as the tire is approved by the Department of Transportation pursuant to ORS 818.012. [1983 c.338 §508; 1985 c.16 §264; 1985 c.172 §6a; 1987 c.66 §1; 1995 c.489 §1; 1999 c.725 §1; 2001 c.335 §1; 2001 c.665 §1]

818.012 Wheel load on certain vehicles; rules. The Department of Transportation may adopt rules approving tires for the use described in ORS 818.010 (5). In adopting the rules, the department shall consider the potential damage to highways caused by use of the tires and may reject a tire that otherwise meets the criteria of ORS 818.010 (5) if the department finds that the use of the tire would cause excessive damage to highways. [2001 c.665 §3]

818.020 Violating maximum weight limits; civil liability; penalties. (1) A person commits the offense of violating maximum weight limits if the person does any of the following:

(a) Drives or moves on a highway any vehicle or combination of vehicles that exceed the weight limits established under ORS 818.010.

(b) Owns a vehicle or combination of vehicles and causes or permits the vehicle or combination of vehicles to be driven or moved on a highway when the vehicle or combination of vehicles exceeds the weight limits established under ORS 818.010. Operation of any vehicle or combination of vehicles in violation of this section is prima facie evidence that the owner of the vehicle or combination caused or permitted the vehicle...
or combination to be so operated and the owner shall be liable for any penalties imposed under subsection (4) of this section as a result of the operation.

(2) The application of this section is subject to the exemptions from this section established under ORS 818.030.

(3) Violation of the offense described in this section is subject to civil liability under ORS 818.410.

(4) The offense described in this section, violating maximum weight limits, is:
   (a) A Class A traffic violation if, at the time of the offense, an enforcement officer determines the vehicle was eligible for a variance permit under ORS 818.200; and
   (b) In circumstances not described in paragraph (a) of this subsection, punishable by penalties established in Schedule I of the schedules of penalties under ORS 818.430.

ORS 818.010, any vehicle with a single rear axle specially equipped with a self-compactor and used exclusively for garbage or refuse operations may have a loaded weight upon a single axle of not more than 22,000 pounds when laden with garbage or refuse. When unladen or when operating on any highway that is part of the federal interstate highway system such vehicles shall comply with the weight limitations under Table II of ORS 818.010.

(6) Weight limitations are not applicable in any place and to the extent the weight limitations are modified by a road authority under ORS 810.060. The exemption under this subsection is subject to the limitations imposed by the road authority exercising the powers granted under ORS 810.060.

(7) Operations authorized to exceed weight limitations by a variance permit issued under ORS 818.200 are subject to the terms of the permit. It shall be a defense to any charge of violation of ORS 818.020 if the person so charged produces a variance permit issued under ORS 818.200 authorizing the operation of the vehicle or combination of vehicles issued prior to and valid at the time of the offense.

(8)(a) Notwithstanding Table III of ORS 818.010, two consecutive sets of tandem axles may have a loaded weight of 34,000 pounds each when operating on interstate highways with a permit and on other highways without a permit, providing the distance between the first and last axles of the two sets of tandem axles is at least 30 feet but less than 36 feet.

(b) Notwithstanding Table III of ORS 818.010, two consecutive sets of tandem axles may have a loaded weight of 34,000 pounds each when operating on any highway if the overall distance between the first and the last axles of the sets of tandem axles is 36 feet or more.

(9) Notwithstanding Table III of ORS 818.010, a group of four axles consisting of a set of tandem axles and two axles spaced nine feet or more apart may have a loaded weight of more than 65,500 pounds and up to 70,000 pounds when operating on interstate highways with a permit and on other highways without a permit, providing the distance between the first and last axles of the group is 35 feet or more.

(10) The maximum weight limitations do not apply to a vehicle equipped with a fully functional idle reduction system designed to reduce fuel use and emissions from engine idling. The vehicle may exceed the weight limitations established under ORS 818.010 by not more than 550 pounds.

(11) The maximum weight limitations do not apply to a vehicle that uses natural gas...
as its fuel source or a vehicle powered primarily by means of an electric battery. The vehicle may exceed the weight limitations established under ORS 818.010 by not more than 2,000 pounds. [1983 c.338 §509; 1985 c.172 §7; 1989 c.723 §19; 1995 c.489 §2; 2007 c.92 §1; 2017 c.156 §1; 2019 c.331 §1]

818.040 Violation of posted weight limits; civil liability; penalty. (1) A person commits the offense of violation of posted weight limits if the person does any of the following:

(a) Drives or moves on a highway any vehicle or combination of vehicles that exceed any weight limits imposed on the highway or portion of highway and indicated by appropriate signs giving notice of the limits.

(b) Owns a vehicle or combination of vehicles and causes or permits the vehicle or combination of vehicles to be driven or moved on a highway when the vehicle or combination exceeds any weight limits imposed on the highway or portion of highway and indicated by appropriate signs giving notice of the limits. Operation of any vehicle or combination of vehicles in violation of this section is prima facie evidence that the owner of the vehicle or combination caused or permitted the vehicle or combination to be so operated and the owner shall be liable for any penalties imposed under subsection (5) of this section as a result of the operation.

(2) The authority to establish and change weight limits for purposes of the prohibitions and penalties under this section is under ORS 810.030.

(3) The application of this section is subject to the exemptions from this section established under ORS 818.050.

(4) Violation of the offense described in this section is subject to civil liability under ORS 818.410.

(5) The offense described in this section, violation of posted weight limits, is punishable as provided under Schedule III of the penalties under ORS 818.430. The penalties under this subsection are in addition to any suspension of driving privileges under ORS 809.120 or any suspension of vehicle registration under ORS 809.120. [1983 c.338 §510]

818.050 Exemptions from posted weight limits. This section establishes exemptions from the posted weight limits under ORS 818.040. The exemptions under this section are in addition to any exemptions under ORS 801.026. Operation in accordance with one of the exemptions described is not subject to ORS 818.040. Exemptions are partial or complete as described in the following:

(4) The offense described in this section, violation of administratively imposed weight or size limits, is subject to penalty as follows:

(a) Violation of any size limit is subject to penalty under the schedule of penalties in ORS 818.420.

(b) Violation of any weight limit is subject to penalty under Schedule I of the penalties in ORS 818.430. [1983 c.338 §512; 1987 c.158 §172]

818.070 Exemptions from administratively imposed weight or size limitations. This section establishes exemptions from ORS 818.060. The exemptions under this section are in addition to any exemptions under ORS 801.026. Exempt, partially or completely as described, are the following:

[1983 c.338 §513]

818.080 Maximum size limits. This section establishes maximum size limits for purposes of ORS 818.090. Except where an exemption under ORS 818.100 specifically provides otherwise, any vehicle or load thereon that exceeds a maximum allowable size as determined by any of the following tables exceeds the maximum size limits for purposes of ORS 818.090:

(1) A vehicle or combination of vehicles, as appropriate, exceeds the maximum allowable size if a dimension of the vehicle, combination of vehicles or load thereon is beyond an applicable maximum size allowable on the following table:

<table>
<thead>
<tr>
<th>Dimension limited:</th>
<th>Maximum allowable size, in feet, for dimension limited:</th>

The maximum limit on height under the table in this subsection does not relieve the owner or driver of any vehicle or combination of vehicles from the exercise of due care in determining that sufficient vertical clearance is provided upon the highways and streets where the vehicle or combination of vehicles is being operated.

(2) A vehicle or combination of vehicles, as appropriate, exceeds the maximum allowable size if a portion of the vehicle, combination of vehicles or load thereon is subject to a limitation under the following table and that portion extends farther than the maximum limit of allowable extension beyond a
designated point as determined by the following table:

818.105 Request for unrestricted access to specified highway for overlength combination; mandated responses to request. (1) Any person who transports property, or causes property to be transported, by motor vehicle may request that a road authority, other than a city, authorize unrestricted access by truck tractor and semitrailer combinations in lengths in excess of that authorized under ORS 818.080 on a specific highway within the jurisdiction of the road authority.

(2) Within 60 days following receipt of a request, the road authority shall do one of the following:

(a) Grant the request and adopt a rule, resolution or ordinance as provided in ORS 810.060.

(b) Complete an evaluation of the request to determine whether the highway can safely accommodate the proposed operation. The evaluation shall consist of a test run as described in subsection (3) of this section and an examination of information about the highway as described in subsection (4) of this section.

(c) Produce a previous evaluation and determination that applies to the proposed operation.

(3) The following apply to a test run undertaken as part of an evaluation under subsection (2)(b) of this section:

(a) The party requesting the change in access shall provide a truck tractor and semitrailer combination for the test run. The combination must be equal to or greater in length than the truck tractor and semitrailer combinations for which access is requested.

(b) The road authority shall issue a single trip variance permit for the test run.

(c) During the test run, road authority staff shall precede and follow the test run combination to observe vehicle operability and to gather data to be used by the road authority to determine:

(A) Whether the test run combination maintained its lane of travel; and

(B) Whether the test run combination maintained appropriate speed, or there was adequate sight distance for trailing vehicles to pass the combination, or there was enough room for the combination to pull off the roadway to allow trailing vehicles to pass.

(4) In conducting an evaluation under subsection (2)(b) of this section, the road authority shall examine the following information about the highway:

(a) Average daily traffic flow;

(b) Accident rate;

(c) Pavement and shoulder conditions; and

(d) Any information the road authority has regarding proposed improvements or any peculiarities associated with the highway.

(5) All information gathered under subsections (3) and (4) of this section shall be analyzed by the road authority to determine whether the highway can safely accommodate the requested truck tractor and semitrailer length.

(6) The road authority shall give written notification to the person requesting access to the highway of the results of any evaluation done under subsection (2)(b) or (9) of this section.

(7) When an evaluation under subsection (2)(b) of this section results in a determination that the highway can safely accommodate the requested truck tractor and semitrailer length only if conditions are imposed on the operation, the road authority may require that any truck tractor and semitrailer combination of that length operate under a variance permit issued under ORS 818.200 that states the conditions of operation.

(8) When an evaluation under subsection (2)(b) of this section results in a determination that the highway cannot safely accommodate the requested truck tractor and semitrailer length, the requesting person may ask for further evaluation.
(9) When a person requests further evaluation under subsection (8) of this section, the road authority shall conduct a detailed investigation of the proposed operation that may include:

(a) A more detailed analysis of average daily traffic flow, including traffic peak hours and volumes;
(b) Analysis of roadway and shoulder width;
(c) Review of test run data, including any photographs or videotape;
(d) Truck volume compared to total traffic volume;
(e) Overlength truck volume compared to total traffic volume;
(f) Stopping sight distance for legal speed;
(g) Cost of spot improvements and facility improvements;
(h) Accident history for the highway or similar highways; and
(i) Potential risk of collisions between two trucks or a truck and an automobile.

(10) When an evaluation under subsection (9) of this section results in a determination that the highway can safely accommodate the requested truck tractor and semitrailer length only if conditions are imposed on the operation, the road authority may require that any truck tractor and semitrailer combination of that length operate under a variance permit issued under ORS 818.200 that states the conditions of operation.

(11) When an evaluation under subsection (9) of this section results in a determination that the highway cannot safely accommodate the requested truck tractor and semitrailer length only if conditions are imposed on the operation, the road authority may require that any truck tractor and semitrailer combination of that length operate under a variance permit issued under ORS 818.200 that states the conditions of operation.

(3) The limit on the number of vehicles that may be operated in combination does not apply to any vehicles, combination of vehicles, articles, machines or other equipment while being used by the federal government, the State of Oregon or any county or incorporated city in the construction, maintenance or repair of public highways and at the immediate location or site of such construction, maintenance or repair.

(4) The limit on the number of vehicles that may be operated in combination does not apply to any vehicles while being used on the roads of a road authority by mass transit districts for purposes authorized under ORS 267.010 to 267.394, provided the use of the vehicles is approved by the road authority for its roads.

Note: 818.105 was added to and made a part of the Oregon Vehicle Code by legislative action but was not added to ORS chapter 818 or any series therein. See Preface to Oregon Revised Statutes for further explanation.
(5) Operations authorized to exceed the limit on the number of vehicles that may be operated in combination by a variance permit issued under ORS 818.200 are subject to the terms of the permit. It shall be a defense to any charge of violation of ORS 818.110 if the person so charged produces a variance permit issued under ORS 818.200 authorizing the operation of the combination of vehicles issued prior to and valid at the time of the offense.

(6) In drive-away operations, three vehicles may be coupled together by a double saddle-mount method or by a single saddle-mount and tow bar method or four vehicles by a triple saddle-mount method.

POSTED USE LIMITS

818.130 Violation of posted limits on use; civil liability; penalty. (1) A person commits the offense of violation of posted limits on use of a road if the person does any of the following:

(a) Drives or moves on a highway any vehicle or combination of vehicles that exceeds any use limits, other than weight limits, imposed on the highway or portion of highway and indicated by appropriate signs giving notice of the limits.

(b) Owns a vehicle or combination of vehicles and causes or permits the vehicle or combination of vehicles to be driven or moved on a highway when the vehicle or combination exceeds any use limits, other than weight limits, imposed on the highway or portion of highway and indicated by appropriate signs giving notice of the limits. Operation of any vehicle or combination of vehicles in violation of this section is prima facie evidence that the owner of the vehicle or combination caused or permitted the vehicle or combination to be so operated and the owner shall be liable for any penalties imposed under subsection (5) of this section as a result of the operation.

(2) The authority to establish and change use limits for purposes of the prohibitions and penalties under this section is under ORS 810.030.

(3) The application of this section is subject to the exemptions from this section established under ORS 818.140.

(4) Violation of the offense described in this section is subject to civil liability under ORS 818.410.

(5) The offense described in this section, violation of posted limits of use of a road, is a Class D traffic violation. [1983 c.338 §519; 1985 c.16 §268; 1985 c.393 §29; 1995 c.383 §94]

818.140 Exemptions from posted use limits. This section establishes exemptions from ORS 818.130. The exemptions under this section are in addition to any under ORS 801.026. Operation in accordance with one of the exemptions described is not subject to ORS 818.130. Exemptions are partial or complete as described in the following:

(1) Posted use limits do not apply on any road, thoroughfare or place owned by a district formed under ORS chapters 545, 547, 551 or a corporation formed under ORS chapter 554.

(2) Posted use limits do not apply on any road or thoroughfare or property in private ownership or any road or thoroughfare, other than a state highway or county road, used pursuant to any agreement with any agency of the United States or with a licensee of such agency or both.

(3) Posted use limits do not apply to any vehicle, combination of vehicles, article, machine or other equipment while being used by the federal government, the State of Oregon or any county or incorporated city in the construction, maintenance or repair of public highways and at the immediate location or site of such construction, maintenance or repair.

(4) Posted use limits do not apply to vehicles while being used on the roads of a road authority by mass transit districts for the purposes authorized under ORS 267.010 to 267.394, provided the use of the vehicles is approved by the road authority for that road.

(5) Operations authorized by a variance permit issued under ORS 818.200 are subject to the terms of the permit. It shall be a defense to any charge of violation of ORS 818.130 if the person so charged produces a variance permit issued under ORS 818.200 authorizing the operation of the vehicle or combination of vehicles issued prior to and valid at the time of the offense. [1983 c.338 §200]
TOWING SAFETY

818.150 Safety requirements for towing. This section establishes safety requirements for towing for purposes of ORS 818.160. Except where an exemption under ORS 818.170 specifically provides otherwise, the safety requirements for towing are violated for purposes of ORS 818.160 if any of the following are violated:

(1) If one vehicle is towing another, the tow bar, coupling device and other connections must be of sufficient strength to hold the weight of the towed vehicle upon any grade of highway where operated.

(2) If one vehicle is towing another, the connections of the tow bar, coupling device and other connections must be properly mounted without excessive slack but with sufficient play to allow for universal action of the connections and provided with a suitable locking means to prevent accidental separation of the towed and towing vehicles.

(3) If any vehicle is towing another vehicle and the connection between the vehicle is a chain, rope, cable or any flexible material, a red flag or cloth not less than 12 inches square must be displayed upon the connection.

(4) Any vehicle being towed must not whip or swerve from side to side dangerously or unreasonably or fail to follow substantially in the path of the towing vehicle.

(5) Any towed vehicle in a combination of vehicles must be equipped with one or more safety chains or cables that meet all of the following requirements:

(a) The chains or cables must be so connected to the towed and towing vehicle and to the tow bar as to prevent the tow bar from dropping to the ground in the event the tow bar or coupling device fails.

(b) The chains or cables must have a tensile strength equivalent to the loaded weight of the towed vehicle and a means of attachment to the towed and towing vehicle of sufficient strength to control the towed vehicle in event the tow bar or coupling device fails.

(c) The chains or cables must be attached with no more slack than is necessary to permit proper turning.

(6) Any coupling device on any towing vehicle used as a connection for the tow bar on any towed vehicle having a loaded weight in excess of 5,000 pounds shall be firmly attached to the frame or to a solid connection to the frame and not only to the bumper of the towing vehicle.

(7) Vehicle connecting devices for any vehicle with a loaded weight of not more than 10,000 pounds must be constructed or equipped as required under minimum standards adopted by the Department of Transportation for purposes of this subsection. Standards adopted for purposes of this subsection shall conform to the current standards of the Society of Automotive Engineers or other widely accepted standards that are applicable. [1983 c.338 §522; 1985 c.16 §269; 1985 c.20 §1]

818.160 Violating towing safety requirements; civil liability; penalty. (1) A person commits the offense of violating towing safety requirements if the person does any of the following:

(a) Drives or moves on a highway any vehicle or combination of vehicles that are in violation of the safety requirements for towing vehicles established under ORS 818.150.

(b) Owns a vehicle or combination of vehicles and causes or permits the vehicle or combination of vehicles to be driven or moved on a highway when the vehicle or combination of vehicles is in violation of the safety requirements for towing vehicles established under ORS 818.150. Operation of any vehicle or combination of vehicles in violation of this section is prima facie evidence that the owner of the vehicle or combination caused or permitted the vehicle or combination to be so operated and the owner shall be liable for any penalties imposed under subsection (4) of this section as a result of the operation.

(2) The application of this section is subject to the exemptions from this section established under ORS 818.170.

(3) Violation of the offense described in this section is subject to civil liability under ORS 818.410.

(4) The offense described in this section, violation of towing safety requirements, is a Class B traffic violation. [1983 c.338 §521; 1985 c.393 §30]

818.170 Exemptions from towing safety requirements. This section establishes exemptions from the towing safety requirements under ORS 818.150 and 818.160. Exemptions under this section are in addition to any under ORS 801.026. Operation in accordance with one of the exemptions described is not subject to ORS 818.160. Exemptions are partial or complete as described in the following:

(1) The requirements for mounting and slack of towing connections under ORS 818.150 (2) do not apply where the towed vehicle is temporarily disabled.

(2) The requirements for safety chains or cables under ORS 818.150 (5) do not apply to the following:
(a) A temporarily disabled vehicle that is being towed by another vehicle.

(b) A dolly without a tow bar.

(c) A semitrailer coupled to a towing vehicle with a fifth wheel hitch or any ball and socket type assembly that is positioned above and forward of the rear axle of the towing vehicle. To qualify for the exemption under this subsection, the assembly must be designed so that the upper and lower halves of the assembly may not be separated without being manually released.

(d) A booster axle bolted or pinned to another vehicle that redistributes weight from one or more axles and pivots from side to side at the connection point or has wheels that steer during turning.

3) Operations exempt from the towing safety requirements by a variance permit issued under ORS 818.200 are subject to the terms of the permit. It shall be a defense to any charge of violation of ORS 818.160 if the person so charged produces a variance permit issued under ORS 818.200 authorizing the operation of the vehicle or combination of vehicles issued prior to and valid at the time of the offense.

4) The towing safety requirements do not apply on any way, thoroughfare or place owned by a district formed under ORS chapters 545, 547, 551 or a corporation formed under ORS chapter 554.

5) The towing safety requirements do not apply on any road or thoroughfare or property in private ownership or any road or thoroughfare, other than a state highway or county road, used pursuant to any agreement with any agency of the United States or with a licensee of such agency or both. [1983 c.338 §523; 1999 c.361 §2]

(a) Is used in the construction, maintenance or repair of public highways; and

(b) Is either not being used by the federal government, State of Oregon or any county or incorporated city or not being used at the immediate location or site.

(5) Combinations of vehicles having a combined loaded weight in excess of that authorized under Table III of ORS 818.010.

(6) A vehicle engaged in the transportation of secondary wood products, which may be issued a permit for an overload load.

(7) A vehicle engaged in the transportation of lumber, veneer or plywood, which may be issued a permit for an overload load if the width of the divisible load does not exceed nine feet.

(8) A vehicle transporting an overheight marine container to or from a marine port facility.

(9) A vehicle or combination of vehicles engaged in hauling grass seed straw, grass hay or cereal grain straw, which may be issued a permit to allow the load to be up to 14 feet 6 inches high. A permit issued under this subsection shall be valid for one year and shall specify the routes over which the overheight load may be hauled.

(10) A vehicle or combination of vehicles that has a variance permit and that can carry items related to the already permitted load without increasing the size of the vehicle needed to carry the item requiring the variance permit.

(11) A vehicle engaged in hauling poplar logs or the processing residual from the logs, which may be issued an annual overwidth permit for a vehicle and load with a combined width of not more than 12 feet. The annual permit shall allow movement of the vehicle on Patterson Ferry Road and Frontage Road in Morrow County and only for a distance of 5,000 feet or less.

(12) A vehicle or combination of vehicles engaged in hauling bagged grass seed or mint leaves in sacks, which may be issued a permit to allow the load to be up to nine feet six inches wide. A permit issued under this subsection shall be valid for one year and shall specify the routes over which the overwidth load may be hauled.

(13) A combination of a truck tractor and two property-carrying units that exceeds the maximum length established under ORS 818.080 if:

(a) The combined length of the two property-carrying units does not exceed 82 feet 8 inches;

(b) The combination is used only to transport sugar beets; and

(c) The combination is operated on U.S. Highway 20, U.S. Highway 26, U.S. Highway 30 or State Highway 201 in the vicinity of or between the cities of Vale, Ontario and Nyssa. [1983 c.338 §536; 1985 c.16 §275; 1989 c.431 §1; 1991 c.261 §1; 1991 c.880 §5; 1993 c.416 §1; 1995 c.488 §1; 1997 c.360 §1; 1997 c.466 §1; 1999 c.59 §244; 1999 c.352 §1; 2001 c.335 §3; 2015 c.77 §1; 2019 c.490 §1]
818.220 Requirements, conditions and procedures for issuance of variance permit; duration; cancellation; rules. This section establishes requirements, conditions and procedures for issuance of variance permits under ORS 818.200 as follows:

(1) In issuing a permit, the road authority may:

(a) Grant a permit that is valid for a single trip, a number of trips or continuous operation.

(b) Establish seasonal or other time limitations on a permit.

(c) Establish any additional terms, limits or conditions on a permit that are necessary or desirable for the protection of the highways and streets and the public interest.

(d) Require the applicant to furnish public liability and property damage insurance in an amount fixed by the granting authority.

(e) Require the applicant to furnish indemnity insurance or an indemnity bond, in an amount fixed by the granting authority, to:

(A) Indemnify the road authority for any damage to the highways or streets that may be caused under the permit; and

(B) Indemnify the members, officers, employees and agents of the road authority from any claim that might arise out of the granting of the permit and the use of the highways under the permit.

(f) Require a demonstration by the applicant to establish that operation under a permit would:

(A) Stay on the right side of the center line of the traveled way at all times; and

(B) Allow sufficient room in the opposing traffic lane for the safe movement of other vehicles.

(2) A permit shall be in writing and shall specify:

(a) All highways or streets over which the permit is valid.

(b) Any vehicle, combination of vehicles, load, article, property, machine or thing allowed under the permit.

(c) Maximum dimensions and maximum weights allowed under the permit.

(3) A road authority may not issue a permit under this section:

(a) That is valid for longer than one year.

(b) Until any insurance or bond required under this section is filed with and accepted by the granting authority.

(c) Until the granting authority has investigated any representations made in the application for the permit.

(d) If the sole purpose of the permit is to specify highways on which a vehicle or combination of vehicles may not travel.

(4) An application for a permit issued under this section shall be in writing and shall specify:

(a) The vehicle, combination of vehicles, load, article, property, machine or thing for which the permit is requested;

(b) The particular highways and streets for which the permit is sought; and

(c) Whether the permit is sought for a single trip, number of trips or continuous operation.

(5) This section does not authorize:

(a) Except as specified in a permit, any vehicle, combination of vehicles, load, article, property, machine or thing for which the permit is issued to be operated or moved contrary to any provisions of the vehicle code.

(b) Any movement or operation of a vehicle, combination of vehicles, load, article, property, machine or thing until a permit is issued.

(6) The road authority may appoint any of its officers, employees or agents to be present at and during the movement. The presence of any person so appointed and any interference or suggestion made by that person shall not be considered supervision of the movement and shall not relieve the permit holder, or the permit holder’s insurers or sureties, from liability for any damage done by the movement. If, in the opinion of the person appointed to be present at and during the movement, any of the terms and conditions of the permit are not being complied with, that person may order the movement to be stopped.

(a) The permit holder has violated any of the terms of the permit;

(b) The permit was obtained through misrepresentation in the application therefor; or

(c) The public interest requires cancellation.

(8) A road authority may establish a program for issuance of permits that is not subject to any requirements, conditions or procedures described under this section. A program established under this subsection shall be established by rule or resolution, as appropriate. A program established under this subsection may include any of the following:
(a) Provisions and requirements that differ from those otherwise required under this section.

(9) Notwithstanding any other provision of this section, if a road authority other than the state issues a variance permit for a divisible load with a combined weight of more than 80,000 pounds, the variance permit shall be a one-year permit that is valid for continuous operation.

(10) The Department of Transportation may adopt rules to establish uniform requirements and consistent mitigation strategies that a road authority must apply as conditions for operation of a truck tractor and semitrailer combination under an overlength variance permit issued under ORS 818.200. [1983 c.338 §537; 1985 c.16 §276; 1989 c.432 §1; 2003 c.618 §3; 2009 c.865 §51; 2017 c.750 §51; 2018 c.93 §26]

818.225 Road use assessment fee for single-trip nondivisible load permittee; rules. (1) As used in this section, “equivalent single-axle load” means the relationship between actual or requested weight and an 18,000 pound single-axle load as determined by the American Association of State Highway and Transportation Officials Road Tests reported at the Proceedings Conference of 1962.

(2)(a) In addition to any fee for a single-trip nondivisible load permit, a person who is issued the permit or who operates a vehicle in a manner that requires the permit is liable for payment of a road use assessment fee of ten and nine-tenths cents per equivalent single-axle load mile traveled.

(b) If the road use assessment fee is not collected at the time of issuance of the permit, the department shall bill the permittee for the amount due. The account shall be considered delinquent if not paid within 60 days of billing.

(c) The miles of travel authorized by a single-trip nondivisible load permit shall be exempt from taxation under ORS chapter 825.

(3) The department may adopt rules:

(a) To standardize the determination of equivalent single-axle load computation based on average highway conditions; and

(b) To establish procedures for payment, collection and enforcement of the fees and assessments established by this chapter. [1989 c.992 §15; 1991 c.497 §12; 1995 c.447 §4; 1995 c.733 §91; 2003 c.618 §3; 2009 c.865 §51; 2017 c.750 §51; 2018 c.93 §26]

Note: The amendments to 818.225 by section 52, chapter 750, Oregon Laws 2017, become operative January 1, 2024, and apply to road use assessment fees imposed on or after January 1, 2024. See section 53, chapter 750, Oregon Laws 2017, and section 139, chapter 750, Oregon Laws 2017, as amended by section 31, chapter 93, Oregon Laws 2018. The text that is operative on and after January 1, 2024, including amendments by section 27, chapter 93, Oregon Laws 2018, is set forth for the user’s convenience.

818.230 Sifting or leaking load permit; duration; fee. A sifting or leaking load permit is a vehicle permit that is issued as evidence of a grant of authority to operate a vehicle loaded or constructed in a manner that, without the permit, would violate ORS 818.300. Each road authority shall grant permits for its own highways. Permits issued under this section shall comply with all of the following:

(1) Permits shall be in writing.

(2) Permits shall be issued only for the following:
(a) Vehicles transporting food processing products to be used for livestock feed or fertilizer from which there is fluid leakage.

(b) Vehicles transporting agricultural products from which there is fluid leakage, while the vehicles are en route from the place of harvest to a place where the products will be processed, stored or sold.

(3) Permits shall be issued for a maximum period of one year.

(4) Permits are revocable if the issuing road authority finds that the amount or character of the fluid leakage is such that it constitutes a danger to other vehicles.

(5) The fee for issuance of a sifting or leaking load permit is as provided under ORS 818.270.

(6) No fee shall be charged for issuance of a permit to the federal government, agencies of the State of Oregon, counties or cities.

818.235 Permit for wide load of hay bales. (g) That the vehicle and its contents may be immediately reclaimed by presentation to the appropriate authority of satisfactory proof of ownership or right to possession and either payment of the towing and storage charges or the deposit of cash security or a bond equal to the charges with the appropriate authority. New storage costs on the vehicle will not start to accrue, however, until more than 24 hours after the time the vehicle is officially released to the person under this paragraph.

(7) A hearing under this section may be used to determine the reasonableness of the charge for towing and storage of the vehicle. Towing and storage charges set by law, ordinance or rule or that comply with law, ordinance or rule are reasonable for purposes of this subsection.

(8) An authority shall provide a written statement of the results of a hearing held under this section to the person requesting the hearing.

The 48-hour period does not include Saturdays, Sundays or holidays. The notice shall state that a person that is entitled to possession of the vehicle has 15 days from the date the notice was mailed to claim the vehicle and that if the vehicle is not claimed, it will be disposed of as provided in this section.

(4) If the authority that requests towing of an abandoned vehicle does not provide to the person that tows the vehicle the written statement within 48 hours after the vehicle is towed, the person may dispose of the vehicle as provided in ORS 819.210.

(5) Disposal of a vehicle to a dismantler as provided in this section extinguishes all prior ownership and possessory rights.

(d) The dealer or the dealer’s employees may not remain with the vehicle except for the purpose of moving the vehicle in or out of the display area.

(4) Any forfeiture or penalty provided for in any law regarding motor carriers or railroads administered by the department shall be recovered by an action brought thereon in
the name of the State of Oregon in any court of appropriate jurisdiction or as provided in ORS 183.745. [1995 c.733 §25; 2011 c.506 §22; 2013 c.190 §88]

823.083 Enjoining violation of carrier laws. (1) Whenever it appears to the Department of Transportation that any motor carrier, railroad or any other person subject to the jurisdiction of the department is engaged or about to engage in any acts or practices that constitute a violation of any statute regarding motor carriers or railroads administered by the department, or any rule, regulation, requirement, order, term or condition issued thereunder, the department may apply to any circuit court of the state where such motor carrier, railroad or any other person subject to the jurisdiction of the department operates for the enforcement of such statute, rule, regulation, requirement, order, term or condition.

(2) Such court, without bond, has jurisdiction to enforce obedience thereto by injunction, or by other processes, mandatory or otherwise, restraining such motor carrier, railroad or any other person subject to the jurisdiction of the department, or its officers, agents, employees and representatives from further violations of such statute, rule, regulation, requirement, order, term or condition, and enjoining upon them obedience thereto.

(3) The provisions of this section are in addition to and not in lieu of any other enforcement provisions contained in any statute administered by the department. [1995 c.733 §26]

823.085 Liability for damages to injured person. (1) Any motor carrier or railroad that does, or causes or permits to be done, any matter, act or thing prohibited by ORS chapters 823, 824, 825 and 826, or omits to do any act, matter or thing required to be done by ORS chapters 823, 824, 825 and 826, is liable to the person injured thereby in the amount of damages sustained in consequence of such violation. If the party seeking damages alleges and proves that the wrong or omission was the result of gross negligence or willful misconduct, the motor carrier or railroad is liable to the person injured thereby in treble the amount of damages sustained in consequence of the violation.

The court may award reasonable attorney fees to the prevailing party in an action under this section.

(2) Any recovery under this section does not affect recovery by the state of the penalty, forfeiture or fine prescribed for such violation.

(3) This section does not apply with respect to the liability of any motor carrier or railroad for personal injury or property damage. [1995 c.733 §27; 1997 c.249 §29]

823.087 Effect of carrier laws on common law and other statutory rights of action, duties and liabilities. (1) The remedies and enforcement procedures provided in ORS chapters 823, 824, 825 and 826 do not release or waive any right of action by the state or by any person for any right, penalty or forfeiture that may arise under any law of this state or under an ordinance of any municipality thereof.

(2) All penalties and forfeitures accruing under said statutes and ordinances are cumulative and a suit for and recovery of one, shall not be a bar to the recovery of any other penalty.

(3) The duties and liabilities of the motor carriers or railroads shall be the same as are prescribed by the common law, and the remedies against them the same, except where otherwise provided by the Constitution or statutes of this state, and the provisions of ORS chapters 823, 824, 825 and 826 are cumulative thereto. [1995 c.733 §28; 1997 c.249 §240]

### RECEIPTS AND BILLS OF LADING

823.101 Duty of carrier to issue bill of lading on intrastate shipments; liability of carrier to holder for damage to shipment. (1) Any for-hire carrier, railroad or transportation company receiving property for transportation wholly within this state, from one point in this state to another point in this state, shall issue in accordance with the applicable provisions of ORS chapter 77 a receipt or bill of lading therefor, and shall be liable to the lawful holder thereof for any loss, damage or injury to such property caused by it, or by any common carrier to which such property may be delivered, or over whose line or lines such property may pass, when transported on a through bill of lading. No contract, receipt, rule, regulation or other limitation of any character whatsoever shall exempt such for-hire carrier, railroad or transportation company from such liability.

(2) Any for-hire carrier, railroad or transportation company so receiving property for transportation wholly within this state shall be liable to the lawful holder of such receipt or bill of lading, or to any party entitled to recover thereon, whether such receipt or bill of lading has been issued or not, for the full actual loss, damage or injury to such property caused by it, or by any common carrier to which such property may be delivered, or over whose line such property may pass when transported on a through bill of lading, notwithstanding any limitation of
liability or limitation of the amount of recovery, or representation or agreement as to value in any such receipt or bill of lading, or in any contract, rule or regulation, or in any tariff filed with the Department of Transportation; and any such limitation, irrespective of the manner or form in which it is sought to be made, is unlawful and void.

(3) The provisions of subsection (2) of this section respecting liability for full actual loss, damage or injury, shall not apply:

(a) To baggage carried on passenger trains or boats, or trains or boats carrying passengers.

(b) To property, except ordinary livestock, concerning which the carrier is expressly authorized or required by order of the Department of Transportation to establish and maintain rates dependent upon the value declared in writing by the shipper or agreed upon in writing as the released value of the property. “Ordinary livestock” includes all cattle, swine, sheep, goats, horses and mules, except such as are chiefly used for breeding, racing, show purposes or other special uses.

(4) The Department of Transportation may make the order referred to in subsection (3)(b) of this section in cases where rates dependent upon and varying with declared or agreed values would, in the opinion of the department, be just and reasonable under the circumstances and conditions surrounding the transportation. Any tariff schedule filed with the department pursuant to such order shall contain specific reference thereto and may establish rates varying with the value so declared and agreed upon. [Formerly 771.010; 1997 c.249 §241]

823.103 Limitations on carrier's power to set time for filing of claim or starting action. A for-hire carrier, railroad or transportation company referred to in ORS 823.101 may not provide by rule, contract, regulation or otherwise a period for filing claims described in ORS 823.101 shorter than 1997 c.249 §242; 2003 c.754 §12.

823.107 Existing remedies not affected. Nothing in ORS 823.101 to 823.107 shall deprive any holder of a receipt or bill of lading of any remedy or right of action which the holder has under existing law. [Formerly 771.050]

FUNDS, ACCOUNTS AND FEES

824.010 Annual fees payable by railroads; audit. (1) Subject to the provisions of subsections (3) and (4) of this section, each railroad shall pay to the Department of Transportation in each year, such fee as the department finds and determines to be necessary, with the amount of all other fees paid or payable to the department by such railroads in the current calendar year, to defray the costs of performing the duties imposed by law upon the department in respect to such railroads and to pay such amounts as may be necessary to obtain matching funds to implement the program referred to in ORS 824.058.

(2) In each calendar year the percentage rate of the fee required to be paid shall be determined by orders entered by the department on or after March 1 of each year, and notice thereof shall be given to each railroad. Such railroad shall pay to the department the fee or portion thereof so computed upon the date specified in such notice, which date shall be at least 15 days after the date of mailing such notice.

(3) Fifty percent of the cost of carrying out the duties, functions and powers imposed upon the department by ORS 824.200 to 824.256 shall be paid from the Grade Crossing Protection Account.

(4) The department shall determine the gross operating revenues derived within this state in the preceding calendar year by Class I railroads as a whole and by other railroads individually subject to the following limitations:

(a) The total of the fees payable by Class I railroads shall not exceed thirty-five hundredths of one percent of the combined gross operating revenues of Class I railroads derived within this state. The fee paid by each Class I railroad shall bear the same proportion to the total fees paid by Class I railroads as such railroad’s share of railroad-highway crossings, track miles and gross operating revenues derived within the state, weighted equally, bears to the total amount of Class I railroad-highway crossings within the state, track miles within the state and gross operating revenues derived within the state.

(b) The fees payable by other railroads shall not exceed thirty-five hundredths of one percent of any such railroad’s gross operating revenues.

(5) Payment of each fee or portion thereof provided for in subsections (1) to (4) of this section shall be accompanied by a statement verified by the railroad involved showing its gross operating revenues upon which such fee or portion thereof is computed. This statement shall be in such form and detail as the Department of Transportation shall prescribe and shall be subject to audit by the department. The department may refund any overpayment of any such fee in the same manner as other claims and expenses of the department are payable as provided by law. [1995 c.733 §§29,30]

824.012 Failure to pay fees; penalty. Every person who fails to pay any fees provided for in ORS 824.010 after they are due and payable shall, in addition to such fees, pay a penalty of two percent of such fees for each and every month or fraction thereof that they remain unpaid. If, in the judgment of the Department of Transportation, action is necessary to collect any unpaid fees or penalties, the department shall bring such action or take such proceedings as may be necessary thereon in the name of the State of Oregon in any court of competent jurisdiction, and be entitled to recover all costs and disbursements incurred therein. [1995 c.733 §31]

824.014 Railroad Fund; sources; use. (1) The Railroad Fund is established separate and distinct from the General Fund. Interest earned, if any, shall inure to the benefit of the Railroad Fund.

(2) All fees, penalties and other moneys collected by the Department of Transportation under ORS 824.010 and 824.012 shall be paid by the department into the State Treasury within 30 days after the collection thereof, and shall be placed by the State Treasurer to the credit of the Railroad Fund created by subsection (1) of this section. The fees, penalties and other moneys collected from railroads shall be used only for the purpose of paying the expenses of the department in performing the duties imposed by law upon the department in respect to railroads. [1995 c.733 §§31a,32; 2011 c.597 §307]

824.016 State Rail Rehabilitation Fund; use. (1) The State Rail Rehabilitation Fund is established as an account in the General Fund of the State Treasury. All moneys in the account are appropriated continuously to the Department of Transportation for expenditures for any or all of the following:

(a) Acquisition of a railroad line.

(b) Rehabilitation or improvement of rail properties.

(c) Planning for rail services.

(d) Any other methods of reducing the costs of lost rail service in this state.

(2) The program developed by the Department of Transportation under this section to provide funds for rail projects shall include:
824.018 Grade Crossing Protection Account; use; limits. (1) There is established in the State Highway Fund an account to be known as the Grade Crossing Protection Account. There shall be credited to the account each fiscal year, from funds received by the State Highway Fund from the registration of vehicles and licensing of drivers under the Oregon Vehicle Code, the sum of $300,000 plus an amount equal to 50 percent of the cost of carrying out the duties, functions and powers imposed upon the Department of Transportation by ORS 824.200 to 824.256. State-shared highway fund revenues for cities and counties, as well as Department of Transportation expenditures for the elimination of hazardous railroad-highway crossings, shall be computed and allocated prior to any appropriation or transfer to the account. The amount of $300,000 credited to the account is continuously appropriated and shall be expended for railroad-highway crossing safety as authorized by ORS 824.242 to 824.248 and subsection (2) of this section. The amount credited to the account for paying the cost of carrying out the duties, functions and powers of the department by ORS 824.200 to 824.256 is transferred and appropriated to the Department of Transportation and shall be used as provided in ORS 824.010.

(2) Moneys credited to the account may also be allocated for such highway purposes as the Department of Transportation deems appropriate in order to enhance safety at railroad-highway crossings. Moneys in the fund are continuously appropriated to the Department of Transportation for the purpose of grade crossing safety improvement projects. [2001 c.969 §4]

Note: 824.019 was enacted into law by the Legislative Assembly but was not added to or made a part of the Oregon Vehicle Code or any chapter or series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

(2) Upon petition of any public authority in interest or of any railroad or upon the Department of Transportation’s own motion, the Department of Transportation shall, after due investigation and hearing, unless a hearing is not required under ORS 824.214 enter an order fixing and regulating the speed of railway trains or regulating the sounding of railway train warning devices.

(3) The speed limits fixed by the department shall be maximum speed limits and shall be commensurate with the hazards presented and the practical operation of the trains. [Formerly 763.035]

824.210 Construction and alteration of crossings above or below grade. No highway shall be constructed across the track of any railroad company above or below grade, nor shall the track of any railroad company
be constructed across a highway above or below grade, without having first secured the permission of the Department of Transportation. If permission is granted, the department shall, after a hearing, unless hearing is not required under ORS 824.214, prescribe the terms and conditions upon which such crossing shall be made and shall allocate the cost of construction and maintenance. [Formerly 763.040]

824.212 Specifications for construction and maintenance of crossings; application of specifications; priorities; compliance. (1) The Department of Transportation shall adopt regulations prescribing specifications for the construction and maintenance of railroad-highway crossings, both at grade level and at separated grades. The specifications shall be developed in consultation with representatives of cities and counties and shall conform to nationally recognized and commonly used standards to ensure that the crossings are constructed and maintained in a manner that conforms to the public safety, necessity, convenience and general welfare, including but not limited to the projected transportation needs. (2) Specifications for separate crossings adopted under subsection (1) of this section do not apply to crossings in existence on the effective date of the regulation prescribing the specifications. However, within a reasonable period after the effective date, crossings shall be altered or reconstructed to comply with the regulations in effect at the time of the alteration or reconstruction. (3) Priorities for such alterations or reconstruction shall be established by the Department of Transportation, based upon the expressed need of the public authority in interest, and upon such other factors as danger or inconvenience to motorists, age of the structure, frequency of reported accidents and degree of noncompliance with regulations. (4) If the public authority in interest or the railroad company fails to so alter or reconstruct a crossing, the department, after following the procedures specified in ORS chapter 183 for contested cases, may order the alteration or reconstruction and proceed in accordance with ORS 824.216. [Formerly 763.055; 1997 c.249 §251; 1997 c.275 §17]

824.214 Procedure to obtain permission for crossings; rules. (1) Proceedings to carry out ORS 824.204, 824.206, 824.210 to 824.218, 824.224, 824.226 to 824.230, 824.238, 824.240 and 824.256, including the right to review any order of the Department of Transportation, shall be those specified in ORS chapter 183 for contested cases. If the final order of the department, in a proceeding initiated under ORS 824.206 or 824.226 by a city or county, is appealed and the city or county prevails, it shall be entitled to costs and reasonable attorney fees. (2) The department may adopt rules to govern the procedure, and to regulate the mode and manner of all investigations under ORS 824.204, 824.206, 824.210 to 824.218, 824.224, 824.226 to 824.230, 824.238, 824.240 and 824.256. (3) The authority granted the department by ORS 824.200 to 824.256 is in addition to and not in lieu of the authority of any city, county or other political subdivision of the state to use other remedies and procedures to provide public highways for the traveling public. [Formerly 763.080; 1997 c.249 §252; 1997 c.275 §18]

824.216 Procedure to compel compliance with orders. (1) The railroad company, public authority or person to whom an order of the Department of Transportation is directed under ORS 824.200 to 824.256 shall comply with such order within such reasonable time as may be prescribed by the department. In case of failure to comply, the department shall thereupon take proceedings to compel obedience to such order. (2) The circuit court has power in case of all such orders by the department to compel obedience therewith by mandamus, brought in the name of the state, subject, however, to appeal to the Court of Appeals in the same manner and with like effect as provided in cases of appeal from the order of the circuit court. [Formerly 763.090; 1997 c.275 §19]

All work and the material for work done under ORS 824.200, 824.204, 824.206, 824.210 to 824.218, 824.226 to 824.230, 824.238, 824.240 and 824.256 within the limits of railroad rights of way shall, if the railroad company so desires, be furnished and done by the railroad company. However, the Department of Transportation shall have supervision of the work and may decide the kind of material to be used. [Formerly 763.100; 1997 c.249 §253]

824.222 Authority over duration that grade crossing may be blocked; penalty. (1) The power to fix and regulate the length of time a public railroad-highway grade crossing may be blocked by railroad equipment is vested exclusively in the state. (2)(a) Upon petition of the public authority in interest, or of any railroad or upon the Department of Transportation’s own motion, the department shall, after due investigation
and hearing, unless hearing is not required under ORS 824.214, enter an order fixing and regulating the length of time a public railroad-highway grade crossing may be blocked by railroad equipment.

(b) Upon petition of a person, the department shall investigate and may hold a hearing and, following a hearing, may enter an order fixing and regulating the length of time a public railroad-highway grade crossing may be blocked by railroad equipment.

(3) The time limits fixed by the department shall be maximum time limits and shall be commensurate with reasonable requirements of train and vehicular traffic operations.

(4) Violation of a time limit fixed by the department under this section is punishable by a civil penalty of not less than $100 nor more than $3,000 for each offense. [Formerly 763.120; 2001 c.909 §1]

824.223 Authority to regulate distance from grade crossing at which railroad may stop or park equipment; penalty. (1) The power to regulate the distance from a public railroad-highway grade crossing at which a railroad may stop or park equipment is vested exclusively in the state.

(a) Upon petition of the public authority in interest, or of any railroad or upon the Department of Transportation’s own motion, the department shall, after due investigation and hearing, unless hearing is not required under ORS 824.214, enter an order establishing a safe distance from a public railroad-highway grade crossing at which a railroad may stop or park equipment.

(b) Upon petition of a person, the department shall investigate and may hold a hearing and, following a hearing, may enter an order establishing a safe distance from a public railroad-highway grade crossing at which a railroad may stop or park equipment.

(3) In determining what constitutes a safe distance under subsection (2) of this section, the department shall consider issues including, but not limited to, hazards associated with public railroad-highway grade crossings that do not have active protective devices.

(4) Violation of an order issued under subsection (2) of this section is punishable by a civil penalty of not less than $100 nor more than $3,000 for each offense. [2001 c.909 §3]

824.224 When stop signs are to be installed by railroad; exemption; grade crossing alteration, relocation or closure. (1) At every farm or private grade crossing of a railroad where no automatic grade crossing protective device is installed, the railroad shall cause to be installed and maintained, as a means of protecting the crossing, one or more stop signs.

(2) The Department of Transportation shall, after hearing, unless hearing is not required under ORS 824.214, prescribe the number, type and location of the stop signs and may exempt a farm or private grade crossing if the department finds that the installation of such sign or signs at the crossing would create a hazard or dangerous condition that would not otherwise exist.

(3) After notice to any affected landowner and opportunity for a hearing, unless a hearing is not required under ORS 824.214, the Department of Transportation may alter, relocate or close any farm or private grade crossing on any line designated as a high speed rail system.

(4) If the department decides to alter, relocate or close a farm or private grade crossing in such a manner as to constitute a taking of private property, the department shall exercise its power of eminent domain to acquire such property as is necessary to carry out the decision. A department order under this subsection shall constitute a resolution of necessity for exercise of the department’s power of eminent domain.

(5) If the department exercises its power of eminent domain under subsection (4) of this section, the department shall use any combination of state or federal funds allocated for high speed rail systems to pay any settlement with or judgment in favor of an owner of a farm or private grade crossing. The department shall have discretion to determine whether to reach a settlement with an owner of a farm or private grade crossing.

(6) The costs of implementing a department order issued under subsection (3) of this section shall be apportioned to any combination of state or federal funds specifically allocated for high speed rail systems as the department determines appropriate in order to eliminate farm or private grade crossings or to enhance safety at such crossings. [Formerly 763.130; 1997 c.249 §25; 1997 c.275 §20]

824.226 Dangerous grade crossings; notice; hearing; order to install protective devices; apportioning of cost. (1) The Department of Transportation on its own motion may, or upon application by the common council or mayor of any city, or any county judge or county commissioner or county roadmaster, or by five or more residents and taxpayers in any city, county or road district to the effect that a public highway and a railroad cross one another in such city, county or road district at the same level, and that such grade crossing is unsafe and dangerous to travelers over such highway or railroad, shall, give notice to the
railroad company, of the filing of such application, and furnish a copy of the same to the railroad company, and order a hearing thereon in the manner provided for contested case hearings under ORS chapter 183.

(2) If upon such hearing it appears to the satisfaction of the department that the crossing complained of is unsafe and dangerous to human life, the department may order the crossing closed or order and direct the railroad or public authority to install and maintain proper protective devices, and establish a date by which such devices are to be installed and placed into operation. The department shall apportion the installation and maintenance costs thereof in accordance with ORS 824.242 to 824.246, and, notwithstanding the provisions of ORS chapter 183, shall suspend the effective date of the order until the public authority in interest has consented to the apportionment and has agreed to comply therewith. [Formerly 763.170; 1997 c.275 §21]

824.228 Procedure for determining mode of track crossing of intersecting railroads. (1) Whenever it becomes necessary for the track of one railroad to cross the track of another railroad, the Department of Transportation shall ascertain and define either on the application of a railroad or on its own motion and after notice to the affected railroads, in the manner provided for contested cases in ORS chapter 183, the mode of such crossing that occasions the least probable injury upon the safety, welfare and interests of the public and the rights of the company owning the road that is intended to be crossed.

(2) The department shall also determine the compensation to be paid by the railroad so seeking to cross the other, if the railroads are unable to agree thereon, and the points and manner of such connection.

(3) If it appears to the department that it is reasonable and practicable to avoid a grade crossing, the department shall by order prevent the same, and shall prescribe the manner of such crossing.

(4) If any railroad seeks to cross at grade with its tracks the tracks of another railroad, the railroad seeking to cross at grade shall be compelled to pay all damages caused by such crossing, and to interlock or protect such crossing by safety devices to be designated by the department, and to pay all costs of appliances, together with the expenses of putting them in and maintaining them. This requirement does not apply to crossings of sidetracks. [Formerly 763.180; 1997 c.275 §22]

824.230 Installation of protective devices where railroads intersect at grade. (1) In any case where the tracks of two or more railroads cross each other at a common grade in this state, the railroads, when ordered by the Department of Transportation, shall protect such crossings by interlocking or other safety devices, under regulations to be designated by the department, to prevent trains colliding at such crossings. An order may be issued under this section only after notice to the affected railroads and a proceeding under ORS chapter 183 initiated by the department on its own motion or upon application by one of the railroads.

(2) The department in making such order shall designate the manner of such interlocking protection, and shall apportion the cost of installing and maintaining the same between the several railroads, if such railroads are unable to agree upon the same between themselves. [Formerly 763.190; 1997 c.275 §24]

824.232 Forfeiture for noncompliance. Any company, corporation, person or receiver operating any railroad who neglects to comply with any order made by the Department of Transportation pursuant to ORS 824.228 or 824.230 shall forfeit and pay to the state a penalty of $500 per week for each week of such neglect. [Formerly 763.200]

824.234 Use of findings of department regarding hazards at crossings. The determinations of the Department of Transportation under ORS 824.200 to 824.256 as to hazards at crossings shall not be admissible in any civil action for damages. [Formerly 763.210]

824.236 Protective devices at unauthorized railroad-highway crossing; apportionment to railroad; reimbursement; closure. (1) Except as provided in subsection (2) of this section, the Department of Transportation may, under ORS 823.033, order a railroad to install and maintain protective devices at an unauthorized railroad-highway crossing and order the public authority in interest to install and maintain stop signs at and other protective devices in advance of an unauthorized railroad-highway crossing.

(2) The department may not order the railroad to install at an unauthorized railroad-highway crossing devices which are activated immediately in advance of, and during, each train movement over the crossing unless the department determines that the railroad intentionally created the unauthorized crossing after June 2, 1995.

(3) Except as provided in subsection (4) of this section, in any proceeding under subsections (1) and (2) of this section, or unless the parties agree otherwise, installation and maintenance costs of protective devices shall be apportioned to the railroad.

(4) The railroad may seek reimbursement or indemnity from third parties.
(5) Under ORS 823.033, the department may open an investigation to consider closure of an unauthorized railroad-highway crossing. If the department decides to open an investigation, it shall post notice of the investigation at the crossing at least 30 days prior to opening the investigation. If the department is unable to complete an investigation within two years from the date it was opened, the department shall order the crossing closed within one year from the expiration of the two-year period allowed for investigation unless closure of the unauthorized railroad-highway crossing would remove the only access to any land. [Formerly 763.220; 2003 c.145 §3]

824.237 [2013 c.765 §5; 2015 c.707 §6; repealed by 2019 c.491 §55]

824.238 Division of costs between railroad and public authority. The following costs shall be divided between the railroad and the public authority in interest in such proportion as the Department of Transportation finds just and equitable under the circumstances in each case:

(1) That portion of the cost of any alteration or change resulting in the elimination of a grade crossing under ORS 824.206 (1) by reason of relocation of the highway which is directly chargeable to the grade elimination.

(2) The costs of construction, change, alteration, abolition and relocation of any grade crossing involved in a proceeding arising under ORS 824.204, 824.206 or 824.226.

(2) Any public authority in interest acting through its governing body may, at its option, by agreement with the Department of Transportation, bear a share of the expense of constructing any railroad crossing above or below grade on a state highway.

(3) If federal funds allocated specifically for removal of hazards at hazardous railroad-highway crossings are available for any part of the work to be performed, the Department of Transportation shall cause such funds to be used for such purposes. [Formerly 763.260]

824.242 Apportionment of costs for installation of protective devices. In any grade crossing proceeding arising under ORS 824.204, 824.206 or 824.226, unless the parties agree otherwise, installation costs of protective devices shall be apportioned as follows:

(1) At an existing crossing, a crossing relocated pursuant to ORS 824.206 or 824.226, or a crossing previously closed by order of the Department of Transportation and reopened in a proceeding under ORS 824.204:

(a) For devices to be installed at or in advance of the crossing and which are activated immediately in advance of, and during, each train movement over the crossing:

(A) Seventy-five percent to the Grade Crossing Protection Account;

(2) Except as provided in subsection (4) of this section, at a new crossing requested by a public authority, 100 percent of the installation costs shall be paid by the public authority in interest.

(3) Except as provided in subsection (4) of this section, at a new crossing requested by a railroad company, 100 percent of the installation costs shall be paid by the railroad company.

(4) If the Department of Transportation converts an unauthorized railroad-highway crossing to a crossing authorized under ORS 824.204, the department shall apportion installation costs of protective devices as pro-
vied in subsection (1) of this section, or, if federal funds are available, installation costs may be apportioned as provided in ORS 824.250. [Formerly 763.271]

824.244 Apportionment of costs for maintenance of protective devices. Unless the parties agree otherwise, maintenance cost of protective devices at grade crossings installed pursuant to ORS 824.204, 824.206 or 824.226 shall be apportioned as follows:

(1) One hundred percent to the railroad company for devices at the crossing actually installed and maintained by the railroad.

(2) One hundred percent to the public authority in interest for devices at any new or other existing crossing within the jurisdiction of the public transportation requires the closure of any existing or relocated crossing or any reconstruction or alteration of protective devices at the crossing installed and maintained by the public authority, except as provided under subsection (3) of this section.

(3) Fifty percent to the railroad company, and 50 percent to the public authority in interest, for devices at the crossing installed and maintained by the public authority which are primarily designed for the purpose of illuminating the crossing during hours of darkness and which are not activated immediately in advance of, or during, each train movement. [Formerly 763.273]

824.246 Apportionment of costs of crossing closure. If in any grade crossing proceeding arising under ORS 824.204, 824.206 or 824.226, the Department of Transportation requires the closure of any existing crossing within the jurisdiction of the public authority in interest, the department may apportion to the railroad company, for such crossing closed, an amount not to exceed five percent of the cost of installation of protective devices at any new or other existing crossing within the jurisdiction of the public authority in interest. Any additional costs paid by the railroad company shall reduce the share otherwise apportionable to the public authority in interest. [Formerly 763.275]

824.248 Apportionments for crossings above or below grade. In any proceeding involving a crossing above or below grade arising under ORS 824.206 or 824.210, unless the parties agree otherwise, the cost of construction, reconstruction, or alteration of such crossings shall be apportioned as follows:

(1) At existing crossings above or below grade: 10 percent of the cost of reconstruction or alteration to the public authority in interest and all remaining costs of reconstruction or alteration to the Grade Crossing Protection Account and the railroad in interest as is just and equitable under the circumstances in each case.

(2) At a new crossing requested by a public authority: All construction costs to the public authority in interest.

(3) At a new crossing requested by a railroad company: All construction costs to the railroad company. [Formerly 763.280]

824.250 Apportionment when federal funds available. In the event any protective device is to be installed or altered at an existing or relocated crossing or any reconstruction or alteration is made at an existing separation structure, with the aid of any federal funds administered by the Federal Highway Administration of the United States Department of Transportation, the Oregon Department of Transportation shall, unless the parties agree otherwise:

(1) Apportion the amount of such federal funds to payment of installation, reconstruction, or alteration costs; and

(2) Apportion the remaining costs of installation, reconstruction, alteration, and maintenance as provided by ORS 824.238 and 824.242 to 824.248; however, in a case where the federal fund assistance equals or exceeds 75 percent of the cost of installing, altering and reconstructing protective devices at an existing or relocated crossing, the remaining costs, except for maintenance costs, may be allocated entirely to the Grade Crossing Protection Account. [Formerly 763.290]

824.252 Procedure when disagreement as to apportionment exists. (1) In any proceeding under ORS 824.206 or 824.226, where the application to the Department of Transportation states that the parties are not in agreement as to apportionment of costs, but the applicant is willing to advance the amount of money reasonably necessary to enable the respondent to complete the work which must be done by it or the amount reasonably necessary is available and can be advanced from the Grade Crossing Protection Account, the department shall set the application for hearing as soon as the calendar of the department permits on the questions of:

(a) The necessity for the project;

(b) The approval of the location and the engineering plans, including provisions for handling traffic during construction and the work to be performed by each party; and

(c) The sum to be advanced by the applicant or the account for the work to be done by the respondent.

(2) The Department of Transportation shall render as promptly as possible an interim order, effective within 20 days on such questions, reserving for later hearing and decision the question of the apportionment of costs. The interim order shall also direct the respondent to proceed upon receipt of the sum to be advanced by the applicant or the account without delay to perform the work to be done by respondent, integrating the
work with that of the applicant or its contractor in such manner that neither will unreasonably obstruct or delay the work of the other, to the end that the people of the state may have the use of the project at the earliest possible date.

(3) In the final order apportioning costs, the sum advanced by the applicant or the account shall be credited against its share of the costs. In the final order there shall also be credited against applicant’s share of the costs any increase in the costs found by the Department of Transportation to be directly attributable to respondent’s willful failure or refusal, after the effective date of the interim order, to proceed with its own work or to integrate the work with that of applicant or its contractor. [Formerly 763.300]

824.254 Reimbursement procedure for railroad and public authority. (1) Upon issuance of an order apportioning costs to the Grade Crossing Protection Account, the railroad company or the public authority in interest may submit to the Department of Transportation progress claims, not to exceed 80 percent of the apportionment, for reimbursement for the cost of labor, and other services provided to date of billing, and for the costs of materials stockpiled at the project site or specifically purchased and delivered for use on the project. Upon completion of the construction, reconstruction or alteration of a crossing, or of the installation or alteration of grade crossing warning or safety devices at a crossing, the railroad company or the public authority in interest shall present to the department for approval its claim for reimbursement for the costs thereof in the amount apportioned to the Grade Crossing Protection Account less progress payments previously made. When a claim is approved, the department shall, as funds become available, order the claim paid from the account.

(2) The department may make such audit as the department considers necessary before or after each such disbursement for the purpose of determining that the money is expended for the purposes and under the conditions authorized by ORS 824.242 to 824.248. By presentation of its claim, the railroad company and the public authority consent to make pertinent records showing costs of labor and materials available to the department.

(3) Notwithstanding subsection (1) of this section, upon issuance of an order apportioning costs to the Grade Crossing Protection Account, and upon agreement with the Department of Transportation, the railroad company or public authority in interest shall submit an estimate of the costs of the project. The railroad company or public authority in interest may submit statements for lump-sum reimbursement from the account during and at the completion of the construction, reconstruction or alteration of a crossing, or of the installation or alteration of a grade crossing warning or safety device at a crossing. [Formerly 763.310; 1997 c.249 §256; 1999 c.596 §1]

824.256 Expense contributed by public held in trust by railroad company. Any portion of the cost or expense that is contributed or borne by any public authority under ORS 824.200, 824.204, 824.206, 824.210 to 824.218 and 824.226 shall forever be considered as held in trust by the railroad company receiving the same or the benefits thereof, and no part thereof shall be considered a part of the value of the property of the railroad company upon which it is entitled to receive a return. [Formerly 763.320]

824.258 [Formerly 763.900; repealed by 1997 c.249 §257]

None of said crew shall be required or permitted to perform the duties of train baggage handler or express messenger while on such road. This section shall not apply to operations in which lesser crew requirements are established by agreement between the common carrier and the organizations representing railroad employees. [Formerly 764.110; 1997 c.249 §258]

824.302 Qualification of flagger. The flagger in the crews required under ORS 824.300 shall have had at least six months’ experience in train service. [Formerly 764.130; 1997 c.249 §259]

824.306 Shelter of car repairers. (1) No person owning, controlling or operating any line of railroad in this state shall build, construct, reconstruct or repair railroad car equipment or motive power in the state without first erecting and maintaining at every division terminal, or other point where five employees or more are regularly employed on such work, a shed over a sufficient portion of the tracks used for such work, so as to provide that all employees regularly employed in such work are sheltered and protected from rain and other inclement weather.

(2) This section does not apply at points where fewer than five employees are regularly employed in such work, nor at points where it is necessary to make light repairs only on equipment or motive power, nor to equipment loaded with time or perishable freight, nor to equipment when trains are being held for the movement of equipment. As used in this subsection, “light repairs” does not include repairs usually made in roundhouse, shop or shed upon well-equipped railroads. [Formerly 764.150]

(5) “Department” means the Department of Transportation.

(6) “Extreme miles” or “extreme mileage” means the total miles operated by a vehicle over the public highways, except the extra miles necessarily operated in traversing detours or temporary routes on account of road blockades in the state.

(7) “For-hire carrier” means:

(a) Any person who transports persons or property for hire who publicly purports to be willing to transport persons or property for hire by motor vehicle; or

(8) “Household goods” means the personal effects or other property used or to be used in a dwelling but does not include property transported from a store or factory or property exclusively for office use.

(9) “Motor vehicle” means any self-propelled vehicle and any such vehicle in combination with any trailing units, used or physically capable of being used upon any public highway in this state in the transportation of persons or property, except vehicles operating wholly on fixed rails or tracks and electric trolley buses. “Motor vehicle” includes overdimension vehicles or vehicles permitted excessive weights pursuant to a special authorization issued by a city, county or the Department of Transportation.

(10) “Permit” means an authority issued to a carrier under ORS 825.102, 825.106, 825.108 or 825.127.

(12) “Privilege taxes” means the weight-mile tax and fees prescribed in this chapter.

(2) The volume of motor carrier traffic presents dangers and hazards on public highways and makes it imperative that:

(a) Stringent rules be employed, to the end that the highways may be rendered safe for the use of the general public;
(b) The wear of such highways be controlled;

(c) A minimum of inconvenience to other users of the highways be effected;

(2) The department may issue a certificate for emergency transportation services donated for the benefit of a charitable organization, if the services are transportation of persons or household goods and the services are not of a type ordinarily required in the operation of the organization. As used in this subsection “charitable organization” means any person organized and existing for religious or medical purposes or any political subdivision of this state.

825.129 Legal status of certificates. (1) Notwithstanding any provision of law, no certificate issued under this chapter, or any prior law, shall be assigned or otherwise transferred except as provided in ORS 825.110.

(2) No such certificate shall be construed to be a franchise or irrevocable or exclusive or to possess value for ratemaking purposes. However, upon the death of an individual holding a certificate:

(a) If the estate of such individual is admitted toprobate, the executor or personal representative may continue the operation thereunder, for the purpose of transferring the certificate, for a period not to exceed two years from the date of death; or

(b) If the estate of such individual is not probated, all the heirs of the deceased holder of the certificate may file with the Department of Transportation an application for the transfer of the certificate together with an affidavit signed by the heirs stating the name of the person to whom the certificate is to be transferred. If any heir has not reached the age of majority or is otherwise legally incapacitated, the heir’s parent or guardian shall sign for the heir. The affidavit shall be on a form prescribed and furnished by the department. Subject to the provisions of ORS 825.135, the department shall transfer the certificate to the person named as transferee in the affidavit.

(3) In determining the scope of authority to be transferred under subsection (2) of this section, the department shall consider, as evidence of past use under the certificate, only the services furnished during the two-year period immediately preceding the death of the certificate holder.

(4) If an application under subsection (2) of this section for the transfer of the certifi-
 interstate is not filed within 18 months of the date of death, and if such certificate is not transferred within two years of the date of death, the certificate shall be deemed automatically revoked. [Formerly 767.186; 1997 c.275 §36]

825.135 Denial of certificate, permit, transfer or extension of authority; hearing; restriction. (1) As used in this section, "applicant" includes, but is not limited to, any person having a substantial interest or control, directly or indirectly, in or over the operations conducted or to be conducted under the carrier's authority.

(2) Notwithstanding any other provision of law, the Department of Transportation may not grant to an applicant a certificate, permit, transfer of any operating authority, extension of any operating authority or variance permit under ORS chapter 818 if the department has reasonable grounds to believe, based on information contained in department files and records, or based on evidence presented during a hearing with respect to an application filed under ORS 825.102, that any of the following apply:

(a) The applicant is not capable of conducting the transportation service contemplated, in compliance with the law and rules of the department.

(b) The applicant is or has been a repeated and intentional violator of the provisions of this chapter, of ORS chapter 818 or of the rules of the department. This paragraph does not apply to violations for which an applicant has been penalized under subsection (3) of this section.

(c) The information contained in the application pertaining to ownership, possession or control of the equipment or operation to be conducted is false.

(3) A person whose application has been denied under subsection (2) of this section is not eligible to renew the application or to operate or participate directly or indirectly in the proposed operation for a period of time ordered by the department. The period of time ordered by the department under this subsection shall in no event be less than a period of six months from the date application has been denied and shall continue until the applicant has complied with any other penalties ordered by the department under this or other provisions of this chapter. An applicant may renew an application without prejudice by past violations after the penalty period under this subsection.

(4) Upon request, any person whose application has been denied under subsection (2) of this section shall be granted a hearing. This subsection does not require a separate or additional hearing for applicants if the issues are addressed as part of any hearing on the application. After the hearing, the department shall grant or deny the application in conformity with the findings.

(5) Subsection (2) of this section shall be strictly construed for purposes described in this subsection and shall control over any other purposes or policy considerations under the laws relating to motor carriers. The department shall exercise the authority granted under subsection (2) of this section to assure that persons described in subsection (2)(b) of this section:

(a) Achieve an awareness of and respect for the provisions of this chapter, ORS chapter 818 and rules of the department.

(b) Do not legitimize activities that violate this chapter, ORS chapter 818 or the rules of the department by applying for and receiving any operating authority to continue previously unlawful activities.

(6) If the department determines that a carrier issued authority under this chapter is not providing requested transportation services that are within the authority of the carrier, the department shall limit the authority of the carrier to service that the carrier is actually providing unless the carrier provides full transportation services permitted under the carrier's authority. [Formerly 767.130; 1997 c.722 §4; 2009 c.433 §9; 2015 c.283 §18]

A variance permit issued under ORS chapter 818 shall be valid for the length of time for which it is issued unless prior to that time the permit is suspended or revoked by the Department of Transportation for violation of this chapter or ORS chapter 818.

(2) Certificates or permits, or variance permits issued pursuant to ORS chapter 818, may be suspended or canceled by the department based upon the department's own motion after notice and hearing, when the certificate or permit holder:

In applying this paragraph the department may consider violations by agents or employees of the holder that occurred prior to the time they became agents or employees of the holder, but only if the agent or employee has a substantial interest or control, directly or indirectly, in or over the operation of the holder.

(b) Has refused or failed, within the time provided, to file a deposit or bond requested under ORS 825.506.

(2) A written 10-day notice of suspension shall be given to the certificate or permit holder and unless a hearing is requested within such time, the certificate or permit shall be deemed suspended without further notice or hearing until the report, payment, bond or deposit is filed with the department.

(3) Upon a written 10-day notice by the department, a certificate or permit may be suspended or canceled for any of the reasons set forth in subsection (1) of this section. If the certificate or permit is suspended, the filing of the report, payment, bond or deposit will not reinstate the authority until the suspension period has expired, except on order of the department. (2) Insurance required under this section shall be provided at minimum limits the Department of Transportation by rule may prescribe, and upon such terms, conditions and provisions as the department may determine to be necessary for the reasonable indemnification of the patrons of the applicant and of the public against damage and injury for which the applicant may be liable by reason of the operation of any motor vehicle. However, the insurance policy required of a carrier or persons engaged solely in interstate commerce need not provide for the protection of their patrons.

(3) In fixing the amount of the insurance policy the Department of Transportation...
shall give due consideration to the character and amount of traffic, the number of persons involved and the degree of danger which the proposed operation involves. [Formerly 767.195; 2007 c.465 §9]

825.162 Cargo insurance. (1) A certificate or permit may not be issued to any person to operate intrastate as a for-hire carrier of freight or express until the person has in effect cargo insurance in such penal sum as the Department of Transportation may deem necessary to protect adequately the interests of the public. This policy shall bind the assured for loss of, or damage to, property carried in, upon or attached to the motor vehicles or other equipment operated by, for or under the control of the assured, while in the care or custody of the assured.

(2) The department may waive the requirement of cargo insurance for any carrier whose service is limited to commodities not insured or while in the care or custody of the assured, or while in the care or custody of the assured.

(1) The Department of Transportation by rule shall establish a system for determining how motor carriers demonstrate compliance with the insurance requirements of ORS 825.160 and 825.162. The system may require certification of compliance by the carrier or the filing of a policy with the department and may require different acts of compliance based on class of carrier or experience. The system shall also specify what acts constitute failure to comply for purposes of revocation or suspension of the carrier's authority.

(2) An insurance policy furnished under ORS 825.160 or 825.162 may not be canceled or otherwise terminated at any time prior to its expiration until the entity that executed the policy has filed with the department a notice of cancellation as provided in the policy. The cancellation is effective not less than 30 days from the date of receipt, and no agreement between the parties thereto shall operate to avoid this restriction upon cancellation.

(3) If any insurance policy required under ORS 825.160 or 825.162 becomes inoperative, the authority under the certificate or permit involved shall cease and be suspended insofar as it pertains to any affected vehicles until an insurance policy meeting the requirements of ORS 825.160 and 825.162 becomes effective and is accepted by the department. [Formerly 767.205; 2011 c.73 §2]

825.166 Deposit of securities or letter of credit. (1) In lieu of the insurance policy or surety bond, the holder of any certificate or permit may file with the Department of Transportation an irrevocable letter of credit issued by an insured institution, as defined in ORS 706.008, or money, bank or savings and loan savings certificates, or bonds, negotiable by delivery, of the State of Oregon, school districts therein, or of any county therein, or obligations of the United States, or obligations for which the faith of the United States is pledged for the payment of both the principal and interest, equal in amount to the amount of the insurance policy or bond required by the department.

(2) So long as the deposit remains unencumbered the depositor is entitled to collect the interest upon such securities.

(3) The department shall hold the securities or letter of credit upon such terms as the department shall designate and approve pursuant to the provisions of this chapter, and shall deliver such securities or letter of credit to the State Treasurer, who shall receive and hold them subject to the lawful orders of the department. The State Treasurer and the surety or letter of credit issuer of the treasurer shall be liable upon the official bond or letter of credit for their safekeeping. The depositories shall reimburse the State Treasurer for any expenses incurred by the treasurer in the mailing, insuring, shipping or delivering of any such securities or letter of credit, or of the interest coupons attached thereto as they mature.

(4) Such substituted security or letter of credit shall be subject to the liabilities imposed by the terms of the policy of insurance or surety bond or letter of credit then currently used by the department.

(5) If the securities or letter of credit provided for in this section are furnished in lieu of an insurance policy or bond, they shall not be subject to withdrawal or assignment by the holder of the certificate or permit, either voluntarily or by operation of law, until the expiration of one year after the holder of the certificate or permit, in connection with which they are furnished has:

(a) Substituted therefor a policy of insurance as provided in ORS 825.160 and 825.162;

(b) The certificate or permit canceled; or

(c) Surrendered such certificate or permit to the department for cancellation and has ceased operation thereunder.

(6) If any such securities become impaired in value, the department shall require additional protection by insurance, bond, letter of credit or substitute security to the extent that the value of the securities may
have become impaired. [Formerly 767.210; 1997 c.631 §559; 2011 c.75 §3]

(1) Any for-hire carrier, engaged in interstate or interstate and intrastate operations within the State of Oregon, which is or becomes qualified as a self-insurer with the United States Department of Transportation in accordance with laws of the United States applicable to self-insurance by motor carriers, is exempt, so long as such qualification remains effective, from the provisions of ORS 825.160 to 825.166.

(2) The Department of Transportation may require proof of the existence and continuation of exempt status to be made by affidavit of the carrier in a form and at the times as the department may prescribe. [Formerly 767.215; 2007 c.465 §10]

825.170 Prohibited indemnification provisions in motor carrier transportation contracts; exceptions. (1) Except as provided under subsections (2) and (3) of this section, any provision in a motor carrier transportation contract that requires either party or either party's surety or insurer to indemnify or hold harmless the other party against liability for death, personal injury or property damage caused in whole or in part by the negligence or intentional acts or omissions of the other party is void.

(2) This section does not affect any provision in a motor carrier transportation contract that requires either party or either party's surety or insurer to indemnify the other person against liability for death, personal injury or property damage that arises out of the fault of the indemnitor, or the fault of the indemnitor's agents, representatives or subcontractors.

(3) This section does not apply to any Uniform Intermodal Interchange and Facilities Access Agreement administered by the Intermodal Association of North America or any other agreement providing for the interchange, use or possession of intermodal chassis, intermodal containers or other intermodal equipment.

(4) As used in this section, “motor carrier transportation contract” means any written agreement for:

(a) The transportation of personal property for compensation or hire;

(b) Entry upon real property for the purpose of packing, loading, unloading or transporting personal property for compensation or hire; or

(c) A service incidental to an activity described in paragraph (a) or (b) of this subsection including, but not limited to, storage of personal property for compensation or hire. [2011 c.159 §2]

825.180 Application fee; transfer fee; refunds. (1) In addition to the other fees prescribed in this chapter:

(b) A person applying for a permit under ORS 825.127 shall pay a fee of $50.

(c) A person applying for a permit under ORS 825.102 shall pay an application fee of $300.

(d) A person applying for a change in a permit shall pay a fee of $50.

(e) A person applying for transfer of a certificate shall pay a fee of $300.

(f) A person making an application under any provision of this chapter not specified in this subsection shall pay a fee of $150 if the matter is set for a hearing.

(2) The Department of Transportation may refund the fees collected under this section if the applicant parties or their duly authorized representatives make written request for a refund, if:

(a) Request for withdrawal of the application was received by the department no later than five days before the hearing date, or if no hearing is required, such request must have been received prior to issuance of authority; and

(b) The department finds that:

(A) The applicant is not eligible to file the application;

(B) Certificate authority is not needed for the service intended;

### WEIGHT-MILE TAX

#### (Identification Devices)

825.450 Weight identifier; period of validity; rules.

(1) Upon application by a carrier, the Department of Transportation may issue a weight identifier for each vehicle the carrier enrolls with the department, which must state the combined weight of the vehicle or combination of vehicles. The department shall record each weight identifier electronically. This subsection does not apply to vehicles issued a temporary pass under ORS 825.470.

(2) A person may not load any motor vehicle in excess of the combined weight stated on the weight identifier issued for that motor vehicle under subsection (1) of this section.

(3) Weight identifiers issued under this section are valid from the first day of any calendar quarter to the last day of the fourth consecutive calendar quarter. Each carrier may select the calendar quarter in which the period will begin except that, if necessary for administrative convenience, the department may require a carrier to adopt a starting date chosen by the department.

(4) All vehicles operating under the carrier’s authority shall have the same four-quarter period of weight identifier validity. The department may allow a carrier to operate with expired weight identifiers for up to one extra quarter if the renewal application has been submitted. The extension of time allowed by this subsection shall be granted only if the department determines that the extension is necessary for the administrative convenience of the department.

(5) The department may adopt rules necessary to administer the provisions of this section. [Formerly 767.775; 2001 c.567 §1; 2003 c.618 §56; 2007 c.465 §1; 2017 c.750 §§57,58; 2018 c.80 §28; 2019 c.491 §38]

#### 825.452 Initial registration period.

In order to facilitate the registration issuance and registration renewal processes, when a carrier initially registers under ORS 826.009 or 826.037, the Department of Transportation may assign a registration period ranging from three to 12 months. [1995 c.39 §6; 2001 c.567 §6; 2019 c.491 §41]

#### 825.454 Identification devices; applications.

(1) The Department of Transportation, in the discretion of the department, may require the use of identification devices, such as cab cards, stamps or carrier identification...
numbers, to identify and be carried with or placed upon each motor vehicle authorized to be operated in Oregon subject to the provisions of this chapter. The form of any identification device and the method for its use shall be determined by the department.

(2) Notwithstanding any other provision in this chapter, the department may require applications for identification devices to be made annually. [Formerly 767.780; 2001 c.567 §7; 2003 c.753 §1; 2019 c.491 §42]

(Taxes and Fees)

825.470 Temporary pass; fees; rules. (1) For single trip or short-time operation not exceeding 10 days of a vehicle subject to the provisions of this chapter, the Department of Transportation may issue a temporary pass identifying the motor vehicle. For this pass a fee of $9 for each motor vehicle shall be paid.

(2) The department may adopt rules necessary to administer the provisions of this section. [Formerly 767.805; 2001 c.567 §8; 2007 c.465 §2]

(b) On the date such report or payment was mailed if the post-office cancellation mark on the envelope or wrapper containing the report or payment is omitted or is not legible or if the report or payment is not received by the department and if the sender establishes to the satisfaction of the department that the report or payment was deposited in the United States mail on or before the date due for filing.

(2) If the date for filing any report or payment required to be filed with the department by ORS 825.474, 825.476, 825.480, 825.484, 825.488, 825.490, 825.492, 825.494 and 825.496 falls on a Saturday, Sunday or legal holiday, a filing shall be considered timely if made on the next business day.

(3) Notwithstanding the provisions of subsection (1)(a) of this section, a report or payment that is required to be filed with the department by ORS 825.474, 825.476, 825.480, 825.484, 825.488, 825.490, 825.492, 825.494 and 825.496 and that is filed by a person whose certificate or permit is suspended under ORS 825.139 (1)(a) for delinquent reporting or paying shall be considered filed on the date it is received by the department. (1) In addition to other fees and taxes imposed by law upon carriers, there shall be assessed against and collected from every carrier a tax for the use of the highways, to apply to the cost of administration of this chapter and for the maintenance, operation, construction and reconstruction of public highways.

(2) The tax rate which shall apply to each motor vehicle shall be based upon the declared combined weight of the motor vehicle and in accordance with the weight group tax rates as shown in the tables set forth in ORS 825.476.

(3) For the purpose of computing the tax due:

(a) Table “A” applies to motor vehicles subject to the tax imposed by this section that are not issued an annual variance permit under ORS 818.200 (1)(a) to (c) to operate with a combined weight of more than 80,000 pounds.

(b) Table “B” applies to motor vehicles subject to the tax imposed by this section that are issued or required to obtain an annual variance permit under ORS 818.200 (1)(a) to (c) to operate with a combined weight of more than 80,000 pounds.

(c) The declared combined weight shall be the combined weight, as defined in ORS 825.005, declared in the application for authority under ORS 825.100, subject to audit and approval by the Department of Transportation.

(d) In addition to any tax due under this chapter, motor vehicles that exceed the maximum vehicle weight limits for annual variance permits under ORS 818.200 (1)(a) to (c) are subject to the road use assessment fee imposed under ORS 818.225 for the entire motor vehicle weight, minus the road use assessment fee for the maximum vehicle weight allowed under the annual variance permit.

(4) The tax for each motor vehicle when table “A” or “B” is used shall be computed by multiplying the extreme mileage of travel in Oregon by the appropriate weight group tax rate as it appears in the table. [Formerly 767.815]

The Department of Transportation and the Oregon Transportation Commission shall review the flat fee rates established under ORS 825.480 each even-numbered year and shall recommend to the next following odd-numbered year regular session of the Legislative Assembly any adjustments to the flat fee rates that the department and the commission deem appropriate. [1989 c.992 §28; 2011 c.545 §67]

Note: 825.482 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 825 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

(1) The fees or taxes listed in ORS 825.474, 825.476 and 825.480 shall be in addition to, and not in lieu of, other fees and taxes of the state, county or municipality which may be imposed, levied, assessed or collected against the business or property of such carrier. This section does not authorize the imposition of license fees by municipalities upon intercity carriers, or deprive any city within which a passenger motor vehicle, having a seating capacity of not more than seven passengers, is principally operated for hire, from imposing and collecting license fees upon and from such motor vehicle, or the owner or operator thereof, as to such portion of its operations as are wholly within the corporate limits of such city.

(2) ORS 319.510 to 319.880 do not apply to vehicles or fuels used therein when the vehicles are subject to, and report and pay:

(b) The road use assessment fee required under ORS 818.225.

(3) When an audit of the operations of a carrier shows that the use fuel taxes reported and paid under ORS chapter 319 should have been reported and paid under this chapter, or that fees or taxes reported and paid under this chapter should have been reported and paid under ORS chapter 319, the fees or taxes erroneously reported and paid under one chapter need not be refunded but may be considered an offset of fees or taxes due under the other chapter. [Formerly 767.580; 2015 c.77 §3]

825.486 Credit for fuel tax. Any tax paid under ORS 319.010 to 319.430 or 319.510 to 319.880 on motor vehicle fuel or fuel as defined in ORS 319.520, either directly by the collection of the tax by the vendor from the consumer or indirectly by adding the amount of the tax to the price of the fuel paid by the
customer, is a credit against the amount of tax otherwise due and payable to the state under ORS 818.225, 825.474, 825.476 and 825.480. A credit under this section shall be allowed when the person claiming the credit submits to the Department of Transportation:

(1) A report under ORS 825.480, 825.490 or 825.492; and

(2) Satisfactory evidence along with the report showing the amount of tax paid by the person under ORS 319.010 to 319.430 or 319.510 to 319.880 during the period reported.

[Formerly 767.835]

825.490 Due date of taxes and fees; penalty; deficiency assessments; refund of overpayment; limitation on audit. However, taxes and fees incurred after the 15th day of any month may be reported and paid to the department on or before the last day of the second calendar month following the month in which the taxes or fees were incurred. If no taxes or fees are due in any reporting period, the report shall so state. If payment is not made on or before the date it is due, there shall be added as a late payment charge a sum equal to 10 percent of the unpaid amount of the tax.

(2) The department may permit a person to report and pay motor carrier taxes and fees on a periodic basis other than the calendar-month basis prescribed in subsection (1) of this section, provided that the number of reporting periods in any 12-month period is not less than 12. If no taxes or fees are due in any reporting period, the report shall so state. If payment is not made on or before the date it is due, there shall be added as a late payment charge a sum equal to 10 percent of the unpaid amount of the tax.

(3) Whenever practicable, and in no event later than three years after any report of taxes or fees is filed, the department shall audit the report if the department deems such audit practicable. If the department is not satisfied with the report filed or amount of taxes or fees, including fees for temporary passes required under ORS 825.470, paid to the state by any person, the department may, not later than three years after the report was filed or the taxes or fees were paid, make a proposed assessment of additional taxes or fees due from such person based upon any information available to the department. There shall be added to each such assessment, as a late payment charge, a sum equal to 10 percent of the amount of additional taxes or fees due.

(4) Every such additional assessment shall bear interest at the rate of one percent per month, or fraction thereof, from the last day of the month following the close of the month for which the additional assessment is imposed until paid.

(5) If the additional assessment imposed exceeds by at least five percent but not more than 15 percent the amount of taxes or fees reported or paid, a penalty of five percent of the amount of the additional assessment shall be added thereto in addition to the 10 percent late payment charge provided in subsection (3) of this section.

(6) If the additional assessment imposed exceeds by more than 15 percent the amount of taxes or fees reported or paid, a penalty of 20 percent of the amount of the additional assessment shall be added thereto in addition to the 10 percent late payment charge provided in subsection (3) of this section.

(7) The department shall give to the person concerned written notice of such additional assessment.

(8) Except as provided in ORS 825.484 (3), the department shall refund to any person the amount of any overpayment caused by any incorrect report.

(9) Whenever the department has made an assessment pursuant to this section that has become final the department may not reopen or reassess such taxes, interest or penalties unless the department is satisfied that the taxpayer fraudulently or with intent to evade taxation destroyed, concealed or withheld any books, accounts, papers, records or memoranda required to be maintained by the taxpayer pursuant to this chapter or the rules of the department. [Formerly 767.840; 2007 c.71 §246]

825.492 Annual and quarterly reports authorized. (1) Whenever in the judgment of the Department of Transportation the estimated annual tax payable by a carrier will be less than $100, and the vehicles operated by the carrier are of less than 30,000 pounds combined weight, the department may authorize the carrier to file reports annually in lieu of monthly reports required by ORS 825.490 and 825.515. Annual reports and accompanying remittances shall be filed on or before the due date of February 28 for the preceding calendar year.
At the request of a motor carrier, the department may authorize the carrier to file quarterly reports in lieu of monthly reports required by ORS 825.490 and 825.515. Quarterly reports and accompanying remittances due shall be filed on or before the due date as follows: First calendar quarter, May 31; second quarter, August 31; third quarter, November 30; fourth quarter, February 28.

Such authorizations may be withdrawn at any time upon the mailing of notice to the carrier at the last address of record of the carrier with the department. Any provisions of ORS 825.490 and 825.515 otherwise applicable to reports and remittances shall be applicable to reports and remittances under this section. [Formerly 767.845; 2001 c.567 §11]

Assessment by department upon failure to report tax or fee due. (1) If any person neglects or refuses to make a fee or tax report as required by this chapter, the Department of Transportation shall make a proposed assessment, based upon any information available to the department, for the period for which such person failed to make a report, of the amount of taxes and fees, including fees for temporary passes required under ORS 825.470, due for the period for which such proposed assessment is made.

(2) Each assessment shall bear interest at the rate of one percent per month, or fraction thereof, from the last day of the month following the close of the month for which the assessment is imposed until paid.

(3) There shall be added to every such assessment a penalty of 25 percent of the amount thereof.

(4) The department shall give to such person written notice of such assessment.

(5) Whenever the department has made an assessment pursuant to this section that has become final the department may not reopen or reassess such taxes, fees, interest or penalties unless the department is satisfied that the taxpayer fraudulently or with intent to evade taxation destroyed, concealed or withheld any books, accounts, papers, records or memoranda required to be maintained by a person subject to this chapter or the rules of the department. If a petition is not filed within the 30-day period, the assessment becomes final. If a petition for reassessment is filed within the 30-day period the department shall reconsider the assessment and, if the person has requested in the petition, shall grant such person a hearing and give the person 10 days’ notice of the time and place of the hearing. The department has power to continue the hearing from time to time as may be necessary. The decision of the department upon a petition for reassessment shall become final 30 days after service of notice upon the person concerned.

(2) The department may waive or reduce the interest and penalties provided in ORS 825.490 (1) to (6) or 825.494 (2) or (3) on those terms as the department considers proper if request for waiver or reduction is made within 30 days after service of notice of assessment upon the person concerned, or as part of the pleas made in the department’s reconsideration of the assessment.

(3) Every assessment made by the department under ORS 825.490 to 825.496 becomes due and payable at the time it becomes final and if not paid to the department when due and payable there shall be added to the assessment a penalty of 10 percent of the amount of the tax.

(4) If any person who has requested a hearing pursuant to this section fails to appear at the scheduled hearing and failed to withdraw the petition for reassessment at least five days before the date of the hearing, the department may require such person to pay a charge of $150 in addition to any other fees, taxes and charges which may be imposed under this chapter. [Formerly 767.860]

(1) Interest and penalties for delinquent payments of road use assessment fees payable pursuant to the provisions of ORS 818.225 and of single-trip nondivisible load permits shall be calculated in the same manner that interest and penalties are calculated under ORS 825.490 and 825.494.
(2) An audit conducted by the Department of Transportation pursuant to its authority under this chapter may include an examination of records of the carrier pertaining to the road use assessment fee imposed under ORS 818.225. If the audit shows that movement by a carrier exceeds the mileage authorized by a single-trip nondivisible load permit, the department shall determine the amount of the road use assessment fee that is due. The department shall collect the amount due and may impose any penalties or additional assessments authorized by this chapter for delinquent payment of taxes. [Formerly 767.862; 1997 c.275 §28]

(2) The department may adopt any rules the department deems necessary to effectuate and administer the provisions of an agreement entered into under this section. Nothing in an agreement shall affect the right of the department to adopt rules as described in this section.

(3) An agreement shall be in writing and shall be filed with the department within 10 days after execution or the effective date of the agreement, whichever is later.

(4) Nothing in an agreement shall affect the right of the department to act under this section.

(k) Authorize the department to suspend or cancel benefits under the agreement for any person who violates any term or condition of the agreement or any law or rule of this state relating to motor carriers or vehicles.

(L) Contain such other provisions as will facilitate the agreement.

(3) An agreement may not provide for any benefit, exemption or privilege with respect to any fees or taxes levied or assessed against the use of highways or use or ownership of vehicles except for motor fuel taxes and requirements related to motor fuel taxes.

(4) The department may adopt any rules the department deems necessary to effectuate and administer the provisions of an agreement entered into under this section. Nothing in the agreement shall affect the right of the department to adopt rules as provided in ORS chapter 823 and this chapter.

(5) An agreement shall be in writing and shall be filed with the department within 10 days after execution or on the effective date of the agreement, whichever is later.

(6) The department shall adopt rules establishing an annual fee to be paid by each motor carrier receiving benefits from an agreement entered into under this section. In establishing fees, the department shall consider the size of the motor carrier's fleet. 825.600 Purpose of ORS 825.601 to 825.615. The purpose of ORS 825.601 to 825.615 is to reduce greenhouse gas and other emissions from the use of commercial vehicles, as defined in ORS 825.601. [2011 c.349 §2]

Note: 825.600 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 825 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

825.601 Definitions. As used in ORS 825.601 to 825.615:

(1) “Auxiliary power unit” means any device that is installed on a commercial vehicle that provides electrical, mechanical or thermal energy to the vehicle cab, a sleeper berth, a bus passenger compartment or any other vehicle cab, as an alternative to idling the primary engine.

(2) “Cargo temperature control unit” means any device used for controlling the temperature of a cargo transport area.

(3) “Commercial vehicle” means a commercial vehicle with a gross vehicle weight rating that is greater than 10,000 pounds.

(4) “Idle reduction technology” means any device or system of devices that is installed on a commercial vehicle and that is designed to provide heat, air conditioning or electricity that would otherwise require the operation of the primary engine.

(5) “Idling” means operation of the primary engine of a commercial vehicle while the vehicle is stationary.

(6) “Primary engine” means an internal combustion engine attached to a commercial vehicle that provides the power to propel the vehicle into motion and maintain motion. [2011 c.349 §3]

Note: 825.601 to 825.615 were added to and made a part of the Oregon Vehicle Code by legislative action but were not added to ORS chapter 825 or any series therein. See Preface to Oregon Revised Statutes for further explanation.

825.605 Unlawfully idling the primary engine of a commercial vehicle; penalty. (1) A person commits the offense of unlawfully idling the primary engine of a commercial vehicle if the person is operating a commercial vehicle and the person:

(a) Stops the commercial vehicle; and

(b) Allows the engine of the commercial vehicle to idle for more than five minutes in any continuous 60-minute period.

(2) For purposes of this section, a person is not idling a primary engine if the person:

(a) Operates an auxiliary power unit, generator set or other idle reduction technology as a means to heat, air condition or provide electrical power.

(b) Operates a cargo temperature control unit to maintain the cargo.

(3) A citation issued under this section may be issued to the person operating the commercial vehicle, the motor carrier as defined in ORS 825.005, or both.

(4) The offense described in this section, unlawfully idling the primary engine of a commercial vehicle, applies on any premises open to the public.

(5) The offense described in this section, unlawfully idling the primary engine of a commercial vehicle, is a Class C traffic violation. [2011 c.349 §4]

Note: See note under 825.601.

825.610 Exemptions from requirements in ORS 825.605. ORS 825.605 does not apply to a commercial vehicle if it is necessary to idle the primary engine of the commercial vehicle.
(1) Due to traffic, a traffic control device or mechanical difficulties over which the operator has no control or at the direction of a law enforcement official or road authority.

(2) Due to the need to operate defrosters, heaters or air conditioners or installing equipment necessary to comply with manufacturers’ operating requirements, specifications and warranties or with federal, state or local safety regulations.

(3) Because the commercial vehicle is a police, fire, ambulance, public safety, military, utility service or road authority vehicle, or any other vehicle being used to respond to an emergency or for other public safety purposes, or being actively used for training for emergencies or public safety.

(4) For maintenance, service, repair or diagnostic purposes or for particulate matter trap regeneration.

(5) For a state or federal inspection to verify that all equipment is in good working order.

(6) To power work-related mechanical, safety, electrical or construction equipment installed on the vehicle that is not used for propulsion.

(7) Because the commercial vehicle is an armored vehicle and a person must remain inside the vehicle to guard the contents or while the vehicle is being loaded or unloaded.

(8) To maintain the comfort of commercial bus passengers while passengers are on board.

(9) In a commercial vehicle with a gross weight rating of more than 26,000 pounds, for purposes of air conditioning or heating while waiting to load or unload the commercial vehicle or while actually loading or unloading the commercial vehicle, and the outside temperature is less than 50 degrees or greater than 75 degrees Fahrenheit at any time during the rest or sleep period. This subsection applies to a commercial vehicle with a sleeper berth compartment that is parked in any place that a commercial vehicle is legally permitted to park, including, but not limited to, a fleet trucking terminal, commercial vehicle stop or designated rest area. This exemption does not apply if the commercial vehicle is equipped with an auxiliary power unit or other suitable idle reduction technology, if the commercial vehicle is parked at a location equipped with suitable stationary idle reduction technology that is available for use, or during a rest or sleep period when the commercial vehicle is parked on or adjacent to a public or private educational institution offering education in all or part of kindergarten through grade 12, unless the outside temperature is greater than 75 degrees Fahrenheit and the auxiliary power unit provides heating only, in which case the person may idle the primary engine to provide air conditioning.

(10) In a commercial vehicle with a gross vehicle weight rating of more than 26,000 pounds, for purposes of air conditioning or heating while waiting to load or unload the commercial vehicle or while actually loading or unloading the commercial vehicle, and the outside temperature is less than 50 degrees or greater than 75 degrees Fahrenheit at the time. This exemption does not apply if the commercial vehicle is equipped with an auxiliary power unit or other suitable idle reduction technology, or if the commercial vehicle is parked at a location equipped with suitable stationary idle reduction technology that is available for use, unless the outside temperature is greater than 75 degrees Fahrenheit and the auxiliary power unit provides heating only, in which case the person may idle the primary engine to provide air conditioning.

(11) For a maximum of 30 minutes while waiting to load or unload the commercial vehicle or while actually loading or unloading the commercial vehicle during a single loading or unloading event. [2011 c.349 §5]

Note: See note under 825.601.

825.615 Preemption of local regulation of idling; exception. (1) The authority to regulate the idling of primary engines in commercial vehicles is vested solely in the Legislative Assembly. A city, county or other local government may not enact any charter provision, ordinance, resolution or other provision regulating the idling of primary engines in commercial vehicles.

(2) Notwithstanding subsection (1) of this section, a city, county or other local government may enforce any charter provision, ordinance, resolution or other provision regulating the idling of primary engines in commercial vehicles.

(7) Any motor carrier of household goods found to have assessed charges for transportation service more than the rates that have been legally filed with and prescribed by the department shall refund the overcharges to the persons from whom collected. (3) Civil penalties under this section shall be imposed in the manner provided in ORS 183.745.

826.001 Definitions. As used in this chapter:

(1) “Combined weight” means the total empty weight of all vehicles in a combination plus the total weight of the load carried on that combination of vehicles.

(2) “Commercial vehicle” means a vehicle that:

(a) Is used for the transportation of persons for compensation or profit; or

(b) Is designed or used primarily for the transportation of property.

(3) “Department” means the Department of Transportation. [Formerly 768.001]

826.003 Rules. The Department of Transportation may adopt rules regarding registration records for vehicles registered under this chapter. [1995 c.733 §82b]

826.005 Authority for reciprocal registration agreements; permitted provisions; requirements; limitations. (1) The Department of Transportation may enter into agreements with the duly authorized representatives of any jurisdiction that issues registration to establish reciprocal privileges or registration exemptions for vehicles as described in this section. An agreement entered into by the department under the authority granted by this section may establish exemptions from proportional registration fees.

(2) An agreement shall only grant the privileges, benefits and exemptions to a vehicle or the registrant of a vehicle if the vehicle is any of the following:

(a) Registered in the jurisdiction where the person registering the vehicle has a legal residence.

(b) A commercial vehicle registered in a jurisdiction where the commercial enterprise in which the vehicle is used has a place of business. To qualify under this paragraph, the vehicle must be assigned to the place of business and the place of business must be the place from which or in which the vehicle is most frequently dispatched, garaged, serviced, maintained, operated or otherwise controlled.

(c) A commercial vehicle registered in a jurisdiction where the vehicle has been registered because of an agreement between two jurisdictions or a declaration issued by any jurisdiction.

(3) An agreement shall retain the right of the department to make the final determination as to the proper place of registration of a vehicle when there is a dispute or doubt concerning the proper place of registration. An agreement shall retain the right of the department to confer with the departments of other jurisdictions affected when making a determination under this subsection.

(4) An agreement shall not provide for any benefit, exemption or privilege with respect to fuel taxes, use fuel taxes, weight mile taxes or any other fees or taxes levied or assessed against the use of highways or use or ownership of vehicles except registration taxes, fees and requirements.

(5) An agreement must provide that any vehicle registered in this state will receive a similar kind or degree of exemptions, benefits and privileges when operated in another jurisdiction that is party to the agreement as vehicles registered in the other jurisdiction receive when operated in this state.

(6) An agreement, in the judgment of the department, shall be in the best interest of this state and its citizens, shall be fair and equitable to this state and its citizens and shall be determined on the basis and recognition of benefits that accrue to the economy of this state from the uninterrupted flow of commerce.

(7) An agreement may authorize a vehicle that would otherwise be required to be registered in one jurisdiction to be registered in another jurisdiction without losing any benefit, exemption or privilege under the agreement if the vehicle is operated from a base located in the other jurisdiction.

(8) An agreement may allow the lessee or lessor of a vehicle, subject to the terms and conditions of the lease, to receive benefits, exemptions and privileges under the agreement.

(9) An agreement may authorize the department to suspend or cancel any exceptions, benefits or privileges granted to any person under the agreement if the person violates any of the terms or conditions of the agreement or violates any law or rule of this state relating to vehicles.

(10) All agreements shall be in writing and filed with the department within 10 days after execution or the effective date of the agreement, whichever is later.

(11) An agreement may be a limited type agreement with any state bordering this state as described in this subsection. An agreement described under this subsection is subject to all of the following:

(a) The benefits, exemptions and privileges under the agreement shall only be extended to vehicles or a class of vehicles as specified in the agreement.

(b) The agreement shall be applicable only within an area in each state that is situated along the boundary between the states and that is substantially equal in size.
(c) The usage permitted of the vehicles in the two areas shall be as substantially equal as may be practicable.

(d) The areas and usage subject to the agreement shall be described in the agreement.

(e) Proportional registration shall not be required under the agreement.

(f) The agreement shall comply with other mandatory provisions of this section and may contain any other provisions described under this section.

(g) A vehicle operating under the agreement may be required to obtain a permit under ORS 803.610.

(12) An agreement may require the display or submission of evidence of registration for any vehicle operating under the agreement. [Formerly 768.003]

826.007 Authority for proportional registration agreements; permitted provisions; requirements; limitations; rules.
The Department of Transportation may enter into agreements with the duly authorized representatives of any jurisdiction that issues out-of-state registration to provide for proportional registration of vehicles and for the apportionment of registration fees and other fixed fees and taxes on vehicles proportionally registered in this state and the other jurisdiction. All of the following apply to an agreement established under authority granted by this section:

(1) An agreement may provide proportional registration only for commercial vehicles that are engaged in interjurisdictional commerce or combined interjurisdictional and intrajurisdictional commerce.

(2) An agreement may provide for proportional registration for vehicles individually or in fleets but must comply with the requirements for proportional registration under ORS 826.009 for all proportionally registered vehicles and with the requirements under ORS 826.011 for all proportionally registered fleets.

(3) An agreement may include provisions necessary to facilitate the administration of proportional registration.

(4) Any apportionment of registration fees and other fixed vehicle fees or taxes may be made on a basis commensurate with and determined on the miles traveled on and use made of the highways of this state as compared with the miles traveled on and use made of other jurisdictions’ highways, or may be made on any other equitable basis of apportionment.

(5) No agreement shall contain any provision that requires a vehicle to be proportionally registered if the vehicle is:

(a) Registered by this state;

(b) Operating in this state under any vehicle permit that allows operation of an unregistered vehicle; or

(c) Legally operated in this state under an exemption provided under ORS 803.305.

(6) Nothing in an agreement shall affect the right of the department to adopt rules as described in this subsection. The department may adopt any rules the department deems necessary to effectuate and administer the provisions of the agreement.

(7) An agreement shall only provide for proportional registration of vehicles if the vehicle is any of the following:

(a) Registered in the jurisdiction where the person registering the vehicle has a legal residence.

(b) Registered in a jurisdiction where the commercial enterprise in which the vehicle is used has a place of business where the vehicle has been assigned and from which or in which the vehicle is most frequently dispatched, garaged, serviced, maintained, operated or otherwise controlled.

(c) Registered in a jurisdiction where the vehicle has been registered because of an agreement between two jurisdictions or a declaration issued by any jurisdiction.

(8) An agreement shall retain the right of the department to make the final determination as to the proper place of registration of a vehicle when there is a dispute or doubt concerning the proper place of registration. An agreement shall retain the right of the department to confer with the departments of other jurisdictions affected when making a determination under this subsection.

(9) An agreement may provide that the department may deny any person further benefits under the agreement until all fees or taxes have been paid if the department determines that the person should have proportionally registered more vehicles in this state or paid additional fees or taxes on vehicles proportionally registered in this state.

(10) An agreement may provide for arrangements with agencies of this state or other jurisdictions for joint audits of registrants of proportionally registered vehicles and for the exchange of audit information on persons who have proportionally registered vehicles.

(11) An agreement may authorize a vehicle that would otherwise be required to be registered in one jurisdiction to be registered in another jurisdiction without losing any benefits under the agreement if the vehicle is operated from a base located in the other jurisdiction.
(12) An agreement may allow the lessee or lessor of a vehicle, subject to the terms and conditions of the lease, to receive benefits of proportional registration under the agreement.

(13) An agreement may authorize the department to suspend or cancel any benefits under the agreement if the person violates any of the terms or conditions of the agreement or violates any law or rule of this state relating to vehicles.

(14) All agreements shall be in writing and shall be filed with the department within 10 days after execution or the effective date of the agreement, whichever is later.

(15) Vehicles that are proportionally registered under an agreement, whether individually or in a fleet, are fully registered in this state for purposes of ORS 803.300 and any other portion of the vehicle code and are accorded the same privileges and duties as other vehicles registered in this state even though the vehicle may have primary registration in some other jurisdiction. This subsection does not grant authority required for intrastate movement where such authority is required under ORS chapter 825. Such authority must be granted in accordance with ORS chapter 825.

(16) An agreement may only provide the benefits of proportional registration to a vehicle that is registered either proportionally or otherwise in at least one other jurisdiction in addition to this one.

(17) Nothing in an agreement shall affect the right of the department to act under this subsection. The department may refuse to issue proportional registration in this state for vehicles from jurisdictions that do not grant similar privileges for vehicles from this state.

(18) An agreement shall not provide for any benefit, exemption or privilege with respect to fuel taxes, use fuel taxes, weight mile taxes or any other fees or taxes levied or assessed against the use of highways or use or ownership of vehicles except registration taxes, fees and requirements.

(19) An agreement may control the requirements for type, manner of display, number and other provisions relating to registration plates, registration cards or other proof of registration for vehicles that are subject to the agreement. [Formerly 768.005]

826.008 Certain records not public. (1) The following are not public records unless the public interest requires disclosure in the particular instance:

(a) Mileage information required to be filed with the Department of Transportation under agreements authorized by ORS 826.007.

(b) Information collected by the department from a motor carrier for the purpose of conducting an audit under an agreement authorized by ORS 826.007.

(2) A motor carrier to whom the information pertains, or a person who has written permission from the carrier, may inspect information described in subsection (1) of this section.

(3) The department, upon request or as required by law, shall disclose information from the records described in subsection (1) of this section to a government agency for use in carrying out its governmental functions. [1997 c.501 §4]

826.009 Proportional registration of commercial vehicles. Proportional registration allows commercial vehicles to comply with registration requirements of more than one jurisdiction and to have registration fees, taxes or other fixed fees apportioned among the jurisdictions in which the vehicles are being operated. A vehicle may be registered under proportional registration if the vehicle qualifies for proportional registration under an agreement entered into under ORS 826.007. If a vehicle is going to be proportionally registered as part of a fleet, ORS 826.011 must be complied with in addition to this section. A vehicle is registered in this state if the vehicle is proportionally registered under this section. The following apply to proportional registration:

(1) The terms of an agreement established under ORS 826.007 control all of the provisions of proportional registration, including but not limited to the following, except as otherwise provided by this section:

(a) Qualification.

(b) Apportionment of fees, taxes and other fixed fees.

(c) Application and information required.

(d) Requirements for type, manner of display, number or any other provision relating to registration plates, registration cards and other proof of registration.

(e) Any other provision relating to the registration of proportionally registered vehicles.

(2) When initially registered, the registration fees for vehicles registered under this section may be reduced according to the schedule provided under ORS 826.021.

(3) The registration period for proportionally registered vehicles is a period of four consecutive quarters. The period begins on the first day of any calendar quarter and ends on the last day of the fourth consecutive quarter. All vehicles within a proportionally registered fleet shall be registered for the same registration period. Each car-
rrier may select the calendar quarter in which the registration will begin except that, if necessary for administrative convenience, the Department of Transportation may require a carrier to adopt a registration year chosen by the department.

(4) The department may issue appropriate registration cards, stickers, permits, tabs, plates or other suitable identification devices the department considers convenient for proportionally registered vehicles. The fees for such stickers, permits, tabs or plates are as provided under ORS 826.023.

(5) Any applicant whose application for proportional registration under this section has been accepted by the department shall preserve the records on which the application is based for a period of four years following the year or the period upon which said application is based. Upon request of the department, the applicant shall make such records available to the department at its office for audit as to accuracy of mileage, number of vehicles, weights, computations and payment of fees or shall pay the reasonable costs of an audit at the home office of the applicant by a duly appointed representative of the department. An applicant shall comply with any audit provisions under the agreement allowing the registration.

(6) If a provision concerning the registration of vehicles is not provided under the agreement or under this section, provisions of the vehicle code applicable to registration shall be applicable to proportionally registered vehicles.

(7) If a vehicle qualifies for proportional registration, the department may issue temporary proportional registration permits under ORS 826.029 to allow operation of the vehicles pending issuance of evidence of proportional registration.

(8) The department may allow a carrier to operate on expired registration plates and registration for up to one extra quarter if the renewal application has been submitted and the required fees for registration have been paid or before the last day of the registration period for the vehicles. The extension of time allowed by this subsection shall be granted only if the department determines that the extension is necessary for the administrative convenience of the department.

(9) Vehicles registered and identified under this section shall be deemed to be fully registered in this state for any type of movement or operation, except that in these instances in which a grant of authority is required for intrastate movement or operation, no such vehicle shall be operated in intrastate commerce in this state unless the owner thereof has been granted intrastate authority or right by the department and unless said vehicle is being operated in conformity with such authority and rights.

(10) Registration cards may be issued for proportionally registered vehicles. Registration cards issued for proportionally registered vehicles shall be carried on the vehicle at all times or, in the case of a combination of vehicles, the registration card for a trailer may be carried in the vehicle supplying the motive power.

(11) In accordance with provisions of the agreement establishing proportional registration, the department may suspend or cancel the exemptions, benefits or privileges granted thereunder to a person who violates any of the conditions or terms of such agreements or arrangements or who violates the laws of this state relating to vehicles or regulations lawfully promulgated thereunder.

(12) A vehicle may be registered under this section prior to issuance of a certificate of title for the vehicle. [Formerly 768.007]

826.010 Quarterly payment of registration fees for vehicles registered under ORS 826.009. (1) Registration fees for commercial vehicles registered under the proportional registration provisions of ORS 826.009 may be paid quarterly provided that:

(a) The amount of Oregon apportioned registration fees for the carrier exceeds $1,000 per year; and

(b) The registration fees are paid in equal quarterly installments.

(2) A carrier that pays in quarterly installments under this section shall pay a $4 administrative processing fee with the first quarter payment for each year that the carrier pays in quarterly installments.

(3) Authorization for quarterly payment does not affect the registration period specified in ORS 826.009. [2006 c.618 §33]

826.011 Proportional fleet registration. Any registrant of a fleet of commercial vehicles that are operated in this state and in other jurisdictions may register the fleet under a proportional fleet registration under this section in lieu of registering the vehicles as provided under the vehicle code if the fleet qualifies for proportional fleet registration under this section. Proportional fleet registration allows fleets of commercial vehicles to comply with registration requirements of more than one jurisdiction and to have registration fees, taxes or other fixed fees apportioned among the jurisdictions in which vehicles from the fleet are being operated.

The following apply to proportional fleet registration:

(1) A vehicle may be registered under proportional fleet registration if the vehicle qualifies for proportional registration under
an agreement entered into under ORS 826.007 and if the vehicle is part of a fleet that qualifies under this section.

(2) Except as provided in this section, the terms of an agreement established under ORS 826.007 and the provisions of ORS 826.009 control all of the provisions of proportional fleet registration, including but not limited to, the following:

(a) Qualification.
(b) Apportionment of fees, taxes and other fixed fees.
(c) Application and information required.
(d) Requirements for type, manner of display, number or any other provision relating to registration plates, registration cards and other proof of registration.
(e) Any other provision relating to the registration or titling of proportionally registered vehicles.

(3) In order to register vehicles under proportional fleet registration under this section, the vehicles must be part of a fleet that includes one or more commercial vehicles as designated by the Department of Transportation.

(4) The initial application for proportional fleet registration shall be completed according to interstate agreements or administrative rules.

(5) The department may issue any distinctive proof of registration under this section the department considers convenient. The fee for the issuance of plates, stickers or other suitable identification for proportionally registered fleets is as provided under ORS 826.023.

(6) Vehicles acquired by the registrant after the commencement of the registration period and subsequently added to a proportionally registered fleet shall be proportionally registered according to interstate agreements or administrative rules.

(7) If any vehicle is withdrawn from a proportionally registered fleet the registrant of a proportionally registered fleet the right of any further benefits under proportional registration if the department determines that the person should have prorated more vehicles in this state. The denial under this subsection may continue until the fees for such additional vehicle or vehicles that have been prorated have been paid. [Formerly 768.009]

826.013 Registration weight. (1) Vehicles registered under ORS 826.009, 826.011 or 826.031 are required to establish a registration weight.

(2) Registration weight is established for the following purposes:

(a) The registration weight is the weight used in the declaration of weight under ORS 826.015 to determine the registration fees under ORS 826.017 and ORS 803.420 for vehicles required to establish registration weight under this section.

(b) A vehicle that is required to establish registration weight by this section is in violation of ORS 803.315 if the vehicle is operated on a highway of this state at a weight in excess of the registration weight except when carrying a load:

(A) Under the provisions of ORS 376.305 to 376.390;

(B) Of over 105,500 pounds combined weight under a variance permit issued under ORS 818.200;

(C) Under a registration weight trip permit issued under ORS 803.600; or

(D) Consisting of towed motor vehicles.

(3) Registration weight is established at the time of registration and whenever the vehicle has been altered or reconstructed by furnishing a declaration of weight described under ORS 826.015 that contains a statement of the maximum combined gross weight at which the vehicle will be operated on the highways of this state except when carrying loads described under subsection (2)(b) of this section. The maximum registration weight for any vehicle required to establish a registration weight under this section is 105,500 pounds. Vehicles operating at weights above 105,500 pounds will operate under a variance permit issued under ORS 818.200.

(4) The weight of a camper, a trailing manufactured structure or the following trailing vehicles should not be included in the registration weight:

(a) Trailers with a loaded weight of 8,000 pounds or less.

(b) Special use trailers, travel trailers and fixed load vehicles.

(c) Towed motor vehicles. [Formerly 768.011; 2003 c.655 §142]
826.015 Declaration of weight. (1) For vehicles registered under ORS 826.031 or under proportional registration pursuant to ORS 826.009 or 826.011, the declaration of weight shall contain the combined weight of the vehicle.

(2) For commercial buses, the declaration of weight shall contain the unloaded weight of the vehicle plus the unloaded weight of any bus trailer to be used in combination with the vehicle. The declaration shall also indicate the number of persons, including the driver, to be carried in the vehicle, plus the number of persons to be carried on any bus trailer to be used in combination with the vehicle. [Formerly 768.013; 2017 c.45 §4]

826.017 Registration fees for proportionally registered vehicles. Registration fees for vehicles registered under ORS 826.009, 826.011 or 826.031 are as provided in ORS 803.420 for vehicles of the same class. The fees are for an entire registration period and are payable when a vehicle is registered and upon renewal of registration. The Department of Transportation shall apportion any fee under this section to reflect the number of quarters registered. [Formerly 768.015]

826.019 International Registration Plan fee. (1) In addition to any other fee collected for registration, the Department of Transportation shall collect an International Registration Plan fee from each applicant for proportional registration under this chapter.

(2) The amount of the fee required by this section shall be calculated annually by the department. The total fees collected by the department under this section may not exceed the amount of any annual fee for membership in the International Registration Plan. The department shall determine the amount to be paid by each applicant by dividing the amount of any membership fee by the total number of applications for proportional registration submitted in the previous calendar year.

(3) Fees collected under this section shall be used to pay any membership fees required by the International Registration Plan agreement so long as the state is a signatory to the agreement. [1995 c.145 §2; 2017 c.750 §70]

826.021 Proration of fees for proportionally registered vehicles; adjustment of fees and registration periods by department; rules. (1) For vehicles that are initially registered under proportional registration under ORS 826.009 or 826.011, the Department of Transportation shall prorate the fees as provided in this subsection according to the registration period elected by the registrant and approved by the department for the vehicle or fleet of vehicles. The proration of fees under this subsection shall be as follows except that in no case shall the fee on which Oregon fees are based be less than $10:

(a) If the vehicle is registered after the expiration of the first quarter of the registration period, three-fourths of the fees shall be used to determine the Oregon fees.

(b) If the vehicle is registered after the expiration of the first half of the registration period, one-half of the fees shall be used to determine the Oregon fees.

(c) If the vehicle is registered after the expiration of three-fourths of the registration period, one-fourth of the fees shall be used to determine the Oregon fees.

(2) The department, by rule, may adjust registration fees or registration periods for a vehicle, as is administratively convenient for the department, if:

(a) The vehicle is changed from one type of registration to another type; or

(b) Any other change relating to the registration of the vehicle is made where it would be administratively convenient for the department to make such adjustments. [Formerly 768.017]

826.023 Fees for cards, plates and stickers. (1) The fee for issuance of a duplicate or replacement registration card is $3.

(2) The fee for issuance of each original, replacement or duplicate registration plate is $3 and includes a registration card and sticker.

(3) The fee for renewal of a registration plate is $3 and includes a registration card and sticker.

(4) The fee for issuance of replacement registration stickers is $3.

(5) If a second plate is required for one vehicle, the fee for the plate or for a sticker for the plate is $3. [Formerly 768.021; 2003 c.753 §2; 2017 c.750 §70]

826.025 Duplicate or replacement registration cards. The Department of Transportation may issue a duplicate or replacement registration card when:

(1) The department receives an application indicating the loss, mutilation or destruction of a registration card; and

(2) The fee for issuance of a duplicate or replacement card under ORS 826.023 is paid to the department. [Formerly 768.023]

826.027 Transfer of registration; withdrawal of vehicle from fleet. (1) The registrant of a vehicle which is proportionally registered under ORS 826.009 or 826.011 shall be permitted to transfer the registration plates from the vehicle to a like vehicle to be similarly used if the vehicle is destroyed
or permanently withdrawn from service within this state. To make a transfer of registration under this section, the registrant of the vehicle shall pay the Department of Transportation a registration transfer fee established under ORS 826.023, file a written statement indicating the withdrawal or destruction with the department and surrender the registration card for the vehicle. The department shall issue a registration card without payment of further fee. If the weight on the certificate of weight of the vehicle receiving the transferred registration exceeds that of the vehicle destroyed or withdrawn, the registrant must pay registration fees on the increased weight.

(2) If a vehicle is permanently withdrawn from a fleet that is proportionally registered under ORS 826.009 or 826.011 because it has been destroyed, sold or otherwise completely removed from the service of the registrant, the department shall provide credit for the unused portion of the fees paid according to terms of interstate agreements or in a manner defined by rule. In no event shall any such amount be subject to refund. [Formerly 768.025]

826.029 Temporary proportional registration permits. The Department of Transportation may issue temporary proportional registration permits to qualifying persons pending registration of vehicles under proportional registration under ORS 826.009 or proportional fleet registration under ORS 826.011 and issuance of appropriate identification devices. [Formerly 768.027]

826.031 Registration for certain vehicles subject to weight mile tax and not otherwise registered. (1) The owner of a vehicle that is subject to the tax imposed under ORS 825.474 and that is not registered under the proportional registration provisions of this chapter and is not registered in any other jurisdiction shall register the vehicle with the Department of Transportation if the vehicle is to be operated in this state. Registration under this section is in lieu of registration under ORS chapter 803.

(2) The department shall determine the form of application for registration and renewal of registration and may require any information that it determines necessary to facilitate the registration process.

(3) A vehicle registered under this section is subject to the insurance requirements of ORS 825.160 and to the financial responsibility requirements of ORS chapter 806. Proof of compliance with financial responsibility requirements as specified in ORS 803.460 is not required for renewal of registration of a vehicle under this section.

(4) A vehicle registered under this section shall be deemed to be fully registered in this state for any type of movement or operation, except that in those instances in which a grant of authority is required for intrastate movement or operation, no such vehicle shall be operated in intrastate commerce in this state unless the owner thereof has been granted intrastate authority or right by the department and unless the vehicle is being operated in conformity with such authority and rights.

(5) A vehicle may be registered under this section prior to a certificate of title being issued for the vehicle but nothing in this section affects any requirement that a certificate of title be issued. [Formerly 768.029; 1997 c.249 §269; 2019 c.312 §15]

826.033 Application of other registration provisions of Oregon Vehicle Code to vehicles registered under this chapter. [Formerly 768.031]

826.035 Registration identification devices and cards for vehicles registered under ORS 826.031. (1) The Department of Transportation may issue appropriate registration, stickers, plates or other suitable identification devices the department considers convenient for vehicles registered under ORS 826.031. 826.037 Annual or quarterly registration under ORS 826.031. (1) Vehicles registered under ORS 826.031 may be registered under staggered registration.

(2) For purposes of this section, staggered registration starts on the first day of any calendar quarter and runs through the last day of the last calendar quarter in the registration period. The number of calendar quarters in a registration period is elected by the vehicle owner at the time of registration except that a person may not establish a staggered registration period of more than four quarters.

(3) The Department of Transportation may allow a carrier registered under ORS 826.031 to operate on expired registration plates and registration for up to one extra quarter if the renewal application has been submitted and the required fees for registration have been paid on or before the last day of the registration period for the vehicles. The extension of time allowed by this sub-
section shall be granted only if the department determines that the extension is necessary for the administrative convenience of the department.

(4) Nothing in this section requires the department to issue registration plates that are valid for less than a one-year period. An election by a carrier to operate in nonconsecutive quarters of a four-quarter period does not by itself require the carrier to renew registration plates. [Formerly 768.035]

826.039 Refund of certain registration fees. (1) The Department of Transportation shall grant a refund of that portion of the registration fee applicable to the unexpired portion of the registration period for a vehicle described in ORS 826.031 if the vehicle is sold and:

(b) Neither the selling person if an individual nor substantially the same group of persons if a group intends to register, or within one year of the date of sale registers, an assumed business name under the provisions of ORS chapter 648 for the purpose of doing business as a motor carrier; or

(c) Neither the selling person if an individual nor substantially the same group of persons if a group intends to organize, or

within one year from the date of sale organizes, as a corporation under the provisions of ORS chapter 60 for the purpose of doing business as a motor carrier.

(2) If the department grants a refund to a person or entity that attempts to reenter business as a motor carrier within one year of the date of the sale that led to the refund, the department may refuse to issue authority to the person or entity until the amount of the refund has been repaid. [Formerly 768.037]

826.041 Agents for issuance of registration and collection of fees. The Department of Transportation may appoint agents to issue registration and to collect any fees required by this chapter. The department shall prescribe the duties and compensation of such agents and may require them to give bonds, in such amount as the department determines appropriate, conditioned upon the faithful performance of their duties. (a) Boating violations under ORS chapter 830, or any violation of rules adopted pursuant to ORS chapter 830 if the violation constitutes an offense;

(a) Make a first appearance by personally appearing in court at the time indicated in the summons; or

(b) Make a first appearance in the manner provided in subsection (3) of this section before the time indicated in the summons.

(2) If a defendant is issued a violation citation for careless driving under ORS 811.135 on which a police officer noted that the offense contributed to an accident and that the cited offense appears to have contributed to the serious physical injury or death of a vulnerable user of a public way, the officer may not enter the amount of the presumptive fine on the summons and the defendant must make a first appearance by personally appearing in court at the time indicated in the summons.

(3)(a) Except as provided in this section, a defendant who has been issued a violation citation may make a first appearance in the matter before the time indicated in the summons by one of the following means:

VIOLATIONS AND FINES

153.080 Testimony by affidavit or declaration. (1) Notwithstanding any other provision of law, the court may admit as evidence in any trial in a violation proceeding the affidavit or declaration of a witness in lieu of taking the testimony of the witness orally and in court. The authority granted under this section is subject to all of the following:

(a) Testimony may not be presented by affidavit or declaration under the provisions of this section unless the court has adopted

153.070 When trial required. The court may require that a trial be held in any violation proceeding. If the defendant requests a trial under ORS 153.061, or a trial is required by the court or by law, the court shall set a date, time and place for the trial. [1999 c.1051 §18; 2003 c.518 §1]

153.076 Conduct of trial. (1) Violation proceedings shall be tried to the court sitting without jury. The trial in a violation proceeding may not be scheduled fewer than seven days after the date that the citation is issued unless the defendant waives the seven-day period.

(a) Testimony may not be presented by affidavit or declaration under the provisions of this section unless the court has adopted
rules providing procedures for the introduction and use of testimony by affidavit or declaration.

(b) The court shall allow testimony by affidavit or declaration under this section only upon receiving a signed statement from the defendant waiving the right to have the testimony presented orally in court.

c) Testimony by affidavit or declaration under this section is not subject to objection as hearsay.

d) A statement signed by the defendant under paragraph (b) of this subsection does not constitute a waiver of trial unless the affidavit or declaration specifically so provides.

(e) Nothing in this section requires that the defendant or any other witness waive the right to appear if other testimony is introduced by affidavit or declaration as provided in this section.

(2) As used in this section, “declaration” means a declaration under penalty of perjury in the form required by ORCP 1 E. [1999 c.1051 §22; 2015 c.123 §2]

153.083 Role of peace officer. (1) The application of statutes and rules to the facts in the case;

(2) The literal meaning of the statutes or rules at issue in the case;

(3) The admissibility of evidence; and

(4) Proper procedures to be used in the trial. [1999 c.805 §1; 1999 c.805 §2; 2003 c.305 §1]

Note: 153.083 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 153 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

(Judgment)

153.090 Provisions of judgment. (1) Judgments entered under this chapter may include:

(a) Imposition of a sentence to pay a fine;

(b) Costs and restitution authorized by law;

(c) A requirement that the fine, costs and restitution, if any, be paid out of the presumptive fine;

(d) Remission of any balance of a presumptive fine to the defendant; and

(e) Any other provision authorized by law.

(2) Notwithstanding ORS 137.106, if the court orders restitution in a default judgment entered under ORS 153.102, a defendant may allege an inability to pay the full amount of monetary sanctions imposed, including restitution, and request a hearing to determine whether the defendant is unable to pay or to establish a payment schedule by filing a written request with the court within one year after the entry of the judgment. The court shall set a hearing on the issue of the defendant’s ability to pay upon receipt of the request and shall give notice to the district attorney. The district attorney shall give notice to the victim of the date, time and place of the hearing. The court may determine a payment schedule for monetary sanctions imposed, including restitution ordered under this subsection, if the defendant establishes at the hearing that the defendant is unable to pay the ordered restitution in full.

(3) If a trial is held in a violation proceeding, or a default judgment is entered against the defendant under ORS 153.102, the court may impose any fine within the statutory limits for the violation. If a defendant pleads no contest under ORS 153.061 (3) and the court accepts the plea and enters judgment against the defendant, the amount of the fine imposed against the defendant by the court may not exceed the presumptive fine established for the violation under ORS 153.019 and 153.020.

(4) A judge may suspend operation of any part of a judgment entered under this chapter upon condition that the defendant pay the nonsuspended portion of a fine within a specified period of time. If the defendant fails to pay the nonsuspended portion of the fine within the specified period of time, the suspended portion of the judgment becomes operative without further proceedings by the court and the suspended portion of the fine becomes immediately due and payable.

(5) The court may not issue notice to the Department of Transportation to suspend the defendant’s driving privileges unless a trial has been required. The failure of the defendant to appear at the trial does not prevent the court from issuing notice to the department to suspend the defendant’s driving privileges.

(6) Entry of a default judgment under ORS 153.102 does not preclude the arrest and prosecution of the defendant for the crime of failure to appear in a violation proceeding under ORS 153.992.

(7) If a person held commercial driving privileges as described in ORS 807.018 at the time the offense was committed, a court may not defer entry of a judgment or allow an individual to enter into a diversion program that would prevent a conviction for a traffic
offense from appearing on the driving record of the holder. This subsection applies to all traffic offenses, whether committed while driving a motor vehicle or a commercial motor vehicle, but does not apply to parking violations. [1999 c.1051 §25; 2003 c.670 §3; 2005 c.649 §30; 2007 c.122 §12; 2007 c.784 §7; 2009 c.395 §4; 2011 c.355 §18; 2011 c.597 §27; 2012 c.89 §5; 2013 c.237 §30]

153.093 [1999 c.1095 §3; 1999 c.1095 §5; 2003 c.14 §61; 2003 c.737 §104; repealed by 2011 c.597 §5]

153.096 Suspension of fine in certain cases. (1) In any proceeding for a violation under ORS 830.990 or 830.997, the court may conditionally suspend all or part of any fine or penalty to be imposed on the defendant if the defendant appears personally and agrees to complete at the defendant’s own expense a Safe Boating Education Course approved by the State Marine Board under ORS 830.110 (18), within time limits imposed by the court.

(2) In any proceeding for a violation under ORS 830.990 or 830.997, the court shall notify the State Marine Board if the defendant fails to appear at any time as required by law or the court, or fails to comply with any order of the court. [1999 c.1051 §96]

153.099 Entry; nondefault cases. (1) If a trial is held in a violation proceeding, the court shall enter a judgment based on the evidence presented at the trial.

(2) If the defendant appears and enters a plea of no contest in the manner described in ORS 153.061 (3) and a trial is not otherwise required by the court or by law, the court shall make a decision based on the citation. The court may consider any statement of explanation submitted with the plea. [1999 c.1051 §23; 2007 c.784 §8; 2011 c.597 §25a; 2012 c.89 §6]

153.102 Entry; default cases. (1) If the defendant in a violation proceeding does not make a first appearance in the manner required by ORS 153.061 within the time allowed, and a trial is not otherwise required by the court or by law, the court may enter a default judgment based on the complaint and any other evidence the judge determines appropriate.

(2) If the defendant makes a first appearance in the manner required by ORS 153.061 within the time allowed and requests a trial, and the defendant subsequently fails to appear at the date, time and place set for any trial or other appearance in the matter, and if a trial is not otherwise required by the court or by law, the court shall enter a judgment based on the complaint and any other evidence the judge determines appropriate. [1999 c.1051 §24]

153.105 Relief from default judgment. If a default judgment is entered against a defendant under ORS 153.102, the court may relieve a defendant from the judgment upon a showing that the failure of the defendant to appear was due to mistake, inadvertence, surprise or excusable neglect. (3) Forty percent of the amounts paid to the county treasurer under this section and under ORS 153.645 (4) and 153.650 (4) shall be deposited by the treasurer in the court facilities security account established under ORS 1.182 for the county in which the court is located.

### 153.675 Disposition of amounts payable to state and local governments

1. (1) Amounts payable to the state under ORS 153.633, 153.645, 153.650 and 153.657 shall be transferred by the court to the Department of Revenue for distribution as provided in ORS 305.830. Except as provided in ORS 153.640 (2)(b), amounts payable to a local government under ORS 153.640 to 153.680 and 153.657 shall be deposited by the court in the local government's general fund and are available for general governmental purposes.

(2) Justice and municipal courts must make the transfer required by subsection (1) of this section under ORS 153.633, 153.645, 153.650 and 153.657 not later than the last day of the month immediately following the month in which a payment on a judgment is received by the court.

### 153.680 Costs

Any amount collected by a court to the county or city as costs in a criminal action shall be retained by the court.

### MISCELLANEOUS

1. (1) Notwithstanding ORS 1.525, 153.045, 221.333 and 810.425, a law enforcement officer or a person authorized to enforce parking ordinance violations, following procedures established by court rule, may file a citation with the court by electronic means, without an actual signature of the officer, in lieu of using a written uniform citation. A citation filed under this section may be of a different size or format than a uniform citation adopted by the Supreme Court under ORS 1.525. Law enforcement officers who file citations under this section will be deemed to certify to the complaint and will continue to have the same rights, responsibilities and liabilities in relation to those citations as to citations with complaints that are certified by an actual signature.

(2) A court may allow electronic filing of citations as described under subsection (1) of this section. Procedures established to allow electronic filing of citations under this section shall be established by court rule and shall include procedures necessary to ensure that:

(a) The information electronically filed includes all information required on a uni-
form citation adopted by the Supreme Court under ORS 1.525, or as required under ORS 221.333 and 810.425 for parking ordinance violations. However, an electronically filed citation containing all required information, but of a different size or format than a uniform citation adopted by the Supreme Court under ORS 1.525, shall not be prohibited by or found in violation of a rule established under this subsection.

(b) The citation filed electronically is verifiable as being filed by a specific law enforcement officer or, for parking ordinance violations, by a person authorized to enforce parking ordinance violations.

(c) Members of the public can obtain copies of and review citations that are electronically filed and maintained under this section in the same manner as for citations filed on paper. [1995 c.781 §53; 1999 c.1051 §129; 2001 c.911 §2; 2015 c.13 §2]

153.772 Suspension of driving privileges for failure to appear; limitation on district attorney’s authority. When the court issues a notice under ORS 809.220 to suspend the driving privileges of a person for failure to appear on a citation for a violation of ORS 471.430, the district attorney may not file an accusatory instrument charging the person with violating ORS 153.992. [2001 c.817 §9]

Note: 153.772 was enacted into law by the Legislative Assembly but was not added to or made a part of OES chapter 153 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

VIOLATIONS BUREAUS

153.800 Violations Bureau established by court; uniform fine schedule. (1) Any court of this state may establish a Violations Bureau and designate the clerk or deputy clerk of the court or any other appropriate person to act as a violations clerk for the Violations Bureau. The violations clerk shall serve under the direction and control of the court appointing the clerk.

(2) A violations clerk may exercise authority over any violation. A justice or municipal court establishing a Violations Bureau shall by order specify the violations that are subject to the authority of the violations clerk.

(3) Except as provided in subsection (6) of this section, the violations clerk shall accept:

(a) Written appearance, waiver of trial, plea of no contest and payment of fine, costs and assessments for violations that are subject to the authority of the violations clerk; or

(b) Payment of presumptive fine amounts for violations that are subject to the authority of the violations clerk.

(4)(a) Courts other than circuit courts shall establish schedules, within the limits prescribed by law, of the amounts of penalties to be imposed for first, second and subsequent violations, designating each violation specifically or by class. The order of the court establishing the schedules shall be prominently posted in the place where penalties established under the schedule are paid.

(b) The Chief Justice of the Supreme Court shall establish a uniform fine schedule for violations prosecuted in circuit courts. The schedule must specify the violations that are subject to the authority of the violations clerk.

(c) All amounts must be paid to, received by and accounted for by the violations clerk in the same manner as other payments on money judgments are received by the court.

(5) Any person charged with a violation within the authority of the violations clerk may:

(a) Upon signing an appearance, plea of no contest and waiver of trial, pay the clerk the penalty established for the violation charged, including any costs and assessments authorized by law.

(b) Pay the clerk the presumptive fine amount established for the violation. Payment of the presumptive fine amount under this paragraph constitutes consent to forfeiture of the presumptive fine amount and disposition of the violation by the clerk as provided by the rules of the court. Payment of the presumptive fine amount under this paragraph is not consent to forfeiture of the presumptive fine amount if the payment is accompanied by a plea of not guilty or a request for hearing.

(6) A person who has been found guilty of, or who has signed a plea of no contest to, one or more previous offenses in the preceding 12 months within the jurisdiction of the court may not appear before the violations clerk unless the court, by general order applying to certain specified offenses, permits such appearance.

(7) A circuit court may use a Central Violations Bureau established under ORS 153.806 in addition to establishing and operating a Violations Bureau under this section, and may delegate to the State Court Administrator the authority to designate appropriate persons to act as violations clerks for the Central Violations Bureau. [1995 c.292 §1; 1997 c.801 §149; 1999 c.59 §30; 1999 c.1051 §130; 2011 c.597 §149; 2012 c.89 §8; 2019 c.60 §5]
153.806 Central Violations Bureau; rules. (1) The State Court Administrator may establish a Central Violations Bureau for the processing of violations in circuit courts.

(2)(a) The administrator may designate employees of the administrator to act as violations clerks for the Central Violations Bureau.

(b) A violations clerk shall serve under the direction and control of the administrator.

(c) A violations clerk of the Central Violations Bureau may exercise authority over any violation specified by the Chief Justice of the Supreme Court under subsection (4) of this section.

(3) A circuit court may use a Central Violations Bureau established under this section in addition to establishing and operating a Violations Bureau under ORS 153.800.

(4) The uniform fine schedule for violations prosecuted in circuit courts established by the Chief Justice of the Supreme Court under ORS 153.800 must specify the violations that are subject to the authority of the Central Violations Bureau violations clerk.

(5)(a) Except as provided in subsection (7) of this section, a violations clerk shall accept:

(A) Written appearance or appearance by electronic or telephonic means, waiver of trial, plea of no contest and payment of fine, costs and assessments for violations that are subject to the authority of the violations clerk; or

(B) Payment of presumptive fine amounts for violations that are subject to the authority of the violations clerk.

(b) A violations clerk may accept payments made by electronic or telephonic means.

(c) All amounts must be paid to, receipted by and accounted for by the violations clerk in the same manner as other payments on money judgments are received by the court.

(6)(a) A person charged with a violation within the authority of the violations clerk may:

(A) Upon signing an appearance, plea of no contest and waiver of trial, or upon appearing and entering a plea and waiver by electronic or telephonic means, pay the clerk the penalty established for the violation charged, including any costs and assessments authorized by law.

(B) Pay the clerk the presumptive fine amount established for the violation. Payment of the presumptive fine amount under this paragraph constitutes consent to forfeiture of the presumptive fine amount and disposition of the violation by the clerk as provided by the rules of the court. Payment of the presumptive fine amount under this paragraph is not consent to forfeiture of the presumptive fine amount if the payment is accompanied by a plea of not guilty or a request for hearing.

(b) Notwithstanding ORS 153.021 and paragraph (a) of this subsection, the violations clerk may offer a reduction in the presumptive fine for a person making payment through the Internet.

(7) A person who has been found guilty of, or who has signed a plea of no contest to, one or more previous offenses in the preceding 12 months within the jurisdiction of the court may not appear before the violations clerk unless the Chief Justice of the Supreme Court, by general order applying to certain specified offenses, permits such appearance.

(8) The Chief Justice of the Supreme Court may adopt rules to carry out the provisions of this section. [2019 c.60 §1]

Note: 153.806 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 153 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

MULTNOMAH COUNTY PARKING VIOLATION PROCEDURES

153.820 Special procedures for parking violations in Multnomah County. (1) A court may use the procedure provided in this section only in a county with a population of more than 500,000.

(2) The court may proceed to make a determination without a hearing on a citation for a parking violation if:

(a) None of the registered owners of the vehicle appears within the time allowed at the court specified in the citation;

(b) Notice of the citation and the provisions of this section are mailed to the registered owner or owners of the vehicle at the address or addresses reflected in the records of the Department of Transportation; and

(c) No request for hearing or other appearance is filed with the court within 60 days after the mailing date of the notice required by paragraph (b) of this subsection.
(3) The court may proceed to make a determination without a hearing on a citation for a parking violation if at least one of the registered owners of the vehicle appears within the time allowed at the court specified in the citation and requests a hearing, but thereafter fails to appear at the time, date and court set for any subsequent hearing in the matter. If a determination is made under the provisions of this subsection, the court shall mail notice of any sentence and judgment to the registered owner or owners of the vehicle at the address or addresses reflected in the records of the Department of Transportation.

(4) A determination under this section shall be on the citation and on any evidence that the court may, in its discretion, determine to be appropriate.

(5) Upon making a determination under this section, the court may enter judgment and, if the determination is one of conviction, may impose a sentence of a fine within the limits established for the parking violation along with a money award for costs, assessments and other amounts authorized by law.

(6) A sentence to pay a fine under this section does not prevent:

(a) Taking any other action against the person as permitted by law for the person's failure to comply, including, but not limited to, sentencing the person further as permitted by law after the person is brought to hearing.

(b) Following any procedures established by law when the person fails to appear.

(7) On motion and upon such terms as are just, the court may relieve a person from a judgment entered under this section upon a showing that the failure of the person to appear was due to mistake, inadvertence, surprise or excusable neglect. The motion must be made within a reasonable time, and in no event more than one year after entry of judgment in the matter.

(8) A judgment may be entered under this section only if the citation issued to the person contains a statement notifying the person that a judgment may be entered against the person up to the maximum amount of fines, assessments and other costs allowed by law for the parking violation if the person fails to appear at the time, date and court specified in the citation or fails to appear at subsequently scheduled hearings in the matter.

(9) Notwithstanding any other provision of law, a judgment entered under this section does not create a judgment lien and cannot become a judgment lien by any means. [1997 c.801 §98; 2003 c.576 §172]

PENALTIES

153.990 Penalty for false certification. Any person who in connection with the issuance of a citation, or the filing of a complaint, under this chapter, knowingly certifies falsely to the matters set forth therein commits a Class A misdemeanor. [1981 c.692 §14; 1999 c.1051 §31]

153.992 Penalty for failure to appear. (1) A person commits the offense of failure to appear in a violation proceeding if the person has been served with a violation citation issued under this chapter and the person knowingly fails to do any of the following:

(b) Make appearance at the time set for trial in the violation proceeding.

(1) The Legislative Assembly finds and declares that it is the policy of this state that whenever possible the public be involved in the development of public policy by agencies and in the drafting of rules. The Legislative Assembly encourages agencies to seek public input to the maximum extent possible before giving notice of intent to adopt a rule. The agency may appoint an advisory committee that will represent the interests of persons likely to be affected by the rule, or use any other means of obtaining public views that will assist the agency in drafting the rule.

(2) Any agency in its discretion may develop a list of interested parties and inform those parties of any issue that may be the subject of rulemaking and invite the parties to make comments on the issue.

An objection under this subsection must be made not later than 14 days after the notice required by ORS 183.335 (1) is given. If the agency determines that the statement does not adequately reflect the rule’s fiscal impact, the agency shall extend the period for submission of data or views under ORS 183.335 (3)(a) by at least 20 days. The agency shall include any recommendations from the committee in the record maintained by the agency for the rule.

(e) Correcting statutory or rule references; or

The person must provide an address where the person elects to receive notices. The address provided may be a postal mailing address or, if the agency provides notice by electronic mail, may be an electronic mailing address.

(b) A request under this subsection must indicate that the person requests one of the following:

(A) The person may request that the agency mail paper copies of the proposed rule and other information required by subsection (2) of this section to the postal mailing address.

(B) If the agency posts notices of intended action on a website, the person may request that the agency mail the information required by subsection (2)(a) of this section to the postal mailing address with a reference to the website where electronic copies of the proposed rule and other information required by subsection (2) of this section are posted.

(b) An agency may use an amended filing to correct a failure to include a fiscal impact statement in a notice of intended action, as required by subsection (2)(b)(E) of this section, or to correct an inaccurate fiscal im-
pact statement, only if the agency developed the fiscal impact statement with the assistance of an advisory committee or fiscal impact advisory committee appointed under ORS 183.333.

(13) Unless otherwise provided by statute, the adoption, amendment or repeal of a rule by an agency need not be based upon or supported by an evidentiary record.

(14) When an agency has established a deadline for comment on a proposed rule under the provisions of subsection (3)(a) of this section, the agency may not extend that deadline for another agency or person unless the extension applies equally to all interested agencies and persons. An agency shall not consider any submission made by another agency after the final deadline has passed.

(15) The notices required under subsections (1) and (3) of this section must be given by the agency to the following persons:

(b) If the proposed adoption, amendment or repeal does not result from legislation that was passed within two years before notice is given under subsection (1) of this section, notice shall be given to the chair or cochairs of any interim or session committee with authority over the subject matter of the rule.

In preparing the compilation the Secretary of State may not alter the sense, meaning, effect or substance of any rule, but may renumber sections and parts of sections of the rules, change the wording of headnotes, rearrange sections, change reference numbers to agree with renumbered chapters, sections or other parts, substitute the proper subsection, section or chapter or other division numbers, change capitalization for the purpose of uniformity, and correct manifest clerical or typographical errors.

Not later than 90 days after the date of submission of a petition, the agency either shall deny the petition in writing or shall initiate rulemaking proceedings in accordance with ORS 183.335.

(2) If a petition requesting the amendment or repeal of a rule is submitted to an agency under this section, the agency shall invite public comment upon the rule, and shall specifically request public comment on whether options exist for achieving the rule’s substantive goals in a way that reduces the negative economic impact on businesses.

(3) In reviewing a petition subject to subsection (2) of this section, the agency shall consider:

(a) The continued need for the rule;

(b) The nature of complaints or comments received concerning the rule from the public;

(c) The complexity of the rule;

(d) The extent to which the rule overlaps, duplicates or conflicts with other state rules or federal regulations and, to the extent feasible, with local government regulations;

(e) The degree to which technology, economic conditions or other factors have changed in the subject area affected by the rule; and

(f) The statutory citation or legal basis for the rule. [1957 c.717 §5; 1971 c.734 §8; 2003 c.749 §6]

183.400 Judicial determination of validity of rule. (1) The validity of any rule may be determined upon a petition by any person to the Court of Appeals in the manner provided for review of orders in contested cases. The court shall have jurisdiction to review the validity of the rule whether or not the petitioner has first requested the agency to pass upon the validity of the rule in question, but not when the petitioner is a party to an order or a contested case in which the validity of the rule may be determined by a court.

(2) The validity of any applicable rule may also be determined by a court, upon review of an order in any manner provided by law or pursuant to ORS 183.480 or upon enforcement of such rule or order in the manner provided by law.

(3) Judicial review of a rule shall be limited to an examination of:

(a) The rule under review;

(b) The statutory provisions authorizing the rule; and

(c) Copies of all documents necessary to demonstrate compliance with applicable rulemaking procedures.

(4) The court shall declare the rule invalid only if it finds that the rule:

(a) Violates constitutional provisions;

(b) Exceeds the statutory authority of the agency; or

(c) Was adopted without compliance with applicable rulemaking procedures.

(5) In the case of disputed allegations of irregularities in procedure which, if proved, would warrant reversal or remand, the Court of Appeals may refer the allegations to a master appointed by the court to take evidence and make findings of fact. The court’s
review of the master’s findings of fact shall be de novo on the evidence.

(6) The court shall not declare a rule invalid solely because it was adopted without compliance with applicable rulemaking procedures after a period of two years after the date the rule was filed in the office of the Secretary of State, if the agency attempted to comply with those procedures and its failure to do so did not substantially prejudice the interests of the parties.  [1957 c.717 §6; 1971 c.734 §9; 1975 c.759 §9; 1979 c.593 §17; 1987 c.861 §3]

Note: 183.403 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 183 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

183.405 Agency review of rules; report by Secretary of State. (1) Not later than five years after adopting a rule, an agency shall review the rule for the purpose of determining:

On petition of any interested person, any agency may in its discretion issue a declaratory ruling with respect to the applicability to any person, property, or state of facts of any rule or statute enforceable by it. A declaratory ruling is binding between the agency and the petitioner on the state of facts alleged, unless it is altered or set aside by a court. However, the agency may, where the ruling is adverse to the petitioner, review the ruling and alter it if requested by the petitioner. Binding rulings provided by this section are subject to review in the Court of Appeals in the manner provided in ORS 183.480 for the review of orders in contested cases. The Attorney General shall prescribe by rule the form for such petitions and the procedure for their submission, consideration and disposition. The petitioner shall have the right to submit briefs and present oral argument at any declaratory ruling proceeding held pursuant to this section. [1957 c.717 §7; 1971 c.754 §10; 1973 c.612 §5]

Note: 183.411 was added to and made a part of ORS chapter 183 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

183.413 Notice to parties before hearing of rights and procedure; failure to provide notice. (1) The Legislative Assembly finds that parties to a contested case hearing have a right to be informed as to the procedures by which contested cases are heard by state agencies, their rights in hearings before state agencies, the import and effect of hearings before state agencies and their rights and remedies with respect to actions taken by state agencies. Accordingly, it is the purpose of subsections (2) and (3) of this section to set forth certain requirements of state agencies so that parties to contested case hearings before state agencies are given notice and information as required by statute.

The statement must include the toll-free telephone numbers for the Oregon State Bar and the Oregon Military Department and the Internet address for the United States Armed Forces Legal Assistance Legal Services Locator website.

(3) The failure of an agency to give notice of any item specified in subsection (2) of this section does not invalidate any determination or order of the agency unless upon an appeal from or review of the determination or order a court finds that the failure affects the substantial rights of the complaining party. In the event of such a finding, the court shall remand the matter to the agency for a reopening of the hearing and shall direct the agency as to what steps it shall take to remedy the prejudice to the rights of the complaining party. [1979 c.593 §§37,38,39; 1995 c.79 §63; 2007 c.288 §1; 2013 c.295 §1]

(2) Agencies may adopt rules of procedure governing participation in contested case proceedings by persons appearing as limited parties.

(3)(a) Unless prohibited by law, informal disposition may be made of any contested case by stipulation, agreed settlement, consent order or default. Informal settlement may be made in license revocation proceedings by written agreement of the parties and the agency consenting to a suspension, fine or other form of intermediate sanction.

(b) Any informal disposition of a contested case, other than an informal disposition by default, must be in writing and signed by the party or parties to the contested case. The agency shall incorporate that disposition into a final order. An order under this paragraph is not subject to ORS 183.470. The agency shall deliver or mail a copy of the order to each party and to the attorney of record if the party is represented. An order that incorporates the informal disposition is a final order in a contested case, but is not subject to judicial review. A party may petition the agency to set aside a final order that incorporates the informal disposition on the ground that the informal disposition was obtained by fraud or duress.

(4) An order adverse to a party may be issued upon default only if a prima facie case is made on the record. The record on a default order includes all materials submitted by the party. The record on a default order may be made at the time of issuance of the order. If the record on the default order consists solely of an application and other materials submitted by the party, the agency shall so note in the order.

(5) At the commencement of a contested case hearing, the officer presiding at the hearing shall explain the issues involved in the hearing and the matters that the parties must either prove or disprove.

(6) Testimony at a contested case hearing shall be taken upon oath or affirmation of the witness. The officer presiding at the hearing shall administer oaths or affirmations to witnesses.

(7) The officer presiding at the hearing shall place on the record a statement of the substance of any written or oral ex parte communication on a fact in issue made to the officer during the pendency of the proceeding and notify the parties of the communication and of their right to rebut the communication. If an ex parte communication is made to an administrative law judge assigned from the Office of Administrative Hearings established under ORS 183.605, the administrative law judge must comply with ORS 183.685.

(8) The officer presiding at the hearing shall ensure that the record developed at the hearing shows a full and fair inquiry into the facts necessary for consideration of all issues properly before the presiding officer in the case and the correct application of the law to those facts.

(9) The record in a contested case shall include:

(a) All pleadings, motions and intermediate rulings.

(b) Evidence received or considered.

(c) Stipulations.

(d) A statement of matters officially noticed.

(10) A verbatim oral, written or mechanical record shall be made of all motions, rulings and testimony in a contested case proceeding. The record need not be transcribed unless requested for purposes of rehearing or court review. The agency may
charge the party requesting transcription the cost of a copy of transcription, unless the party files an appropriate affidavit of indigency. Upon petition, a court having jurisdiction to review under ORS 183.480 may reduce or eliminate the charge upon finding that it is equitable to do so, or that matters of general interest would be determined by review of the order of the agency. [2007 c.288 §4]

183.418 [1973 c.386 §6; 1989 c.224 §11; 1991 c.750 §5; repealed by 1999 c.1041 §9]

183.420 [1957 c.717 §8 (1); repealed by 1971 c.734 §21]

(1) On petition of any party to a contested case, or upon the agency's own motion, the agency may order that the testimony of any material witness may be taken by deposition in the manner prescribed by law for depositions in civil actions. Depositions may also be taken by the use of audio or audio-visual recordings. The petition shall set forth the name and address of the witness whose testimony is desired, a showing of the materiality of the testimony of the witness, and a request for an order that the testimony of such witness be taken before an officer named in the petition for that purpose. If the witness resides in this state and is unwilling to appear, the agency may issue a subpoena as provided in ORS 183.440, requiring the appearance of the witness before such officer.

(2) An agency may, by rule, prescribe other methods of discovery which may be used in proceedings before the agency. [1971 c.734 §14; 1975 c.759 §11; 1979 c.593 §19; 1997 c.837 §6]

(1) In the case of any license which must be periodically renewed, where the licensee has made timely application for renewal in accordance with the rules of the agency, such license shall not be deemed to expire, despite any stated expiration date thereon, until the agency concerned has issued a formal order of grant or denial of such renewal. In case an agency proposes to refuse to renew such license, upon demand of the licensee, the agency must grant hearing as provided by this chapter before issuance of order of refusal to renew. This subsection does not apply to any emergency or temporary permit or license.

(2) In any case where the agency finds a serious danger to the public health or safety and sets forth specific reasons for such findings, the agency may suspend or refuse to renew a license without hearing, but if the licensee demands a hearing within 90 days after the date of notice to the licensee of such suspension or refusal to renew, then a hearing must be granted to the licensee as soon as practicable after such demand, and the agency shall issue an order pursuant to such hearing as required by this chapter confirming, altering or revoking its earlier order. Such a hearing need not be held where the order of suspension or refusal to renew is accompanied by or is pursuant to, a citation for violation which is subject to judicial determination in any court of this state, and the order by its terms will terminate in case of final judgment in favor of the licensee. [1957 c.717 §8 (3), (4); 1965 c.212 §1; 1971 c.734 §11]

183.435 Period allowed to request hearing for license refusal on grounds other than test or inspection results. When an agency refuses to issue a license required to pursue any commercial activity, trade, occupation or profession if the refusal is based on grounds other than the results of a test or inspection that agency shall grant the person requesting the license 60 days from notification of the refusal to request a hearing. [Formerly 670.255]

183.440 Subpoenas in contested cases. (1) An agency may issue subpoenas on its own motion in a contested case. In addition, an agency or hearing officer in a contested case may issue subpoenas upon the request of a party to a contested case upon a showing of general relevance and reasonable scope of the evidence sought. A party entitled to have witnesses on behalf of the party may have subpoenas issued by an attorney of record of the party, subscribed by the signature of the attorney. Witnesses appearing pursuant to subpoena, other than the parties or officers of the agency, shall receive fees and mileage as prescribed by law for witnesses in ORS 44.415 (2).

(2) If any person fails to comply with any subpoena so issued or any party or witness refuses to testify on any matters on which the party or witness may be lawfully interrogated, the judge of the circuit court of any county, on the application of the hearing officer, the agency or the party requesting the issuance of or issuing the subpoena, shall compel obedience by proceedings for contempt as in the case of disobedience of the requirements of a subpoena issued from such court or a refusal to testify therein. [1957 c.717 §8 (2); 1971 c.734 §12; 1979 c.593 §20; 1981 c.174 §4; 1989 c.980 §10a; 1997 c.837 §3; 1999 c.849 §30]

183.445 Subpoena by agency or attorney of record of party when agency not subject to ORS 183.440. (1) In any proceeding before an agency not subject to ORS 183.440 in which a party is entitled to have subpoenas issued for the appearance of witnesses on behalf of the party, a subpoena may be issued by an attorney of record of the
party, subscribed by the signature of the attorney. A subpoena issued by an attorney of record may be enforced in the same manner as a subpoena issued by the agency.

(2) In any proceeding before an agency not subject to ORS 183.440 in which a party is entitled to have subpoenas issued by the agency to compel the appearance of witnesses on behalf of the party, the agency may issue subpoenas on its own motion. [1981 c.174 §6; 1997 c.837 §4; 1999 c.849 §32]

183.450 Evidence in contested cases. In contested cases:

(1) Irrelevant, immaterial or unduly repetitious evidence shall be excluded but erroneous rulings on evidence shall not preclude agency action on the record unless shown to have substantially prejudiced the rights of a party. All other evidence of a type commonly relied upon by reasonably prudent persons in conduct of their serious affairs shall be admissible. Agencies and hearing officers shall give effect to the rules of privilege recognized by law. Objections to evidentiary offers may be made and shall be noted in the record. Any part of the evidence may be received in written form.

(2) All evidence shall be offered and made a part of the record in the case, and except for matters stipulated to and except as provided in subsection (4) of this section no other factual information or evidence shall be considered in the determination of the case. Documentary evidence may be received in the form of copies or excerpts, or by incorporation by reference. The burden of presenting evidence to support a fact or position in a contested case rests on the proponent of the fact or position.

(3) Every party shall have the right of cross-examination of witnesses who testify and shall have the right to submit rebuttal evidence. Persons appearing in a limited party status shall participate in the manner and to the extent prescribed by rule of the agency.

(4) The hearing officer and agency may take notice of judicially cognizable facts, and may take official notice of general, technical or scientific facts within the specialized knowledge of the hearing officer or agency. Parties shall be notified at any time during the proceeding but in any event prior to the final decision of material officially noticed and they shall be afforded an opportunity to contest the facts so noticed. The hearing officer and agency may utilize the hearing officer’s or agency’s experience, technical competence and specialized knowledge in the evaluation of the evidence presented.

(5) No sanction shall be imposed or order be issued except upon consideration of the

whole record or such portions thereof as may be cited by any party, and as supported by, and in accordance with, reliable, probative and substantial evidence. [1957 c.717 §9; 1971 c.734 §15; 1975 c.759 §12; 1977 c.798 §§; 1979 c.593 §21; 1987 c.833 §1; 1995 c.272 §5; 1997 c.391 §1; 1997 c.801 §76; 1999 c.448 §5; 1999 c.849 §34]

(a) The Attorney General has consented to the representation of the agency by an agency representative in the particular hearing or in the class of hearings that includes the particular hearing; and

(b) The agency, by rule, has authorized an agency representative to appear on its behalf in the particular type of hearing being conducted.

(3) An agency representative acting under the provisions of this section may not give legal advice to an agency, and may not present legal argument in contested case hearings, except to the extent authorized by subsection (4) of this section.

(4) The officer presiding at a contested case hearing in which an agency representative appears under the provisions of this section may allow the agency representative to present evidence, examine and cross-examine witnesses, and make arguments relating to the:

(b) Actions taken by the agency in the past in similar situations;

(c) Literal meaning of the statutes or rules at issue in the contested case;

(d) Admissibility of evidence; and

(e) Proper procedures to be used in the contested case hearing.

(5) Upon judicial review, no limitation imposed under this section on an agency representative is the basis for reversal or remand of agency action unless the limitation resulted in substantial prejudice to a party.

(6) The Attorney General may prepare model rules for agency representatives authorized under this section. [1999 c.448 §3]

Note: 183.452 was added to and made a part of 183.413 to 183.470 by legislative action but was not added to any other series. See Preface to Oregon Revised Statutes for further explanation.

No rule adopted by a state agency shall have the effect of precluding lay representation. The agencies before which an authorized representative may appear are:

(a) The State Landscape Contractors Board in the administration of the Landscape Contractors Law.

(b) The State Department of Energy and the Energy Facility Siting Council.

(Judicial Review)

183.480 Judicial review of agency orders. (1) Except as provided in ORS 183.417 (3)(b), any person adversely affected or aggrieved by an order or any party to an agency proceeding is entitled to judicial review of a final order, whether such order is affirmative or negative in form. A petition for rehearing or reconsideration need not be filed as a condition of judicial review unless specifically otherwise provided by statute or agency rule.

(2) Judicial review of final orders of agencies shall be solely as provided by ORS 183.482, 183.484, 183.490 and 183.500.

(3) No action or suit shall be maintained as to the validity of any agency order except a final order as provided in this section and ORS 183.482, 183.484, 183.490 and 183.500 or except upon showing that the agency is proceeding without probable cause, or that the party will suffer substantial and irreparable harm if interlocutory relief is not granted.

(4) Judicial review of orders issued pursuant to ORS 813.410 shall be as provided by ORS 813.410. [1957 c.717 §12; 1963 c.449 §1; 1971 c.734 §19; 1975 c.759 §14; 1979 c.593 §23; 1983 c.338 §901; 1985 c.757 §4; 1997 c.837 §5; 2007 c.288 §11]

183.482 Jurisdiction for review of contested cases; procedure; scope of court authority. (1) Jurisdiction for judicial review of contested cases is conferred upon the Court of Appeals. Proceedings for review shall be instituted by filing a petition in the Court of Appeals. The petition shall be filed within 60 days only following the date the order upon which the petition is based is served unless otherwise provided by statute. If a petition for rehearing has been filed, then the petition for review shall be filed within 60 days only following the date the order denying the petition for rehearing is served. If the agency does not otherwise act, a petition for rehearing or reconsideration shall be deemed denied the 60th day following the date the petition was filed, and in such cases, petition for judicial review shall be filed within 60 days only following such date. Date of service shall be the date on which the agency delivered or mailed its order in accordance with ORS 183.470.

(2) The petition shall state the nature of the order the petitioner desires reviewed, and shall state whether the petitioner was a party to the administrative proceeding, was denied status as a party or is seeking judicial review as a person adversely affected or aggrieved by the agency order. In the latter case, the petitioner shall, by supporting affidavit, state the facts showing how the petitioner is adversely affected or aggrieved by the agency order. Before deciding the issues raised by the petition for review, the Court of Appeals shall decide, from facts set forth in the affidavit, whether or not the petitioner is entitled to petition as an adversely affected or an aggrieved person. Copies of the petition shall be served by registered or certified mail upon the agency, and all other parties of record in the agency proceeding.

(3)(a) The filing of the petition shall not stay enforcement of the agency order, but the agency may do so upon a showing of:

(A) Irreparable injury to the petitioner; and

(B) A colorable claim of error in the order.

(b) When a petitioner makes the showing required by paragraph (a) of this subsection, the agency shall grant the stay unless the agency determines that substantial public harm will result if the order is stayed. If the agency denies the stay, the denial shall be in writing and shall specifically state the substantial public harm that would result from the granting of the stay.

(c) When the agency grants a stay, the agency may impose such reasonable conditions as the giving of a bond, irrevocable letter of credit or other undertaking and that the petitioner file all documents necessary to bring the matter to issue before the Court of Appeals within specified reasonable periods of time.

(d) Agency denial of a motion for stay is subject to review by the Court of Appeals under such rules as the court may establish.

(4) Within 30 days after service of the petition, or within such further time as the court may allow, the agency shall transmit to the reviewing court the original or a certified copy of the entire record of the proceeding under review, but, by stipulation of all parties to the review proceeding, the record may be shortened. Any party unreasonably refusing to stipulate to limit the record may be taxed by the court for the additional costs. The court may require or permit subsequent corrections or additions to the record when deemed desirable. Except as specifically provided in this subsection, the cost of the record shall not be taxed to the petitioner or any intervening party. However, the court may tax such costs and the cost of agency transcription of record to a party filing a frivolous petition for review.
(5) If, on review of a contested case, before the date set for hearing, application is made to the court for leave to present additional evidence, and it is shown to the satisfaction of the court that the additional evidence is material and that there were good and substantial reasons for failure to present it in the proceeding before the agency, the court may order that the additional evidence be taken before the agency upon such conditions as the court deems proper. The agency may modify its findings and order by reason of the additional evidence and shall, within a time to be fixed by the court, file with the reviewing court, to become a part of the record, the additional evidence, together with any modifications or new findings or orders, or its certificate that the agency elects to stand on its original findings and order, as the case may be.

(6) At any time subsequent to the filing of the petition for review and prior to the date set for hearing the agency may withdraw its order for purposes of reconsideration. If an agency withdraws an order for purposes of reconsideration, the agency shall, within such time as the court may allow, affirm, modify or reverse its order. If the petitioner is dissatisfied with the agency action after withdrawal for purposes of reconsideration, the petitioner may refile the petition for review and the review shall proceed upon the revised order. An amended petition for review shall not be required if the agency, on reconsideration, affirms the order or modifies the order with only minor changes. If an agency withdraws an order for purposes of reconsideration and modifies or reverses the order in favor of the petitioner, the court shall allow the petitioner costs, but not attorney fees, to be paid from funds available to the agency.

(7) Review of a contested case shall be confined to the record, and the court shall not substitute its judgment for that of the agency as to any issue of fact or agency discretion. In the case of disputed allegations of irregularities in procedure before the agency not shown in the record which, if proved, would warrant reversal or remand, the Court of Appeals may refer the allegations to a master appointed by the court to take evidence and make findings of fact upon them. The court shall remand the order for further agency action if the court finds that either the fairness of the proceedings or the correctness of the action may have been impaired by a material error in procedure or a failure to follow prescribed procedure, including a failure by the presiding officer to comply with the requirements of ORS 183.417 (8).

(8)(a) The court may affirm, reverse or remand the order. If the court finds that the agency has erroneously interpreted a provision of law and that a correct interpretation compels a particular action, the court shall:

(A) Set aside or modify the order; or
(B) Remand the case to the agency for further action under a correct interpretation of the provision of law.

(b) The court shall remand the order to the agency if the court finds the agency's exercise of discretion to be:

(A) Outside the range of discretion delegated to the agency by law;
(B) Inconsistent with an agency rule, an officially stated agency position, or a prior agency practice, if the inconsistency is not explained by the agency; or
(C) Otherwise in violation of a constitutional or statutory provision.

(c) The court shall set aside or remand the order if the court finds that the order is not supported by substantial evidence in the record. Substantial evidence exists to support a finding of fact when the record, viewed as a whole, would permit a reasonable person to make that finding. [1975 c.759 §15; 1977 c.798 §4; 1979 c.593 §24; 1985 c.757 §2; 1989 c.453 §1; 1991 c.331 §4; 2007 c.659 §§2,5]

183.484 Jurisdiction for review of orders other than contested cases; procedure; scope of court authority. (1) Jurisdiction for judicial review of orders other than contested cases is conferred upon the Circuit Court for Marion County and upon the circuit court for the county in which the petitioner resides or has a principal business office. Proceedings for review under this section shall be instituted by filing a petition in the Circuit Court for Marion County or the circuit court for the county in which the petitioner resides or has a principal business office.

(2) Petitions for review shall be filed within 60 days only following the date the order is served, or if a petition for reconsideration or rehearing has been filed, then within 60 days only following the date the order denying such petition is served. If the agency does not otherwise act, a petition for rehearing or reconsideration shall be deemed denied the 60th day following the date the petition was filed, and in such case petition for judicial review shall be filed within 60 days only following such date. Date of service shall be the date on which the agency delivered or mailed its order in accordance with ORS 183.470.

(3) The petition shall state the nature of the petitioner's interest, the facts showing how the petitioner is adversely affected or
183.485 Decision of court on review of contested case. (1) The court having jurisdiction for judicial review of contested cases shall direct its decision, including its judgment, to the agency issuing the order being reviewed and may direct that its judgment be delivered to the circuit court for any county designated by the prevailing party for entry in the circuit court's register.

(2) Upon receipt of the court's decision, including the judgment, the clerk of the circuit court shall enter a judgment in the register of the court pursuant to the direction of the court to which the appeal is made. [1973 c.612 §7; 1981 c.178 §11; 1985 c.540 §39; 2003 c.576 §183]

183.486 Form and scope of decision of reviewing court. (1) The reviewing court's decision under ORS 183.482 or 183.484 may be mandatory, prohibitory, or declaratory in form, and it shall provide whatever relief is appropriate irrespective of the original form of the petition. The court may:

(a) Order agency action required by law, order agency exercise of discretion when required by law, set aside agency action, remand the case for further agency proceedings or decide the rights, privileges, obligations, requirements or procedures at issue between the parties; and

(b) Order such ancillary relief as the court finds necessary to redress the effects of official action wrongfully taken or withheld.

(2) If the court sets aside agency action or remands the case to the agency for further proceedings, it may make such interlocutory order as the court finds necessary to preserve the interest of any party and the public pending further proceedings or agency action.

(3) Unless the court finds a ground for setting aside, modifying, remanding, or ordering agency action or ancillary relief under a specified provision of this section, it shall affirm the agency action. [1979 c.593 §27]

183.490 Agency may be compelled to act. The court may, upon petition as described in ORS 183.484, compel an agency to act where it has unlawfully refused to act or make a decision or unreasonably delayed taking action or making a decision. [1957 c.717 §13; 1979 c.593 §28]

183.495 [1975 c.759 §16a; repealed by 1985 c.757 §7]

183.497 Awarding costs and attorney fees when finding for petitioner. (1) In a judicial proceeding designated under subsection (2) of this section the court:

(a) May, in its discretion, allow a petitioner reasonable attorney fees and costs if the court finds in favor of the petitioner.

Title 18   Page 634   (2019 Edition)
(b) Shall allow a petitioner reasonable attorney fees and costs if the court finds in favor of the petitioner and determines that the state agency acted without a reasonable basis in fact or in law; but the court may withhold all or part of the attorney fees from any allowance to a petitioner if the court finds that the state agency has proved that its action was substantially justified or that special circumstances exist that make the allowance of all or part of the attorney fees unjust.

(2) The provisions of subsection (1) of this section apply to an administrative or judicial proceeding brought by a petitioner against a state agency, as defined in ORS 291.002, for:

(a) Judicial review of a final order as provided in ORS 183.480 to 183.484;

(b) Judicial review of a declaratory ruling provided in ORS 183.410; or

(c) A judicial determination of the validity of a rule as provided in ORS 183.400.

(3) Amounts allowed under this section for reasonable attorney fees and costs shall be paid from funds available to the state agency whose final order, declaratory ruling or rule was reviewed by the court. [1981 c.871 §1; 1985 c.757 §5]

Note: 183.497 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 183 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

(Appeals From Circuit Courts)

183.500 Appeals. Any party to the proceedings before the circuit court may appeal from the judgment of that court to the Court of Appeals. Such appeal shall be taken in the manner provided by law for appeals from the circuit court in suits in equity. [1957 c.717 §4; 1969 c.198 §76; 2003 c.576 §394]

(Alternatives to Dispute Resolution)

183.502 Authority of agencies to use alternative means of dispute resolution; model rules; amendment of agreements and forms; agency alternative dispute resolution programs. (1) Unless otherwise prohibited by law, agencies may use alternative means of dispute resolution in rulemaking proceedings, contested case proceedings, judicial proceedings in which the agency is a party, and any other decision-making process in which conflicts may arise. The alternative means of dispute resolution may be arbitration, mediation or any other collaborative problem-solving process designed to encourage parties to work together to develop mutually agreeable solutions to disputes. Use of alternative means of dispute resolution by an agency does not affect the application of ORS 192.311 to 192.478 to the agency, or the application of ORS 192.610 to 192.690 to the agency.

(2) An agency that elects to utilize alternative means of dispute resolution shall inform and may consult with the Mark O. Hatfield School of Government, the Department of Justice and the Oregon Department of Administrative Services in developing a policy or program for implementation of alternative means of dispute resolution.

(3) The Attorney General, in consultation with the Mark O. Hatfield School of Government and the Oregon Department of Administrative Services, may develop for agencies model rules for the implementation of alternative means of dispute resolution. An agency may adopt all or part of the model rules by reference without complying with the rulemaking procedures of ORS 183.325 to 183.410. Notice of the adoption of all or part of the model rules must be filed by the agency with the Secretary of State in the manner provided by ORS 183.355 for the filing of rules.

(4) When an agency reviews the standard agreements, forms for contracts and forms for applying for grants or other assistance used by the agency, the agency shall determine whether the agreements and forms should be amended to authorize and encourage the use of alternative means of dispute resolution in disputes that arise under the agreement, contract or application.

(5) The Department of Justice, the Mark O. Hatfield School of Government, the Oregon Department of Administrative Services and the Governor shall collaborate to increase the use of alternative dispute resolution to resolve disputes involving the State of Oregon by:

(a) Assisting agencies to develop a policy for alternative means of dispute resolution;

(b) Assisting agencies to develop or expand flexible and diverse agency programs that provide alternative means of dispute resolution; and

(c) Providing assistance in the efficient and effective selection of mediators or facilitators.

(6)(a) The Mark O. Hatfield School of Government, the Oregon Department of Administrative Services and the Department of Justice shall work cooperatively in designing the program under ORS 36.179 that is intended to provide services to, apply to or involve any state agency.

(b) The Mark O. Hatfield School of Government, the Oregon Department of Administrative Services and the Department of Justice shall enter into an interagency agreement that includes, but is not limited
to, provisions on appropriate roles, reporting requirements and coordination of services provided to state agencies by the Mark O. Hatfield School of Government pursuant to ORS 36.179.

(c) Before providing dispute resolution services in a specific matter to a state agency under ORS 36.179, the Mark O. Hatfield School of Government shall notify the Department of Justice of any proposal to provide such services.

(7) Agencies with alternative dispute resolution programs shall seek to identify cases appropriate for mediation and other means of alternative dispute resolution and to design systems and procedures to resolve those cases.

(8) The purpose of the agency alternative dispute resolution programs is to:

(a) Increase agency efficiency;
(b) Increase public and agency satisfaction with the process and results of dispute resolution; and
(c) Decrease the cost of resolving disputes.

(9) An agency may use the services of an employee of another agency or of the federal government to serve as a mediator or facilitator, and may provide the services of an agency employee to another agency or to the federal government to serve as a mediator or facilitator. An agency may enter into an agreement with another agency or with the federal government to determine reimbursement for services of an employee acting as a mediator or facilitator under the provisions of this subsection. This subsection does not apply to mediation under ORS 243.650 to 243.806. [1993 c.647 §2; 1995 c.515 §2; 1997 c.706 §5; 1997 c.801 §42; 1997 c.837 §7; 2001 c.581 §2; 2003 c.791 §§27,27a; 2005 c.334 §§1,2; 2005 c.817 §6]

(1) “Interim committee” means a committee of the Legislative Assembly that is scheduled to meet when the Legislative Assembly is not in session and that has subject-matter jurisdiction over the state agency that has adopted a rule, as set forth in the subject-matter jurisdiction list developed under ORS 183.724.

(2) “Rule” has the meaning given that term in ORS 183.310.

(3) “State agency” means an agency as defined in ORS 183.310. [Formerly 171.705; 2009 c.81 §1]

Note: 183.710 to 183.730 were enacted into law by the Legislative Assembly but were not added to or made a part of ORS chapter 183 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

183.715 Submission of adopted rule to Legislative Counsel required. If a state agency adopts, amends or repeals a rule, the Secretary of State shall electronically submit a copy of the adopted, amended or repealed rule to the Legislative Counsel within 10 days after the agency files the rule in the office of the Secretary of State as provided in ORS 183.355. The electronic transmission of an amended rule that is submitted to the Legislative Counsel must show all changes to the rule by striking through material to be deleted and underlining all new material, or by any other method that clearly shows all new and deleted material. [Formerly 171.707; 1991 c.34 §1; 1999 c.167 §1; 2005 c.18 §2; 2017 c.318 §7]

Note: See note under 183.710.

183.720 Procedure for review of agency rule; reports on rules claimed to be duplicative or conflicting. (1) The Legislative Counsel may review, or shall review at the direction of the Legislative Counsel Committee, a proposed or adopted rule of a state agency.

(2) The Legislative Counsel may review an adopted rule of a state agency upon the written request of any person affected by the rule. The Legislative Counsel shall review a proposed or adopted rule of a state agency upon the written request of any member of the Legislative Assembly. The written request for review must identify the specific objection or problem with the rule.

(3) When reviewing a rule of a state agency pursuant to subsection (1) or (2) of this section, the Legislative Counsel shall:

(a) Determine whether the rule appears to be within the intent and scope of the en-
ABLING LEGISLATION PURPORTING TO AUTHORIZE ITS ADOPTION; AND

(b) Determine whether the rule raises any constitutional issue other than described in paragraph (a) of this subsection, and if so, the nature of the issue.

(4) In making a determination under subsection (3)(a) of this section, the Legislative Counsel shall, wherever possible, follow generally accepted principles of statutory construction.

(5) The Legislative Counsel shall prepare written findings on a rule reviewed, setting forth the determinations made under subsection (3) of this section.

(6) When a review of a rule is made by the Legislative Counsel, the Legislative Counsel shall send a copy of the determinations made under subsection (3) of this section to the appropriate interim committee or, if the review was requested by a member of the Legislative Assembly or by a person affected by the rule, to the person requesting the review. If the Legislative Counsel determines that a rule is not within the intent and scope of the enabling legislation purporting to authorize the state agency's adoption of the rule, or that the rule raises a constitutional issue, the Legislative Counsel shall also send a copy of the determination to the agency. The Legislative Counsel may request that the state agency respond in writing to the determinations made at the meeting of the interim committee at which the committee will consider the determinations. The interim committee may direct the Legislative Counsel to send a copy of the determinations to the presiding officer of a house of the Legislative Assembly, who may refer the determinations to any legislative committee concerned.

(7)(a) A member of the Legislative Assembly may request that Legislative Counsel prepare a report on a rule adopted by a state agency that the member asserts is duplicative of or conflicts with another rule. A person affected by a rule adopted by a state agency may request that Legislative Counsel prepare a report on the rule if the person asserts that the rule is duplicative of or conflicts with another rule. A request for a report must be in writing and contain copies of the two rules that are claimed to be duplicative or conflicting. The second rule may be either a rule adopted by a state agency or a rule or regulation adopted by a federal agency.

(b)(A) Upon receipt of a written request by a member of the Legislative Assembly, the Legislative Counsel shall prepare a report to the interim committee that contains:

(i) A copy of the request, including copies of the two rules that the member asserts are conflicting or duplicative; and

(ii) Legislative Counsel's analysis of the requirements of the two rules.

(B) Upon receipt of a written request by a person affected by a rule adopted by a state agency, the Legislative Counsel may prepare a written report to the person and each state agency concerned that contains the Legislative Counsel's analysis of the requirements of the two rules.

(8) Upon receipt of a report under subsection (7)(b)(A) of this section, the interim committee may issue a determination that a rule is duplicative or conflicts with the other cited rule.

(9) When a report on a rule is made by the Legislative Counsel under subsection (7)(b)(A) of this section, the Legislative Counsel shall send a copy of the report and any determinations made under subsection (8) of this section to each state agency concerned. The interim committee may direct the Legislative Counsel to send a copy of the determinations to the presiding officer of a house of the Legislative Assembly, who may refer the determinations to any legislative committee concerned. [Formerly 171.709; 1993 c.729 §7; 1997 c.602 §4; 2001 c.156 §1; 2009 c.81 §4]

Note: See note under 183.710.
(A) The rule is modified and the Legislative Counsel determines that the modified rule is within the intent and scope of the enabling legislation;

(B) A court makes a final determination that the rule is within the intent and scope of the enabling legislation and is otherwise constitutional, all appeals of the court’s determination are exhausted and the state agency notifies the Legislative Counsel of the determination; or

(C) The Legislative Assembly modifies the enabling legislation so as to bring the rule within the intent and scope of the enabling legislation, any other constitutional defect in the rule is cured and the state agency notifies the Legislative Counsel of the modification or cure.

(2) If the Legislative Counsel determines under ORS 183.720 (3) that a proposed or adopted rule is not within the intent and scope of the enabling legislation purporting to authorize the rule’s adoption, or that the rule is not constitutional, and the interim committee is not satisfied with the response to those issues made by the state agency, the committee may request that one or more representatives of the agency appear at a subsequent meeting of the committee along with a representative of the Oregon Department of Administrative Services for the purpose of further explaining the position of the agency.

(3) If a state agency is requested under subsection (2) of this section to appear at a subsequent meeting of the interim committee along with a representative of the Oregon Department of Administrative Services, the agency shall promptly notify the department of the request. The notification to the department must be in writing, and must include a copy of the determinations made by the Legislative Counsel and a copy of any written response made by the state agency to the determinations. [1997 c.602 §7; 1999 c.31 §2; 2009 c.81 §5]

Note: See note under 183.710.

183.724 Designation of interim committees for purposes of considering rule reports. (1) As soon as is practicable after the end of each odd-numbered year regular legislative session, the Legislative Counsel shall develop a list of state agencies with areas of responsibility that are primarily within the subject-matter jurisdiction of interim committees of the Legislative Assembly. The Legislative Counsel shall assign all state agencies to at least one interim committee. The Legislative Counsel may modify the list to reflect changes in interim committees. The Legislative Counsel shall distribute the list to all state agencies whenever the list is developed or modified.

(2) If an interim committee of one house of the Legislative Assembly has overlapping subject-matter jurisdiction with an interim committee of the other house, the Legislative Counsel may assign a state agency to either committee or to both committees. The Legislative Counsel shall strive to assign state agencies so as to ensure that the rule review workload is approximately equally distributed between the interim committees of both houses of the Legislative Assembly.

(3) The consideration of the written findings prepared by the Legislative Counsel on a rule by any one interim committee of either house of the Legislative Assembly satisfies the requirements of ORS 183.710 to 183.730. [2009 c.81 §3; 2011 c.545 §13]

Note: See note under 183.710.

183.725 [Formerly 171.713; 1993 c.729 §8; 1997 c.602 §5; 1999 c.31 §1; 2009 c.81 §6; repealed by 2017 c.518 §9]

(2) The Oregon Sunshine Committee shall include in the plan or schedule for review established under ORS 192.511 an adopted rule of a state agency upon the written request of any person affected by the rule if the adopted rule impacts the disclosure, or exemption from disclosure, of a public record. The request must specify the disclosure or exemption that is of concern.

(3) The committee shall include in the plan or schedule for review established under ORS 192.511 an adopted rule of a state agency upon the written request of a member of the Legislative Assembly if the adopted rule impacts the disclosure, or exemption from disclosure, of a public record. If no application for a hearing is made within the time allowed, the agency may make a final order imposing the penalty. A final order entered under this subsection need not be delivered or mailed to the person against whom the civil penalty is imposed.

(4) Any person who makes application as provided for in subsection (3) of this section shall be entitled to a hearing. The hearing shall be conducted as a contested case hearing pursuant to the applicable provisions of ORS 183.413 to 183.470.

(5) Judicial review of an order made after a hearing under subsection (4) of this section shall be as provided in ORS 183.480 to 183.497 for judicial review of contested cases.

(6) When an order assessing a civil penalty under this section becomes final by operation of law or on appeal, and the amount of penalty is not paid within 10 days after the order becomes final, the order may be recorded with the county clerk in any county of this state. The clerk shall thereupon record the name of the person incurring the penalty and the amount of the penalty in the County Clerk Lien Record.

(7) This section does not apply to penalties:
(a) Imposed under the tax laws of this state;
(b) Imposed under the provisions of ORS 646.760 or 652.332;

319.052 Conditions for increased bond amount; request and conditions for reduction; rules. (1) The Department of Transportation shall increase a dealer's bond filed under ORS 319.050 to an amount that is equivalent to twice the dealer's estimated monthly license tax, as determined by the department, or $1 million, whichever is less, if, within a 24-month period, the dealer:

(a) Was late three or more times in filing reports or making payments to the department;

(b) Had three or more checks or electronic funds transfers to the department dishonored for lack of funds or credit;

(c) Failed to maintain or make available a record of all purchases, receipts, sales and distribution of motor vehicle fuel as required under ORS 319.390; or

(d) Had a motor vehicle fuel dealer license issued in this state or another jurisdiction revoked.

(2) The department may waive an increase in the bond amount under subsection (1) of this section if the department determines that the dealer did not intend to avoid payment of license taxes when the dealer engaged in the conduct described in subsection (1)(a), (b) or (c) of this section or when the dealer engaged in the conduct that led to the license revocation described in subsection (1)(d) of this section. If the department waives an increase in the bond amount, the bond shall remain at an amount that is:
(a) Required under ORS 319.051 for a dealer described in ORS 319.051; or
(b) Required under ORS 319.050.

(3) If the department increases the bond amount as provided in subsection (1) of this section, the dealer may, after 24 months, request in writing that the department reduce the bond amount. The department shall reduce the bond amount if the department determines that the dealer, in the 24 months prior to the dealer's written request:

(a) Filed timely reports and made timely payments;
(b) Had no checks or electronic funds transfers to the department dishonored for lack of funds or credit;
(c) Maintained and made available a record of all purchases, receipts, sales and distribution of motor vehicle fuel as required under ORS 319.390; and
(d) Did not have a motor vehicle fuel dealer license issued in this state or another jurisdiction revoked.

(4) If the department determines that the dealer met all of the requirements under subsection (3) of this section, the department shall reduce the bond required of a dealer described in ORS 319.050 or a dealer described in ORS 319.051 to an amount that is equivalent to twice the dealer's estimated monthly license tax, as determined by the department, or $250,000, whichever is less.

(5) If the department determines that the dealer failed to meet the requirements under subsection (3) of this section and that the failure was not due to the dealer's intent to avoid payment of license taxes, the department may reduce the bond required of a dealer described in ORS 319.050 or a dealer described in ORS 319.051 to an amount that is equivalent to twice the dealer's estimated monthly license tax, as determined by the department, or $250,000, whichever is less.

(6) For purposes of this section, the department shall adopt rules establishing what constitutes evidence that a dealer did not intend to avoid payment of license taxes. [2003 c.52 §4]

Note: See note under 319.051.

319.053 Amount of bond when twice license tax is less than $1,000. If the amount that is equivalent to twice the amount of a dealer's estimated monthly license tax, as determined by the Department of Transportation, is an amount that is less than $1,000, the bond amount required by ORS 319.050, 319.051 or 319.052 shall be $1,000. [2003 c.52 §5]

Note: See note under 319.051.

319.060 Deposit in lieu of bond. In lieu of the bond or bonds in total amount as fixed under ORS 319.050, 319.051, 319.052 or 319.053, any dealer may deposit with the State Treasurer, under such terms and conditions as the Department of Transportation may prescribe, a like amount of lawful money of the United States or bonds or other obligations of the United States, the State of Oregon, or any county of this state, of an actual market value not less than the amount so fixed by the department. [Amended by 2003 c.52 §7]

319.070 Release of surety. Any surety on a bond furnished by a dealer as provided in ORS 319.050 shall be released and discharged from any and all liability to the state accruing on such bond after the expiration of 30 days from the date upon which the surety has lodged with the Department of Transportation a written request to be released and discharged, but this provision shall not operate to relieve, release or discharge the surety from any liability already accrued or which accrues before the expiration of the 30-day period. The department shall promptly, upon receiving the request, notify the dealer who furnished the bond, and unless the dealer, on or before the expiration of the 30-day period, files a new bond, or makes a deposit in accordance with the requirements of ORS 319.050 and 319.060, the department forthwith shall cancel the dealer's license.

319.080 Additional bond or deposit. The Department of Transportation may require a dealer to give a new or additional surety bond or to deposit additional securities of the character specified in ORS 319.060 if, in its opinion, the security of the surety bond theretofore filed by the dealer, or the market value of the properties deposited as security by the dealer, becomes impaired or inadequate. Upon failure of the dealer to give the new or additional surety bond or to deposit additional securities within 10 days after being requested so to do by the department, the department forthwith shall cancel the license of the dealer.

319.090 Immediate collection of tax and interest; penalties; waiver. (1) If any dealer sells, distributes or uses any motor vehicle fuel without first filing the certificate and bond and securing the license required by ORS 319.030, the license tax provided in ORS 319.020 shall immediately be due and payable on account of all motor vehicle fuel so sold, distributed or used.

(2) Except as otherwise provided in this subsection, the Department of Transportation shall proceed forthwith to determine, from the best available sources, the amount of such tax, and it shall immediately assess the
tax and interest in the amount found due, together with a penalty of 100 percent of the tax, and shall make its certificate of such assessment and penalty. The department may waive all or part of a penalty imposed under this subsection if the department determines that a violation of the requirement under this section to file the certificate and bond or to secure the license was due to reasonable cause and without intent to avoid payment of the tax. In any suit or proceeding to collect such tax, interest or penalty, the certificate is prima facie evidence that the dealer therein named is indebted to the State of Oregon in the amount of the tax, interest and penalty therein stated. [Amended by 1981 c.396 §1; 1989 c.664 §§; 1999 c.769 §5]

319.096 Suspension of license; liability for tax; reinstatement. (1) The Department of Transportation may, prior to a hearing, suspend a motor vehicle fuel dealer who refuses or neglects to comply with the provisions of ORS 319.010 to 319.430 until the dealer complies with the provisions of ORS 319.010 to 319.430.

(2) Upon suspension of a dealer’s license under subsection (1) of this section, the department shall immediately notify:

(a) The dealer by certified mail of the dealer’s license suspension and the dealer’s right to request an immediate hearing to contest the license suspension; and

(b) All other licensed motor vehicle fuel dealers by a method determined under ORS 319.102 that the authority of the dealer to purchase tax-deferred motor vehicle fuel has been suspended.

(3) If a licensed motor vehicle fuel dealer sells tax-deferred motor vehicle fuel to a dealer whose license has been suspended under subsection (1) of this section after the thirty day after the selling dealer receives notice of the suspension under subsection (2) of this section, the selling dealer and the suspended dealer are jointly and severally liable for the tax owed on the sale of the fuel.

(4)(a) Notwithstanding the joint and several liability of the selling dealer and the suspended dealer under subsection (3) of this section, the department shall attempt to collect from the suspended dealer the tax owed on the fuel for a period of 45 days from the date of the sale to the suspended dealer.

(b) After the expiration of the 45-day period under this subsection, the department shall collect from the selling dealer any tax not collected from the suspended dealer under this subsection.

(5) The department shall waive the liability of a selling dealer under subsection (3) of this section if the selling dealer establishes to the satisfaction of the department that:

(a) The sale of the motor vehicle fuel to the suspended dealer was due to circumstances that were beyond the control of the selling dealer; or

(b) The dealer whose license was suspended engaged in fraud or deceit to avoid timely payment of the tax to the selling dealer.

(6) When a dealer whose license has been suspended under subsection (1) of this section complies with the provisions of ORS 319.010 to 319.430, the department shall reinstate the dealer’s license and shall notify by a method determined under ORS 319.102 all licensed motor vehicle fuel dealers that the dealer’s license has been reinstated and that the dealer is authorized to purchase tax-deferred fuel.

(7) If the department determines that a dealer whose license has been suspended under subsection (1) of this section is unwilling or unable to comply with the provisions of ORS 319.010 to 319.430, the department shall revoke the license of the dealer as provided in ORS 319.100. [2003 c.113 §2]

Note: 319.096, 319.098 and 319.102 were added to and made a part of 319.010 to 319.430 by legislative action but were not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

319.098 Contesting license suspension. A dealer whose license has been suspended by the Department of Transportation under ORS 319.096 may contest the suspension as provided in ORS chapter 183. [2003 c.113 §3]

Note: See note under 319.096.

319.100 Revocation of license. (1) The Department of Transportation shall revoke the license of any dealer whose license has been suspended under ORS 319.096 and who the department determines is unwilling or unable to comply with the provisions of ORS 319.010 to 319.430.

(2) The department shall mail by certified mail addressed to the dealer at the last-known address in the files of the department, a notice of intention to revoke the dealer’s license. The notice shall give the reason for the revocation of the license.

(3) The license revocation becomes effective without further notice if within 10 days from the mailing of the notice the dealer has not complied with the provisions of ORS 319.010 to 319.430.

(4) The department shall provide notice of the revocation of the license of a dealer under this section to all other licensed motor vehicle fuel dealers by a method determined under ORS 319.102. [1989 c.664 §4; 2003 c.113 §4]
319.102 Notice to dealers of suspension or revocation of another dealer’s license; rules. The Department of Transportation shall establish by rule the most efficient method of notifying licensed motor vehicle fuel dealers as required under ORS 319.096 and 319.100 that a dealer’s license has been suspended, revoked or reinstated. The possible methods may include, but need not be limited to, notice by telephone, electronic mail or regular mail. [2003 c.113 §5]

319.110 Cancellation of license on request of dealer or when licensee no longer a dealer. (1) The Department of Transportation may, upon written request of a dealer, cancel any license issued to such dealer, the cancellation to become effective 30 days from the date of receipt of the written request.

(2) If the department ascertains and finds that the person to whom a license has been issued is no longer engaged in the business of a dealer, the department may cancel the license of such dealer upon investigation after 30 days’ notice has been mailed to the last-known address of the dealer.

319.120 Remedies cumulative. Except as otherwise provided in ORS 319.180 and 319.200, the remedies of the state provided in ORS 319.090, 319.100 and 319.110 are cumulative. No action taken pursuant to those statutes shall relieve any person from the penal provisions of ORS 319.010 to 319.430 and 319.990. [Amended by 1967 c.54 §1; 1999 c.769 §7]

319.125 Change of ownership; cancellation of license. A licensed dealer who has a change of ownership shall notify the Department of Transportation immediately of the change. Upon notification, the department shall immediately cancel the motor vehicle fuel dealer license of the dealer. No license may be issued to any successor of the dealer until the successor completes an application and certificate and supplies the department with an adequate bond. For purposes of this section:

(1) In the case of a corporation with more than 100 stockholders, transfer of stock in normal trading is not considered a change in ownership.

(2) In the case of a corporation with 100 or fewer stockholders, transfer of less than 50 percent of the stock in any period of 12 consecutive months is not considered a change in ownership. [1987 c.610 §21]

Note: 319.125 was added to and made a part of 319.010 to 319.430 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

319.130 [Repealed by 1987 c.610 §23]

319.140 [Amended by 1959 c.505 §3; 1987 c.158 §50a; 1987 c.610 §3; repealed by 1989 c.664 §6]

319.150 [Repealed by 1989 c.664 §6]

319.160 [Amended by 1957 c.209 §3; 1959 c.505 §4; 1967 c.359 §691; 1987 c.610 §4; repealed by 1989 c.664 §6]

319.170 [Amended by 1987 c.610 §5; repealed by 1989 c.664 §6]

319.180 Payment of tax; delinquency penalty; interest rates. (1) The license tax imposed by ORS 319.020 shall be paid on or before the 25th day of each month to the Department of Transportation which, upon request, shall receipt the dealer therefor.

(2) Except as provided in subsection (4) of this section, to any license tax not paid as required by subsection (1) of this section there shall be added a penalty of one percent of such license tax.

(3) Except as provided in subsection (4) of this section, if the tax and penalty required by subsection (2) of this section are not received on or before the close of business on the last day of the month in which the payment is due, a further penalty of 10 percent shall be paid in addition to the penalty provided for in subsection (2) of this section.

(4) If the department determines that the delinquency was due to reasonable cause and without any intent to avoid payment, the penalties provided by subsections (2) and (3) of this section may be waived. Penalties imposed by this section shall not apply when the penalty provided in ORS 319.090 has been assessed and paid.

(5)(a) If the license tax imposed by ORS 319.020 is not paid as required by subsection (1) of this section, interest shall be charged at the rate of 0.0329 percent per day until the tax and interest have been paid in full.

(b) If the license tax imposed by ORS 319.020 is overpaid, the department may credit interest to the account of the taxpayer in the amount of 0.0329 percent per day up to a maximum amount that equals any interest assessed against the taxpayer under paragraph (a) of this subsection in any given audit period.

(6) No dealer who incurs a tax liability as provided for in ORS 319.010 to 319.430, shall knowingly and willfully fail to report and pay the same to the department as required by ORS 319.010 to 319.430. [Amended by 1955 c.730 §3; 1957 c.209 §4; 1959 c.505 §5; 1963 c.226 §2; 1967 c.54 §2; 1979 c.344 §4; 1987 c.610 §6; 1989 c.664 §5; 1999 c.769 §6]

319.182 Collection of delinquent tax, interest or penalty; warrant; judgment lien. (1) If a person fails to pay in full any tax, interest or penalty due under ORS 319.010 to 319.430, the Department of Transportation may issue a warrant for the amount due, with the added penalties or
charges, interest and the cost of executing the warrant. A copy of the warrant shall be mailed or delivered to the taxpayer by the department at the taxpayer's last-known address.

(2) At any time after issuing a warrant under this section, the department may record the warrant in the County Clerk Lien Record of any county of this state. Recording of the warrant has the effect described in ORS 205.125. After recording a warrant, the department may direct the sheriff for the county in which the warrant is recorded to levy upon and sell the real and personal property of the taxpayer found within that county, and to levy upon any currency of the taxpayer found within that county, for the application of the proceeds or currency against the amount reflected in the warrant and the sheriff's cost of executing the warrant. The sheriff shall proceed on the warrant in the same manner prescribed by law for executions issued against property pursuant to a judgment, and is entitled to the same fees as provided for executions issued against property pursuant to a judgment. The fees of the sheriff shall be added to and collected as a part of the warrant liability.

(3) In the discretion of the department a warrant under this section may be directed to any agent authorized by the department to collect taxes, and in the execution of the warrant the agent has all of the powers conferred by law upon sheriffs, but is entitled to no fee or compensation in excess of actual expenses paid in the performance of such duty. [1999 c.769 §2; 2003 c.576 §200; 2011 c.661 §3]

Note: 319.182, 319.184 and 319.186 were added to and made a part of 319.010 to 319.430 by legislative action but were not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

319.184 Use of collection agency. (1) The Department of Transportation may engage the services of a collection agency to collect any of the taxes, interest and penalties due to the state under ORS 319.010 to 319.430. The department may engage the services by entering into agreements to pay reasonable charges on a contingent fee or other basis.

(2) The department may assign to the collection agency, for collection purposes only, any of the taxes, interest and penalties due the state under ORS 319.010 to 319.430.

(3) The collection agency may bring such actions or take such proceedings, including attachment and garnishment proceedings, as may be necessary. [1999 c.769 §3]

Note: See note under 319.182.

319.186 Uncollectible tax, interest or penalty. (1) Any tax, interest or penalty due the state assigned to a collection agency pursuant to ORS 319.184 that remains uncollected for two years after the date of the assignment meets the criteria for uncollectibility formulated pursuant to ORS 293.240.

(2) ORS 293.245 applies to any tax, interest or penalty due the state and described in subsection (1) of this section. [1999 c.769 §4; 2011 c.223 §2]

Note: See note under 319.182.

319.190 Monthly statement of dealer; penalty; rules. (1) Every dealer in motor vehicle fuel shall render to the Department of Transportation, on or before the 25th day of each month, on forms prescribed, prepared and furnished by the department, and in the manner provided by the department by rule, a signed statement of the number of gallons of motor vehicle fuel sold, distributed or used by the dealer during the preceding calendar month. The statement shall be signed by one of the principal officers, or by an authorized agent in case of a corporation; or by the managing agent or owner in case of a firm or association.

(2) The signed statement filed with the department as required by this section is a public record. All other documents, including supporting schedules and information received from other taxing jurisdictions and entities, shall be kept confidential and exempt from public inspection except that such information may be shared with tax collecting entities in other jurisdictions on the condition that the receiving jurisdiction agrees to keep such information confidential. If a statement is not received on or before the 25th day of each month, a penalty shall be assessed pursuant to ORS 319.180 or, if the department determines that no tax is due, a penalty of $25 shall be assessed. [Amended by 1955 c.730 §4; 1957 c.209 §5; 1987 c.610 §7; 2011 c.101 §2]

319.192 Refund to dealer of uncollectible taxes; rules. (1) Upon application to the Department of Transportation, a motor vehicle fuel dealer may obtain a refund of the tax paid to the department on sales of motor vehicle fuel if:

(a) The dealer has received less than full consideration for the fuel from or on behalf of a purchaser;

(b) The account has been declared by the dealer to be an uncollectible account receivable and meets all applicable standards for deductibility for federal income tax purposes pursuant to the Internal Revenue Code; and

(c) The dealer has not previously received a refund from the department for mo-
motor vehicle fuel taxes not paid by the same purchaser.

(2) For purposes of determining the amount of a refund due under this section, the amount of consideration received by the motor vehicle fuel dealer shall be apportioned between the charges for the motor vehicle fuel and the tax for the fuel. The amount of the tax refunded may not exceed the amount of tax paid under ORS 319.020.

(3) If the motor vehicle fuel dealer who receives a refund under this section subsequently collects any amount from any source for the account declared uncollectible, the amount collected shall be apportioned between the charges for the motor vehicle fuel and the corresponding tax for the fuel. The motor vehicle fuel tax collected shall be returned to the department.

(4) The department shall adopt rules governing the process of applying for and receiving refunds under this section. [2003 c.307 §2]

Note: 319.192 was added to and made a part of 319.010 to 319.430 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

319.200 Assessing tax and penalty where dealer fails to report. If any dealer, except one subject to ORS 319.090, fails to file the report required by ORS 319.190, the Department of Transportation shall proceed forthwith to determine from the best available source the amount of motor vehicle fuel sold, distributed or used by such dealer for the period unreported, and such determination shall be prima facie evidence of the amount of such fuel sold, distributed or used. The department immediately shall assess the license tax in the amount so determined, adding thereto a penalty of 10 percent for failure to report. The penalty shall be cumulative of other penalties provided in ORS 319.010 to 319.430 and 319.990. In any suit brought to enforce the rights of the state under this section, the certificate of the department showing the amount of taxes, penalties, interest and costs unpaid by any dealer and that the same are due and unpaid to the state is prima facie evidence of the facts as shown. [Amended by 1967 c.54 §3; 1987 c.610 §8]

319.210 Billing purchasers. Bills shall be rendered to all purchasers of motor vehicle fuel by dealers in motor vehicle fuel. The bills shall separately state and describe to the satisfaction of the Department of Transportation the different products shipped thereunder and shall be serially numbered except where other sales invoice controls acceptable to the department are maintained. [Amended by 1955 c.730 §§; 1987 c.610 §9]

319.220 Receipt, payment or sale of motor vehicle fuel without invoice or delivery tag prohibited. No person shall receive and accept any shipment of motor vehicle fuel from any dealer, or pay for the same, or sell or offer the shipment for sale, unless the shipment is accompanied by an invoice or delivery tag showing the date upon which shipment was delivered and the name of the dealer in motor vehicle fuel. [Amended by 1955 c.730 §§; 1987 c.610 §10]

319.230 Transporting motor vehicle fuel in bulk. Every person operating any conveyance for the purpose of hauling, transporting or delivering motor vehicle fuel in bulk shall, before entering upon the public highways of this state with such conveyance, have and possess during the entire time of hauling or transporting such motor vehicle fuel an invoice, bill of sale or other written statement showing the number of gallons, the true name and address of the seller or consignor, and the true name and address of the buyer or consignee, if any, of the same. The person hauling such motor vehicle fuel shall at the request of any sheriff, deputy sheriff, constable, state police or other officer authorized by law to inquire into or investigate such matters, produce and offer for inspection the invoice, bill of sale or other statement. [Amended by 1957 c.209 §6]

319.240 Exemption of export fuel. (1) The license tax imposed by ORS 319.020 may not be imposed on motor vehicle fuel that is exported by a dealer:

(a) From this state to another state, territory or country, not including a federally recognized Indian reservation located wholly or partially within the borders of this state, where the motor vehicle fuel is unloaded; and

(b) Who has a valid motor vehicle fuel dealer’s license or its equivalent issued by the state, territory or country to which the fuel is exported and where it is unloaded.

(2) In support of any exemption from license taxes claimed under this section other than in the case of stock transfers or deliveries in equipment, every dealer must execute and file with the Department of Transportation an export certificate in such form as shall be prescribed, prepared and furnished by the department, containing a statement, made by some person having actual knowledge of the fact of such exportation, that the motor vehicle fuel has been exported from the State of Oregon, and giving such details with reference to such shipment as the department may require. All export certificates in support of shipments to other states, territories or countries must be completed and on file in the principal office of the dealer in this state within three
months after the close of the calendar month in which the shipments to which they relate are made, unless the state, territory or country of destination would not be prejudiced with respect to its collection of taxes thereon if the certificate is not filed within such time. The department may demand of any dealer such additional data as is deemed necessary in support of any such certificate, and failure to supply such data will constitute a waiver of all right to exemption claimed by virtue of such certificate. The department may, in a case where it believes no useful purpose would be served by filing of an export certificate, waive the certificate.

(3) Any motor vehicle fuel carried from this state in the fuel tank of a motor vehicle shall not be considered as exported from this state, except that a refund of the tax may be paid on such fuel as provided in ORS 319.280 (1)(d).

(4) No person shall, through false statement, trick or device, or otherwise, obtain motor vehicle fuel for export upon which the Oregon tax has not been paid and fail to export the same, or any portion thereof, or cause the motor vehicle fuel or any portion thereof not to be exported, or shall divert the motor vehicle fuel or any portion thereof, or shall cause it to be diverted from interstate or foreign transit begun in this state, or shall unlawfully return the motor vehicle fuel or any portion thereof to be used or sold in this state and fail to notify the department and the dealer from whom the motor vehicle fuel was originally purchased of the person’s act.

(5) No dealer or other person shall conspire with any person to withhold from export, or divert from interstate or foreign transit begun in this state, or to return motor vehicle fuel to this state for sale or use so as to avoid any of the taxes imposed by ORS 319.010 to 319.430. [Amended by 1953 c.82 §2; 1955 c.730 §7; 1959 c.156 §1; 1963 c.257 §1; 1987 c.610 §11; 2003 c.56 §1]

319.250 Certain sales to Armed Forces exempted; reports. The license tax imposed by ORS 319.020 shall not be imposed on any aircraft or motor vehicle fuel sold to the Armed Forces of the United States for use in ships, aircraft or for export from this state; but every dealer shall be required to report such sales to the Department of Transportation in such detail as may be required. A certificate by an authorized officer of such Armed Forces shall be accepted by the dealer as sufficient proof that the sale is for the purpose specified in the certificate. [Amended by 1955 c.730 §§; 1959 c.186 §2; 1961 c.43 §1; 1987 c.610 §12]

319.260 Fuel in vehicles coming into or leaving state not taxed. Any person coming into or leaving Oregon in a motor vehicle may transport in the fuel tank of such vehicle motor vehicle fuel for the purpose of operating such motor vehicle, without complying with any of the provisions imposed upon dealers by ORS 319.010 to 319.430. However, if motor vehicle fuel so brought into the state is removed from the fuel tank of the vehicle or used for any purpose other than the propulsion of the vehicle, the person so importing the fuel into this state shall be subject to all the provisions of ORS 319.010 to 319.430 and 319.990 applying to dealers. [Amended by 1987 c.610 §12a]

319.270 Fuel sold or distributed to dealers. (1) Notwithstanding ORS 319.020, if the first sale, use or distribution of motor vehicle fuel or aircraft fuel is from one licensed dealer to another licensed dealer, the selling or distributing dealer is not required to pay the license tax imposed by ORS 319.020. When the purchasing or receiving dealer first sells, uses or distributes the fuel, that dealer shall pay the license tax regardless of whether the sale, use or distribution is to another licensed dealer.

(2) A dealer who renders monthly statements to the Department of Transportation as required by ORS 319.020 and 319.190 shall show separately the number of gallons of motor vehicle fuel sold or delivered to dealers. [Amended by 1987 c.610 §13]

319.275 Liability for taxes, interest and penalties when person importing fuel does not hold license. (1) A person who is not a licensed dealer shall not accept or receive motor vehicle or aircraft fuel in this state from a person who imports motor vehicle or aircraft fuel who does not hold a valid motor vehicle fuel dealer license in this state. If a person who is not a licensed dealer accepts or receives motor vehicle fuel or aircraft fuel from a person who imports motor vehicle fuel or aircraft fuel and does not hold a valid motor vehicle fuel dealer license in this state, the purchaser or receiver shall be liable for all taxes, interest and penalties contained in ORS 319.010 to 319.430.

(2) A licensed dealer who accepts or receives motor vehicle fuel or aircraft fuel in this state from a person who imports motor vehicle or aircraft fuel who does not hold a valid dealer license in this state shall pay the tax imposed by ORS 319.020 to the Department of Transportation upon the first sale, use or distribution of the motor vehicle fuel or aircraft fuel. [1987 c.610 §22; 1991 c.563 §§18a,21a]
319.280 Refunds generally. (1) Any person who has paid any tax on motor vehicle fuel levied or directed to be paid by ORS 319.010 to 319.430 either directly by the collection of the tax by the vendor from the consumer, or indirectly by adding the amount of the tax to the price of the fuel and paid by the consumer, shall be reimbursed and repaid the amount of such tax paid, except as provided in ORS 319.290 to 319.330, if such person has:

(a) Purchased and used such fuel for the purpose of operating or propelling a stationary gas engine, a tractor or a motor boat, if the motor boat is used for commercial purposes at any time during the period for which the refund is claimed;

(b) Purchased and used such fuel for cleaning or dying or other commercial use, except when used in motor vehicles operated upon any highway;

(c) Purchased and exported such fuel from this state, in containers other than fuel supply tanks of motor vehicles, provided that the person:

(A) Exports the motor vehicle fuel from this state to another state, territory or country, not including a federally recognized Indian reservation located wholly or partially within the borders of this state, where the motor vehicle fuel is unloaded; and

(B) Has a valid motor vehicle fuel dealer's license or its equivalent issued by the state, territory or country to which the fuel is exported and where it is unloaded;

(d) Purchased and exported such fuel in the fuel supply tank of a motor vehicle and has used such fuel to operate the vehicle upon the highways of another state, if the user has paid to the other state a similar motor vehicle fuel tax on the same fuel, or has paid any other highway use tax the rate for which is increased because such fuel was not purchased in, and the tax thereon paid, to such state; or

(e) Purchased and used such fuel for small engines that are not used to propel motor vehicles on highways, including but not limited to those that power lawn mowers, leaf blowers, chain saws and similar implements.

(2) When a motor vehicle with auxiliary equipment uses fuel and there is no auxiliary motor for such equipment or separate tank for such a motor, a refund may be claimed and allowed as provided by subsection (4) of this section, except as otherwise provided by this subsection, without the necessity of furnishing proof of the amount of fuel used in the operation of the auxiliary equipment. The person claiming the refund may present to the Department of Transportation a statement of the claim and be allowed a refund as follows:

(a) For fuel used in pumping aircraft fuel, motor vehicle fuel, fuel or heating oils or other petroleum products by a power take-off unit on a delivery truck, refund shall be allowed claimant for tax paid on fuel purchased at the rate of three-fourths of one gallon for each 1,000 gallons of petroleum products delivered.

(b) For fuel used in operating a power take-off unit on a cement mixer truck or on a garbage truck, claimant shall be allowed a refund of 25 percent of the tax paid on all fuel used in such a truck.

(c) When a person purchases and uses motor vehicle fuel in a vehicle equipped with a power take-off unit, a refund may be claimed for fuel used to operate the power take-off unit provided the vehicle is equipped with a metering device approved by the department and designed to operate only while the vehicle is stationary and the parking brake is engaged; the quantity of fuel measured by the metering device shall be presumed to be the quantity of fuel consumed by the operation of the power take-off unit.

(3) Before any such refund may be granted, the person claiming such refund must present to the department a statement, accompanied by the original invoices, or reasonable facsimiles approved by the department, showing such purchases; provided that in lieu of original invoices or facsimiles, refunds submitted under subsection (1)(d) of this section shall be accompanied by information showing source of the fuel used and evidence of payment of tax to the state in which the fuel was used. The statement shall be made over the signature of the claimant, and shall state the total amount of such fuel for which the claimant is entitled to be reimbursed under subsection (1) of this section. The department upon the presentation of the statement and invoices or facsimiles, or other required documents, shall cause to be repaid to the claimant the amount of such tax collected on motor vehicle fuel such taxes so paid by the claimant. [Amended by 1959 c.186 §3; 1963 c.257 §2; 1969 c.465 §1; 1971 c.163 §1; 1973 c.135 §1; 1985 c.152 §1; 1997 c.364 §1; 2001 c.820 §4; 2003 c.56 §2; 2013 c.781 §19; 2019 c.428 §5]

319.290 Limitation on applications for refunds. Applications for refunds made under ORS 319.280, 319.320 and 319.330 must be filed with the Department of Transportation before the expiration of 15 months from the date of purchase or invoice, except that unused fuel reported as an ending inventory on any claim may be included in a subsequent claim if presented not later than 15 months from the filing date of the claim which established the inventory. All applications for
refunds based upon exportation of motor vehicle fuel from this state in the fuel supply tank of a motor vehicle must be filed with the department before the expiration of 15 months from the last day of the month in which the fuel was used, or before the expiration of 15 months from the date of an assessment for unpaid tax by the state in which the fuel was used. [Amended by 1955 c.730 §9; 1963 c.257 §3; 1979 c.344 §5]

319.300 Seller to give invoice for each purchase made by person entitled to refund. (1) When motor vehicle fuel is sold to a person who claims to be entitled to a refund of the tax imposed, the seller of the motor vehicle fuel shall make and deliver at the time of the sale separate invoices for each purchase in such form and containing any information prescribed by the Department of Transportation.

(2) The invoices shall be legibly written and shall be void if any corrections or erasures appear on the face thereof. Any person who alters any part of any invoice that will tend to give to the claimant an illegal gain, shall have the entire claim invalidated. The seller shall for a period of at least 18 months retain copies of all invoices and make them available to the department upon request. [Amended by 1953 c.77 §2; '1955 c.730 §10; '1957 c.209 §7]

319.310 Claims for refunds may be required to be under oath; investigation of claims. (1) The Department of Transportation may require any person who makes claim for refund of tax upon motor vehicle fuel to furnish a statement, under oath, giving the occupation, description of the machines or equipment in which the motor vehicle fuel was used, the place where used and such other information as the department may require.

(2) The department may investigate claims and gather and compile such information in regard to the claims as it considers necessary to safeguard the state and prevent fraudulent practices in connection with tax refunds and tax evasions. The department may, in order to establish the validity of any claim, examine the books and records of the claimant for such purposes. The records shall be sufficient to substantiate the accuracy of the claim and shall be in such form and contain such information as the department may require. Failure of the claimant to maintain such records or to accede to the demand for such examination constitutes a waiver of all rights to the refund claimed on account of the transaction questioned. [Amended by 1959 c.186 §4]

319.320 Refund of tax on fuel used in operation of vehicles over certain roads or private property. (1) Upon compliance with subsection (2) or (3) of this section the Department of Transportation shall refund, in the manner provided in subsection (2) or (3) of this section, the tax on motor vehicle fuel that is used in the operation of a motor vehicle:

(a) By any person on any road, thoroughfare or property in private ownership.

(b) By any person on any road, thoroughfare or property, other than a state highway, county road or city street, for the removal of forest products, as defined in ORS 321.005, or the products of such forest products converted to a form other than logs at or near the harvesting site, or for the construction or maintenance of the road, thoroughfare or property, pursuant to a written agreement or permit authorizing the use, construction or maintenance of the road, thoroughfare or property, with or by:

(A) An agency of the United States;
(B) The State Board of Forestry;
(C) The State Forester; or
(D) A licensee of an agency named in subparagraph (A), (B) or (C) of this paragraph.

(c) By an agency of the United States or of this state or of any county, city or port of this state on any road, thoroughfare or property, other than a state highway, county road or city street.

(d) By any person on any county road for the removal of forest products, as defined in ORS 321.005, or the products of such forest products converted to a form other than logs at or near the harvesting site, if:

(A) The use of the county road is pursuant to a written agreement entered into with, or to a permit issued by, the State Board of Forestry, the State Forester or an agency of the United States, authorizing such person to use such road and requiring such person to pay for or to perform the construction or maintenance of the county road;
(B) The board, officer or agency that entered into the agreement or granted the permit, by contract with the county court or board of county commissioners, has assumed the responsibility for the construction or maintenance of such county road; and
(C) Copies of the agreements or permits required by subparagraphs (A) and (B) of this paragraph are filed with the department.

(2) Except for a farmer subject to subsection (3) of this section, the person or agency, as the case may be, who has paid any tax on such motor vehicle fuels levied or directed to be paid, as provided by ORS 319.010 to 319.430, is entitled to claim a refund of the tax so paid on such fuels or for the proportionate part of tax paid on fuels used, construction or maintenance of the road, thoroughfare or property, with or by:...
used in the operation of such vehicles, when part of the operations are over such roads, thoroughfares or property. The proportionate part shall be based upon the number of miles traveled by any such vehicle over such roads, thoroughfares or property as compared to the total number of miles traveled by such vehicle. To be eligible to claim such refund the person or agency, as the case may be, shall first establish and maintain a complete record of the operations, miles traveled, gallons of fuel used and other information, in such form and in such detail as the department may prescribe and require, the source of supply of all fuels purchased or used, and the particular vehicles or equipment in which used. Whenever any such claim is received and approved by the department, it shall cause the refund of tax to be paid to the claimant in like manner as provided for paying of other refund claims.

(3) A farmer who has paid any tax on motor vehicle fuels levied or directed to be paid, as provided in ORS 319.010 to 319.430, is entitled to claim a refund of the tax paid on such fuels used in farming operations in the operation of any motor vehicle on any road, thoroughfare or property in private ownership. To be eligible to claim such refund a farmer shall maintain in such form and in such detail as the department may prescribe and require, a record, supported by purchase invoices, of all such motor vehicle fuel purchased (including fuel purchased to operate any motor vehicle on the highway) and, for each and every motor vehicle operated on the highway, a record of all fuel used and of all miles traveled on the highway. Whenever any such claim is received and approved by the department, it shall cause the refund of tax to be paid to the claimant in like manner as provided for paying of other refund claims.

(4) As used in subsections (2) and (3) of this section, “farmer” includes any person who manages or conducts a farm for the production of livestock or crops but does not include a person who manages or conducts a farm for the production of forest products, as defined in ORS 321.005, or the products of such forest products converted to a form other than logs at or near the harvesting site, or of forest trees unless the production of such forest products or forest trees is only incidental to the primary purpose of the farming operation. [Amended by 1961 c.368 §1; 1965 c.64 §1; 1966 c.425 §2; 1967 c.367 §2; 1979 c.344 §6]

319.330 Refunds to purchasers of fuel for aircraft. (1) Whenever any statement and invoices are presented to the Department of Transportation showing that motor vehicle fuel or aircraft fuel has been purchased and used in operating aircraft engines and upon which the full tax for motor vehicle fuel has been paid, the department shall refund the tax paid, but only after deducting from the tax paid 11 cents for each gallon of such fuel so purchased and used, except that when such fuel is used in operating aircraft turbine engines (turbo-prop or jet) the deduction shall be three cents for each gallon. No deduction provided under this subsection shall be made on claims presented by the United States or on claims presented where a satisfactory showing has been made to the department that such aircraft fuel has been used solely in aircraft operations from a point within the State of Oregon directly to a point not within any state of the United States. The amount so deducted shall be paid on warrant of the Oregon Department of Administrative Services to the State Treasurer, who shall credit the amount to the State Aviation Account for the purpose of carrying out the provisions of the state aviation law.

Note: The amendments to 319.330 by section 5, chapter 700, Oregon Laws 2015, apply to fuel purchased and used in operating aircraft engines on or after January 1, 2022. See section 6, chapter 700, Oregon Laws 2015. The text that applies to fuel purchased and used in operating aircraft engines on or after January 1, 2022, is set forth for the user’s convenience.

(2) If satisfactory evidence is presented to the Department of Transportation showing that aircraft fuel upon which the tax has been paid has been purchased and used solely in aircraft operations from a point within the State of Oregon directly to a point not within any state of the United States, the department shall refund the tax paid. [Amended by 1959 c.505 §6; 1973 c.575 §1; 1977 c.293 §2; 1999 c.935 §26; 1999 c.1037 §§2,4; 2005 c.755 §16; 2015 c.700 §2]

319.340 [Amended by 1959 c.203 §1; repealed by 1979 c.344 §11]

319.350 [Amended by 1971 c.118 §1; repealed by 1979 c.344 §11]

319.360 [Amended by 1957 c.209 §8; repealed by 1979 c.344 §11]

319.370 Examinations and investigations; correcting reports and payments. The Department of Transportation, or its duly authorized agents, may make any examination of the accounts, records, stocks, facilities and equipment of dealers, brokers, service stations and other persons engaged in storing, selling or distributing motor vehicle fuel or other petroleum product or products within this state, and such other investigations as it considers necessary in carrying out the provisions of ORS 319.010 to 319.430. If the examinations or investigations disclose that any reports of dealers or other persons theretofore filed with the department pursuant to the requirements of ORS 319.010 to 319.430, have shown incorrectly the amount of gallonage of motor vehicle fuel distributed or the tax, penalty or interest accruing thereon, the department may make such changes in subsequent reports and payments of such dealers or other persons, or may make such refunds, as may be necessary to correct the errors disclosed by its examinations or investigations. [Amended by 1987 c.610 §15]

319.375 Limitation on credit for or refund of overpayment and on assessment of additional tax. (1) Except as otherwise provided in ORS 319.010 to 319.430, any credit for erroneous overpayment of tax made by a dealer taken on a subsequent return or any claim for refund of tax erroneously overpaid filed by a dealer must be so taken or filed within three years after the date on which the overpayment was made to the state.

(2) Except in the case of a fraudulent report or neglect to make a report, every notice of additional tax proposed to be assessed under ORS 319.010 to 319.430 shall be served on dealers within three years from the date upon which such additional taxes become due. [1955 c.730 §14; 1987 c.610 §15]

319.380 Examining books and accounts of carrier of motor vehicle fuel. The Department of Transportation or its duly authorized agents may at any time during normal business hours examine the books and accounts of any carrier of motor vehicle fuel operating within this state for the purpose of checking shipments or use of motor vehicle fuel, detecting diversions thereof or evasion of taxes on same in enforcing the provisions of ORS 319.010 to 319.430.

319.382 Agreements for refunds to Indian tribes. Notwithstanding any other provision of law, the Department of Transportation may enter into agreements with the governing body of any Indian tribe residing on a reservation in Oregon to provide refunds to the tribe of state motor vehicle fuel taxes for fuel purchased on the reservation and used by tribal members on tribal reservation lands, other than for motor vehicle fuel used on state highways, county roads or city streets supported by the State Highway Fund. [1993 c.706 §2]

Note: 319.382 was added to and made a part of 319.010 to 319.430 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

319.390 Records to be kept by dealers; inspection of records. Every dealer in motor vehicle fuel shall keep a record in such form as may be prescribed by the Department of Transportation of all purchases, receipts, sales and distribution of motor fuel. The records shall include copies of all invoices or bills of all such sales and shall at all times during the business hours of the day be subject to inspection by the department or its deputies or other officers duly authorized by the department. Upon request from the officials to whom is entrusted the enforcement of the motor fuel tax law of another state, territory, country or the federal government, the department shall forward to such officials any information which it may have relative to the import or export of any motor vehicle fuel by any dealer, provided such other state, territory, country or federal government furnishes like information to this state. [Amended by 1955 c.730 §11; 1987 c.610 §16]

319.400 Records to be kept three years. Every dealer shall maintain and keep, within the State of Oregon, for a period of three years, all records of motor vehicle fuel used, sold and distributed within this state by such dealer, together with stock records, invoices, bills of lading and other pertinent papers as may be required by the Department of Transportation. [Amended by 1955 c.730 §12; 1987 c.610 §17]

319.410 Disposition of tax moneys. (1) The Department of Transportation shall promptly turn over the license tax to the State Treasurer to be disposed of as provided in ORS 802.110.

(2) The revenue from the license tax collected from the use, sale or distribution of aircraft fuel as imposed by ORS 319.020 (2) shall be transferred upon certification of the department to the State Treasurer, who shall credit the certified amount to the State Aviation Account for the purpose of carrying
out the provisions of the state aviation laws.

319.415 Estimate of tax on fuel used for boats; transfer to specified funds and accounts; use. (1) On or before July 15 of each year, the Oregon Department of Administrative Services, after consultation with the Department of Transportation and the State Marine Board, shall determine the amount of the motor vehicle fuel tax imposed under ORS 319.010 to 319.430 during the preceding fiscal year with respect to fuel purchased and used to operate or propel motor boats. The amount determined shall be reduced by the amount of any refunds for motor boats used for commercial purposes actually paid during the preceding year on account of ORS 319.280 (1)(a).

(2)(a) The Oregon Department of Administrative Services shall estimate the amount of fuel described in subsection (1) of this section that is used to operate or propel motor boats by conducting a statistically valid, unbiased, independent survey of boat owners. The survey shall be conducted once every four years and shall be designed to estimate the average daily fuel consumption by motor boats and the total days of motor boat use per year. The survey shall be used to determine the amount of the tax transfer required by subsection (3) of this section for the first transfer that occurs after the survey is completed. If the tax rate changes during the fiscal year, the amount of tax to be transferred shall be prorated based on the percentage of total motor boat use taking place during each tax period.

(b) In years when no survey is conducted, the amount to be transferred under subsection (3) of this section shall be calculated by multiplying the per boat fuel consumption factors from the preceding survey by the number of motor boats as shown by the annual actual count of boat registrations. The resulting amount, in gallons per year, shall be the basis for the determination of the amount to be transferred.

(c) The survey required by paragraph (a) of this subsection shall be developed by a research department within Oregon State University, in consultation with the State Marine Board and the Department of Transportation. The Oregon Department of Administrative Services shall contract for the development and conduct of the survey, and the costs shall be paid by the Department of Transportation. Costs paid by the Department of Transportation may be deducted from the amount transferred to the State Marine Board and to the Oregon Business Development Department under subsection (3) of this section.

(3) The Oregon Department of Administrative Services shall certify the amount of the estimate made under subsection (1) of this section, as reduced by refunds, to the Department of Transportation, to the State Marine Board, to the Oregon Business Development Department and to the State Treasurer. Thereupon, that amount shall be transferred from the Department of Transportation Driver and Motor Vehicle Suspension Account to the:

(a) Boating Safety, Law Enforcement and Facility Account created under ORS 830.140, and is continuously appropriated to the State Marine Board for the purposes for which the moneys in the Boating Safety, Law Enforcement and Facility Account are appropriated; and

(b) Marine Navigation Improvement Fund established under ORS 777.267, and is continuously appropriated to the Oregon Business Development Department for the Oregon Infrastructure Finance Authority for the purposes of paying for portions of the cost of maintenance dredging projects undertaken with equipment owned by the State of Oregon at publicly owned ports and marinas.

(4) Of the amounts transferred under subsection (3) of this section, two cents per gallon of fuel shall first be transferred to the Marine Navigation Improvement Fund and the remaining amounts shall be transferred to the Boating Safety, Law Enforcement and Facility Account. [1985 c.152 §4; 1993 c.741 §30; 1999 c.296 §1; 2005 c.22 §227; 2015 c.767 §96; 2017 c.750 §86]

319.417 Estimate of tax on fuel used in aircraft; transfer to State Aviation Account; use. (1) On or after October 3, 1989, and on or before July 15 of each year thereafter, the Oregon Department of Administrative Services, after consultation with the Department of Transportation and the Director of the Oregon Department of Aviation shall estimate, using a methodology approved by the Oregon Transportation Commission, the amount of the motor vehicle fuel tax imposed under ORS 319.010 to 319.430 during the preceding fiscal year with respect to motor vehicle fuel purchased and used in operating aircraft engines and upon which the full tax for motor vehicle fuel has been paid. The estimate shall be reduced by the amount of any refunds actually paid on motor vehicle fuel, excluding those paid on aviation gasoline or jet fuel, during the preceding fiscal year pursuant to ORS 319.330 (1).

(2) The Oregon Department of Administrative Services shall certify the amount of the estimate made under subsection (1) of this section to the Department of Transportation, the Director of the Oregon Department of Aviation and the State Treasurer.
Thereupon, the amount of the estimate shall be transferred from the Department of Transportation Driver and Motor Vehicle Suspense Account to the State Aviation Account and is continuously appropriated to the Oregon Department of Aviation to carry out the purposes of ORS chapters 835, 836 and 837. [1989 c.101 §2; 1993 c.741 §31; 1999 c.935 §28]

319.420 ORS 319.510 to 319.880 not affected. ORS 319.010 to 319.410 do not affect or repeal any of the provisions of ORS 319.510 to 319.880.

319.430 Savings clause. All rights and obligations arising under the provisions of the statutes repealed in section 38, chapter 413, Oregon Laws 1945, shall not in any way be affected by such repeal. Such statutes shall be considered in full force and effect for the purpose of carrying out all duties and obligations contracted or arising under such statutes, prior to June 16, 1945.

Any bond given in connection with ORS 319.510 to 319.880 shall be a continuing instrument and shall cover any and all periods of time including the first and all subsequent periods for which a license may be granted in consequence of the giving of the bond. The department shall promptly, upon receiving the request, notify the user who furnished the bond, and unless the user, on or before the expiration of the 60-day period files a new bond, or makes a deposit in accordance with the requirements of ORS 319.580, the department forthwith shall cancel the user’s license.

(4) For purpose of consideration of an application for a license, the department may inspect or investigate the records of this state or of any other jurisdiction to verify the information on the application and to verify the applicant's criminal and licensing history. [1999 c.769 §20]

319.665 Seller to collect tax; exceptions; deduction for purchase made with cardlock card. (1) The seller of fuel for use in a motor vehicle shall collect the tax provided by ORS 319.530 at the time the fuel is sold, unless one of the following situations applies:

(a) The Department of Transportation has issued a weight identifier under ORS 825.450 for the vehicle into which the seller delivers or places the fuel.

(b) The fuel is dispensed at a nonretail facility, in which case the seller shall collect any tax owed at the same time the seller collects the purchase price from the person to whom the fuel was dispensed at the nonretail facility. A seller is not required to collect the tax under this paragraph from a person who certifies to the seller that the use of the fuel is exempt from the tax imposed under ORS 319.530.

(c) A cardlock card is used for purchase of the fuel at an attended portion of a retail facility equipped with a cardlock card reader, in which case the cardlock card issuer licensed in this state is responsible for collecting and remitting the tax unless the person making the purchase certifies to the seller that the use of the fuel is exempt from the tax imposed under ORS 319.530.

(2) If a cardlock card is used for purchase of fuel at an attended portion of a retail facility equipped with a cardlock card reader, the seller at the retail facility may deduct fuel purchases made with a cardlock card from the seller’s retail transactions if the seller provides the department with the following information:

(b) A listing of cardlock card issuers and gallons of fuel purchased at the retail facility by the issuers’ customers.

(3) The department shall supply each seller of fuel for use in a motor vehicle with a chart which sets forth the tax imposed on gallons of fuel purchased at the retail facility; and

(b) A listing of cardlock card issuers and gallons of fuel purchased at the retail facility by the issuers’ customers.

319.670 When invoices required; contents. (1) The seller of fuel for any purpose shall make a duplicate invoice for every sale of fuel for any purpose and shall retain one copy and give the other copy to the user. The Department of Transportation may prescribe the form of the invoice. The invoice shall show:

(a) The seller’s name and address;

(b) The date;

(c) The amount of the sale in gallons; and

(d) The name and address of the user.

(2) In addition to the invoice entries listed in subsection (1) of this section, the seller of fuel for use in a motor vehicle shall indicate on the invoice the amount of the tax collected, if any, and:

(a) The license plate number, if the vehicle bears a license plate issued by the department or another jurisdiction;

(b) The emblem number, if the vehicle bears a user’s emblem; or

(c) The temporary pass number, if the vehicle bears no valid user’s emblem or license plate issued by the department.

(3) Notwithstanding subsection (1) of this section, this section does not require any invoice to be prepared for any sale where fuel is delivered into the fuel tank of a vehicle described in this subsection unless the operator of the vehicle requests an invoice. If an invoice is prepared under this subsection, the name and address of a user is not required to be shown on the invoice for sales where the fuel is delivered into the fuel tanks of vehicles described in this subsection. This subsection applies to vehicles:
(a) That have a combined weight of 26,000 pounds or less; and

(b)(A) For which the tax under ORS 319.530 must be paid at the time of sale under ORS 319.665; or

(B) For which an emblem has been issued under ORS 319.535.

319.675 Seller's report to department; rules. Except as provided in ORS 319.692, the seller of fuel for use in a motor vehicle shall report to the Department of Transportation on or before the 20th day of each month, the amount of fuel sold, during the preceding calendar month, subject to the tax imposed under ORS 319.530 or exempt from the tax imposed under ORS 319.530 pursuant to ORS 319.535 and such other information pertaining to fuel handled as the department may require. The department may prescribe the form of the report. The seller shall deliver the report to the department in the manner provided by the department by rule.

319.681 Payment of tax by seller. The seller of fuel for use in a motor vehicle shall remit to the Department of Transportation with each report required by ORS 319.675 all the tax due on the amount of fuel sold less four percent, which the seller shall retain.

319.690 Monthly report of user; remittance; credit against taxes; annual reports of certain users; rules. (1) Except as provided in subsection (2) of this section and ORS 319.692, each user of fuel in a motor vehicle required to be licensed under ORS 319.550 shall, on or before the 20th day of each month, file with the Department of Transportation a report showing the amount of fuel used during the immediately preceding calendar month by the user and such other information as the department may require for the purposes of ORS 319.510 to 319.880. The department shall prescribe the form of the report. The user shall file the report with the department in the manner provided by the department by rule. Each report shall be accompanied by a remittance payable to the department for the amount of all the tax shown by the report to be due and payable. Any tax paid to a seller is a credit against the amount of tax otherwise due and payable to the state under ORS 319.510 to 319.880 or 818.225, 825.474, 825.476 and 825.480. Also, when filing a monthly tax report, a user may, in lieu of claiming a refund, take a deduction or credit for the tax on any fuel which would otherwise be subject to refund under ORS 319.831 (1).

(2) Each user of fuel in a motor vehicle with a light weight of less than 8,000 pounds required to be licensed under ORS 319.550 may file an annual report of all fuel used upon Oregon highways. The report for each calendar year shall be filed on or before March 1 of the year following and shall be accompanied by a remittance payable to the department of all the tax shown to be due and payable on the amount of fuel used.

319.692 Quarterly reports if average monthly tax under $300; when annual reports authorized. (1) Whenever in the judgment of the Department of Transportation the average monthly tax to be paid by a use fuel seller or user will be less than $300, the department may authorize the seller or user to file quarterly tax reports in lieu of the monthly tax reports required by ORS 319.675 and 319.690. The quarterly reports so authorized, and accompanying remittances as shown thereon to be due and payable, shall be filed on or before the due dates as follows: First quarter, April 20; second quarter, July 20; third quarter, October 20; fourth quarter, January 20. Any provisions of ORS 319.675 and 319.690 otherwise applicable to the filing of monthly reports and remittances shall be applicable to the quarterly filings.

(2) Whenever in the judgment of the department the average annual tax to be paid by a use fuel seller or user will be less than $100, the department may authorize the seller or user to file annual tax reports in lieu of the monthly tax reports required by ORS 319.675 and 319.690. The annual reports authorized by this subsection, and accompanying remittances as shown on the reports to be due and payable, shall be filed on or before January 20 following the year for which the reports are filed. Any provisions of ORS 319.675 and 319.690 otherwise applicable to the filing of monthly reports and remittances shall be applicable to the annual filings.

319.694 Penalty for delinquency in remitting tax; waiver; interest rates. (1) Except as provided in subsection (2) of this section, if any user or seller is delinquent in remitting the tax provided by ORS 319.530 on the date specified in ORS 319.675, 319.681, 319.690 or 319.692, a penalty of 10 percent of the amount of the tax due shall be added to the amount due and the total shall immediately be due and payable.

(2) If the Department of Transportation determines that the delinquency was due to reasonable cause and without any intent to avoid payment, the penalty provided by subsection (1) of this section may be waived.
(3)(a) If the excise tax imposed by ORS 319.530 is not paid as required by ORS 319.675, 319.681, 319.850 or 319.892, interest shall be charged at the rate of 0.0329 percent per day until the tax and interest have been paid in full.

(b) If the excise tax imposed by ORS 319.530 is overpaid, the department may credit interest to the account of the taxpayer in the amount of 0.0329 percent per day up to a maximum amount that equals any interest assessed against the taxpayer under paragraph (a) of this subsection in any given audit period.

(4) No seller or user who incurs a tax liability as provided in ORS 319.510 to 319.880 shall knowingly and willfully fail to report and pay the tax liability to the department as required by ORS 319.510 to 319.880. [1959 c.188 §18; 1963 c.226 §8; 1971 c.149 §3; 1987 c.158 §51; 1987 c.610 §19; 1999 c.769 §14]

319.697 Records required of sellers and users; alternative records for certain users. (1) Every user of fuel in a motor vehicle required to be licensed under ORS 319.550 shall keep a record of fuel used and be prepared to prove that all the tax due and payable on fuel used has been paid. An invoice, described in ORS 319.671, properly filled out, is proof that any tax due which is shown on the invoice as paid was paid for the fuel covered by the invoice. The user’s record of fuel used for any purpose, other than fuel covered by the invoice, is required to be licensed under ORS 319.550 shall keep a record of fuel sold for any purpose, as the case may be. [Amended by 1987 c.610 §18; 1999 c.769 §14]

319.700 Tax as lien against motor vehicle. (1) If a user or seller is delinquent in the payment of any obligation imposed under ORS 319.510 to 319.880, the Department of Transportation may give notice to debtors of user or seller; report to department. If a user or seller is delinquent in the payment of any obligation imposed under ORS 319.510 to 319.880, the Department of Transportation may give notice of the amount of such delinquency by registered or certified mail to all persons having in their possession or under their control any credits, personal property or debts belonging to the user or seller, or owing any debts to such user or seller, at the time of the receipt by them of the notice. Thereafter any person so notified shall neither transfer nor make other disposition of such credits, personal property, or debts until the department has consented to a transfer or other disposition or until 30 days have elapsed from and after the receipt of the notice. All persons so notified shall, within five days after the receipt of the notice, advise the department of all such credits, personal property or debts in their possession, under their control or owing by them, as the case may be. [Amended by 1959 c.188 §24]

319.730 Collection of delinquent payment by seizure and sale of motor vehicle. (1) Whenever any user is delinquent in the payment of any obligation imposed under ORS 319.510 to 319.880, the Department of Transportation may proceed to collect the amount due from the user in the manner prescribed in this section.

(2) The department shall seize any motor vehicle subject to the lien provided for by ORS 319.700 and thereafter sell it at public auction to pay such obligation and any and
all costs that may have been incurred on account of the seizure and sale.

(3) Notice of the intended sale and the time and place thereof shall be given to the delinquent user and to all persons appearing of record to have an interest in the motor vehicle. The notice shall be given in writing at least 10 days before the date set for the sale by enclosing it in an envelope addressed to the user at the address as it appears in the records of the department and, in the case of any person appearing of record to have an interest in the motor vehicle, addressed to the person at the last-known residence or place of business, and depositing the envelope in the United States mail, postage prepaid. In addition, the notice shall be published at least three times, the first of which shall be not less than 10 days before the date set for the sale, in a newspaper of general circulation published in the county in which the motor vehicle seized is to be sold. If there is no newspaper of general circulation in the county, the notice shall be posted in three public places in the county for such period of 10 days.

(4) The notice shall contain a description of the motor vehicle to be sold, together with a statement of the amount due under ORS 319.510 to 319.880, the name of the user and the further statement that unless such amount is paid before the time fixed in the notice the motor vehicle will be sold in accordance with law and such notice.

(5) The department shall then proceed to sell the motor vehicle in accordance with the law and the notice, and shall deliver to the purchaser a bill of sale which shall vest title in the purchaser. If upon any such sale the moneys received exceed the amount due to the state under ORS 319.510 to 319.880 from the delinquent user, the excess shall be returned to the user and the receipt obtained therefor. If any person having an interest in or lien upon the motor vehicle has filed with the department prior to the sale notice of such interest or lien, the department shall withhold payment of any such excess to the user pending a determination of the rights of the respective parties thereto by a court of competent jurisdiction. If for any reason the receipt of the user shall not be available, the department shall deposit the excess with the State Treasurer as trustee for the user or for the heirs, successors or assigns of the user. [Amended by 1999 c.59 §79]

(1) Whenever any user or seller is delinquent in the payment of any obligation under ORS 319.510 to 319.880, the Department of Transportation may transmit notice of the delinquency to the Attorney General who shall at once proceed to collect by appropriate legal action the tax and penalty due.

(2) In any suit brought to enforce the rights of the state under ORS 319.510 to 319.880, a certificate by the department showing the delinquency as prima facie evidence of the amount of the obligation, of the delinquency theretofore and of compliance by the department with all provisions of ORS 319.510 to 319.880 relating to the obligation. [Amended by 1959 c.188 §25]

319.742 Collection of delinquent obligation generally; warrant; judgment lien. (1) If a person fails to pay in full any obligation due under ORS 319.510 to 319.880, the Department of Transportation may issue a warrant for the amount of the obligation and the cost of executing the warrant. A copy of the warrant shall be mailed or delivered to the debtor by the department at the debtor’s last-known address.

(2) At any time after issuing a warrant under this section, the department may record the warrant in the County Clerk Lien Record of any county of this state. Recording of the warrant has the effect described in ORS 205.125. After recording a warrant, the department may direct the sheriff for the county in which the warrant is recorded to levy upon and sell the real and personal property of the debtor found within that county, and to levy upon any currency of the debtor found within that county, for the application of the proceeds or currency against the amount reflected in the warrant and the sheriff’s cost of executing the warrant. The sheriff shall proceed on the warrant in the same manner prescribed by law for executions issued against property pursuant to a judgment, and is entitled to the same fees as provided for executions issued against property pursuant to a judgment. The fees of the sheriff shall be added to and collected as a part of the warrant liability.

(3) In the discretion of the department a warrant under this section may be directed to any agent authorized by the department to collect obligations under this section, and in the execution of the warrant the agent has all of the powers conferred by law upon sheriffs, but is entitled to no fee or compensation in excess of actual expenses paid in the performance of such duty. 445.040 [Repealed by 1961 c.672 §2]

445.050 Jurisdiction; rules. The Oregon Health Authority may:

445.070 Additional benefits permitted within limits. If it is made to appear to the Oregon Health Authority that the limitations of ORS 445.060 are not sufficient to provide necessary and adequate care of an indigent patient and that the condition of the indigent patient warrants such action, the authority, in its sole discretion, the exercise of which shall be conclusive and not in any wise subject to review, may authorize the supplying of additional care to the indigent patient of the same type as the types of initial care authorized by this chapter and may pay for the same from the Motor Vehicle Accident Fund. (2) A claim filed under this chapter must be filed with the authority within one year
INDIGENT PERSONS INJURED IN VEHICLE ACCIDENTS 445.150

after the termination of the care supplied by the claimant. However, in computing the time there shall not be included that period beginning when any claim under ORS chapter 656 arising out of the same motor vehicle accident is filed by the indigent patient with the authority, and ending when that claim has been finally decided. [Amended by 1953 c.399 §3; 1959 c.676 §1; 1965 c.376 §3; 1969 c.260 §4; 1983 c.45 §2; 2009 c.595 §805]

445.100 [Repealed by 1965 c.376 §6]

445.110 Hospital claims; form and contents. Each claim shall be made in writing in the form prescribed by the Oregon Health Authority, and shall show, and be accompanied by, the following matters and things:

1. The name and last-known post-office address of the person to whom care has been given.

2. The number of days' care, with the dates of admission to the hospital and of discharge therefrom or other termination of care.

3. The amount of the claim.

4. A statement in writing showing the effort made by the hospital to collect the amount of the claim, the facts indicating the indigency of the patient, and the amount, if any, of money received from the patient or others in payment of the account of the patient.

5. If reasonably obtainable, the affidavit of the indigent patient or of the person or agency, if any, responsible for the patient, and, if reasonably obtainable, the statement in writing of a public or private agency engaged in the relief of the poor, verifying the indigency of the patient. If the affidavit or statement does not accompany the claim, and it is alleged in the claim that such absence is owing to the fact that the affidavit or statement is not reasonably obtainable, the claim shall set forth the facts upon which such assertion is based.

6. Any other information and data the authority may reasonably require. [Amended by 1965 c.376 §4; 1983 c.45 §3; 1985 c.279 §7; 2009 c.595 §806]

445.120 Filing of claims generally; combining claims. (1) The claim of a claimant other than a hospital shall be in form and substance like that provided in ORS 445.110 in so far as applicable and be accompanied by the same supporting documents. However, only one set of supporting documents need be filed in respect of any one indigent patient in regard to any one motor vehicle injury.

2. An account for the services of an orthodontist for orthodontia performed by the orthodontist on the order of the doctor in charge of the case or an account for care supplied by a nurse, pharmacy, ambulance operator, supplier of prosthetic appliances and services or services of a licensed physical therapist may be, with the consent of the doctor, assigned to, and included as a part in and of the claim of, a hospital or doctor. [Amended by 1969 c.260 §5; 1973 c.141 §4]

445.130 Effect of liability of third person or commencement of legal action on settlement of claim. For the purposes of claims under ORS 445.110 and 445.120, an indigent patient who is not otherwise able to pay the charges for care supplied shall not be deemed to be able to pay them because a third person might be held liable in an action to recover damages on account of the motor vehicle injury, if an action has not been commenced. If an action has been commenced, the claim shall show that fact. In that event the Oregon Health Authority may suspend the determination of the claim until the action has been terminated and from time to time require the claimant to supply such further information and data in respect of the action as the authority may deem necessary in order to determine the ultimate ability of the patient to pay the charges for which the claim is filed. [Amended by 1985 c.279 §8; 2009 c.595 §807]

445.140 Audit and determination of validity of claims. The Oregon Health Authority shall examine and audit each claim filed under this chapter. From the information and data contained in the claim, the reports of the claimant, the documents so accompanying and supporting the claim and such other evidence as it may reasonably require or itself adduce, the authority shall find and determine:

1. Whether or not the claim has been filed within the time limited in ORS 445.090.

2. Whether or not the claim is predicated upon care supplied to a person suffering from a motor vehicle injury.

3. Whether or not the injured person is unable to pay the charges for which the claim is filed, within the meaning of ORS 445.020.

4. Whether or not the claimant has made reasonable and timely effort to effect collection of its claim. [Amended by 1969 c.260 §6; 1985 c.279 §9; 2009 c.595 §808]

445.150 Order allowing or rejecting claim; notice. (1) If, in the matter of the claim, the Oregon Health Authority finds and determines in the affirmative in respect of items listed in ORS 445.140, the authority shall, by its order made and filed in the matter, allow the claim in such amount, not exceeding the limitations in ORS 445.060 and
445.070, less such amount as has been paid on the account.

(2) If in its judgment the maintenance of the solvency of the Motor Vehicle Accident Fund so requires, the authority may make payment in monthly installments of any claim which has been allowed by it, or finally adjudged affirmatively by a court on appeal.

(3) If the authority finds and determines in the negative in respect of any item listed in ORS 445.140, the authority shall, by its order made and filed therein, reject the claim.

(4) The authority promptly shall serve the claimant with a copy of its order, addressed to the claimant at the claimant's last-known post-office address as shown by the records and files of the authority. [Amended by 1983 c.45 §5; 1983 c.740 §116; 1985 c.279 §10; 2009 c.595 §809]

445.155 Judicial review. Judicial review of regulations under ORS 445.050 and orders under ORS 445.150 shall be in accordance with ORS chapter 183, provided that the amount involved in the appeal from the order exceeds $100, and provided further that the amount involved in the appeal from the decision of the court exceeds $500. [1971 c.734 §62]

445.160 [Repealed by 1971 c.734 §21]

445.170 [Repealed by 1985 c.279 §14]

445.180 Reassignment of rights to claimant on notice of finding person liable for care. (1) If it comes to the knowledge of a claimant who has received payment of a claim under this chapter that the patient in respect of whom the claim has been paid, or any other person chargeable by law with the care or support of the patient, has been paid, or is able to pay, the amount of the claim, the claimant shall diligently pursue such payment.

(2) A claimant who has received payment of a claim from the Oregon Health Authority under this chapter shall inform the authority promptly and in writing if:

(a) The claimant knows or has reason to believe that the patient or any person chargeable by law with the care or support of the patient is able to pay the amount of the claim or any part thereof; or

(b) The claimant knows or has reason to believe that the patient or any person chargeable by law with the care or support of the patient is able to pay the amount of the claim or any part thereof; or

(c) The claimant or any person on behalf of the claimant institutes an action against the patient or any person chargeable by law with the care or support of the patient to recover all or part of the amount of the claim.

(3) All moneys paid to or for the use or benefit of the claimant by or on behalf of the patient shall, after deduction of the reasonable cost of recovering them, be paid to the authority for deposit in the Motor Vehicle Accident Fund. [Amended by 1985 c.279 §11; 2009 c.595 §810]

445.185 When deduction may be made from payments on claim. When a claimant fails to pursue payment as required by ORS 445.180 or to pay to the Oregon Health Authority the amount required by ORS 445.180 to be paid, the authority shall, after 60 days, deduct the amount paid by it on the claim from any subsequent payment made to the claimant unless it is made to appear to the satisfaction of the authority that:

(1) Upon due and diligent search and inquiry neither the patient nor any person chargeable by law with the care or support of the patient can be found;

(2) An action against the patient or a person chargeable by law with the care or support of the patient has been instituted and is pending; or

(3) An action has been prosecuted to final judgment, all legal remedies for satisfaction of the judgment have been exhausted and the judgment has not been collected. [1985 c.279 §13; 2009 c.595 §811]

445.190 [Repealed by 1985 c.279 §14]

445.200 [Repealed by 1985 c.279 §14]

445.210 [Repealed by 1985 c.279 §14]

445.220 [Repealed by 1985 c.279 §14]

Chapter 10

CIRCUIT COURT JURY LIST

10.215 Master jury list; sources; contents. (1) The State Court Administrator shall cause to be prepared at least once each year a master jury list containing names selected at random from the source lists. The source lists are the most recent list of electors of the county, the records furnished by the Department of Transportation as provided in ORS 802.260 (2) and any other sources approved by the Chief Justice of the Supreme Court that will furnish a fair cross section of the citizens of the county. The State Court Administrator and circuit courts may use source lists obtained from any person or public body, and jury lists containing names selected from a source list, only for purposes consistent with administering the selection and summoning of persons for service as jurors, the drawing of names of jurors, and other tasks necessary to accomplish those functions. Source lists may not contain and the State Court Administrator is not required to obtain information about individuals who are participants in the Address Confidentiality Program under ORS 192.820 to 192.868. Except as specifically provided by law, the State Court Administrator and circuit courts may not disclose source lists obtained from any person or public body, and jury lists containing names selected from a source list, to any other person or public body.

(2) A public body having custody, possession or control of any list that may be used as a source list for preparation of a master jury list, upon written request by the State Court Administrator, shall make its list available at any reasonable time and, except as otherwise provided in ORS 802.260, without charge to the State Court Administrator for inspection or copying. The public body, upon written request by the State Court Administrator, shall provide a copy of its list for the date and in the form requested to the State Court Administrator. Except as otherwise provided in ORS 802.260, the copy shall be provided without charge.

(3) The number of names placed on a master jury list shall be sufficient to meet the projected need for grand jurors and trial jurors in the circuit court in the county, but the total number may not be less than two percent of the population of the county according to the latest federal decennial census.

(4) A master jury list shall contain the first name, the surname, the place of residence and, if assigned, the juror identification number of each person whose name is placed thereon.

(5) A master jury list for a circuit court shall be certified by the State Court Administrator to have been prepared in compliance with the requirements of this section. A certified copy of the master jury list shall be provided to the circuit court for the county as soon as possible after the list is prepared.

(6) A newly filed master jury list shall be maintained separately from the previously filed master jury list. The presiding judge shall designate when a newly filed master jury list becomes effective. After a newly filed master jury list becomes effective, names of persons for a jury
list for a panel or term must be selected for a jury list for a panel or term from the newly filed master jury list and from names of any persons from the previously filed master jury list whose service was deferred. When a newly filed master jury list becomes effective, all orders, records and papers prepared in connection with the selection process based on the previously filed master jury list shall be preserved by the trial court administrator and State Court Administrator for the period prescribed by the State Court Administrator under ORS 8.125.

(7) The State Court Administrator may make adjustments to the master jury list, and may authorize the presiding judge of a judicial district to make adjustments to a jury list for a panel or term, for the purpose of updating the addresses of persons appearing on the lists and removing the names of persons who are deceased, permanently ineligible for jury service or permanently excused from jury service. The State Court Administrator shall ensure that a record is maintained of all adjustments to jury lists made under this subsection.

(8) For the purposes of this section, “public body” has the meaning given that term in ORS 174.105. [1985 c.703 §13; 1987 c.681 §3; 1995 c.273 §6; 1995 c.781 §24a; 1997 c.872 §15; 2001 c.779 §14; 2003 c.803 §18; 2005 c.385 §5; 2007 c.542 §14; 2013 c.2 §4]

[1993 c.365 §9; 1995 c.620 §6]

25.774 Reinstatement. When, at any time after suspension under ORS 25.750 to 25.783, the conditions resulting in the suspension no longer exist, the administrator shall so notify the issuing entity and shall confirm that the license, certificate, permit or registration may be reinstated contingent upon the requirements of the issuing entity. Until the issuing entity receives notice under this section, the issuing entity may not reinstate, reissue, renew or otherwise make the license, certificate, permit or registration available to the holder of the suspended license,

(2) The limitation on liability provided by this section applies only if the person providing the motor vehicle is engaged in the business of selling, renting, leasing or repairing motor vehicles and the motor vehicle is provided to another person in the course of that business.

(3) The limitation on liability provided by this section applies only if there is a written agreement between the person providing the motor vehicle and the person receiving the motor vehicle, and the agreement specifically indicates that the person receiving the motor vehicle is liable for any injury, death or damage arising out of the use of the motor vehicle. The limitation on liability provided by this section applies to injury, death or damage suffered during the period specified in the written agreement, or until the return of the motor vehicle, whichever is later.

(4) The limitation on liability provided by this section applies without regard to whether the motor vehicle is provided for consideration or is provided without charge.

(5) Nothing in this section affects the liability of a manufacturer, distributor, seller or lessor of a product under the provisions of ORS 30.900 to 30.920.
6. Nothing in this section increases, reduces or relates to those obligations that a self-insurer may choose to undertake pursuant to ORS 806.130. Nothing in ORS 806.130 increases, reduces or relates to the limitations of this section. [1999 c.438 §1; 2001 c.291 §1; 2003 c.331 §1; 2007 c.287 §4]

MISCELLANEOUS ACTIONS

30.701 Actions against maker of dishonored check; statutory damages and attorney fees; handling fee. (1) In any action against a maker of a dishonored check, a payee may recover from the maker statutory damages in an amount equal to $100 or triple the amount for which the check is drawn, whichever is greater. Statutory damages awarded under this subsection are in addition to the amount for which the check was drawn and may not exceed by more than $500 the amount for which the check was drawn. The court shall allow reasonable attorney fees at trial and on appeal to the prevailing party in an action on a dishonored check and in any action on a check that is not paid because payment has been stopped.

(2) Statutory damages and attorney fees under subsection (1) of this section may be awarded only if the payee made written demand of the maker of the check not less than 30 days before commencing the action and the maker failed to tender to the payee before the commencement of the action an amount of money not less than the amount for which the check was drawn, all interest that has accrued on the check under ORS 82.010 as of the date of demand and any charges imposed under subsection (5) of this section.

(3) Statutory damages under subsection (1) of this section shall not be awarded by the court if after the commencement of the action but before trial the defendant tenders to the plaintiff an amount of money equal to the amount for which the check was drawn, all interest that has accrued on the check under ORS 82.010 as of the date of demand, costs and disbursements and the plaintiff’s reasonable attorney fees incurred as of the date of the tender.

(4) If the court or jury determines that the failure of the defendant to satisfy the dishonored check at the time demand was made under subsection (2) of this section was due to economic hardship, the court or jury has the discretion to waive all or part of the statutory damages provided for in subsection (1) of this section. If all or part of the statutory damages are waived under this subsection, judgment shall be entered in favor of the plaintiff for the amount of the dishonored check, all interest that has accrued on the check under ORS 82.010, any charges imposed under subsection (5) of this section, the plaintiff’s reasonable attorney fees and costs and disbursements.

(5) If a check is dishonored, the payee may collect from the maker a fee not to exceed $35. Any award of statutory damages under subsection (1) of this section must be reduced by the amount of any charges imposed under this subsection that have been paid by the maker or that are entered as part of the judgment.

(6) The provisions of this section apply only to a check that has been dishonored because of a lack of funds or credit to pay the check, because the maker has no account with the drawee or because the maker has stopped payment on the check without good cause. A plaintiff is entitled to the remedies provided by this section without regard to the reasons given by the drawee for dishonoring the check.

(a) “Check” means a check, draft or order for the payment of money.
(b) “Drawee” has that meaning given in ORS 73.0103.

(2) It is the intent of the Legislative Assembly in passing ORS 45.272 to 45.297 to provide a procedure for the qualification and use of court interpreters. Nothing in ORS 45.272 to 45.297 abridges the rights or obligations of parties under other laws or court rules. [1993 c.687 §1; 1999 c.1041 §1]

(2) A fee may not be charged to any person for the appointment of an interpreter to interpret testimony of a non-English-speaking party or witness, to interpret the proceedings to a non-English-speaking party or victim or to assist the court, agency or hearing officer in performing the duties and responsibilities of the court, agency or hearing officer. If the substitution of another interpreter will delay the proceeding, the person making the request must show good cause for the substitution. Any party may object to use of any interpreter for good cause. Unless the court, hearing officer or the designee of the hearing officer has appointed a different interpreter for cause, the party using any interpreter other than the interpreter originally appointed by the court, hearing officer or the designee of the hearing officer shall bear any additional costs beyond the amount required to pay the original interpreter.

(7) A court, a hearing officer or the designee of a hearing officer shall require any person serving as an interpreter for the court or agency to state the person’s name on the record and whether the person is certified under ORS 45.291. If the person is certified under ORS 45.291, the interpreter need not make the oath or affirmation required by ORS 40.325 or submit the interpreter’s qualifications on the record. 87.159 Lien for care of impounded animal; petition for hearing to contest impoundment and lien; court order; waiver.

(1) A person who, or governmental agency that, transports, pastures, feeds, cares for or provides treatment to an animal that has been impounded under ORS 167.345 has a lien on the animal in the possession of the person or governmental agency for the reasonable charges for transportation, pasturage, feed, care or treatment provided by the person or governmental agency, and the person or governmental agency may retain possession of the animal until those charges are paid.

(2)(a) Within 30 days of impoundment of any animal or animals as is authorized under ORS 167.345, any person who has an ownership interest in any impounded animal may file a written petition, verified under oath, demanding a hearing before the circuit court. The petition shall specifically identify the petitioner’s ownership interest in the animal or animals. The petition shall further specifically articulate the petitioner’s challenge to the probable cause justifying the impoundment that resulted in the lien attaching under subsection (1) of this section or the amount of the charges associated with that lien. The petitioner shall serve a true copy of the petition on the lien holder, the peace officer who impounded the animals and the district attorney, who shall be captioned as the respondents.

(b) Upon receipt of a petition in compliance with this subsection, the circuit court shall hold the hearing within 14 days, or as soon as practicable, wherein the respondents shall demonstrate by a preponderance of the evidence that impoundment of the animal was based on probable cause and that the lien amount claimed accurately reflects the reasonable charges authorized and accruing under subsection (1) of this section.

(c) If the court finds that impoundment of an animal under ORS 167.345 was:

(B) Based on probable cause but that the lien amount does not accurately reflect the reasonable charges authorized and accruing under subsection (1) of this section, then the court shall enter an order modifying the lien amount to accurately state the reasonable charges authorized and accruing under subsection (1) of this section, award reasonable attorney fees to the respondents and direct the foreclosure to proceed.

(C) Without probable cause, then the court may enter an order striking the lien created under subsection (1) of this section and may, but only if a final judgment is entered in the defendant’s favor in the criminal case related to the impoundment under ORS 167.345, order an impounded animal returned to its lawful owner. To prevent the lawful owner or any other claimant from being unjustly enriched while having been relieved of the duty to provide an impounded animal with minimum care, any court order directing return of an impounded animal shall include an award to the respondents of the full costs of providing care to the animal.

(d) A person’s failure to file a written petition within 30 days of impoundment of an animal or animals shall constitute a waiver of the right to file a petition under this subsection and the foreclosure shall proceed without judicial review in the manner provided in ORS 87.172 to 87.212. The court may extend the 30-day period to file a written petition by an additional 15 days only if the petitioner did not have actual notice of the impoundment and the court makes findings, on the record and in writing, that there are exceptional and compelling circumstances justifying the extension. [1989 c.349 §2; 2013 c.719 §9]

87.156 Innkeeper’s lien. (1) Except as provided in subsection (2) of this section, the keeper of an inn, hotel or motel has a lien on the chattels brought into the inn, hotel or motel belonging to or under the control of a guest or boarder for the reasonable or agreed charges due the keeper from the guest or boarder for accommodation, board and lodging, services, money, labor and materials furnished at the request of the guest or boarder by the keeper. (2)(a) The keeper may not retain prescription or nonprescription medications, medical equipment or apparatus, food or children’s clothing or accessories after the guest or boarder requests return of the property.

(2) Except as otherwise provided in this subsection, a person claiming a lien under ORS 87.152 for cost of care, materials and services bestowed on an animal must retain the animal for at least 30 days after the lien attaches to the animal before foreclosing the lien. As used in this subsection, “domestic animal” means an animal that is not livestock as defined in ORS 72.1030 and for which the veterinary services were requested by an owner or other person with apparent authority regarding care of the animal.

(1) When the lien claimed under ORS 87.152 to 87.162 is for other than the storage of a chattel, if the lien claimant incurs expenses in storing the chattel prior to foreclosure, the lien claimant may charge reasonable fees for the storage of the chattel for a period not exceeding six months from the date that the lien attaches to the chattel. A lien claimant seeking to recover storage fees for storage expenses incurred prior to foreclosure shall send a written notice, within 20 days from the date that the storage fees began to accrue, to the lien debtor and every other person that requires notification under ORS 87.196. The claimant shall transmit the notice by certified mail. A person notified under ORS 87.196 need not receive the notice within the 20-day period, but within a reasonable time. If the lien claimant fails to comply with the notice requirements of this subsection, the lien claimant is limited to recovering reasonable fees for the storage of the chattel prior to foreclosure for a period of time not exceeding 20 days from the date that the lien attached to the chattel.

(2) When the lien claimed under ORS 87.152 to 87.162 is for the storage of a chattel, the lien claimant shall send a written notice stating that storage fees are accruing, within 20 days after the chattel has been placed in storage, to the lien debtor and every other person that requires notification under ORS 87.196. The claimant shall transmit the notice by certified mail. A person notified under ORS 87.196 need not receive the notice within the 20-day period, but within a reasonable time. If the claimant fails to comply with the notice requirements of this subsection, the amount of the claimant’s lien shall be limited to a sum equal to the reasonable storage expenses incurred within the 20-day period. [1975 c.648 §8; 1993 c.385 §1]

87.177 Bond or deposit of money for lien for storage of chattel; amount; notice to lien claimant; filing affidavit with county officer. (1) When a lien claimed under ORS 87.152 to 87.162 is for the storage of a chattel and the amount of the lien claimed is $750 or more, the lien debtor, or any other interested person, may file with the recording officer of the county in which the lien claimant obtained possession of the chattel subject to the lien from the lien debtor a bond executed by a corporation authorized to issue surety bonds in the State of Oregon to the effect that the principal or principals on the bond shall pay the amount of the claim and all costs and attorney fees that are awarded against the chattel on account of the lien. The bond shall be
in an amount not less than 200 percent of the amount claimed under the lien for the storage of the chattel.

(2)(a) In lieu of the surety bond provided for in subsection (1) of this section, when a lien claimed under ORS 87.152 to 87.162 is for the storage of a chattel and the amount of the lien claimed is $750 or more, the lien debtor, or any other interested person, may deposit with the treasurer of the county in which the lien claimant obtained possession of the chattel subject to the lien from the lien debtor a sum of money or its equivalent equal in value to 200 percent of the amount claimed under the lien for the storage of the chattel.

(b) The court in which any proceeding to foreclose the lien for the storage of the chattel may be brought may, upon notice and upon motion by a person who makes a deposit under paragraph (a) of this subsection, order the money invested in such manner as the court may direct. A person who makes a deposit under paragraph (a) of this subsection shall be entitled to any income from the investments and the treasurer of the county shall pay the income when received to the depositor without order.

(3) A bond or money may be filed or deposited under subsection (1) or (2) of this section at any time after a lien for the storage of a chattel is claimed under ORS 87.152 to 87.162 and the amount of the lien claimed is $750 or more.

(4) A person who files a bond or deposits money under subsections (1) to (3) of this section shall cause to be served upon the lien claimant a notice of the filing or deposit. If the person files a bond, the notice shall include a copy of the bond. The notice shall be filed not later than 20 days after the filing or deposit and shall state the location and time of the filing or deposit.

(5) If a person does not notify the lien claimant as required by subsection (4) of this section, the filing of the bond or the deposit of money is of no effect and the provisions of subsections (1) to (3) of this section do not apply in a suit to foreclose the lien for which the filing or deposit is made.

(6) When a person files a bond with the recording officer of a county under subsections (1) to (3) of this section and serves notice of the filing upon the lien claimant under subsections (4) and (5) of this section, the person shall file with the same recording officer an affidavit stating that the notice was served.

(7) When a person deposits money with the treasurer of a county under subsections (1) to (3) of this section and serves notice of the deposit upon the lien claimant under subsections (4) and (5) of this section, the person shall file with the recording officer of the same county an affidavit stating that the deposit was made and notice was served. [2003 c.193 §§2, 3, 4]

87.178 Foreclosure after filing of bond or deposit of money; effect of filing or deposit; disposition of bond or money. (1) When a lien claimed under ORS 87.152 to 87.162 is for the storage of a chattel and the amount of the lien claimed is $750 or more, any suit to foreclose the lien that is commenced or pending after the filing of a bond or deposit of money under ORS 87.177 (1) to

(3) shall proceed as if no filing or deposit had been made except that the lien shall attach to the bond or money upon the filing or deposit and the service of notice of the filing or deposit upon the lien claimant. The chattel described in the claim of lien shall thereafter be entirely free of the lien and shall in no way be involved in subsequent proceedings.

(2) When a bond is filed or money is deposited and, in a suit to enforce the lien for which the filing or deposit is made, the court allows the lien, the lien shall be satisfied out of the bond or money. The court shall include as part of its judgment an order for the return to the person who deposited the money of any amount remaining after the lien for the storage of the chattel is satisfied.

Note: See note under 87.177.

87.179 Determination of adequacy of bond. (1) If a lien claimant considers the bond filed with a recording officer of a county under ORS 87.177 (1) to (3) inadequate to protect the claim of the lien claimant for some reason other than the amount of the bond, the lien claimant may petition the court in which the suit to foreclose the lien for the storage of the chattel may be brought for a determination of the adequacy of the bond. The petition must be filed within 10 days of receipt of the notice of the filing of the bond under ORS 87.177 (4) and (5). The petition must describe in detail the reasons for the inadequacy.

(2) Not later than two days after the filing of the petition with the court, the lien claimant shall send a notice of the filing and a copy of the petition by registered or certified mail to the person who filed the bond. After a hearing, if the court determines that the bond is inadequate for one or more of the reasons described by the lien claimant, the court shall order such action as shall make the bond adequate to protect the claim of lien. [2003 c.193 §6]

Note: See note under 87.177.
87.181 Release of lien or return of money. The county recording officer shall record a written release of the lien for the storage of the chattel or the county treasurer in whose office money is deposited under ORS 87.177 (1) to (3) shall return the money to the person who made the deposit when:

(1) The person who filed the bond or deposited the money presents a certified copy of a court’s order for the release of the bond or all or some of the money to that person; or

(2) The person who filed the bond or deposited the money presents a written release of lien signed by the lien claimant. [2003 c.193 §7]

Note: See note under 87.177.

87.182 Effect of prior security interest on method of foreclosure. (1) When a lien created by ORS 87.162 is subordinate to a prior duly perfected security interest in a chattel as provided in ORS 87.146, the lien created by ORS 87.162 shall be foreclosed by suit as provided in ORS chapter 88.

(2) Except as provided in subsection (1) of this section, liens created by ORS 87.152 to 87.162 may be foreclosed by suit as provided in ORS chapter 88, or by sale of the chattel subject to the lien at public auction to the highest bidder for cash. [1975 c.648 §9]

87.186 Location of foreclosure sale. Foreclosure of liens created by ORS 87.152 to 87.162 by public sale shall occur in the county in which the lien claimant obtained possession of the chattel subject to the lien from the lien debtor. [1975 c.648 §11]

87.192 Notice of foreclosure sale to lien debtor; public notice. (1)(a) Before a lien claimant forecloses by sale a lien created under ORS 87.152 to 87.162, the lien claimant shall give notice of the foreclosure sale to the lien debtor by first class mail with certificate of mailing, registered mail or certified mail sent to the lien debtor at the lien debtor’s last-known address. The lien claimant shall give notice of the foreclosure sale to the lien debtor:

(A) Except as otherwise provided in this paragraph, at least 30 days before the foreclosure sale.

(B) If the lien is for the cost of removing, towing or storing a vehicle that a person who holds a certificate issued under ORS 819.480 has appraised at a value of $1,000 or less, at least 15 days before the foreclosure sale.

(b) If the chattel to be sold at a foreclosure sale is chattel for which the Department of Transportation has issued a certificate of title under ORS 803.045, for which the State Marine Board requires a certificate of title under ORS 830.810 or for which the Oregon Department of Aviation requires a certificate of registration under ORS 837.040, the lien claimant shall include with the notice described in paragraph (a) of this subsection a copy of an invoice, work or repair order, authorization for towing, official form that authorizes a law enforcement agency to impound the chattel or any other record or document that is evidence of the basis for the lien.

(c) If a lien claimant fails to give notice in accordance with this subsection to a lien debtor concerning chattel described in paragraph (b) of this subsection, the lien claimant is liable to the lien debtor for a sum equal to the fair market value of the chattel sold at the foreclosure sale. The lien debtor may bring an action to recover the sum and reasonable attorney fees.

(2) The lien claimant shall give public notice of the foreclosure sale by posting notice of the foreclosure sale in a public place at or near the front door of the county courthouse of the county in which the sale is to be held and, except as provided in paragraph (b) of this subsection, in a public place at the location where the lien claimant obtained possession of the chattel to be sold from the lien debtor. The following apply to notice under this subsection:

(a) The lien claimant shall give notice under this subsection not later than the time required for notice to a lien debtor under subsection (1) of this section.

(b) This subsection does not require the lien claimant to post notice at the location where the lien claimant obtained the chattel if the chattel is a chattel for which the Department of Transportation has issued a certificate of title under ORS 803.045, for which the State Marine Board requires a certificate of title under ORS 830.810 or for which the Oregon Department of Aviation requires a certificate of registration under ORS 837.040.

(3) If the chattel to be sold at a foreclosure sale is something other than an abandoned vehicle and has a fair market value of $1,000 or more, or if the chattel to be sold is an abandoned vehicle and has a fair market value of $2,500 or more, the lien claimant, in addition to the notice required by subsection

(2) of this section, shall have a notice of foreclosure sale printed once a week for two successive weeks in a daily or weekly newspaper, as defined in ORS 193.010, published in the county in which the sale is held or, if there is none, in a daily or weekly newspaper, as defined in ORS 193.010, generally circulated in the county in which the sale is held.

(4) The notice of foreclosure sale required under this section must contain a particular description of the property to be sold, the name of the owner or reputed owner of the property, the amount due on the lien, the time and the place of the sale and the name of the person foreclosing the lien. [1975 c.648 §10; 1981 c.861 §2; 1983 c.436 §1; 1983 c.338 §882; 1993 c.326 §10; 1995 c.758 §19; 2005 c.738 §8; 2014 c.65 §1]
87.196 Notice of foreclosure sale to secured parties; effect of notice; effect of failure to give notice. (1)(a) A lien claimant that forecloses by sale a lien created under ORS 87.152 to 87.162 shall give notice of the foreclosure sale by first class, registered or certified mail. The following apply:

(A) The lien claimant shall give notice to all persons that have filed a financing statement in the office of the Secretary of State, or in the office of the appropriate county officer of the county in which the sale is held, to perfect a security interest in the chattel to be sold.

(B) Notwithstanding subparagraph (A) of this paragraph, if the chattel to be sold at the foreclosure sale is a chattel, other than part of the motor vehicle inventory of a dealer issued a vehicle dealer certificate under ORS 822.020, for which the Department of Transportation has issued a certificate of title under ORS 803.045, for which the State Marine Board requires a certificate of title under ORS 830.810 or for which the Oregon Department of Aviation requires a certificate of registration under ORS 837.040, the lien claimant needs to give notice only to persons that the certificate of title or certificate of registration indicates have a security interest or lien in the chattel.

(C) The lien claimant shall give notice under this paragraph at least 30 days before the foreclosure sale, but if the lien claimant claims a lien under ORS 87.152, the lien claimant shall give the notice required by this subsection:

(i) Not later than the 20th day after the date on which the storage charges begin;

(ii) Not later than the 30th day after the date on which the services provided are completed, if no storage charges are imposed; or

(iii) At least 15 days before the foreclosure sale if the lien is for the cost of removing, towing or storing a vehicle that a person who holds a certificate issued under ORS 819.480 has appraised at a value of $1,000 or less.

(b) A lien claimant that gives notice of a foreclosure sale for chattel described in paragraph (a)(B) of this subsection shall include with the notice a copy of an invoice, work or repair order, authorization for towing, official form that authorizes a law enforcement agency to impound the chattel or any other record or document that is evidence of the basis for the lien.

(2) A person who is entitled to receive notice under subsection (1) of this section may discharge the lien and preserve the person’s security interest in the chattel by paying the lien claimant the amount of the lien claim and reasonable expenses the lien claimant actually incurs in foreclosing the lien claim. If the person does not discharge the lien before the day of the foreclosure sale, the foreclosure sale extinguishes the person’s security interest in the chattel even if the person does not receive notice under subsection (1) of this section.

(3) If a lien claimant does not give notice in accordance with subsection (1) of this section to a person that claims a security interest or lien on the chattel sold at a foreclosure sale, the lien claimant is liable to the person for a sum equal to the fair market value of the chattel sold at the foreclosure sale or the amount due to the person under the security agreement or lien at the time of the foreclosure sale, whichever amount is less. The secured party or other lien claimant may recover the sum and reasonable attorney fees by an action at law. [1975 c.648 §14; 1981 c.861 §3; 1983 c.338 §883; 1993 c.326 §11; 1995 c.758 §20; 2005 c.86 §1; 2005 c.738 §9; 2014 c.65 §2; 2017 c.17 §3]

87.202 Statement of account for foreclosure sale. (1) A person that forecloses a lien created under ORS 87.152 to 87.162 by sale shall file a statement of account that the person verifies by oath with the recording officer of the county in which the sale took place if:

(a) The chattel sold at the foreclosure sale has a fair market value of $1,000 or more; or

(b) The chattel sold at the foreclosure sale is an animal that bears a brand or other mark recorded with the State Department of Agriculture under ORS chapter 604.

(2) The statement of account required under subsection (1) of this section must show:

(c) The amount received for the chattel sold at the sale; and

(d) The name of each person that received proceeds from the foreclosure sale as described in ORS 87.206 and the amount each person received.

(3) A person that files a statement of account under this section shall send a copy of the statement by registered or certified mail to the last-known address of the owner of the chattel sold at the foreclosure sale. If the chattel sold at a foreclosure sale is an animal that bears a brand or other mark recorded with the State Department of Agriculture under ORS chapter 604, a person that files a statement of account under this section shall send a copy of the statement to the State Department of Agriculture. [1975 c.648 §13; 2005 c.86 §2; 2013 c.206 §1]

87.206 Disposition of proceeds of foreclosure sale. (1) The proceeds of a sale to foreclose a lien created by ORS 87.152 to 87.162 shall be applied in the following order:

(a) To the payment of the reasonable and necessary expenses of the sale;
(b) To satisfy the indebtedness secured by the lien under which the sale is made;

(c) Subject to subsection (2) of this section, to satisfy the indebtedness secured by any subordinate lien or security interest, in order of priority, in the chattel; and

(d) To the treasurer of the county in which the foreclosure sale is made. The payment to the treasurer must be accompanied by a copy of the statement of account described in ORS 87.202.

(2) Proceeds may be applied under subsection (1)(c) of this section if the person who forecloses a lien created by ORS 87.152 to 87.162 by sale receives a written request for proceeds from the holder of any subordinate lien or security interest before the day of the foreclosure sale. The person foreclosing the lien may require the holder of the subordinate lien or security interest to furnish reasonable proof of the existence of the security interest or lien. If the person foreclosing the lien does not receive proof of the existence of the subordinate security interest or lien, the person is not required to apply proceeds of the sale to satisfy the indebtedness secured by the subordinate security interest or lien.

(3) If a county treasurer receives proceeds under subsection (1) of this section, the county treasurer shall credit the proceeds to the general revenue fund of the county, subject to the right of the lien debtor or the representative of the lien debtor, to reclaim the proceeds at any time within three years of the date of deposit with the treasurer. If the proceeds are not demanded and claimed within the three-year period, the proceeds become the property of the county. [1975 c.648 §12; 2005 c.86 §3]

87.212 Liability for improper sale of fungible chattels. A person claiming a lien under ORS 87.152 to 87.162 for the storage of fungible chattels shall not sell more of those chattels than is necessary to pay charges due that person for the storage. If a person unnecessarily sells fungible chattels without the consent of the owner thereof, the person shall, for each offense, forfeit to the owner of the chattels a sum equal to the fair market value of the chattels unnecessarily sold and 50 percent of the fair market value in addition as a penalty. The owner shall recover such value and penalty by an action at law. [1975 c.648 §15]

Nonpossessor Chattel Liens
87.216 Nonpossessor lien for labor or material expended on chattel. A person who makes, alters, repairs, transports, stores, provides services for or performs labor on a chattel at the request of the owner of the chattel has a lien on that chattel for the reasonable or agreed charges for the labor or services the person performs and for the materials the person furnishes in connection therewith. Criminal Liability

161.085 Definitions with respect to culpability. As used in chapter 743, Oregon Laws 1971, and ORS 166.635, unless the context requires otherwise:

(1) “Act” means a bodily movement.
(2) “Voluntary act” means a bodily movement performed consciously and includes the conscious possession or control of property.

(3) “Omission” means a failure to perform an act the performance of which is required by law.

(4) “Conduct” means an act or omission and its accompanying mental state.

(5) “To act” means either to perform an act or to omit to perform an act.

(6) “Culpable mental state” means intentionally, knowingly, recklessly or with criminal negligence as these terms are defined in subsections (7), (8), (9) and (10) of this section.

(7) “Intentionally” or “with intent,” when used with respect to a result or to conduct described by a statute defining an offense, means that a person acts with a conscious objective to cause the result or to engage in the conduct so described.

(8) “Knowingly” or “with knowledge,” when used with respect to conduct or to a circumstance described by a statute defining an offense, means that a person acts with an awareness that the conduct of the person is of a nature so described or that a circumstance so described exists.

(9) “Recklessly,” when used with respect to a result or to a circumstance described by a statute defining an offense, means that a person is aware of and consciously disregards a substantial and unjustifiable risk that the result will occur or that the circumstance exists. The risk must be of such nature and degree that disregarding thereof constitutes a gross deviation from the standard of care that a reasonable person would observe in the situation.

(10) “Criminal negligence” or “criminally negligent,” when used with respect to a result or to a circumstance described by a statute defining an offense, means that a person fails to be aware of a substantial and unjustifiable risk that the result will occur or that the circumstance exists. The risk must be of such nature and degree that the failure to be aware of it constitutes a gross deviation from the standard of care that a reasonable person would observe in the situation.

Note: See note under 161.015.

161.095 Requirements for criminal liability. (1) The minimal requirement for criminal liability is the performance by a person of conduct which includes a voluntary act or the omission to perform an act which the person is capable of performing.

(2) Except as provided in ORS 161.105, a person is not guilty of an offense unless the person acts with a culpable mental state with respect to each material element of the offense that necessarily requires a culpable mental state.

161.105 Culpability requirement inapplicable to certain violations and offenses. (1) Notwithstanding ORS 161.095, a culpable mental state is not required if:

(a) The offense constitutes a violation, unless a culpable mental state is expressly included in the definition of the offense; or

(b) An offense defined by a statute outside the Oregon Criminal Code clearly indicates a legislative intent to dispense with any culpable mental state requirement for the offense or for any material element thereof.

(2) Notwithstanding any other existing law, and unless a statute enacted after January 1, 1972, otherwise provides, an offense defined by a statute outside the Oregon Criminal Code that requires no culpable mental state constitutes a violation.

(3) Although an offense defined by a statute outside the Oregon Criminal Code requires no culpable mental state with respect to one or more of its material elements, the culpable commission of the offense may be alleged and proved, in which case criminal negligence constitutes sufficient culpability, and the classification of the offense and the authorized sentence shall be determined by ORS 161.605 to 161.605 and 161.615 to 161.655. [1971 c.743 §9]

161.115 Construction of statutes with respect to culpability. (1) If a statute defining an offense prescribes a culpable mental state but does not specify the element to which it applies, the prescribed culpable mental state applies to each material element of the offense that necessarily requires a culpable mental state.

(2) Except as provided in ORS 161.105, if a statute defining an offense does not prescribe a culpable mental state, culpability is nonetheless required and is established only if a person acts intentionally, knowingly, recklessly or with criminal negligence.

(3) If the definition of an offense prescribes criminal negligence as the culpable mental state, it is also established if a person acts intentionally, knowingly or recklessly. When recklessness suffices to establish a culpable mental state, it is also established if a person acts intentionally or knowingly. When acting knowingly suffices to establish a culpable mental state, it is also established if a person acts intentionally.

(4) Knowledge that conduct constitutes an offense, or knowledge of the existence, meaning or application of the statute defining an offense, is not an element of an offense unless the statute clearly so provides. [1971 c.743 §10]

161.125 Drug or controlled substance use or dependence or intoxication as defense. (1) The use of drugs or controlled substances, dependence on drugs or controlled substances or voluntary intoxication shall not, as such, constitute a defense to a criminal charge, but in any
prosecution for an offense, evidence that the defendant used drugs or controlled substances, or was dependent on drugs or controlled substances, or was intoxicated may be offered by the defendant whenever it is relevant to negative an element of the crime charged.

(2) When recklessness establishes an element of the offense, if the defendant, due to the use of drugs or controlled substances, dependence on drugs or controlled substances or voluntary intoxication, is unaware of a risk of which the defendant would have been aware had the defendant been not intoxicated, not using drugs or controlled substances, or not dependent on drugs or controlled substances, such unawareness is immaterial. [1971 c.743 §11; 1973 c.697 §13; 1979 c.744 §6]

Inchoate Crimes

161.405 “Attempt” described. (1) A person is guilty of an attempt to commit a crime when the person intentionally engages in conduct which constitutes a substantial step toward commission of the crime.

   (a) Class A felony if the offense attempted is any degree of murder, aggravated murder or treason.
   (b) Class B felony if the offense attempted is a Class A felony.
   (c) Class C felony if the offense attempted is a Class B felony.
   (d) Class A misdemeanor if the offense attempted is a Class C felony or an unclassified felony.
   (e) Class B misdemeanor if the offense attempted is a Class A misdemeanor.
   (f) Class C misdemeanor if the offense attempted is a Class B misdemeanor.

An offense defined outside this code which, because of the express sentence provided is within the definition of ORS 161.525, shall be considered an unclassified felony. the defendant or in writing filed on or before the
time scheduled for the first appearance of the
defendant. If no election is made within the time
allowed, the case shall proceed as a misdemeanor.

(2) If a prosecuting attorney elects to treat a
misdemeanor as a Class A violation under this
section, the court shall amend the accusatory
instrument to reflect the charged offense as a

enter a default judgment against the defendant in
the manner provided by ORS 153.102. Notwith-
standing ORS 153.021, the fine that the court
may impose under a default judgment entered
pursuant to ORS 153.102 may not:

(a) Be less than the presumptive fine estab-
lished by ORS 153.019 for a Class A violation; or
(b) Exceed the maximum fine established by
ORS 153.018 for a Class A violation.

(4) A prosecuting attorney may not elect to
treat misdemeanors created under ORS 811.540

prosecuting attorney in the case of municipal
ordinance offenses, a county counsel acting as
prosecuting attorney under a county charter in
the case of county ordinance offenses, and the
Attorney General acting as prosecuting attorney
in those criminal actions or proceedings within
the jurisdiction of the Attorney General. [1999

Class C nonperson felony or a violation of ORS
475.752 (7), 475.854 (2)(b) or 475.874 (2)(b) as a
Class A misdemeanor. The election must be made
by the district attorney orally or in writing at the
time of the first appearance of the defendant. If a
district attorney elects to treat a Class C felony
or a violation of ORS 475.752 (7), 475.854 (2)(b)
or 475.874 (2)(b) as a Class A misdemeanor under
this subsection, the court shall amend the accus-
atory instrument to reflect the charged offense
as a Class A misdemeanor.

(3) If, at some time after the first appearance
of a defendant charged with a Class C nonperson
felony or a violation of ORS 475.752 (7), 475.854
(2)(b) or 475.874 (2)(b), the district attorney and
the defendant agree to treat the charged offense
as a Class A misdemeanor, the court may allow
the offense to be treated as a Class A misde-
meanor by stipulation of the parties.

(4) If a Class C felony or a violation of ORS
475.752 (7), 475.854 (2)(b) or 475.874 (2)(b) is
treated as a Class A misdemeanor under this
section, the court shall clearly denominate
the offense as a Class A misdemeanor in any
judgment entered in the matter.

(5) If no election or stipulation is made under
this section, the case proceeds as a felony.

(6) Before a district attorney may make an
election under subsection (2) of this section, the
district attorney shall adopt written guidelines
for determining when and under what circum-
stances the election may be made. The district
attorney shall apply the guidelines uniformly.
(7) Notwithstanding ORS 161.635, the fine that a court may impose upon conviction of a misdemeanor under this section may not:

(a) Be less than the minimum fine established by ORS 137.286 for a felony; or

(b) Exceed the amount provided in ORS 161.625 for the class of felony receiving Class A misdemeanor treatment. [2003 c.645 §2; 2005 c.708 §47; 2007 c.286 §1; 2011 c.597 §18; 2013 c.591 §4; 2017 c.706 §25] 161.575 [1971 c.743 §72; repealed by 1999 c.1051 §49]

161.585 Classification of certain crimes determined by punishment. (1) When a crime punishable as a felony is also punishable by imprisonment for a maximum term of one year or by a fine, the crime shall be classed as a misdemeanor if the court imposes a punishment other than imprisonment under ORS 137.124 (1).

(2) Notwithstanding the provisions of ORS 161.625, upon conviction of a crime punishable as described in subsection (1) of this section, the crime is a felony for all purposes until one of the following events occurs, after which occurrence the crime is a misdemeanor for all purposes:

(b) Without imposing a sentence of probation, the court imposes a fine.

(c) Upon revocation of probation, the court imposes a sentence of imprisonment other than to the legal and physical custody of the Department of Corrections.

(f) The court imposes a sentence of probation on the defendant without imposition of any other sentence upon conviction and defendant is thereafter discharged without any other sentence.

(g) Without imposing a sentence of probation and without imposing any other sentence, the court declares the offense to be a misdemeanor and discharges the defendant.

(3) The provisions of this section shall apply only to persons convicted of a felony committed prior to November 1, 1989. [1971 c.743 §73; 1987 c.320 §85; 1989 c.790 §52; 1993 c.14 §18; 2005 c.264 §15]

Disposition of Offenders

161.605 Maximum terms of imprisonment for felonies. The maximum term of an indeterminate sentence of imprisonment for a felony is as follows:

(1) For a Class A felony, 20 years.

(2) For a Class B felony, 10 years.

(3) For a Class C felony, 5 years.

(4) For an unclassified felony as provided in the statute defining the crime. [1971 c.743 §74]

161.610 Enhanced penalty for use of firearm during commission of felony; pleading; minimum penalties; suspension or reduction of penalty. (1) As used in this section, “firearm” has the meaning given that term in ORS 166.210.

(2) The use or threatened use of a firearm, whether operable or inoperable, by a defendant during the commission of a felony may be pleaded in the accusatory instrument and proved at trial as an element in aggravation of the crime as provided in this section. When a crime is so pleaded, the aggravated nature of the crime may be indicated by adding the words “with a firearm” to the title of the offense. The unaggravated crime shall be considered a lesser included offense.

(3) Notwithstanding the provisions of ORS 161.605 or 137.010 (3) and except as otherwise provided in subsection (6) of this section, if a defendant is convicted of a felony having as an element the defendant’s use or threatened use of a firearm during the commission of the crime, the court shall impose at least the minimum term of imprisonment as provided in subsection (4) of this section. Except as provided in ORS 144.122 and 144.126 and subsection (5) of this section, in no case shall any person punishable under this section become eligible for work release, parole, temporary leave or terminal leave until the minimum term of imprisonment is served, less a period of time equivalent to any reduction of imprisonment granted for good time served or time credits earned under ORS 421.121, nor shall the execution of the sentence imposed upon such person be suspended by the court.

(4) The minimum terms of imprisonment for felonies having as an element the defendant’s use or threatened use of a firearm in the commission of the crime shall be as follows:

(a) Except as provided in subsection (5) of this section, upon the first conviction for such felony, five years, except that if the firearm is a machine gun, short-barreled rifle, short-barreled shotgun or is equipped with a firearms silencer, the term of imprisonment shall be 10 years.

(b) Upon conviction for such felony committed after punishment pursuant to paragraph (a) of this subsection or subsection (5) of this section, 10 years, except that if the firearm is a machine gun, short-barreled rifle, short-barreled shotgun
or is equipped with a firearms silencer, the term of imprisonment shall be 20 years.

(c) Upon conviction for such felony committed after imprisonment pursuant to paragraph (b) of this subsection, 30 years.

(5) If it is the first time that the defendant is subject to punishment under this section, rather than impose the sentence otherwise required by subsection (4)(a) of this section, the court may:

(a) For felonies committed prior to November 1, 1989, suspend the execution of the sentence or impose a lesser term of imprisonment, when the court expressly finds mitigating circumstances justifying such lesser sentence and sets forth those circumstances in its statement on sentencing; or

(b) For felonies committed on or after November 1, 1989, impose a lesser sentence in accordance with the rules of the Oregon Criminal Justice Commission.

(6) When a defendant who is convicted of a felony having as an element the defendant's use or threatened use of a firearm during the commission of the crime is a person who was waived under ORS 137.707 (5)(b)(A), 419C.349 (1)(b), 419C.352, 419C.364 or 419C.370, the court is not required to impose a minimum term of imprisonment under this section. [1979 c.779 §2; 1985 c.552 §1; 1989 c.790 §72; 1989 c.839 §18; 1991 c.133 §3; 1993 c.692 §9; 1999 c.951 §3; 2005 c.407 §1; 2009 c.610 §5; 2019 c.634 §7]

161.615 Maximum terms of imprisonment for misdemeanors. Sentences for misdemeanors shall be for a definite term. The court shall fix the term of imprisonment within the following maximum limitations:

(1) For a Class A misdemeanor, 364 days.

(2) For a Class B misdemeanor, 6 months.

(3) For a Class C misdemeanor, 30 days.

(4) For an unclassified misdemeanor, as provided in the statute defining the crime. [1971 c.743 §75; 2017 c.706 §22]

161.620 Sentences imposed upon waiver. Notwithstanding any other provision of law, a sentence imposed upon any person waived under ORS 419C.349, 419C.352, 419C.364 or 419C.370 shall not include any sentence of death or life imprisonment without the possibility of release or parole nor imposition of any mandatory minimum sentence except that a mandatory minimum sentence under:

(1) ORS 137.707 shall be imposed, except as provided in ORS 137.712;

(2) ORS 163.105 (1)(c) shall be imposed; and

(3) ORS 161.610 may be imposed. [1985 c.631 §9; 1989 c.720 §3; 1993 c.33 §306; 1993 c.546 §119; 1995 c.422 §131y; 1999 c.951 §2; 2019 c.634 §8]

Note: 161.620 was added to and made a part of ORS 161.615 to 161.685 by legislative action but was not added to any smaller series in that series. See Preface to Oregon Revised Statutes for further explanation.

161.625 Fines for felonies. (1) A sentence to pay a fine for a felony shall be a sentence to pay an amount, fixed by the court, not exceeding:

(a) $500,000 for murder or aggravated murder.

(b) $375,000 for a Class A felony.

(c) $250,000 for a Class B felony.

(d) $125,000 for a Class C felony.

(2) A sentence to pay a fine for an unclassified felony shall be a sentence to pay an amount, fixed by the court, as provided in the statute defining the crime.

(3)(a) If a person has gained money or property through the commission of a felony, then upon conviction thereof the court, in lieu of imposing the fine authorized for the crime under subsection (1) or (2) of this section, may sentence the defendant to pay an amount, fixed by the court, not exceeding double the amount of the defendant's gain from the commission of the crime.

(b) The provisions of paragraph (a) of this subsection do not apply to the felony theft of a companion animal, as defined in ORS 164.055, or a captive wild animal.

(4) As used in this section, "gain" means the amount of money or the value of property derived from the commission of the felony, less the amount of money or the value of property returned to the victim of the crime or seized by or surrendered to lawful authority before the time sentence is imposed. "Value" shall be determined by the standards established in ORS 164.115.

(5) When the court imposes a fine for a felony the court shall make a finding as to the amount of the defendant's gain from the crime. If the record does not contain sufficient evidence to support a finding the court may conduct a hearing upon the issue.

(6) Except as provided in ORS 161.655, this section does not apply to a corporation. [1971 c.743 §76; 1981 c.390 §1; 1991 c.837 §11; 1993 c.680 §36; 2003 c.615 §1; 2003 c.737 §86]

161.635 Fines for misdemeanors. (1) A sentence to pay a fine for a misdemeanor shall be a sentence to pay an amount, fixed by the court, not exceeding:

(a) $6,250 for a Class A misdemeanor.

(b) $2,500 for a Class B misdemeanor.

(c) $1,250 for a Class C misdemeanor.

(2) A sentence to pay a fine for an unclassified misdemeanor shall be a sentence to pay an amount, fixed by the court, as provided in the statute defining the crime.

(3) If a person has gained money or property through the commission of a misdemeanor,
then upon conviction thereof the court, instead of imposing the fine authorized for the offense under this section, may sentence the defendant to pay an amount fixed by the court, not exceeding double the amount of the defendant's gain from the commission of the offense. In that event, ORS 161.625 (4) and (5) apply.

(4) This section does not apply to corporations. [1971 c.743 §77; 1981 c.390 §2; 1993 c.680 §30; 1995 c.545 §2; 1999 c.1051 §44; 2003 c.737 §87]

Authority of Sentencing Court

161.705 Reduction of certain felonies to misdemeanors. (1) Notwithstanding ORS 161.525, the court may enter judgment of conviction for a Class A misdemeanor and make disposition accordingly when:

(2) The entry of judgment of conviction for a Class A misdemeanor under this section may be made:

(a) At the time of conviction, for offenses described in subsection (1)(a)(A) of this section; or

(b) At any time after the sentence of probation has been completed, for offenses described in subsection (1)(a)(B) of this section. [1971 c.743 §83; 1977 c.745 §31; 1979 c.124 §1; 1981 c.769 §8; 2005 c.708 §48; 2009 c.610 §2; 2013 c.591 §5; 2015 c.290 §2; 2015 c.614 §125; 2017 c.21 §100; 2018 c.120 §11]

161.710 Reduction of certain felony driving offenses after completion of sentence. Notwithstanding ORS 161.525, the court has authority, at any time after a sentence of probation has been completed, to enter judgment of conviction for a Class A misdemeanor for a person convicted of criminal driving while suspended or revoked under ORS 811.182 committed before September 1, 1999, and constituting a felony if:

(1) The suspension or revocation resulted from habitual offender status under ORS 809.640;

(2) The person successfully completed the sentence of probation; and

(3) The court finds that, considering the nature and circumstances of the crime and the history and character of the person, it would be unduly harsh for the person to continue to have a felony conviction. [2017 c.439 §2]

(2) “License” means any written authority required by law or ordinance as a prerequisite to the conduct of a business, trade or profession.

(3) “Provider” means any person who contracts to supply goods, services or real estate space to an agency.

(4) “Tax” means a state tax imposed by ORS 320.005 to 320.150 and 403.200 to 403.250 and ORS chapters 118, 314, 316, 317, 318, 321 and 323 and local taxes administered by the Department of Revenue under ORS 305.620. [1987 c.843 §6; 1997 c.99 §35; 1997 c.170 §16; 2005 c.94 §21; 2015 c.348 §10]

305.385 Agencies to supply licensee and contractor lists; contents; effect of department determination on taxpayer status of licensee or contractor; rules. (1) Upon request of the Department of Revenue, an agency issuing or renewing a license to conduct a business, trade or profession shall annually, on or before March 1, supply the department with a list of specified licenses issued or renewed by the agency during the preceding calendar year.

(2) Upon request of the department, an agency shall annually, on or before March 1, supply the department with a list of specified persons contracting with the agency to provide goods, services or real estate space to the agency during the preceding calendar year.

(3) The lists required by subsections (1) and (2) of this section shall contain the name, address, Social Security or federal employer identification number of each licensee or provider or such other information as the department may by rule require.

(4)(a) If the department determines that any licensee or provider has neglected or refused to file any return or to pay any tax and that such person has not filed in good faith a petition before the department contesting the tax, and the department has been unable to obtain payment of the tax through other methods of collection, the Director of the Department of Revenue may, notwithstanding ORS 118.525, 314.835 or 314.840 or any similar provision of law, notify the agency and the person in writing.

(b) Upon receipt of such notice, the agency shall refuse to reissue, renew or extend any license, contract or agreement until the agency receives a certificate issued by the department that the person is in good standing with respect to any returns due and taxes payable to the department as of the date of the certificate.

(c) Upon the written request of the director and after a hearing and notice to the licensee as required under any applicable provision of law,
the agency shall suspend the person’s license if the agency finds that the returns and taxes have not been filed or paid and that the licensee has not filed in good faith a petition before the department contesting the tax and the department has been unable to obtain payment of the tax through other methods of collection. For the purpose of the agency’s findings, the written representation to that effect by the department to the agency shall constitute prima facie evidence of the person’s failure to file returns or pay the tax. The department shall have the right to intervene in any license suspension proceeding.

(d) Any license suspended under this subsection shall not be reissued or renewed until the agency receives a certificate issued by the department that the licensee is in good standing with respect to any returns due and taxes payable to the department as of the date of the certificate.

(5) The department may enter into an installment payment agreement with a licensee or provider with respect to any unpaid tax, penalty and interest. The agreement shall provide for interest on the outstanding amount at the rate prescribed by ORS 305.220. The department may issue a provisional certificate of good standing pursuant to subsection (4)(b) and (d) of this section which shall remain in effect so long as the licensee or provider fully complies with the terms of the installment agreement. Failure by the licensee or provider to fully comply with the terms of the installment agreement shall render the agreement and the provisional certificate of good standing null and void, unless the department determines that the failure was due to reasonable cause. If the department determines that the failure was not due to reasonable cause, the total amount of the tax, penalty and interest shall be immediately due and payable, and the department shall notify any affected agency that the license or provider is not in good standing. The agency shall then take appropriate action, under subsection (4)(b) and (d) of this section.

(6) No contract or other agreement for the purpose of providing goods, services or real estate space to any agency shall be entered into, renewed or extended with any person, unless the person certifies in writing, under penalty of perjury, that the person is, to the best of the person’s knowledge, not in violation of any tax laws described in ORS 305.380 (4).

(7) The certification under subsection (6) of this section shall be required for each contract and renewal or extension of a contract or may be provided on an annual basis. A certification shall not be required for a contract if the consideration for the goods, services or real estate space provided under the contract is no more than $1,000.

(8)(a) The requirements of the certification under subsection (6) of this section shall be subject to the rules adopted by the department in accordance with this section.

(b) The department may by rule exempt certain contracts from the requirements of subsection (6) of this section. [1987 c.843 §7; 1989 c.656 §1; 1997 c.99 §36]

(2) Each seller of taxable vehicles that is liable for transportation project taxes shall file a return with the Department of Revenue, in the form and manner prescribed by the department, on or before the last day of January, April, July and October of each year for the previous calendar quarter. The return shall show the amount of transportation project taxes due for retail sales made during the calendar quarter to which the return relates.

(3) Each seller shall pay the applicable transportation project taxes to the department in the form and manner prescribed by the department, but not later than the date of submitting each quarterly return, without regard to extensions under subsection (5) of this section.

(4) Sellers of taxable vehicles shall file the returns required under this section with respect to the privilege tax imposed under ORS 320.405 and the excise tax imposed under ORS 320.415 regardless of whether any taxes are owed.

The warrant shall be issued and proceeded upon in the same manner and shall have the same force and effect as is prescribed with respect to warrants for the collection of delinquent income taxes.

(3)(a) In the case of a seller that is assessed under the provisions of ORS 305.265

(12) and 314.407 (1), the department may issue a notice of liability to any officer, employee or member of the seller at any time within three years after the assessment. Within 30 days after the date on which the notice of liability is mailed to the officer, employee or member, the officer, employee or member shall pay the assessment, plus penalties and interest, or advise the department in writing of objections to the liability and, if desired, request a conference. A conference shall be governed by the provisions of ORS 305.265 pertaining to a conference requested from a notice of deficiency.

The Department of Transportation shall use an amount equal to the amount of moneys in the State Highway Fund that becomes available for its use from any increase in tax rates created by the amendments to ORS 319.020, 319.530, 825.476 and 825.480 by sections 1, 2 and 10 to 15, chapter 209, Oregon Laws 1985, and an amount equal to one-third of the amount of moneys in the State Highway Fund that becomes available for its use from any increase in tax rates created by the amendments to ORS 319.020, 319.530, 825.476 and 825.480 by sections 5, 6 and 8 to 15, chapter 899, Oregon Laws 1987, and from any increase in tax rates that results from the provisions of sections 16 and 17, chapter 899, Oregon Laws 1987, to establish and operate a state modernization program for highways. The program established under this section and the use of moneys in the program are subject to the following:

(1) The moneys may be used by the department to retire bonds that the department issues for the modernization program under bonding authority of the department.

Projects both on and off the state highway system are eligible.

(3) Projects to be implemented by the modernization program shall be selected by the Oregon Transportation Commission. The criteria for selection of projects will be established after public hearings that allow citizens an opportunity to review the criteria. The commission may use up to one-half of moneys available under this section for modernization projects selected by the commission from a list of projects of statewide significance.

(4) In developing criteria for selection of projects, the commission shall consider the following:

366.508 Legislative findings. (1) The Legislative Assembly finds that:

(a) Estimated highway, road and street revenues from current sources will not adequately meet the need for continued development of a statewide road and bridge system that is economically efficient, provides accessibility to and from commercial, agricultural, industrial, tourist and recreational facilities and enhances the highway safety, environmental quality and land use goals of this state;

(b) Responsibility for the cost of the highway, road and street system should be proportional and should be based on the number and types of vehicles that use the system and on the frequency of their use; and

(c) Expansion, modernization, maintenance, repair, reconstruction, increased capacity and enhanced safety on all roads and bridges is crucial to the economic revitalization of Oregon.

(2) The Legislative Assembly declares that the purpose of this section and ORS 319.020, 319.530, 366.507, 366.739, 366.774, 366.790, 825.476 and 825.480 is:
(a) To enhance the revenue base for the state, counties and cities for continued development and maintenance of the road and bridge system; and

(b) To enhance the revitalization of this state's economy by implementing a long-term plan for the state, counties and cities that establishes priorities for road and bridge improvements. [1987 c.899 §1]

Note: 366.508 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 366 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

(a) Notwithstanding that the juvenile court has waived the case under ORS 419C.349, 419C.352, 419C.364 or 419C.370, the court of waiver shall return the case to the juvenile court unless an accusatory instrument is filed in the court of waiver alleging, in the case of a person under 15 years of age, a crime listed in ORS 419C.352 or, in the case of any other person, a crime described in ORS 419C.349 (1).

(b) When a trial has been held in the court of waiver upon an accusatory instrument alleging a crime listed in ORS 419C.349 (1)(b) or 419C.352, as the case may be, and the person is found guilty of any lesser included offense that is not itself a waivable offense, the trial court shall sentence the defendant therein, but the trial court shall order a presentence report to be made in the case, shall set forth in a memorandum such observations as the court may make regarding the case and shall then return the case to the juvenile court in order that the juvenile court make disposition in the case based upon the guilty finding in the court of waiver. Disposition shall be as if the juvenile court itself had found the youth to be in its jurisdiction pursuant to ORS 419C.005. The records and consequences of the case shall, in all respects, be as if the juvenile court itself had found the youth to be in its jurisdiction pursuant to ORS 419C.005. When the person is found guilty of a nonwaivable charge that was consolidated with a waivable charge under ORS 419C.358, the case shall be returned to the juvenile court for disposition as provided in this subsection for lesser included offenses.

(2) Nothing in this section or ORS 419C.358 applies to a waiver under ORS 419C.364 or 419C.370. [1993 c.33 §217; 1993 c.546 §83; 2019 c.634 §20]

419C.370 Waiver of motor vehicle, boating, game, violation and property cases. (1) The juvenile court may enter an order directing that all cases involving:

(a) Violation of a law or ordinance relating to the use or operation of a motor vehicle, boating laws or game laws be waived to criminal or municipal court;

(b) An offense classified as a violation under the laws of this state or a political subdivision of this state be waived to municipal court if the municipal court has agreed to accept jurisdiction; and

(c) A misdemeanor that entails theft, destruction, tampering with or vandalism of property be waived to municipal court if the municipal court has agreed to accept jurisdiction.

(2) Cases waived under subsection (1) of this section are subject to the following:

(a) That the criminal or municipal court prior to hearing a case, other than a case involving a parking violation, in which the defendant is or appears to be under 18 years of age notify the juvenile court of that fact; and

(b) That the juvenile court may direct that any such case be waived to the juvenile court for further proceedings.

(3)(a) When a person who has been waived under subsection (1)(c) of this section is convicted
of a property offense, the municipal court may impose any sanction authorized for the offense except for incarceration. The municipal court shall notify the juvenile court of the disposition of the case.

(b) When a person has been waived under subsection (1) of this section and fails to appear as summoned or is placed on probation and is alleged to have violated a condition of the probation, the juvenile court may recall the case to the juvenile court for further proceedings. When a person has been returned to juvenile court under this paragraph, the juvenile court may proceed as though the person had failed to appear as summoned to the juvenile court or had violated a juvenile court probation order under ORS 419C.446.

(4) Records of cases waived under subsection (1)(c) of this section are juvenile records for purposes of expunction under ORS 419A.260. [1993 c.33 §220; 1993 c.546 §86; 1995 c.481 §1; 1999 c.158 §1; 1999 c.615 §1; 2003 c.396 §104]

419C.372 Handling of motor vehicle, boating or game cases not requiring waiver.
If the youth’s conduct consists, or is alleged to consist, of a violation of a law or ordinance relating to the use or operation of a motor vehicle, boating laws or game laws and it appears to the court that the nature of the offense and the youth’s background are such that a proceeding as provided in this chapter is not warranted, the court may handle:

(1) Cases involving boating laws or game laws as provided in ORS 419C.374.
(2) Cases involving the use or operation of a motor vehicle as provided under ORS 809.412. [1993 c.33 §221; 1993 c.546 §95]

419C.374 Alternative conduct of proceedings involving traffic, boating and game cases. (1) A petition relating to boating or game offenses shall be filed as provided in ORS 419C.250, 419C.255 and 419C.258. Motor vehicle offenses are subject to ORS 809.412.

(2) Summons as provided in ORS 419C.300 shall be issued to the parent or other person having physical custody of the youth, requiring the parent or other person to appear with the youth before the court at the time and place stated in the summons.

(3) The summons may be served as provided in ORS 419C.309, 419C.312 and 419C.315 or by mailing a copy thereof to the parent or other person having physical custody of the youth. If the summons is served personally, a warrant may be issued as provided in ORS 419C.320.

(4) A hearing shall be held as provided in ORS 419C.142, 419C.280 and 419C.400. At the termination of the hearing, if the court finds the matters alleged in the petition to be true, it may enter an order finding the youth to be a:

(a) Youth motor vehicle offender and dispose of the case as provided in ORS 809.412; or

(b) Youth boating law offender or a game law offender and may dispose of the case as provided in subsection (5) of this section.

(5) In a proceeding under this chapter, the juvenile court may suspend a hunting or fishing license or permit where a game violation is involved and may make such other recommendations where a boating violation is involved. [1993 c.33 §222; 1995 c.422 §79]

Disposition

(Suspension of Driving Privileges)

419C.472 Suspension of driving privileges. (1) The court may order that the driving privileges of a youth be suspended if:

(a) The petition alleges that the youth is within the jurisdiction of the court for violating ORS 471.430 or 475B.316;

(b) The youth has been issued a summons under ORS 419C.306; and

(c) The youth fails to appear as required by the summons.

(2) When a court issues an order under subsection (1) of this section:

(a) The court shall send a notice to the Department of Transportation certifying that the youth failed to appear and that the court has ordered the suspension of the driving privileges of the youth; and

(b) Neither the state nor a juvenile department counselor may file a petition under ORS 419C.250 alleging that the youth is within the jurisdiction of the court for having committed an act that if committed by an adult would constitute a violation of ORS 153.992. [2001 c.817 §5; 2017 c.20 §7]

Where five or more parking spaces are designated accessible, any space that is designated as van accessible shall be reserved for wheelchair users. A van accessible parking space shall be at least nine feet wide and shall have an adjacent access aisle that is at least eight feet wide.

(c) Accessible parking spaces shall be at least nine feet wide and shall have an adjacent access aisle that is at least six feet wide.

(d) The access aisle shall be located on the passenger side of the parking space except that two adjacent accessible parking spaces may share a common access aisle.

(f) Accessible parking spaces and signs shall be designed in compliance with the standards set forth by the Oregon Transportation Commission in consultation with the Oregon Disabilities Commission.

(3) No ramp or obstacle may extend into the parking space or the aisle, and curb cuts and ramps may not be situated in such a way that they could be blocked by a legally parked vehicle.

(4) Parking spaces required by this section shall be maintained so as to meet the requirements of this section at all times and to meet the standards established by the state building code.

(5) The director is authorized to inspect parking spaces and facilities and buildings subject to the provisions of this section, and to do whatever is necessary to enforce the requirements, including the maintenance requirements, of this section. Municipalities and counties may administer and enforce the requirements of this section in the manner provided under ORS 455.148 or 455.150 for administration and enforcement of specialty codes. All plans for parking spaces subject to the provisions of this section must be approved by the director prior to the creation of the spaces.

All appeals to the board shall be filed in accordance with ORS 455.690. [1979 c.809 §2; 1981 c.275 §1; 1983 c.338 §930; 1987 c.187 §1;
Chapter 468A

MOTOR VEHICLE POLLUTION CONTROL

468A.350 Definitions for ORS 468A.350 to 468A.400. As used in ORS 468A.350 to 468A.400:

(1) “Certified system” means a motor vehicle pollution control system for which a certificate of approval has been issued under ORS 468A.365 (3).

(2) “Factory-installed system” means a motor vehicle pollution control system installed by the manufacturer which meets criteria for emission of pollutants in effect under federal laws and regulations applicable on September 9, 1971, or which meets criteria adopted pursuant to ORS 468A.365 (1), whichever criteria are stricter.

(3) “Motor vehicle” includes any self-propelled vehicle used for transporting persons or commodities on public roads and highways but does not include a vehicle of special interest as that term is defined in ORS 801.605, if the vehicle is maintained as a collector’s item and used for exhibitions, parades, club activities and similar uses but not used primarily for the transportation of persons or property, or a racing activity vehicle as defined in ORS 801.404.

(4) “Motor vehicle pollution control system” means equipment designed for installation on a motor vehicle for the purpose of reducing the pollutants emitted from the vehicle, or a system or engine adjustment or modification which causes a reduction of pollutants emitted from the vehicle. [Formerly 468.360; 2007 c.744 §77; 2001 c.573 §5; 2007 c.468 §1]

468A.355 Legislative findings. For purposes of ORS 468A.350 to 468A.400, the Legislative Assembly finds:

(1) That the emission of pollutants from motor vehicles is a significant cause of air pollution in many portions of this state.

(2) That the control and elimination of such pollutants are of prime importance for the protection and preservation of the public health, safety and well-being and for the prevention of irritation to the senses, interference with visibility, and damage to vegetation and property.

(3) That the state has a responsibility to establish procedures for compliance with standards which control or eliminate such pollutants.

(4) That the Oregon goal for pure air quality is the achievement of an atmosphere with no detectable adverse effect from motor vehicle air pollution on health, safety, welfare and the quality of life and property. [Formerly 449.951 and then 468.365]

468A.360 Motor vehicle emission and noise standards; copy to Department of Transportation. (1) After public hearing and in accordance with the applicable provisions of ORS chapter 183, the Environmental Quality Commission may adopt motor vehicle emission standards. For the purposes of this section, the commission may include, as a part of such standards, any standards for the control of noise emissions adopted pursuant to ORS 467.030.

(2) The commission shall furnish a copy of standards adopted pursuant to this section to the Department of Transportation and shall publish notice of the standards in a manner reasonably calculated to notify affected members of the public. [Formerly 468.370]

468A.363 Purpose of ORS 468A.363, 468A.365, 468A.400 and 815.300. The Legislative Assembly declares the purpose of ORS 468A.363, 468A.365, 468A.400 and 815.300 is to:

(1) Insure that the health of citizens in the Portland area is not threatened by recurring air pollution conditions.

(2) Provide necessary authority to the Environmental Quality Commission to implement one of the critical elements of the air quality maintenance strategy for the Portland area related to improvements in the motor vehicle inspection program.

(3) Insure that the Department of Environmental Quality is able to submit an approvable air quality maintenance plan for the Portland area through the year 2006 to the Environmental Protection Agency as soon as possible so that area can again be designated as an attainment area and impediments to industrial growth imposed in the Clean Air Act can be removed.

(4) Direct the Environmental Quality Commission to use existing authority to incorporate the following programs for emission reduction credits into the air quality maintenance plan for the Portland area:

(a) California or United States Environmental Protection Agency emission standards for new lawn and garden equipment sold in the Portland area.

(b) Transportation-efficient land use requirements of the transportation planning rule adopted by the Land Conservation and Development Commission.

(c) Improvements in the vehicle inspection program as authorized in ORS 468A.350 to 468A.400, including emission reduction from on-road vehicles resulting from enhanced testing, elimination of exemptions for 1974 and later model year vehicles, and expansion of inspection program boundaries.
(d) An employer trip reduction program that provides an emission reduction from on-road vehicles.

(e) A parking ratio program that limits the construction of new parking spaces for employment, retail and commercial locations.

(f) Emission reductions resulting from any new federal motor vehicle fuel tax.

(g) State and federal alternative fuel vehicles fleet programs that result in emission reductions.

(h) Installation of maximum achievable control technology by major sources of hazardous air pollutants as required by the federal Clean Air Act, as amended, resulting in emission reductions.

(i) As a safety margin, or as a substitute in whole or in part for other elements of the plan, emission reductions resulting from any new state gasoline tax or for any new vehicle registration fee that allows use of revenue for air quality improvement purposes. [1993 c.791 §2]

Note: 468A.363 was added to and made a part of 468A.350 to 468A.400 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

468A.365 Certification of motor vehicle pollution control systems and inspection of motor vehicles; rules. The Environmental Quality Commission shall:

(1) Determine and adopt by rule criteria for certification of motor vehicle pollution control systems. In determining the criteria the commission shall consider the following:

(a) The experience of any other state or the federal government;

(b) The cost of the system and of its installation;

(c) The durability of the system;

(d) The ease of determining whether the system, when installed on a motor vehicle, is functioning properly; and

(e) Any other factors which, in the opinion of the commission, render such a system suitable for the control of motor vehicle air pollution or for the protection of the health, safety and welfare of the public.

(2) Prescribe by rule the manner in which a motor vehicle pollution control system shall be tested for certification. The rules may prescribe a more rigorous inspection procedure in the areas designated under ORS 815.300 (2) (a), including any expansion of such boundary under ORS 815.300 (2)(b), in order to reduce air pollution emissions in those areas of the state. No such rule shall require testing for certification more often than once during the period for which registration or renewal of registration for a motor vehicle is issued. No rule shall require testing for certification of a motor vehicle that is exempted from the requirement for certification under ORS 815.300.

(3) Issue certificates of approval for classes of motor vehicle pollution control systems which, after being tested by the commission or by a method acceptable to the commission, the commission finds meet the criteria adopted under subsection (1) of this section.

(4) Designate by rule classifications of motor vehicles for which certified systems are available.

(5) Revoke, suspend or restrict a certificate of approval previously issued upon a determination that the system no longer meets the criteria adopted under subsection (1) of this section pursuant to procedures for a contested case under ORS chapter 183.

(6) Designate suitable methods and standards for testing systems and inspecting motor vehicles to determine and insure compliance with the standards and criteria established by the commission.

(7) Except as provided in ORS 468A.370, contract for the use of or the performance of tests or other services associated with conducting a motor vehicle pollution control system inspection program. [Formerly 468A.373; 1993 c.791 §3]

468A.370 Cost-effective inspection program; contracts for inspections. The Environmental Quality Commission shall determine the most cost-effective method of conducting a motor vehicle pollution control system inspection program as required by ORS 468A.365. Upon finding that savings to the public and increased efficiency would result and the quality of the program would be adequately maintained, the commission may contract with a unit of local government or with a private individual, partnership or corporation authorized to do business in the State of Oregon, for the performance of tests or other services associated with conducting a motor vehicle pollution control system inspection program. [Formerly 468.377]

468A.375 Notice to state agencies concerning certifications. The Department of Environmental Quality shall notify the Department of Transportation and the Oregon State Police whenever certificates of approval for motor vehicle pollution control systems are approved, revoked, suspended or restricted by the Environmental Quality Commission. [Formerly 449.963 and then 468.380]

468A.380 Licensing of personnel and equipment; certification of motor vehicles; rules. (1) The Environmental Quality Commission by rule may:

(a) Establish criteria and examinations for the qualification of persons eligible to inspect motor vehicles and motor vehicle pollution control systems and execute the certificates described under ORS 815.310, and for the procedures to be followed in such inspections.
(b) Establish criteria and examinations for the qualification of equipment, apparatus and methods used by persons to inspect motor vehicles and motor vehicle pollution control systems.

(c) Establish criteria and examinations for the testing of motor vehicles.

(2) Subject to rules of the commission, the Department of Environmental Quality shall:

(a) Issue licenses to any person, type of equipment, apparatus or method qualified pursuant to subsection (1) of this section.

(b) Revoke, suspend or modify licenses issued pursuant to paragraph (a) of this subsection in accordance with the provisions of ORS chapter 183 relating to contested cases.

(c) Issue certificates of compliance for motor vehicles which, after being tested in accordance with the rules of the commission, meet the criteria established under subsection (1) of this section and the standards adopted pursuant to ORS 468A.350 to 468A.385 and 468A.400. [Formerly 468.390]

468A.385 Determination of compliance of motor vehicles. (1) The Environmental Quality Commission shall establish and maintain procedures and programs for determining whether motor vehicles meet the minimum requirements necessary to secure a certificate under ORS 815.310.

(2) Such procedures and programs include, but are not limited to, the installation of a certified system and the adjustment, tune-up, or other mechanical work performed on the motor vehicle in accordance with the requirements of the commission. [Formerly 468.395]

468A.387 Operating schedules for testing stations. (1) The Department of Environmental Quality shall establish flexible weekday operating schedules for testing stations that conduct motor vehicle pollution control system inspections described under ORS 468A.365 that extend the hours of operation beyond 5 p.m. for some testing stations for some days of the week.

(2) After determining the hours of operation for testing stations under subsection (1) of this section, the department shall advertise the hours of operation in as many ways as practicable, including but not limited to:

(a) Enclosing information about the hours of operation in all mailings and notices related to motor vehicle emission testing and motor vehicle registration renewal notices;

(b) Posting the hours of operation at Department of Transportation field offices;

(c) Broadcasting public service announcements; and

(d) Using appropriate Internet and other electronic media services that may be available. [1999 c.475 §2; 2009 c.551 §1]

468A.390 Designation of areas of the state subject to motor vehicle emission inspection program; rules. (1) If the need for a motor vehicle pollution control system inspection program is identified for an area in the State of Oregon Clean Air Act Implementation Plan, then the Environmental Quality Commission, by rule, shall designate boundaries, in addition to the areas specified in ORS 815.300 (2)(a) and (b), within which motor vehicles are subject to the requirement under ORS 815.300 to have a certificate of compliance issued under ORS 468A.380 to be registered or have the registration of the vehicle renewed.

(2) Whenever the Environmental Quality Commission designates boundaries under this section within which vehicles are subject to the requirements of ORS 815.300, the commission shall notify the Department of Transportation and shall provide the Department of Transportation with information necessary to perform the Department of Transportation's duties under ORS 815.300. [Formerly 468.397]

468A.395 Bond or letter of credit; remedy against person licensed under ORS 468A.380; cancellation of license. (1) Any person licensed to issue certificates of compliance pursuant to ORS 468A.380 shall file with the Department of Environmental Quality a surety bond or an irrevocable letter of credit issued by an insured institution, as defined in ORS 706.008. The bond or letter of credit shall be executed to the State of Oregon in the sum of $1,000. It shall be approved as to form by the Attorney General, and shall be conditioned that inspections and certifications will be made only by persons who meet the qualifications fixed by the Environmental Quality Commission and will be made without fraud or fraudulent representations and without violating any of the provisions of ORS 468A.350 to 468A.400, 815.295, 815.300, 815.310, 815.320 and 815.325.

(2) In addition to any other remedy that a person may have, if any person suffers any loss or damage by reason of the fraud, fraudulent representations or violation of any of the provisions of ORS 468A.350 to 468A.400, 815.295, 815.300, 815.310, 815.320 and 815.325 by a person licensed pursuant to ORS 468A.380, the injured person has the right of action against the business employing such licensed person and a right of action in the person's own name against the surety upon the bond or the letter of credit issuer.

(3) The license issued pursuant to ORS 468A.380 of any person whose bond is canceled by legal notice shall be canceled immediately by the department. If the license is not renewed or is voluntarily or involuntarily canceled, the sureties of the bond or the letter of credit issuers shall be relieved from liability accruing subsequent to such cancellation by the department. [Formerly 468.400; 1997 c.631 §480]
468A.400 Fees; collection; use. (1) The Department of Environmental Quality shall:
(a) Establish and collect fees for application, examination and licensing of persons, equipment, apparatus or methods in accordance with ORS 468A.380 and within the following limits:
(A) The fee for licensing shall not exceed $5.
(B) The fee for renewal of licenses shall not exceed $1.

(b) Establish fees for the issuance of certificates of compliance. The department may classify motor vehicles and establish a different fee for each such class. The fee for the issuance of certificates shall be established by the Environmental Quality Commission in an amount based upon the costs of administering this program. Before establishing the fees, the commission shall determine the most cost effective program consistent with Clean Air Act requirements for each area of the state pursuant to ORS 468A.370.

(2) The department shall collect the fees established pursuant to subsection (1)(b) of this section at the time of the issuance of certificates of compliance as required by ORS 468A.380 (2)(c).

(3) On or before the 15th day of each month, the commission shall pay into the State Treasury all moneys received as fees pursuant to subsections (1) and (2) of this section during the preceding calendar month. The State Treasurer shall credit such money to the Department of Environmental Quality Motor Vehicle Pollution Account, which is hereby created. The moneys in the Department of Environmental Quality Motor Vehicle Pollution Account are continuously appropriated to the department to be used by the department solely or in conjunction with other state agencies and local units of government for:
(a) Any expenses incurred by the department and, if approved by the Governor, any expenses incurred by the Department of Transportation in the certification, examination, inspection or licensing of persons, equipment, apparatus or methods in accordance with the provisions of ORS 468A.380 and 815.310.

(b) Such other expenses as are necessary to study traffic patterns and to inspect, regulate and control the emission of pollutants from motor vehicles in this state.

(4) The Department of Environmental Quality may enter into an agreement with the Department of Transportation to collect the licensing and renewal fees described in subsection (1)(a) of this section subject to the fees being paid and credited as provided in subsection (3) of this section. [Formerly 468.405; 1993 c.18 §122; 1993 c.791 §4]

468A.405 Authority to limit motor vehicle operation and traffic; rules. The Environmental Quality Commission and regional air pollution control authorities organized pursuant to ORS 448.305, 454.010 to 454.040, 454.205 to 454.255, 454.505 to 454.535, 454.605 to 454.755 and ORS chapters 468, 468A and 468B by rule may regulate, limit, control or prohibit motor vehicle operation and traffic as necessary for the control of air pollution which presents an imminent and substantial endangerment to the health of persons. [Formerly 448.747 and then 468.410]

468A.410 Administration and enforcement of rules adopted under ORS 468A.405. Cities, counties, municipal corporations and other agencies, including the Department of State Police and the Department of Transportation, shall cooperate with the Environmental Quality Commission and regional air pollution control authorities in the administration and enforcement of the terms of any rule adopted pursuant to ORS 468A.405. [Formerly 449.751 and then 468.415]

468A.415 Legislative findings. The Legislative Assembly finds that extending additional statewide controls and fees on industrial and motor vehicle sources of air pollution may not be sufficient to attain and maintain desired air quality standards in the Portland-Vancouver air quality maintenance area. Additional approaches are needed to address growth in vehicle miles of travel that satisfy mobility needs and allow for economic growth while meeting the air quality goals for the region. [1991 c.752 §13]

468A.420 Oxygenated motor vehicle fuels; when required by rule. (1) The Environmental Quality Commission shall adopt rules consistent with section 211 of the Clean Air Act to require oxygenated motor vehicle fuels to be used in any carbon monoxide non-attainment area in the state.

EXPLOSIVES AND FLAMMABLE MATERIALS

Explosives Generally
480.050 Prohibition against intrastate transportation of explosives in passenger vehicle operated by common carrier; exception. No person shall transport, carry or convey, or have transported, carried or conveyed, any dynamite, gunpowder or other like explosives, between any places in Oregon, on any car or other vehicle of any description operated by a common carrier which car or vehicle is carrying passengers for hire. However, it shall be lawful to transport on any such car or vehicle small arms, ammunition in any quantity, such fuses, torpedoes, rockets or other signal devices as may be essential to promote safety in operation, and properly packed and marked samples of explosives for laboratory examination, not exceeding a net weight of one-half pound each and not exceeding 20 samples at one time in a single car or vehicle. 480.060 Transportation of certain explosives prohibited. Regulation of Gasoline Dispensing
480.310 Definitions for ORS 480.315 to 480.385. As used in ORS 480.315 to 480.385:
(1) “Class 1 flammable liquids” means liquids with a flash point below 25 degrees Fahrenheit, closed cup tester.
(2) “Non-retail facility” means an unattended facility where Class 1 flammable liquids are dispensed through a card or key activated fuel dispensing device to non-retail customers. [Amended by 1991 c.863 §48]

480.315 Policy. The Legislative Assembly declares that, except as provided in ORS 480.345 to 480.385, it is in the public interest to maintain a prohibition on the self-service dispensing of Class 1 flammable liquids at retail. The Legislative Assembly finds and declares that:
(1) The dispensing of Class 1 flammable liquids by dispensers properly trained in appropriate safety procedures reduces fire hazards directly associated with the dispensing of Class 1 flammable liquids;
(2) Appropriate safety standards often are unenforceable at retail self-service stations in other states because cashiers are often unable to maintain a clear view of and give undivided attention to the dispensing of Class 1 flammable liquids by customers;
(3) Higher liability insurance rates charged to retail self-service stations reflect the dangers posed to customers when they leave their vehicles to dispense Class 1 flammable liquids, such as the increased risk of crime and the increased risk of personal injury resulting from slipping on slick surfaces;
(4) The dangers of crime and slick surfaces described in subsection (3) of this section are enhanced because Oregon’s weather is uniquely adverse, causing wet pavement and reduced visibility;
(5) The dangers described in subsection (3) of this section are heightened when the customer is a senior citizen or has a disability, especially if the customer uses a mobility aid, such as a wheelchair, walker, cane or crutches;
(6) Attempts by other states to require the providing of aid to senior citizens and persons with disabilities in the self-service dispensing of Class 1 flammable liquids at retail have failed, and therefore, senior citizens and persons with disabilities must pay the higher costs of full service;
(7) Exposure to toxic fumes represents a health hazard to customers dispensing Class 1 flammable liquids;

(8) The hazard described in subsection (7) of this section is heightened when the customer is pregnant;

(9) The exposure to Class 1 flammable liquids through dispensing should, in general, be limited to as few individuals as possible, such as gasoline station owners and their employees or other trained and certified dispensers;

(10) The typical practice of charging significantly higher prices for full-service fuel dispensing in states where self-service is permitted at retail:

(a) Discriminates against customers with lower incomes, who are under greater economic pressure to subject themselves to the inconvenience and hazards of self-service;

(b) Discriminates against customers who are elderly or have disabilities who are unable to serve themselves and so must pay the significantly higher prices; and

(c) Increases self-service dispensing and thereby decreases maintenance checks by attendants, which results in neglect of maintenance, endangering both the customer and other motorists and resulting in unnecessary and costly repairs;

(11) The increased use of self-service at retail in other states has contributed to diminishing the availability of automotive repair facilities at gasoline stations;

(12) Self-service dispensing at retail in other states does not provide a sustained reduction in fuel prices charged to customers;

(13) A general prohibition of self-service dispensing of Class 1 flammable liquids by the general public promotes public welfare by providing increased safety and convenience without causing economic harm to the public in general;

(14) Self-service dispensing at retail contributes to unemployment, particularly among young people;

(15) Self-service dispensing at retail presents a health hazard and unreasonable discomfort to persons with disabilities, elderly persons, small children and those susceptible to respiratory diseases;

(16) The federal Americans with Disabilities Act, Public Law 101-336, requires that equal access be provided to persons with disabilities at retail gasoline stations; and

(17) Small children left unattended when customers leave to make payment at retail self-service stations creates a dangerous situation. [1991 c.863 §49a; 1999 c.59 §160; 2007 c.70 §276]

480.320 Use of coin-operated pumps and dispensing of gasoline by self-service declared hazardous. The installation and use of coin-operated dispensing devices for Class 1 flammable liquids and the dispensing of Class 1 flammable liquids by self-service, are declared hazardous. [Amended by 1959 c.73 §1]

480.330 Operation of gasoline dispensing device by public prohibited; aviation fuel exception. An owner, operator or employee of a filling station, service station, garage or other dispensary where Class 1 flammable liquids, except aviation fuels, are dispensed at retail may not permit any other person other than the owner, operator or employee to use or manipulate any pump, hose, pipe or other device for dispensing the liquids into the fuel tank of a motor vehicle or other retail container. [Amended by 2001 c.285 §1]

480.340 Coin-operated or self-service gasoline pumps prohibited; automatic shut-off devices regulated; aviation fuel exception. An owner, operator or employee of a filling station, service station, garage or other dispensary where Class 1 flammable liquids, except aviation fuels, are dispensed at retail may not install or use or permit the use of:

(1) A coin-operated or self-service dispensing device for the liquids.

(2) A device that permits the dispensing of the liquids when the hand of the operator of the discharge nozzle is removed from the control lever, except one equipped with an automatic nozzle of a type that has been approved by the State Fire Marshal and that has a latch-open device as an integral part of the assembly, capable of shutting off the flow of the liquids reliably when the tank is filled or when the nozzle falls or slips from the filling neck of the tank. A person may not use an automatic nozzle to dispense the liquids unless the owner, operator or employee is in the immediate vicinity of the tank being filled. [Amended by 1959 c.73 §2; 2001 c.285 §2]

480.341 Customer operation of gasoline dispensing device in low-population county of eastern Oregon. (1) As used in this section:

(a) “Eastern Oregon” means that portion of the State of Oregon lying east of a line beginning at the intersection of the northern boundary of this state and the western boundary of Hood River County, and from there proceeding south-erly along the western boundaries of Hood River, Wasco, Jefferson, Deschutes and Klamath Counties to the southern boundary of this state.

(b) “Low-population county” means a county that, based on a certificate of population prepared under ORS 190.510 to 190.610, has a population of not more than 40,000.

(2) Notwithstanding ORS 480.320, 480.330 and 480.340, and subject to subsection (3) of this section, if a filling station, service station, garage or other dispensary where Class 1 flammable
liquids are dispensed at retail is located in a low-population county of eastern Oregon, the owner or operator may:

(a) Permit a person other than an owner, operator or employee to use or manipulate a device for dispensing liquids into the fuel tank of a motor vehicle or other retail container;

(b) Permit the use of an installed coin-operated or self-service dispensing device for the liquids; and

(c) Allow the use of an automatic nozzle to dispense the liquids without an owner, operator or employee being in the immediate vicinity of the tank or container being filled.

(3) If the site of a dispensary described in subsection (2) of this section includes retail space providing goods or services, other than goods or services for maintaining, repairing or cleaning a motor vehicle, the dispensary shall make an owner, operator or employee available for dispensing Class 1 flammable liquids after 6 a.m. and before 6 p.m.

(4) Notwithstanding ORS 480.320, 480.330, 480.340 and 480.345, if a non-retail facility is located in a low-population county of eastern Oregon, the owner or operator may:

(a) Permit the dispensing of Class 1 flammable liquids at retail;

(b) Permit a person other than an owner, operator, employee or non-retail customer to use or manipulate a device for dispensing liquids into the fuel tank of a motor vehicle or other retail container;

(c) Permit the use of an installed coin-operated or self-service dispensing device for the liquids; and

(d) Allow the use of an automatic nozzle to dispense the liquids without an owner, operator or employee being in the immediate vicinity of the tank or container being filled.

(5) (a) Sales under subsection (2) of this section do not make a retail customer subject to any gallonage requirement set forth in ORS 480.345.

(b) Purchasing Class 1 flammable liquids under subsection (4) of this section does not make a retail customer subject to any gallonage requirement set forth in ORS 480.345.

(6) This section does not prohibit, limit or condition any dispensing of Class 1 flammable liquids or diesel fuel otherwise authorized under ORS 480.315 to 480.385.

(7) No later than 90 days prior to commencing sales under subsection (4) of this section, a non-retail facility shall notify the State Fire Marshal that the facility plans to dispense Class 1 flammable liquids at retail under this section.

(8) If a county where sales are authorized under this section ceases to be a low-population county, dispensaries and non-retail facilities located within the county may operate as described in this section notwithstanding the change in county population. [2015 c.525 §2; 2017 c.207 §1]

Chapter 646A

ENFORCEMENT OF EXPRESS WARRANTIES ON NEW MOTOR VEHICLES

646A.400 Definitions for ORS 646A.400 to 646A.418. As used in ORS 646A.400 to 646A.418:

(1) “Collateral charge” means a charge, fee or cost to the consumer related to the sale or lease of a motor vehicle, such as:

(a) A sales, property or use tax;

(b) A license, registration or title fee;

(c) A finance charge;

(d) A prepayment penalty;

(e) A charge for undercoating, rustproofing or factory or dealer installed options; and

(f) The cost of an aftermarket item purchased within 20 days after delivery of the motor vehicle.

(2) “Consumer” means:

(a) The purchaser or lessee, other than for purposes of resale, of a new motor vehicle normally used for personal, family or household purposes;

(b) Any person to whom a new motor vehicle used for personal, family or household purposes is transferred for the same purposes during the duration of an express warranty applicable to such motor vehicle; and

(c) Any other person entitled by the terms of such warranty to enforce the obligations of the warranty.

(3) (a) “Motor home” means a motor vehicle that is a new or demonstrator vehicular unit built on, or permanently attached to, a self-propelled motor vehicle chassis, chassis cab or van that becomes an integral part of the completed vehicle, and that is designed to provide temporary living quarters for recreational, camping or travel use.

(b) “Motor home” does not include a trailer, camper, van or vehicle manufactured by an entity that primarily manufactures motor vehicles other than motor homes as defined in this subsection.

(c) “Motor home” does not include “living facility components,” which means those items designed, used or maintained primarily for the living quarters portion of the motor home, including but not limited to the flooring, plumbing fixtures, appliances, water heater, fabrics, door and furniture hardware, lighting fixtures, generators, roof heating and air conditioning units, cabinets, countertops, furniture and audio-visual equipment.

(d) “Motor vehicle” means a passenger motor vehicle as defined in ORS 801.360 that is purchased in this state or is purchased outside this
state but registered in this state. [Formerly 646.315; 2009 c.448 §1]

646A.402 Availability of remedy. The remedy under the provisions of ORS 646A.400 to 646A.418 is available to a consumer if:

(1) A new motor vehicle does not conform to applicable manufacturer’s express warranties;

(2) The consumer reports each nonconformity to the manufacturer, the manufacturer’s agent or the manufacturer’s authorized dealer, for the purpose of repair or correction, during the two-year period following the date of original delivery of the motor vehicle to the consumer or during the period ending on the date on which the mileage on the motor vehicle reaches 24,000 miles, whichever period ends first; and

(3) The manufacturer has received direct written notification from or on behalf of the consumer and has had an opportunity to correct the alleged defect. “Notification” under this subsection includes, but is not limited to, a request by the consumer for an informal dispute settlement procedure under ORS 646A.408. [Formerly 646.325; 2009 c.448 §2]

646A.404 Consumer’s remedies; manufacturer’s affirmative defenses. (1) If the manufacturer or agents or authorized dealers of the manufacturer are unable to conform the motor vehicle to an applicable manufacturer’s express warranty by repairing or correcting a defect or condition that substantially impairs the use, market value or safety of the motor vehicle to the consumer after a reasonable number of attempts, the manufacturer shall:

(a) Replace the motor vehicle with a new motor vehicle; or

(b) Accept return of the vehicle from the consumer and refund to the consumer the full purchase or lease price and collateral charges paid, less a reasonable allowance for the consumer’s use of the motor vehicle. In lieu of refunding, as part of the collateral charges paid, the cost of an aftermarket item purchased within 20 days after delivery of the motor vehicle, the manufacturer may remove the aftermarket item from the motor vehicle, if the aftermarket item can be removed from the motor vehicle without damage, and return the aftermarket item to the consumer.

(2) Refunds must be made to the consumer and lienholder, if any, as the interests of the consumer and lienholder may appear.

(3) (a) As used in this section, “reasonable allowance for the consumer’s use of the motor vehicle” means:

(A) For a motor vehicle that is not a motorcycle or a motor home, an amount of money equivalent to the motor vehicle mileage as described in paragraph (b) of this subsection, multiplied by the combined amount of the cash price or lease price of the motor vehicle and the amount of any collateral charges paid by the consumer, and divided by 120,000.

(B) For a motorcycle, an amount of money equivalent to the motor vehicle mileage as described in paragraph (b) of this subsection, multiplied by the combined amount of the cash price or lease price of the motorcycle and the amount of any collateral charges paid by the consumer, and divided by 25,000.

(C) For a motor home, an amount of money equivalent to the motor vehicle mileage as described in paragraph (b) of this subsection, multiplied by the combined amount of the cash price or lease price of the motor home and the amount of any collateral charges paid by the consumer, and divided by 90,000.

(b) The motor vehicle mileage for the purposes of the calculation described in paragraph (a) of this subsection is the motor vehicle’s mileage at the time the manufacturer takes an action described in subsection (1) of this section, less 10 miles for mileage that the motor vehicle traveled during any period in which the consumer did not have use of the motor vehicle because the manufacturer or an agent or authorized dealer of the manufacturer was repairing the motor vehicle.

(4) It is an affirmative defense to a claim under ORS 646A.400 to 646A.418 that:

(a) An alleged nonconformity does not substantially impair such use, market value or safety; or

(b) A nonconformity is the result of abuse, neglect or unauthorized modifications or alterations of the motor vehicle. [Formerly 646.335; 2009 c.448 §3]

646A.405 Manufacturer action under ORS 646A.404; request to Department of Transportation; notice to buyer; unlawful practice; rules. (1) A manufacturer that takes an action with respect to a motor vehicle under ORS 646A.404 (1)(a) or (b) shall request the Department of Transportation to:

(a) Title the motor vehicle in the manufacturer’s name; and

(b) Inscribe on the certificate of title for the motor vehicle and in the department’s records concerning the motor vehicle the notation “Lemon Law Buyback.”

(2) A person that acquires a motor vehicle in order to sell, lease or otherwise transfer the motor vehicle and that knows or should have known that the manufacturer took an action with respect to the motor vehicle under ORS 646A.404 (1)(a) or (b) or that the certificate of title for the motor vehicle is inscribed with the notation specified in subsection (1) of this section, before selling, leasing or otherwise transferring the motor vehicle shall:
(a) Provide the buyer, lessee or transferee with a notice that states:

This vehicle was repurchased by its manufacturer in accordance with Oregon's consumer warranty law because of a defect in the vehicle. The title to this vehicle has been permanently inscribed with the notation "Lemon Law Buyback."

(b) Obtain the signature of the buyer, lessee or transferee on the notice in a space provided for that purpose under a statement in which the buyer, lessee or transferee acknowledges receiving and understanding the notice.

(3) Failure to comply with the requirements of subsection (1) or (2) of this section is an unlawful practice under ORS 646.608 and a person that fails to comply with the requirements is subject to the causes of action and remedies provided in ORS 646.632 and 646.638.

(4) The Director of Transportation may adopt rules to prescribe the form and content of the notice required under this section and to require the disclosure of other information the director deems necessary to inform a buyer, lessee or transferee of the condition of a motor vehicle that is subject to the provisions of this section or information that is otherwise material to a sale, lease or transfer of the motor vehicle. [2009 c.448 §10]

646A.406 Presumption of reasonable attempt to conform; extension of time for repairs; notice to manufacturer. (1) It is presumed that a reasonable number of attempts have been undertaken to conform a motor vehicle to the applicable manufacturer's express warranties if, during the two-year period following the date of original delivery of the motor vehicle to a consumer or during the period ending on the date on which the mileage on the motor vehicle reaches 24,000 miles, whichever period ends first:

(a) The manufacturer or an agent or authorized dealer of the manufacturer has subjected the nonconformity to repair or correction three or more times and has had an opportunity to cure the defect alleged, but the nonconformity continues to exist;

(b) The motor vehicle is out of service by reason of repair or correction for a cumulative total of 30 or more calendar days or 60 or more calendar days if the vehicle is a motor home; or

(c) The manufacturer or an agent or authorized dealer of the manufacturer has subjected a nonconformity that is likely to cause death or serious bodily injury to repair or correction at least one time and has made a final attempt to repair or correct the non-conformity, but the nonconformity continues to exist.

(2) A repair or correction for purposes of subsection (1) of this section includes a repair that must take place after the expiration of the earlier of either period.

(3) The period ending on the date on which the mileage on the motor vehicle reaches 24,000 miles, the two-year period and the 30-day period shall be extended by any period of time during which repair services are not available to the consumer because of a war, invasion, strike, fire, flood or other natural disaster.

(4) The presumption described in subsection (1) of this section does not apply against a manufacturer unless the manufacturer has received prior direct written notification from or on behalf of the consumer and has had an opportunity to cure the defect alleged. [Formerly 646.345; 2009 c.448 §4]

646A.408 Use of informal dispute settlement procedure as condition for remedy; binding effect on manufacturer. If a manufacturer, for the purpose of settling disputes that arise under ORS 646A.400 to 646A.418, establishes or participates in an informal dispute settlement procedure that substantially complies with the provisions of 16 C.F.R. part 703, as in effect on June 23, 2009, and causes a consumer to be notified of the procedure, ORS 646A.404 does not apply to a consumer who has not first resorted to the procedure. A decision resulting from arbitration pursuant to the informal dispute settlement procedure is binding on the manufacturer but is not binding on the consumer. [Formerly 646.355; 2009 c.448 §5]

646A.410 Informal dispute settlement procedure; record-keeping; review by Department of Justice. A manufacturer which has established or participates in an informal dispute settlement procedure shall keep records of all cases submitted to the procedure under ORS 646A.408 and shall make the records available to the Department of Justice if the department requests them. The department may review all case records kept under this section to determine whether or not the arbitrators are complying with the provisions of ORS 646A.400 to 646A.418 in reaching their decisions. [Formerly 646.357]

646A.412 Action in court; damages if manufacturer does not act in good faith; attorney fees; expert witness fees; costs.

(1) If a consumer brings an action in court under ORS 646A.400 to 646A.418 against a manufacturer and the consumer is granted one of the remedies specified in ORS 646A.404 (1) by the court, the consumer shall also be awarded up to three times the amount of any damages, not to exceed $50,000 over and above the amount due the consumer under ORS 646A.404 (1), if the court finds that the manufacturer did not act in good faith.

(2) Except as provided in subsection (3) of this section, the court may award reasonable attorney fees, fees for expert witnesses and costs to a consumer who prevails in an appeal or action under
ORS 646A.400 to 646A.418. If a court finds that a consumer brought an action under ORS 646A.400 to 646A.418 in bad faith or solely for the purposes of harassment, the court may award a prevailing manufacturer reasonable attorney fees.

(3) The court may award reasonable attorney fees, fees for expert witnesses and costs to the prevailing party in an appeal or action under ORS 646A.400 to 646A.418 that involves a motor home. [Formerly 646.359; 2009 c.448 §6]

646A.414 Limitations on actions against dealers. (1) Except as provided in ORS 646A.405, nothing in ORS 646A.400 to 646A.418 creates a cause of action by a consumer against a vehicle dealer.

(2) A manufacturer may not join a dealer as a party in a proceeding brought under ORS 646A.400 to 646A.418, nor may the manufacturer try to collect from a dealer damages assessed against the manufacturer in a proceeding brought under ORS 646A.400 to 646A.418. [Formerly 646.361; 2009 c.448 §7]

646A.416 Limitation on commencement of action. An action brought under ORS 646A.400 to 646A.418 must be commenced within one year after whichever of the following periods ends earlier:

(1) The period ending on the date on which the mileage on the motor vehicle reaches 24,000 miles;

(2) The two-year period following the date of the original delivery of the motor vehicle to the consumer; or

(3) The period that ends after an extension of time provided under ORS 646A.406 (3). [Formerly 646.365; 2009 c.448 §8]

646A.418 Remedies supplementary to existing statutory or common law remedies; election of remedies. Nothing in ORS 646A.400 to 646A.418 is intended in any way to limit the rights or remedies that are otherwise available to a consumer under any other law. However, if the consumer elects to pursue any other remedy in state or federal court, the remedy available under ORS 646A.400 to 646A.418 shall not be available insofar as it would result in recovery in excess of the recovery authorized by ORS 646A.404 without proof of fault resulting in damages in excess of such recovery. [Formerly 646.375]

Chapter 742

MOTOR VEHICLE LIABILITY INSURANCE

Issuance of Proof of Insurance

742.447 Proof of insurance. (1) Every insurer that issues motor vehicle insurance that is designed to meet either the financial or future responsibility requirements of ORS chapter 806 shall issue with the policy proof of insurance that shows the effective date and the expiration date of the insurance.

(2) An insurer may provide proof of insurance under this section by issuing a card or, if the insured agrees, through electronic means.

(3) Nothing in this section requires an insurer to provide proof of insurance at any time other than when the policy is issued or renewed. [1993 c.746 §1; 2013 c.108 §1]

Note: 742.447 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 742 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

General Provisions

742.449 Prohibition on assignment to high risk category on certain grounds. An insurer issuing motor vehicle liability insurance policies in this state may not assign an insured or applicant for insurance to a higher risk category than the person would otherwise be assigned to solely because the person has:

(1) Let a prior motor vehicle liability policy lapse, unless the person was in violation of ORS 806.010 at any time after the prior policy lapsed; or

(2) Had driving privileges suspended pursuant to ORS 809.280 (6) or (8) if the suspension is based on a non-driving offense. [1989 c.419 §2; 1991 c.860 §6; 2011 c.355 §22]

742.450 Contents of motor vehicle liability policy; permitted exclusions; rules.

(1) Every motor vehicle liability insurance policy issued for delivery in this state shall state the name and address of the named insured, the coverage afforded by the policy, the premium charged therefor, the policy period and the limits of liability.

(2) Every motor vehicle liability insurance policy issued for delivery in this state shall contain an agreement or endorsement stating that, as respects bodily injury and death or property damage, or both, the insurance provides either:

(a) The coverage described in ORS 806.070 and 806.080; or

(b) The coverage described in ORS 806.270.
(3) The agreement or indorsement required by subsection (2) of this section shall also state that the insurance provided is subject to all the provisions of the Oregon Vehicle Code relating to financial responsibility requirements as defined in ORS 801.280 or future responsibility filings as defined in ORS 801.290, as appropriate.

(4) Every motor vehicle liability insurance policy issued for delivery in this state shall provide liability coverage to at least the limits specified in ORS 806.070.

(5) Every motor vehicle liability insurance policy issued for delivery in this state shall provide liability coverage, up to the limits of coverage under the policy for a vehicle owned by the named insured, for the operation by the named insured of a motor vehicle provided to the named insured, without regard to whether the named insured is charged for the use of the motor vehicle, if:

(a) The motor vehicle is provided to the named insured by a person engaged in the business of repairing or servicing motor vehicles; and

(b) The motor vehicle is provided to the named insured as a temporary replacement vehicle while the named insured's vehicle is being repaired or serviced.

(6) A motor vehicle liability insurance policy issued for delivery in this state may exclude by name from coverage required by subsection (2) (a) of this section any person other than the named insured, for any of the reasons stated in subsection (7) of this section. When an insurer excludes a person as provided by this subsection, the insurer shall obtain a statement or indorsement, signed by each of the named insureds, that the policy will not provide any coverage required by subsection (2)(a) of this section when the motor vehicle is driven by any named excluded person.

(7) A person may be excluded from coverage under a motor vehicle liability insurance policy as provided in subsection (6) of this section:

(a) Because of the driving record of the person.

(b) Because of any reason or set of criteria established by the director by rule.

(8) Every motor vehicle liability insurance policy issued for delivery in this state shall contain a provision that provides liability coverage for each family member of the insured residing in the same household as the insured in an amount equal to the amount of liability coverage purchased by the insured. [Formerly 486.541 and then 743.776; 1991 c.768 §3; 1999 c.438 §2; 2007 c.782 §1]

742.454 Liabilities that need not be covered. The motor vehicle liability insurance policy required by ORS 806.010, 806.060, 806.080, 806.240 or 806.270 need not insure any liability under any workers' compensation law; nor any liability on account of bodily injury to or death of an employee of the insured while engaged in the employment, other than domestic, of the insured, or while engaged in the operation, maintenance or repair of a vehicle; nor any liability for damage to property owned by, rented to, in charge of, or transported by the insured. [Formerly 486.546 and then 743.778]

742.456 When insurer's liability accrues; nonforfeiture provisions. The liability of an insurer with respect to the motor vehicle liability insurance policy required by ORS 806.060, 806.240 or 806.270 shall become absolute whenever injury or damage covered by the policy occurs. The policy may not be canceled or annulled as to such liability by any agreement between the insurer and the insured after the occurrence of the injury or damage. No statement made by the insured or on behalf of the insured and in violation of the policy shall defeat or void the policy. This section does not apply to motor vehicle liability insurance policies other than those required in connection with ORS 806.060, 806.240 or 806.270. [Formerly 486.551 and then 743.779]

742.458 General provisions governing liability policies. Every motor vehicle liability insurance policy shall be subject to the following provisions, which need not be contained therein:

1. The policy, the written application therefor, if any, and any rider or indorsement that does not conflict with the laws relating to motor vehicle liability insurance policies shall constitute the entire contract between the parties.

2. The satisfaction by the insured of a judgment for injury or damage shall not be a condition precedent to the right or duty of the insurer to make payment on account of such injury or damage.

3. Any binder issued pending the issuance of a motor vehicle liability insurance policy shall be deemed to fulfill the requirements for such a policy. [Formerly 486.556 and then 743.781]

742.460 Insurer's right to provide for reimbursement and proration. Any motor vehicle liability insurance policy may provide that the insured shall reimburse the insurer for any payment the insurer would not have been obligated to make under the terms of the policy except for the provisions of ORS 742.450 to 742.464, 806.080 and 806.270 and it may further provide for the prorating of the insurance thereunder with other valid and collectible insurance. [Formerly 486.561 and then 743.782; 1995 c.79 §363]

742.462 Insurer's right to settle claims. The insurer shall have the right to settle any claim covered by the policy, and if such settlement is made in good faith, the amount thereof shall be deductible from the limits of liability specified in respect to a motor vehicle liability insurance policy. [Formerly 486.564 and then 743.784]
742.464 Excess coverage permitted; combining policies to meet requirements. Any policy which grants the coverage required for a motor vehicle liability insurance policy under ORS 742.450, 806.080 and 806.270 may also grant any lawful coverage in excess of or in addition to the required coverage, and such excess or additional coverage shall not be subject to the provisions of ORS 742.031, 742.400 and 742.450 to 742.464. With respect to a policy which grants such excess or additional coverage only that part of the coverage which is required by ORS 806.080 and 806.270 is subject to the requirements of those sections. [Formerly 486.566 and then 743.785]

742.466 Disputes over coverage for physical damage; independent appraisal; rules. (1) In the event of a dispute between the insurer and insured under a motor vehicle liability policy concerning coverage for physical damage, if the policy contains a provision authorizing the insured to obtain an independent appraisal by a competent and disinterested person of the physical damage, that provision shall apply. An independent appraisal conducted under this section shall be performed by a person who has been issued a vehicle appraiser certificate under ORS 819.480 or a person who has been issued a vehicle appraiser certificate or license by another state or government body.

(2) When a motor vehicle liability policy contains a provision for resolving a dispute through appraisal of a motor vehicle insured under the policy, the insurer shall reimburse the insured for the reasonable appraisal costs if the final appraisal decision under the policy provision is greater than the amount of the insurer's last offer prior to the incurring of the appraisal costs.

(3) If a motor vehicle liability policy does not contain a provision described in subsection (1) of this section, then notwithstanding any other provision of the policy, any resolution of the dispute shall be subject to rules adopted by the Director of the Department of Consumer and Business Services. [Formerly 743.840; 2009 c.65 §4; 2011 c.134 §1]

742.468 Certain policies not considered motor vehicle liability policies. For purposes of statutes mandating kinds or amounts of coverage that motor vehicle liability policies must contain, the following shall not be considered motor vehicle liability policies:

(1) Comprehensive general liability policies.
(2) Excess liability policies.
(3) Umbrella liability policies. [1993 c.709 §10]

Motorcycle Discount

742.480 Appropriate premium charge reduction for certain motorcycle insurance policies. (1) A rate, rating plan or rating system filed with the Director of the Department of Consumer and Business Services for a motor vehicle insurance policy offering liability, personal injury protection or collision coverage shall provide an appropriate reduction in premium charges for such coverage if:

(a) The principal operator of a covered motorcycle has successfully completed a motorcycle rider education course established under ORS 802.320. The course must be completed no more than three years prior to the beginning of the policy period for which the discounted rate applies.

(b) The motorcycle is not classified, for underwriting purposes, as used for a business.

(2) If the person qualifying for a premium reduction under subsection (1) of this section is the principal operator of two or more motorcycles, the premium discount applies to only one motorcycle. No more than one premium discount may be applied to one motorcycle.

(3) If a motor vehicle insurance policy insures motorcycles and other vehicles, the appropriate reduction in premium charges applies only to the portion of the policy which applies to the motorcycle.

Note: 742.480 to 742.486 were added to and made a part of the Insurance Code by legislative action but were not added to ORS chapter 742 or any series therein. See Preface to Oregon Revised Statutes for further explanation.

742.483 Effective period for premium reduction. Except as otherwise provided in this section, the premium reduction required under ORS 742.480 shall be effective for an insured for a three-year period after successful completion of the approved course. [2009 c.771 §3]

Note: See note under 742.480.

742.486 Issuance and presentation of certificates for motorcycle rider education course. An organization offering a motorcycle rider education course established under ORS 802.320 shall issue a certificate to each person who successfully completes the course. The person shall present the certificate to an insurer to qualify for the premium reduction required under ORS 742.480. [2009 c.771 §4]

Note: See note under 742.480.

Age-Based Discount

742.490 Premium reduction; conditions; application. (1) Any rate, rating plan or rating system filed with the Director of the Department of Consumer and Business Services for a motor vehicle insurance policy offering liability, personal injury protection or collision coverage, shall provide an appropriate reduction in premium charges for such coverage if:
(a) The principal operator of the covered vehicle is an insured 55 years of age or older.

(b) The principal operator of the covered vehicle has successfully completed, within the appropriate time as specified in this subsection, a motor vehicle accident prevention course approved by the Department of Transportation. To meet the requirements of this subsection, a course must be completed no more than three years prior to the beginning of the policy period for which the discounted rate applies if the person is less than 70 years of age at the time of taking the course or no more than two years prior to the beginning of the policy period for which the discounted rate applies if the person is 70 years of age or more at the time of taking the course.

(c) There are no persons under 25 years of age who regularly operate the vehicle.

(d) The vehicle is not classified for underwriting purposes as used for a business.

(2) If the person qualifying for a premium reduction under subsection (1) of this section is the principal operator of two or more vehicles, the premium discount shall apply to only one vehicle. No more than one premium discount may be applied to one vehicle. [1989 c.379 §2,4]

742.492 Duration of reduction. Except as otherwise provided in this section, the premium reduction required by ORS 742.490 (1) shall be effective for an insured for a three-year period after successful completion of the approved course if the person is less than 70 years of age at the time of taking the course or for a two-year period after successful completion of an approved course if the person is 70 years of age or more at the time of taking the course. An insurer may require, as a condition of maintaining the discount, that the insured:

(1) Not be involved in an accident for which the insured is at fault; and

(2) Not be convicted of or plead guilty or nolo contendere to a moving traffic violation. [1989 c.379 §3]

742.494 Certification of completion of course. Any organization offering a motor vehicle accident prevention course approved by the Department of Transportation shall issue a certificate to each person who successfully completes the course. The person shall present the certificate to an insurer to qualify for the premium discount required under ORS 742.490 (1). [1989 c.379 §5]

742.496 Limitation on qualification for discount. No person shall receive a discount under ORS 742.490 to 742.494 if the person takes the approved course as a punishment, specified by a court or other government entity, for a moving traffic violation. [1989 c.379 §6]

Uninsured Motorist Coverage

742.500 Definitions for ORS 742.500 to 742.506. As used in ORS 742.500 to 742.506:

(1) “Bodily injury” has the meaning given that term in ORS 742.504.

(2) “Insured” has the meaning given that term in ORS 742.504.

(3) (a) “Motor vehicle” means every self-propelled device in, upon or by which any person or property is or may be transported or drawn upon a public highway.

(b) “Motor vehicle” does not include:

(A) A device used exclusively on stationary rails or tracks;

(B) Motor trucks, as defined in ORS 801.355, that have a registration weight, as defined in ORS 803.430, of more than 8,000 pounds, if the insured has employees that operate the trucks and a workers’ compensation law, a disability benefits law or a similar law covers the employees; or

(C) Farm-type tractors or self-propelled equipment designed for use principally off public highways.

(4) “Sums that the insured or the heirs or legal representative of the insured is legally entitled to recover as damages” has the meaning given that term in ORS 742.504.

(5) “Uninsured motorist coverage” means coverage within the terms and conditions specified in ORS 742.504 that insures the insured or the heirs or legal representative of the insured for all sums that the insured or the heirs or legal representative is legally entitled to recover as damages for bodily injury or death that is caused by accident and that arises from owning, maintaining or using an uninsured vehicle in amounts or limits not less than the amounts or limits prescribed for bodily injury or death under ORS 806.070.

(6) “Uninsured vehicle” has the meaning given that term in ORS 742.504. [Formerly 743.786; 2015 c.5 §1]

742.502 Uninsured motorist coverage; underinsurance coverage. (1) Every motor vehicle liability policy that insures against a loss that a natural person suffers and that results from liability imposed by law for bodily injury or death that arises out of owning, maintaining or using a motor vehicle shall provide in the policy or by endorsement on the policy uninsured motorist coverage if the policy is either:

(a) Issued for delivery in this state; or

(b) Issued or delivered by an insurer that does business in this state with respect to any motor vehicle then principally used or principally garaged in this state.

(2)(a) A motor vehicle bodily injury liability policy must have the same limits for uninsured motorist coverage as for bodily injury liability coverage unless a named insured in writing elects
lower limits. The insured may not elect limits lower than the amounts prescribed to meet the requirements of ORS 806.070 for bodily injury or death. Uninsured motorist coverage must include underinsurance coverage for bodily injury or death caused by accident and arising out of the ownership, maintenance or use of a motor vehicle with motor vehicle liability insurance that provides recovery in an amount that is less than the sums that the insured or the heirs or legal representative of the insured is legally entitled to recover as damages for bodily injury or death that is caused by accident and that arises out of owning, maintaining or using an uninsured vehicle. Underinsurance coverage must be equal to the sums that the insured or the heirs or legal representative of the insured is legally entitled to recover as damages for bodily injury or death that is caused by accident and that arises out of owning, maintaining or using an uninsured vehicle up to the limits of the uninsured motorist coverage.

(b) If a named insured elects lower limits, the named insured shall sign a statement to elect lower limits within 60 days after the time the named insured makes the election. The statement must acknowledge that a named insured was offered uninsured motorist coverage with the limits equal to those for bodily injury liability. The statement must have a brief summary that is not part of the insurance contract and that describes what uninsured motorist coverage provides and what the underinsured coverage provides. The summary must also state the price for coverage with limits equal to the named insured’s bodily injury liability limits and the price for coverage with the lower limits the named insured requested. The statement remains in force until a named insured rescinds the statement in writing or until the motor vehicle bodily injury liability limits are changed. The Department of Consumer and Business Services shall approve the form of statement that complies with this paragraph.

(c) A statement electing lower limits need not be signed if vehicles are either added to or subtracted from a policy or if the policy is amended, renewed, modified or replaced by the same insurer or an insurer within a group of companies that is under common ownership or control, unless the liability limits of the policy are changed.

(3) The insurer that issues the policy may offer one or more options of uninsured motorist coverage that are larger than the amounts prescribed to meet the requirements of ORS 806.070 and in excess of the limits provided under the policy for motor vehicle bodily injury liability insurance. Offers of uninsured motorist coverage must include underinsurance coverage for bodily injury or death that is caused by accident and that arises out of owning, maintaining or using a motor vehicle with motor vehicle liability insurance that provides recovery in an amount that is less than the sums that the insured or the heirs or legal representative of the insured is legally entitled to recover as damages for bodily injury or death that is caused by accident and that arises out of owning, maintaining or using an uninsured vehicle or to the limits of the uninsured motorist coverage.

(4) Underinsurance coverage is subject to ORS 742.504 and 742.542.

(5) Uninsured motorist coverage and underinsurance coverage must provide coverage for bodily injury or death if the amount of liability insurance recovered is less than the sums that the insured or the heirs or legal representative of the insured is legally entitled to recover as damages for bodily injury or death that is caused by accident and that arises out of owning, maintaining or using an uninsured vehicle.

(6) Uninsured motorist coverage and underinsurance coverage must provide coverage for bodily injury or death if the amount recovered from a self-insurer is less than the sums that the insured or the heirs or legal representative of the insured is legally entitled to recover as damages for bodily injury or death that is caused by accident and that arises out of owning, maintaining or using an uninsured vehicle.

(7) As used in this section and except as otherwise provided in this subsection, “amount recovered from other motor vehicle liability insurance policies” means the proceeds of liability insurance on the proceeds received from a public body under ORS 30.260 to 30.300 that are recovered by or on behalf of the injured party. Proceeds recovered on behalf of the injured party include proceeds the insured party’s insurer receives as reimbursement for personal injury protection benefits the insurer provides to the injured person, proceeds the medical providers of the injured person receive and proceeds received as attorney fees on the claim of the injured person. If applicable liability insurance policy limits are exhausted upon payment, settlement or judgment by division among two or more injured persons, “amount recovered from other motor vehicle liability insurance policies” means the proceeds that are recovered by or on behalf of the injured person but does not include any proceeds of the liability policy that other injured persons receive.

[Formerly 743.789; 1993 c.709 §11; 1997 c.808 §1; 2003 c.220 §1; 2005 c.235 §1; 2007 c.287 §2; 2007 c.782 §2; 2009 c.67 §14; 2015 c.5 §2]

742.504 Required provisions of uninsured motorist coverage. Every policy required to provide the coverage specified in ORS 742.502 shall provide uninsured motorist coverage that in each instance is no less favorable
in any respect to the insurer or the beneficiary than if the following provisions were set forth in the policy. However, nothing contained in this section requires the insurer to reproduce in the policy the particular language of any of the following provisions:

(1)(a) Notwithstanding ORS 30.260 to 30.300, the insurer will pay all sums that the insured or the heirs or legal representative of the insured is legally entitled to recover as damages from the owner or operator of an uninsured vehicle because of bodily injury sustained by the insured caused by accident and arising out of the ownership, maintenance or use of the uninsured vehicle. Determination as to whether the insured, the insured’s heirs or the insured’s legal representative is legally entitled to recover such damages, and if so, the amount thereof, shall be made by agreement between the insured and the insurer, or, in the event of disagreement, may be determined by arbitration as provided in subsection (10) of this section.

(b) No judgment against any person or organization alleged to be legally responsible for bodily injury, except for proceedings instituted against the insurer as provided in this policy, shall be conclusive, as between the insured and the insurer, on the issues of liability of the person or organization or of the amount of damages to which the insured is legally entitled.

(2) As used in this policy:

(a) “Bodily injury” means bodily injury, sickness or disease, including death resulting therefrom.

(b) “Hit-and-run vehicle” means a vehicle that causes bodily injury to an insured arising out of physical contact of the vehicle with the insured or with a vehicle the insured is occupying at the time of the accident, provided:

(A) The identity of either the operator or the owner of the hit-and-run vehicle cannot be ascertained;

(B) The insured or someone on behalf of the insured reported the accident within 72 hours to a police, peace or judicial officer, to the Department of Transportation or to the equivalent department in the state where the accident occurred, and filed with the insurer within 30 days thereafter a statement under oath that the insured or the legal representative of the insured has a cause or causes of action arising out of the accident for damages against a person or persons whose identities are unascertainable, and setting forth the facts in support thereof; and

(C) At the insurer’s request, the insured or the legal representative of the insured makes available for inspection the vehicle the insured was occupying at the time of the accident.

(c) “Insured,” when unqualified and when applied to uninsured motorist coverage, means:

(A) The named insured as stated in the policy and any person designated as named insured in the schedule and, while residents of the same household, the spouse of any named insured and relatives of either, provided that neither the relative nor the spouse is the owner of a vehicle not described in the policy and that, if the named insured as stated in the policy is other than an individual or spouses in a marriage who are residents of the same household, the named insured shall be only a person so designated in the schedule;

(B) Any child residing in the household of the named insured if the insured has performed the duties of a parent to the child by rearing the child as the insured’s own although the child is not related to the insured by blood, marriage or adoption; and

(C) Any other person while occupying an insured vehicle, provided the actual use thereof is with the permission of the named insured.

(d) “Insured vehicle,” except as provided in paragraph (e) of this provision, means:

(A) The vehicle described in the policy or a newly acquired or substitute vehicle, as each of those terms is defined in the public liability coverage of the policy, insured under the public liability provisions of the policy; or

(B) A non-owned vehicle operated by the named insured or spouse if a resident of the same household, provided that the actual use thereof is with the permission of the owner of the vehicle and the vehicle is not owned by nor furnished for the regular or frequent use of the insured or any member of the same household.

(e) “Insured vehicle” does not include a trailer of any type unless the trailer is a described vehicle in the policy.

(f) “Occupying” means in or upon or entering into or alighting from.

(g) “Phantom vehicle” means a vehicle that causes bodily injury to an insured arising out of a motor vehicle accident that is caused by a vehicle that has no physical contact with the insured or the vehicle the insured is occupying at the time of the accident, provided:

(A) The identity of either the operator or the owner of the phantom vehicle cannot be ascertained;

(B) The facts of the accident can be corroborated by competent evidence other than the testimony of the insured or any person having an uninsured motorist claim resulting from the accident; and

(C) The insured or someone on behalf of the insured reported the accident within 72 hours to a police, peace or judicial officer, to the Department of Transportation or to the equivalent department in the state where the accident occurred, and filed with the insurer within 30 days thereafter.
a statement under oath that the insured or the legal representative of the insured has a cause or causes of action arising out of the accident for damages against a person or persons whose identities are unascertainable, and setting forth the facts in support thereof.

(b) “State” includes the District of Columbia, a territory or possession of the United States and a province of Canada.

(i) “Stolen vehicle” means an insured vehicle that causes bodily injury to the insured arising out of a motor vehicle accident if:

(A) The vehicle is operated without the consent of the insured;

(B) The operator of the vehicle does not have collectible motor vehicle bodily injury liability insurance;

(C) The insured or someone on behalf of the insured reported the accident within 72 hours to a police, peace or judicial officer or to the equivalent department in the state where the accident occurred; and

(D) The insured or someone on behalf of the insured cooperates with the appropriate law enforcement agency in the prosecution of the theft of the vehicle.

(j) “Sums that the insured or the heirs or legal representative of the insured is legally entitled to recover as damages” means the amount of damages that:

(A) A claimant could have recovered in a civil action from the owner or operator at the time of the injury after determination of fault or comparative fault and resolution of any applicable defenses;

(B) Are calculated without regard to the tort claims limitations of ORS 30.260 to 30.300; and

(C) Are no larger than benefits payable under the terms of the policy as provided in subsection (7) of this section.

(k) “Uninsured vehicle,” except as provided in paragraph (L) of this provision, means:

(A) A vehicle with respect to the ownership, maintenance or use of which there is no collectible motor vehicle bodily injury liability insurance, in at least the amounts or limits prescribed for bodily injury or death under ORS 806.070 applicable at the time of the accident with respect to any person or organization legally responsible for the use of the vehicle, or with respect to which there is collectible bodily injury liability insurance applicable at the time of the accident but the insurance company writing the insurance denies coverage or the company writing the insurance becomes voluntarily or involuntarily declared bankrupt or for which a receiver is appointed or becomes insolvent. It shall be a disputable presumption that a vehicle is uninsured in the event the insured and the insurer, after reasonable efforts, fail to discover within 90 days from the date of the accident, the existence of a valid and collectible motor vehicle bodily injury liability insurance applicable at the time of the accident.

(B) A hit-and-run vehicle.

(C) A phantom vehicle.

(D) A stolen vehicle.

(E) A vehicle that is owned or operated by a self-insurer:

(i) That is not in compliance with ORS 806.130 (1)(c); or

(ii) That provides recovery to an insured in an amount that is less than the sums that the insured or the heirs or legal representative of the insured is legally entitled to recover as damages for bodily injury or death that is caused by accident and that arises out of owning, maintaining or using an uninsured vehicle.

(L) “Uninsured vehicle” does not include:

(A) An insured vehicle, unless the vehicle is a stolen vehicle;

(B) Except as provided in paragraph (k)(E) of this subsection, a vehicle that is owned or operated by a self-insurer within the meaning of any motor vehicle financial responsibility law, motor carrier law or any similar law;

(C) A vehicle that is owned by the United States of America, Canada, a state, a political subdivision of any such government or an agency of any such government;

(D) A land motor vehicle or trailer, if operated on rails or crawler-treads or while located for use as a residence or premises and not as a vehicle;

(E) A farm-type tractor or equipment designed for use principally off public roads, except while actually upon public roads; or

(F) A vehicle owned by or furnished for the regular or frequent use of the insured or any member of the household of the insured.

(m) “Vehicle” means every device in, upon or by which any person or property is or may be transported or drawn upon a public highway, but does not include devices moved by human power or used exclusively upon stationary rails or tracks.

(3) This coverage applies only to accidents that occur on and after the effective date of the policy, during the policy period and within the United States of America, its territories or possessions, or Canada.

(4)(a) This coverage does not apply to bodily injury of an insured with respect to which the insured or the legal representative of the insured shall, without the written consent of the insurer, make any settlement with or prosecute to judgment any action against any person or organization who may be legally liable therefor.

(b) This coverage does not apply to bodily injury to an insured while occupying a vehicle,
other than an insured vehicle, owned by, or furnished for the regular use of, the named insured or any relative resident in the same household, or through being struck by the vehicle.

(c) This coverage does not apply so as to insure directly or indirectly to the benefit of any workers’ compensation carrier, any person or organization qualifying as a self-insurer under any workers’ compensation or disability benefits law or any similar law or the State Accident Insurance Fund Corporation.

(d) This coverage does not apply with respect to underinsured motorist benefits unless:

   (A) The limits of liability under any bodily injury liability insurance applicable at the time of the accident regarding the injured person have been exhausted by payment of judgments or settlements to the injured person or other injured persons;

   (B) The described limits have been offered in settlement, the insurer has refused consent under paragraph (a) of this subsection and the insured protects the insurer’s right of subrogation to the claim against the tortfeasor;

   (C) The insured gives credit to the insurer for the unrealized portion of the described liability limits as if the full limits had been received if less than the described limits have been offered in settlement, and the insurer has consented under paragraph (a) of this subsection; or

   (D) The insured gives credit to the insurer for the unrealized portion of the described liability limits as if the full limits had been received if less than the described limits have been offered in settlement and, if the insurer has refused consent under paragraph (a) of this subsection, the insurer protects the insurer’s right of subrogation to the claim against the tortfeasor.

(e) When seeking consent under paragraph (a) or (d) of this subsection, the insured shall allow the insurer a reasonable time in which to collect and evaluate information related to consent to the proposed offer of settlement. The insured shall provide promptly to the insurer any information that is reasonably requested by the insurer and that is within the custody and control of the insured. Consent will be presumed to be given if the insurer does not respond within a reasonable time. For purposes of this paragraph, a “reasonable time” is no more than 30 days from the insurer’s receipt of a written request for consent, unless the insured and the insurer agree otherwise.

(f) (a) As soon as practicable, the insured or other person making claim shall give to the insurer written proof of claim, under oath if required, including full particulars of the nature and extent of the injuries, treatment and other details entering into the determination of the amount payable hereunder. The insured and every other person making claim hereunder shall submit to examinations under oath by any person named by the insurer and subscribe the same, as often as may reasonably be required. Proof of claim shall be made upon forms furnished by the insurer unless the insurer fails to furnish the forms within 15 days after receiving notice of claim.

   (b) Upon reasonable request of and at the expense of the insurer, the injured person shall submit to physical examinations by physicians, naturopathic physicians, physician assistants or nurse practitioners selected by the insurer and shall, upon each request from the insurer, execute authorization to enable the insurer to obtain medical reports and copies of records.

   (6) If, before the insurer makes payment of loss hereunder, the insured or the legal representative of the insured institutes any legal action for bodily injury against any person or organization legally responsible for the use of a vehicle involved in the accident, a copy of the summons and complaint or other process served in connection with the legal action shall be forwarded immediately to the insurer by the insured or the legal representative of the insured.

   (7)(a) The limit of liability stated in the declarations as applicable to “each person” is the limit of the insurer’s liability for all damages because of bodily injury sustained by one person as the result of any one accident and, subject to the above provision respecting each person, as the result of any one accident and, subject to the above provision respecting each person, as the result of any one accident.

   (b) Any amount payable under the terms of this coverage because of bodily injury sustained in an accident by a person who is an insured under this coverage shall be reduced by the amount paid and the present value of all amounts payable on account of the bodily injury under any workers’ compensation law, disability benefits law or any similar law.

   (c) Any amount payable under the terms of this coverage because of bodily injury sustained in an accident by a person who is an insured under this coverage shall be reduced by the credit given to the insurer pursuant to subsection (4)(d)(C) or (D) of this section.

   (d) The amount payable under the terms of this coverage may not be reduced by the amount of liability proceeds offered, described in subsection (4)(d)(B) or (D) of this section, that has not been paid to the injured person. If liability proceeds have been offered and not paid, the amount payable under the terms of the coverage shall include the amount of liability limits offered but not accepted due to the insurer’s refusal to consent. The insured shall cooperate so as to permit the insurer to proceed by subrogation or
assignment to prosecute the claim against the uninsured motorist.

(8) No action shall lie against the insurer unless, as a condition precedent thereto, the insured or the legal representative of the insured has fully complied with all the terms of this policy.

(9)(a) With respect to bodily injury to an insured:

(A) While occupying a vehicle owned by a named insured under this coverage, the insurance under this coverage is primary.

(B) While occupying a vehicle not owned by a named insured under this coverage, the insurance under this coverage shall apply only as excess insurance over any primary insurance available to the occupant that is similar to this coverage, and this excess insurance coverage shall then apply only to the sums that the insured or the heirs or legal representative of the insured is legally entitled to recover as damages for bodily injury or death that is caused by accident and that arises out of owning, maintaining or using an uninsured vehicle.

(b) With respect to bodily injury to an insured while occupying any motor vehicle used as a public or livery conveyance, the insurance under this coverage shall apply only as excess insurance over any primary insurance available to the occupant that is similar to this coverage, and this excess insurance coverage shall then apply only to the amount by which the applicable limit of liability of this coverage exceeds the sum of the applicable limits of liability of all other insurance.

(10) If any person making claim hereunder and the insurer do not agree that the person is legally entitled to recover damages from the owner or operator of an uninsured vehicle because of bodily injury to the insured, or do not agree as to the amount of payment that may be owing under this coverage, then, in the event the insured and the insurer elect by mutual agreement at the time of the dispute to settle the matter by arbitration, the arbitration shall take place as described in ORS 742.505. Any judgment upon the award rendered by the arbitrators may be entered in any court having jurisdiction thereof, provided, however, that the costs to the insured of the arbitration proceeding do not exceed $100 and that all other costs of arbitration are borne by the insurer. “Costs” as used in this provision does not include attorney fees or expenses incurred in the production of evidence or witnesses or the making of transcripts of the arbitration proceedings. The person and the insurer each agree to consider themselves bound and to be bound by any award made by the arbitrators pursuant to this coverage in the event of such election. At the election of the insured, the arbitration shall be held:

(a) In the county and state of residence of the insured;

(b) In the county and state where the insured's cause of action against the uninsured motorist arose; or

(c) At any other place mutually agreed upon by the insured and the insurer.

(11) In the event of payment to any person under this coverage:

(a) The insurer shall be entitled to the extent of the payment to the proceeds of any settlement or judgment that may result from the exercise of any rights of recovery of the person against any uninsured motorist legally responsible for the bodily injury because of which payment is made;

(b) The person shall hold in trust for the benefit of the insurer all rights of recovery that the person shall have against such other uninsured person or organization because of the damages that are the subject of claim made under this coverage, but only to the extent that the claim is made or paid herein;

(c) If the insured is injured by the joint or concurrent act or acts of two or more persons, one or more of whom is uninsured, the insured shall have the election to receive from the insurer any payment to which the insured would be entitled under this coverage by reason of the act or acts of the uninsured motorist, or the insured may, with the written consent of the insurer, proceed with legal action against any or all persons claimed to be liable to the insured for the injuries. If the insured elects to receive payment from the insurer under this coverage, then the insured shall hold in trust for the benefit of the insurer all rights of recovery the insured shall have against any other person, firm or organization because of the damages that are the subject of claim made under this coverage, but only to the extent of the actual payment made by the insurer;

(d) The person shall do whatever is proper to secure and shall do nothing after loss to prejudice such rights;

(e) If requested in writing by the insurer, the person shall take, through any representative not in conflict in interest with the person, designated by the insurer, such action as may be necessary or appropriate to recover payment as damages from such other uninsured person or organization because of the damages that are the subject of claim made under this coverage, but only to the extent of the actual payment made hereunder. In the event of a recovery, the insurer shall be reimbursed out of the recovery for expenses, costs and attorney fees incurred by the insurer in connection therewith; and

(f) The person shall execute and deliver to the insurer any instruments and papers as may be appropriate to secure the rights and obligations of the person and the insurer established by this provision.

(12)(a) The parties to this coverage agree that no cause of action shall accrue to the insured
under this coverage unless within two years from the date of the accident:

(A) Agreement as to the amount due under the policy has been concluded;

(B) The insured or the insurer has formally instituted arbitration proceedings;

(C) The insured has filed an action against the insurer;

(D) Suit for bodily injury has been filed against the uninsured motorist and, within two years from the date of settlement or final judgment against the uninsured motorist, the insured has formally instituted arbitration proceedings or filed an action against the insurer.

(b) For purposes of this subsection:

(A) “Date of settlement” means the date on which a written settlement agreement or release is signed by an insured or, in the absence of these documents, the date on which the insured or the attorney for the insured receives payment of any sum required by the settlement agreement. An advance payment as defined in ORS 31.550 shall not be deemed a payment of a settlement for purposes of the time limitation in this subsection.

(B) “Final judgment” means a judgment that has become final by lapse of time for appeal or by entry in an appellate court of an appellate judgment. [Formerly 743.792; 1993 c.18 §156; 1993 c.596 §39; 1997 c.808 §2; 2003 c.175 §2; 2005 c.22 §490; 2005 c.236 §1; 2005 c.246 §2; 2005 c.247 §2; 2007 c.131 §1; 2007 c.287 §3; 2007 c.328 §§5,6; 2007 c.457 §1; 2007 c.782 §3; 2009 c.67 §§15,16; 2011 c.192 §2; 2014 c.45 §76; 2015 c.5 §3; 2015 c.629 §59; 2017 c.356 §95]

742.505 Arbitration procedures under ORS 742.504. Unless the parties agree otherwise, arbitration proceedings under ORS 742.504 shall be conducted as follows:

(1) Parties to an arbitration proceeding shall submit the dispute to arbitration by a panel of three arbitrators. The panel shall consist of one arbitrator chosen by each party and one arbitrator chosen by the two arbitrators previously chosen to sit on the panel.

(2) An arbitration proceeding shall be conducted under local court rules in the county where the arbitration is held. [2007 c.328 §2]

Note: 742.505 was added to and made a part of ORS chapter 742 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

742.506 Allocation of responsibility among insurers. Notwithstanding the contrary provisions of any policy, the provisions of ORS 742.504(9) shall control allocation of responsibility between insurers, except that if all policies potentially involved expressly allocate responsibility between insurers, or self-insurers, without repugnancy, then the terms of the policies shall control. [Formerly 743.795; 2015 c.5 §6]

It shall be a disputable presumption that a vehicle is uninsured in the event the insured and the insurer, after reasonable efforts, fail to discover within 90 days from the date of the accident, the existence of valid and collectible property damage insurance applicable at the time of the accident.

(B) A hit-and-run vehicle as defined in subsection (5) of this section.

(3) Personal injury protection benefits consist of payments for expenses, loss of income and loss of essential services as provided in ORS 742.524.

(4) An insurer shall pay all personal injury protection benefits promptly after proof of loss has been submitted to the insurer.

(5) The potential existence of a cause of action in tort does not relieve an insurer from the duty to pay personal injury protection benefits.

(6) Disputes between insurers and beneficiaries about the amount of personal injury protection benefits, or about the denial of personal injury protection benefits, shall be decided by arbitration if mutually agreed to at the time of the dispute. Arbitration under this subsection shall take place as described in ORS 742.521.

Note: 742.521 was added to and made a part of ORS chapter 742 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

742.522 Binding arbitration under ORS 742.520; costs. (1) Costs to the insured of the arbitration proceeding under ORS 742.520 (6) shall not exceed $100 and all other costs of arbitration shall be borne by the insurer.

(2) As used in this section, “costs” does not include attorney fees or expenses incurred in the production of evidence or witnesses or the making of transcripts of the arbitration proceedings. [Formerly 743.802; 2007 c.328 §9]
742.524 Contents of personal injury protection benefits: deductibles. (1) Personal injury protection benefits required by ORS 742.520 consist of the following payments for the injury or death of each person:

(a) All reasonable and necessary expenses of medical, hospital, dental, surgical, ambulance and prosthetic services incurred within two years after the date of the person’s injury, but not more than $15,000 in the aggregate for all such expenses of the person. Expenses of medical, hospital, dental, surgical, ambulance and prosthetic services are presumed to be reasonable and necessary unless the provider receives notice of denial of the charges not more than 60 calendar days after the insurer receives from the provider notice of the claim for the services. At any time during the first 50 calendar days after the insurer receives notice of claim, the provider shall, within 10 business days, answer in writing questions from the insurer regarding the claim. For purposes of determining when the 60-day period provided by this paragraph has elapsed, counting of days shall be suspended if the provider does not supply written answers to the insurer within 10 days and may not resume until the answers are supplied.

(b) If the injured person is usually engaged in a remunerative occupation and if disability continues for at least 14 days, 70 percent of the loss of income from work during the period of the injured person’s disability until the date the person is able to return to the person’s usual occupation. This benefit is subject to a maximum payment of $3,000 per month and a maximum payment period in the aggregate of 52 weeks. As used in this paragraph, “income” includes but is not limited to salary, wages, tips, commissions, professional fees and profits from an individually owned business or farm.

(c) If the injured person is not usually engaged in a remunerative occupation and if disability continues for at least 14 days, the expenses reasonably incurred by the injured person for essential services that were performed by a person who is not related to the injured person or residing in the injured person’s household in lieu of the services the injured person would have performed without income during the period of the person’s disability until the date the person is reasonably able to perform such essential services. This benefit is subject to a maximum payment of $30 per day and a maximum payment period in the aggregate of 52 weeks.

(d) All reasonable and necessary funeral expenses incurred within one year after the date of the person’s injury, but not more than $5,000.

(e) If the injured person is a parent of a minor child and is required to be hospitalized for a minimum of 24 hours, $25 per day for child care, with payments to begin after the initial 24 hours of hospitalization and to be made for as long as the person is unable to return to work if the person is engaged in a remunerative occupation or for as long as the person is unable to perform essential services that the person would have performed without income if the person is not usually engaged in a remunerative occupation, but not to exceed $750.

(2) With respect to the insured person and members of that person’s family residing in the same household, an insurer may offer forms of coverage for the benefits required by subsection (1)(a), (b) and (c) of this section with deductibles of up to $250. [Formerly 743.805; 1991 c.768 §7; 2003 c.813 §2; 2005 c.341 §1; 2009 c.66 §1; 2015 c.5 §4]

742.525 Provider charges. (1) Except as provided in subsection (2) of this section, a provider shall charge a person who receives personal injury protection benefits or that person’s insurer the lesser of:

(a) An amount that does not exceed the amount the provider charges the general public; or
(b) An amount that does not exceed the fee schedules for medical services published pursuant to ORS 656.248 for expenses of medical, hospital, dental, surgical and prosthetic services.

(2) For expenses of hospital services that are subject to the adjusted cost-to-charge ratio specified for a hospital in the hospital fee schedule published pursuant to ORS 656.248, a provider of hospital services shall charge a person who receives personal injury protection benefits or that person’s insurer the greater of:

(a) The amount of the hospital charges multiplied by the adjusted cost-to-charge ratio specified for the hospital; or
(b) Ninety percent of the hospital charges. [2003 c.813 §4; 2005 c.341 §4; 2011 c.707 §1]

742.526 Primary nature of benefits. (1) The personal injury protection benefits with respect to:

(a) The insured and members of the family of the insured residing in the same household injured while occupying the insured motor vehicle shall be primary.

(b) Passengers injured while occupying the insured motor vehicle shall be primary.

(c) The insured and members of family residing in the same household injured as pedestrians shall be primary.

(d) The insured and members of family residing in the same household injured while occupying a motor vehicle not insured under the policy shall be excess.

(e) Pedestrians injured by the insured motor vehicle, other than the insured and members of family residing in the same household, shall be excess over any other collateral benefits to which
the injured person is entitled, including but not limited to insurance benefits, governmental benefits or gratuitous benefits.

(2) The personal injury protection benefits may be reduced or eliminated, if it is so provided in the policy; when the injured person is entitled to receive, under the laws of this state or any other state or the United States, workers' compensation benefits or any other similar medical or disability benefits. [Formerly 743.810]

742.528 Notice of denial of payment of benefits. An insurer who denies payment of personal injury protection benefits to or on behalf of an insured shall:

(1) Provide written notice of the denial, within 60 calendar days of receiving a claim from the provider, to the insured, stating the reason for the denial and informing the insured of the method for contesting the denial; and

(2) Provide a copy of the notice of the denial, within 60 calendar days of receiving a claim from the provider, to a provider of services under ORS 742.524 (0)(a). [Formerly 743.812; 1993 c.265 §1]

742.529 Payment based on incorrect determination of responsibility; notice; repayment. If personal injury protection benefits are paid based on information that appeared to establish proof of loss and the insurer paying the benefits later determines the insurer was not responsible for the payment, the insurer shall give notice and explanation to the provider that the payment was incorrectly issued. Immediately after receiving the notice and explanation the provider shall promptly repay the insurer. [2007 c.692 §3]

742.530 Exclusions from coverage. (1) The insurer may exclude from the coverage for personal injury protection benefits any injured person who:

(a) Intentionally causes self-injury;

(b) Is participating in any prearranged or organized racing or speed contest or practice or preparation for any such contest; or

(c) Willfully conceals or misrepresents any material fact in connection with a claim for personal injury protection benefits.

(2) The insurer may exclude from the coverage for the benefits required by ORS 742.524 (1)(b) and (c) any person injured as a pedestrian in an accident outside this state, other than the insured person or a member of that person's family residing in the same household. [Formerly 743.815; 2005 c.541 §2]

742.532 Benefits may be more favorable than those required by ORS 742.520, 742.524 and 742.530. Nothing in ORS 742.518 to 742.542 is intended to prevent an insurer from providing more favorable benefits than the personal injury protection benefits described in ORS 742.520, 742.524 and 742.530. [Formerly 743.820]

742.534 Reimbursement of other insurers paying benefits; arbitrating issues of liability and amount of reimbursement. (1) Except as provided in ORS 742.544, every authorized motor vehicle liability insurer whose insured is or would be held legally liable for damages for injuries sustained in a motor vehicle accident by a person for whom personal injury protection benefits have been furnished by another such insurer, or for whom benefits have been furnished by an authorized health insurer, shall reimburse such other insurer for the benefits it has so furnished if it has requested such reimbursement, has not given notice as provided in ORS 742.536 that it elects recovery by lien in accordance with that section and is entitled to reimbursement under this section by the terms of its policy. Reimbursement under this subsection, together with the amount paid to injured persons by the liability insurer, shall not exceed the limits of the policy issued by the insurer.

(2) In calculating such reimbursement, the amount of benefits so furnished shall be diminished in proportion to the amount of negligence attributable to the person for whom benefits have been so furnished, and the reimbursement shall not exceed the amount of damages legally recoverable by the person.

(3) Disputes between insurers as to such issues of liability and the amount of reimbursement required by this section shall be decided by arbitration.

(4) Findings and awards made in such an arbitration proceeding are not admissible in any action at law or suit in equity.

(5) If an insurer does not request reimbursement under this section for recovery of personal injury protection payments, then the insurer may only recover personal injury protection payments under the provisions of ORS 742.536 or 742.538. [Formerly 743.825; 1993 c.709 §7; 2007 c.392 §1]

742.536 Notice of claim or legal action to insurer; insurer to elect manner of recovery of benefits furnished; lien of insurer. (1) If an authorized motor vehicle liability insurer has furnished personal injury protection benefits, or an authorized health insurer has furnished benefits, to a person who was injured in a motor vehicle accident and the injured person makes a claim, or brings legal action, for damages for injuries against any other person, the injured person shall give notice of the claim or legal action to the insurer by personal service or by registered or certified mail. Service of a copy of the summons and complaint or copy of other process served in connection with the legal action is sufficient notice to the insurer, in which case a return showing service of the notice must be filed with the clerk of the court but is not a part of the record except to give notice.

(2) An insurer may elect to seek reimbursement as provided in this section for benefits the
insurer has furnished to the injured person out of any recovery the injured person obtains from a claim or legal action if the insurer has not been a party under ORS 742.534 to an interinsurer reimbursement proceeding with respect to benefits the insurer furnished to the injured person and the insurer is entitled by the terms of the insurer’s policy to the benefit of this section. The insurer shall give written notice of an election under this subsection by personal service or by registered or certified mail within 30 days after receiving the notice or knowledge of the claim or legal action to the person who made the claim or brought the legal action and to the person against whom the injured person made a claim or brought legal action. In the case of a legal action, a return showing service of the notice of election must be filed with the clerk of the court but is not a part of the record except to give notice to the claimant and the defendant of the lien of the insurer.

(3) If the insurer serves a written notice of the insurer’s election under subsection (2) of this section and, if applicable, files a return showing service:

(a) Subject to ORS 742.544, an insurer has a lien, for not more than the amount of benefits the insurer furnished, against an injured person’s recovery in an action for damages, less a proportionate amount of not more than 100 percent of the expenses, costs and attorney fees the injured person incurred in connection with the recovery. The proportionate amount must be calculated as the ratio between the amount of the lien before a reduction under this paragraph and the amount of the recovery.

(b) The injured person shall include the benefits the insurer furnished as damages in a claim or legal action.

(c) In the case of a legal action, the action must be taken in the name of the injured person.

(4) As used in this section, “makes a claim” means delivers a written demand for a specific amount of damages that meets requirements reasonably established by the director’s rule. [Formerly 743.828; 2019 c.460 §1]

742.538 Subrogation rights of insurers to certain amounts received by injured person; recovery actions against persons causing injury. If a motor vehicle liability insurer has furnished personal injury protection benefits, or a health insurer has furnished benefits, to a person who was injured in a motor vehicle accident and the interinsurer reimbursement benefit of ORS 742.534 is not available under the terms of that section, the insurer has not elected recovery by lien as provided in ORS 742.536, and the insurer is entitled by the terms of the insurer’s policy to the benefit of this section:

(1) Subject to ORS 742.544, the insurer is entitled to the proceeds of any settlement or judgment that results from the exercise of any rights of recovery the injured person has against any person legally responsible for the accident, to the extent of the benefits the insurer furnished less the insurer’s share of expenses, costs and attorney fees the injured person incurred in connection with the recovery.

(2) The injured person shall hold in trust for the benefit of the insurer the amount to which the insurer is entitled under this section, which may not exceed the amount of benefits the insurer furnished.

(3) The injured person shall do whatever is proper to secure, and may not prejudice, the rights an insurer has under this section.

(4) If requested in writing by the insurer, the injured person shall take, in the injured person’s name and through any representative the insurer designates who is not in conflict in interest with the injured person, such action as is necessary or appropriate to recover the amounts to which the insurer is entitled under this section, including amounts for the injured person’s share of expenses, costs and attorney fees that the insurer incurred in connection with the recovery.

(5) In calculating respective shares of expenses, costs and attorney fees under this section, the basis of allocation must be the respective proportions borne to the total recovery by:

(a) Benefits the insurer furnished; and

(b) The total recovery less the benefits the insurer furnished.

(6) The injured person shall execute and deliver to the insurer instruments and papers as are appropriate to secure the rights and obligations of the insurer and the injured person as established by this section.

(7) Any provisions in a motor vehicle liability insurance policy or health insurance policy giving rights to the insurer relating to subrogation or the subject matter of this section must be construed and applied in accordance with the provisions of this section. [Formerly 743.830; 2019 c.460 §2]

742.542 Effect of personal injury protection benefits paid. Payment by a motor vehicle liability insurer of personal injury protection benefits for its own insured shall be applied in reduction of the amount of damages that the insured may be entitled to recover from the insurer under uninsured or underinsured motorist coverage for the same accident but may not be applied in reduction of the uninsured or underinsured motorist coverage policy limits. [Formerly 743.835; 1997 c.808 §10]

742.544 Reimbursement for benefits paid. (1)(a) As used in this subsection, “total amount of the recovery” means the amount that a person injured in a motor vehicle accident recovers from:

(A) Underinsured motorist benefits described in ORS 742.502 (2);
(B) Liability insurance coverage the injured person receives from other parties involved in the motor vehicle accident;

(C) Personal injury protection benefits or health insurance benefits; and

(D) Any other payment by or on behalf of the party that caused the motor vehicle accident.

(b) An insurer may not receive a reimbursement or subrogation for personal injury protection benefits or health benefits the insurer provided to a person injured in a motor vehicle accident from any recovery the injured person obtains in an action for damages except to the extent that:

(A) The injured person first receives full compensation for the injured person’s injuries; and

(B) The reimbursement or subrogation is paid only from the total amount of the recovery in excess of the amount that fully compensates for the injured person’s injuries.

(2) For purposes of this section, the following rebuttable presumptions apply:

(a) The amount of any judgment that an injured person obtains is the amount necessary to fully compensate for the injured person’s injuries.

(b) An injured person has received full compensation for the injured person’s injuries if the amount of the recovery is less than the coverage available to the injured person from the sum of benefits paid under another person’s motor vehicle liability policy, under an uninsured or underinsured motorist policy described in ORS 742.502 (2), as personal injury protection payments and from any other source of payment from or on behalf of the party whose fault caused the injuries.

(c) An injured person has not received full compensation for the injured person’s injuries if the injured person recovers an amount that is equal to the coverage available to the injured person from the sum of benefits paid under another person’s motor vehicle liability policy, under an uninsured or underinsured motorist policy described in ORS 742.502 (2), as personal injury protection payments and from any other source of payment from or on behalf of the party whose fault caused the injuries.

(3) An insurer may not deny or refuse to provide benefits that are otherwise available to an injured person because of the potential the injured person has to make a claim or bring an action against another person or enter into a settlement with another person.

(4) A person with whom an injured person enters into a settlement or from whom the injured person obtains a judgment in connection with a claim or action may not name an insurer that seeks a reimbursement or subrogation under ORS 742.536 or 742.538 as a payee on a check, draft or other form of payment in satisfaction of the claim or judgment.

(5) An insurer may not delay, withhold or reduce benefits to an injured person because of an act or omission for which a third party is or may be liable or as a means of enforcing or attempting to enforce a claim for reimbursement or subrogation.

(6) An insurer that receives a reimbursement for benefits the insurer provided to an injured person shall apply the amount of the reimbursement as a credit against any lifetime maximum benefit set forth for the injured person in the policy, benefit plan or contract under which the insurer paid the benefits.

(7) A provision in a policy, benefit plan or contract that permits reimbursement or subrogation other than as provided in this section is void and unenforceable.

(8) This section does not:

(a) Prohibit insurers from coordinating benefits;

(b) Limit an insurer’s right to seek reimbursement or subrogation to recover, without reduction, amounts the insurer paid for property damage;

(c) Limit an insurer that provided coverage against underinsured motorists from pursuing a claim against a party at fault; or

(d) Require a person to repay more than the amount of personal injury protection benefits that the person actually received. [1993 c.709 §9; 2015 c.5 §5; 2019 c.460 §4]

742.546 Required disclosure in release for bodily injuries related to personal injury protection benefits. (1) When a motor vehicle liability insurer obtains a release for bodily injuries within 60 calendar days following an accident from a person who is eligible to receive personal injury protection benefits under ORS 742.518 to 742.542, the release must state that, subject to the motor vehicle liability insurer’s applicable limits of liability, the rights of an insurer furnishing personal injury protection to recover payments made for medical benefits from the motor vehicle liability insurer are not impaired.

(2) Nothing in this section impairs the rights of a motor vehicle liability insurer to contest a recovery claim from an insurer furnishing personal injury protection, based upon liability or the reasonableness or necessity of medical benefits paid by the insurer furnishing personal injury protection. [2009 c.545 §2]

Note: 742.546 and 742.548 were added to and made a part of the Insurance Code by legislative action but were not added to ORS chapter 742 or any series therein. See Preface to Oregon Revised Statutes for further explanation.

742.548 Required language in disclosure; conditions for rescission of release. If a representative of a motor vehicle liability insurer obtains a release for a claim of bodily injuries in person from a person who is eligible to receive personal injury protection benefits under ORS 742.518 to 742.542:
(1) The representative of the insurer must provide the eligible person with a clear and conspicuous notice substantially similar to the following, which shall be incorporated into the insurer’s release or provided in a separate document:

THE DOCUMENT YOU ARE BEING ASKED TO SIGN IS A BINDING CONTRACT THAT CONCLUDES YOUR CLAIM(S) AGAINST THE PARTIES IT IDENTIFIES. AFTER YOU SIGN IT YOU WILL NOT BE ABLE TO MAKE ANY FURTHER CLAIM(S) AGAINST THESE PARTIES.

(2) The eligible person may rescind the release if the person provides the insurer written notice of rescission no later than five business days after the execution of the release and then promptly performs all other requisite acts for rescission of a contract. For the purposes of this subsection, notice of rescission is provided to an insurer on the date and time shown on a properly addressed proof of mailing or electronic transmission. [2009 c.545 §3]

Note: See note under 742.546.

Total Loss

742.554 Disclosures required by insurer to motor vehicle owner when insurer declares vehicle total loss. When an insurer declares a motor vehicle a total loss and offers to make a cash settlement to an insured or third-party owner of the motor vehicle, the insurer shall provide the insured or third-party owner:

(1) Any valuation or appraisal reports relied upon by the insurer to determine value; and

(2) A written statement in a form provided by the Director of the Department of Consumer and Business Services that includes:

(a) Information about total loss, vehicle valuation and the duties of the insurer; and

(b) The manner in which and under what circumstances the insured may contact the Division of Financial Regulation of the Department of Consumer and Business Services. [2009 c.545 §2; 2017 c.17 §55]

Note: 742.554 and 742.558 were added to and made a part of the Insurance Code by legislative action but were not added to ORS chapter 742 or any series therein. See Preface to Oregon Revised Statutes for further explanation.

742.558 Dispute resolution process for total loss vehicles. (1) An insurer shall pay the insured or third-party owner of a motor vehicle the amount of the motor vehicle’s value that is not in dispute if the insurer declares the motor vehicle a total loss and the insurer and the insured or third-party owner are unable to agree on the value of the motor vehicle. Acceptance of payment of the undisputed amount neither waives the rights of the insured or third-party owner under the policy nor prevents the insured or third-party owner from pursuing a claim for additional amounts. Payment of the undisputed amount by the insurer does not waive any rights of the insurer under the policy.

(2) An insurer is not obligated to pay the undisputed amount under subsection (1) of this section until the insured or third-party owner of the motor vehicle:

(a) Agrees to execute documents sufficient to transfer ownership of the motor vehicle to the insurer; and

(b) Authorizes the insurer, at the insurer’s expense, to move the motor vehicle to a disclosed location selected by the insurer, where the motor vehicle will remain available for inspection and evaluation for not fewer than 14 calendar days.

(3) After the expiration of the 14-day period under subsection (2) of this section, the insurer may proceed with the salvage sale of the motor vehicle. [2009 c.65 §3]

Note: See note under 742.554.

Cancellation

742.560 Definitions for ORS 742.560 to 742.572. As used in ORS 742.560 to 742.572:

(1) “Cancellation” means termination of coverage by an insurer, other than termination at the request of the insured, during a policy period.

(2) “Expiration” means termination of coverage by reason of the policy having reached the end of the term for which it was issued or the end of the period for which a premium has been paid.

(3) “Nonpayment of premium” means failure of the named insured to discharge when due any of the insured’s obligations in connection with the payment of premiums on the policy, or any installment of such premium, whether the premium is payable directly to the insurer or an insurance producer who is its agent or indirectly under any premium finance plan or extension of credit.

(4) “Non-renewal” means a notice by an insurer to the named insured that the insurer is unwilling to renew a policy.

(5) “Policy” means any insurance policy that provides automobile liability coverage, uninsured motorist coverage, automobile medical payments coverage or automobile physical damage coverage on individually owned private passenger vehicles, including pickup and panel trucks and station wagons, that are not used as a public or livery conveyance for passengers, nor rented to others. However, ORS 742.560 to 742.572 do not apply to any policy:

(a) Issued under an automobile assigned risk plan;

(b) Insuring more than four automobiles;
(c) Covering garage, automobile sales agency, repair shop, service station or public parking place operation hazards; or

(d) Issued principally to cover personal or premises liability of an insured even though such insurance may also provide some incidental coverage for liability arising out of the ownership, maintenance or use of a motor vehicle on the premises of such insured or on the ways immediately adjoining such premises.

§23 “Renewal” or “to renew” means to continue coverage for an additional policy period upon expiration of the current policy period of a policy. Any policy with a policy period or term of less than six months shall for the purpose of ORS 742.560 to 742.572 be considered as if written for a policy period or term of six months. Any policy written for a term longer than one year or any policy with no fixed expiration date shall for the purpose of ORS 742.560 to 742.572 be considered as if written for successive policy periods or terms of one year but not extending beyond the actual term for which the policy was written. [Formerly 743.900; 2003 c.364 §103; 2007 c.71 §239]

742.562 Grounds for cancellation of policies; notice required; applicability. (1) A notice of cancellation of a policy shall be effective only if it is based on one or more of the following reasons:

(a) Nonpayment of premium.

(b) Fraud or material misrepresentation affecting the policy or in the presentation of a claim thereunder, or violation of any of the terms or conditions of the policy.

(c) The named insured or any operator either resident in the same household or who customarily operates an automobile insured under the policy has had driving privileges suspended or revoked pursuant to law during the policy period, or, if the policy is a renewal, during its policy period or the 180 days immediately preceding its effective date. An insurer may not cancel a policy for the reason that the driving privileges of the named insured or any operator were suspended pursuant to ORS 809.280 (6) or (8) if the suspension was based on a non-driving offense.

(2) This section shall not apply to any policy or coverage which has been in effect less than 60 days at the time notice of cancellation is mailed or delivered by the insurer unless it is a renewal policy.

(3) This section shall not apply to nonrenewal. [Formerly 743.905; 1991 c.860 §7a; 2011 c.355 §23]

742.564 Manner of giving cancellation notice. (1) No notice of cancellation of a policy to which ORS 742.562 applies shall be effective unless mailed or delivered by the insurer to the named insured at least 30 days prior to the effective date of cancellation and accompanied by a statement of the reason or reasons for cancellation, provided, however, that where cancellation is for nonpayment of premium at least 10 days’ notice of cancellation accompanied by the reason therefor shall be given.

(2) This section shall not apply to nonrenewal. [Formerly 743.910]

742.566 Renewal of policies; replacement policy in lieu of renewal; requirements for refusal to renew. (1) An insurer shall offer renewal of a policy to an insured, contingent upon payment of premium as stated in the offer, unless the insurer mails or delivers to the named insured, at the address shown in the policy, at least 30 days’ advance notice of nonrenewal. The notice must contain or be accompanied by a statement of the reason or reasons for nonrenewal.

(2) (a) If an insurer offers to an insured, in lieu of a renewal, a replacement policy from a different company that is part of a group of companies that is under the same ownership or control as the insurer, any new terms, rates and policy provisions in the replacement policy take effect on the renewal date if the insurer sends the insurer and any insurance producer with whom the insurer previously dealt notice at least 45 days before the renewal date. The notice must include the replacement policy or a description of any terms in the replacement policy that differ from the policy that the insurer will not renew.

(b) An insured may cancel a replacement policy at any point before the replacement policy becomes effective.

(c) Earned premium for any period of time in which a replacement policy was in effect before a cancellation must be calculated pro rata at the lower of the current rate or the previous year’s rate.

(d) If an insured accedes to a replacement policy, any increase in premium or change in policy terms is effective on the day after the previous policy expires.

(e) The notice required under this subsection applies only if the company that offers a replacement policy is different from the company that issued the policy that would otherwise be subject to renewal.

(3) An insurer need not notify the named insured or any other insured of nonrenewal of the policy if the insurer has mailed or delivered a notice of expiration or cancellation on or prior to the 30th day preceding expiration of the policy period.

(4) Notwithstanding an insurer’s failure to comply with this section, the policy terminates on the effective date of any replacement or succeeding automobile insurance policy, with respect to any automobile designated in both policies.

(5) An insurer may not refuse to renew a policy for the reason that the driving privileges of the named insured or any operator either resident in the same household or who customarily
operates an automobile insured under the policy were suspended pursuant to ORS 809.280 (6) or (8) if the suspension was based on a non-driving offense. [Formerly 743.916; 1991 c.860 §7b; 2011 c.355 §24; 2017 c.250 §1]

742.568 Proof of cancellation, replacement or nonrenewal notice. Proof of mailing notice of cancellation, notice of replacement, notice of intention not to renew or notice of reasons for cancellation, to the named insured at the address shown in the policy, is sufficient proof of notice. [Formerly 743.920; 2017 c.250 §2]

742.570 Notifying insured under canceled or unrenewed policy of eligibility for participation in insurance pool. When automobile bodily injury and property damage liability coverage is canceled, other than for non-payment of premium, or in the event of failure to renew automobile bodily injury and property damage liability coverage to which ORS 742.566 applies, the insurer shall notify the named insured of possible eligibility for automobile liability insurance through any insurance pool or facility operating in this state, whether voluntarily or under statute or rule. Such notice shall accompany or be included in the notice of cancellation or the notice of intent not to renew. [Formerly 743.925]

742.572 Immunity from liability of persons furnishing information regarding cancellation or nonrenewal of policies. There shall be no liability on the part of and no cause of action of any nature shall arise against the Director of the Department of Consumer and Business Services or against any insurer, its authorized representative, its agents, its employees, or any firm, person or corporation furnishing to the insurer information as to reasons for cancellation or nonrenewal, for any statement made by any of them in any written notice of cancellation or nonrenewal, for any statement made by any of them in any written notice of cancellation or nonrenewal, or in any other communication, oral or written, specifying the reasons for cancellation or nonrenewal, or providing of information pertaining thereto, or for statements made or evidence submitted at any hearings conducted in connection therewith. [Formerly 743.930]

Every insurer that issues motor vehicle insurance that is designed to meet either the financial or future responsibility requirements of ORS chapter 806 shall report to the Department of Transportation within 30 days of the day that a person or the insurer cancels or fails to renew such a policy and within 15 days of the day that an insurer issues such a policy. The insurer shall report the person's name and residence address, the vehicle identification number of each vehicle covered by the policy, whether the policy was bought, canceled or not renewed and any other information required by the department by rule under ORS 806.195. [1993 c.746 §4]

742.590 Personal vehicle sharing program requirements. For each vehicle that the program facilitates the use of, a personal vehicle sharing program shall:

(1) Provide a program insurance policy with coverage for the vehicle, the designated operator of the vehicle and all persons who, with the consent of the named insured, use the motor vehicle insured under the policy. The limits for any coverage included in the program insurance policy that is also included in the owner's insurance policy must be equal to or greater than the coverage limits provided in the owner's insurance policy, as reported to the program by the owner. However, the program may not provide liability coverage that is less than three times the limits specified in ORS 806.070.

(2) Provide the vehicle's registered owner with a proof of compliance with the insurance requirements of this section and the financial or future responsibility requirements of ORS chapter 806, a copy of which must be maintained in the vehicle by the vehicle's registered owner at all times when the vehicle is operated by any person other than the vehicle's registered owner pursuant to the program.

(3) Collect, maintain and make available to the vehicle's registered owner, the vehicle's registered owner's primary motor vehicle liability insurer and any government agency as required by law, at the cost of the program:

(b) Any information concerning damages or injuries arising out of personal vehicle sharing pursuant to the program.

(5) Ensure that the vehicle is a private passenger motor vehicle.

(6) Facilitate the installation, operation and maintenance of signage and computer hardware and software necessary for the vehicle to be used in the program.

(7) Indemnify the vehicle's registered owner for the cost of damage or theft of equipment installed under subsection (6) of this section and any damage caused to the vehicle by the installation, operation or maintenance of the equipment.

(8) Provide the vehicle's registered owner and any person operating the vehicle pursuant to the program with a disclosure that contains information explaining the requirements of this section. [2011 c.457 §3]

Note: See note under 742.585.

742.595 Assumption of liability; exceptions; indemnification; prohibition on policy cancellation. (1) Notwithstanding any provision in the owner's insurance policy and notwithstanding ORS chapters 742, 806, 822 and 825 and ORS 30.010 to 30.100, 30.135, 30.480 and 30.485, in the event of any loss or injury that occurs at any time when the vehicle is under the operation and control of a person, other than the vehicle's registered owner, pursuant to a personal vehicle sharing program, or is otherwise under the control of a personal vehicle sharing program, the program shall assume all liability of the vehicle owner and shall be considered the vehicle owner for all purposes.

(2) Nothing in subsection (1) of this section:

(a) Limits the liability of a personal vehicle sharing program for any acts or omissions by the program that result in injury to any persons as a result of the use or operation of the program; or

(b) Limits the ability of the personal vehicle sharing program to, by contract, seek indemnification from the vehicle's registered owner for any claims paid by the personal vehicle sharing program for any loss or injury resulting from fraud or material misrepresentation in the maintenance of the vehicle by the vehicle's registered owner.

(3) A personal vehicle sharing program continues to be liable under subsection (1) of this section until:

(a) The vehicle is returned to a location designated by the program; and

(b)(A) The expiration of the time period established for the vehicle occurs;

(B) The intent to terminate the vehicle's personal vehicle sharing use is verifiably communicated to the program; or

(C) The vehicle's registered owner takes possession and control of the vehicle.

(4) (a) A personal vehicle sharing program shall assume liability for a claim in which a dispute exists as to who was in control of a private passenger motor vehicle when the loss giving rise to the claim occurred.

(b) The insurer of the vehicle shall indemnify the program to the extent of the insurer's obligation under the owner's insurance policy, if it is determined that the vehicle's registered owner was in control of the vehicle at the time of the loss.

(5) If a private passenger motor vehicle's registered owner is named as a defendant in a civil action for any loss or injury that occurs at any time when the vehicle is under the operation and control of a person, other than the vehicle's registered owner, pursuant to a personal vehicle sharing program, or is otherwise under the control of a personal vehicle sharing program,
the program shall have the duty to defend and indemnify the vehicle’s registered owner:

(6) Notwithstanding any provision in the owner’s insurance policy, while the vehicle is under the operation and control of a person, other than the vehicle’s registered owner, pursuant to a personal vehicle sharing program, or is otherwise under the control of a personal vehicle sharing program:

(a) The insurer of the vehicle on file with the Department of Transportation may exclude any and all coverage afforded under the insurer’s policy; and

(b) A primary or excess insurer of the owners, operators or maintainers of the vehicle may notify an insured that the insurer has no duty to defend or indemnify any person or organization for liability for any loss that occurs during use of the vehicle pursuant to a personal vehicle sharing program.

(7) An owner’s insurance policy for a private passenger motor vehicle may not be canceled, voided, terminated, rescinded or nonrenewed solely on the basis that the vehicle has been made available for personal vehicle sharing pursuant to a personal vehicle sharing program that is in compliance with the provisions of ORS 742.585 to 742.600. [2011 c.457 §4]

Note: See note under 742.585.

742.600 Limitation on insurance policy reclassification for personal vehicle sharing program vehicle. A private passenger motor vehicle insured by the vehicle’s registered owner under an owner’s insurance policy may not be classified as a commercial motor vehicle, for-hire motor vehicle, permissive use motor vehicle or livery solely because the vehicle’s registered owner allows the vehicle to be used for personal vehicle sharing if:

(1) The personal vehicle sharing is conducted under a personal vehicle sharing program.

(2) The annual revenue received by the vehicle’s registered owner that was generated by the personal vehicle sharing does not exceed the annual expenses of owning and operating the vehicle, including depreciation, interest, lease payments, motor vehicle loan payments, insurance, maintenance, parking, fuel, cleaning, automobile repair and costs associated with personal vehicle sharing, including but not limited to the installation, operation and maintenance of computer hardware and software, signage identifying the vehicle as a personal vehicle sharing vehicle and any fees charged by a personal vehicle sharing program. [2011 c.457 §5]

Chapter 746

INSURANCE TRADE PRACTICES

746.015 Discrimination; noncompliance; hearing. (1) No person shall make or permit any unfair discrimination between individuals of the same class and equal expectation of life, or between risks of essentially the same degree of hazard, in the availability of insurance, in the application of rates for insurance, in the dividends or other benefits payable under insurance policies, or in any other terms or conditions of insurance policies.

(2) Discrimination by an insurer in the application of its underwriting standards or rates based solely on an individual’s physical disability is prohibited, unless such action is based on sound actuarial principles or is related to actual or reasonably anticipated experience. For purposes of this subsection, “physical disability” shall include, but not be limited to, blindness, deafness, hearing or speaking impairment or loss, or partial loss, of function of one or more of the upper or lower extremities.

(3) Discrimination by an insurer in the application of its underwriting standards or rates based solely upon an insured’s or applicant’s attaining or exceeding 65 years of age is
prohibited, unless such discrimination is clearly based on sound actuarial principles or is related to actual or reasonably anticipated experience.

(4)(a) An insurer may not, on the basis of the status of an insured or prospective insured as a victim of domestic violence or sexual violence, do any of the following:

(A) Deny, cancel or refuse to issue or renew an insurance policy;

(B) Demand or require a greater premium or payment;

(C) Designate domestic violence or sexual violence, physical or mental injuries sustained as a result of domestic violence or sexual violence or treatment received for such injuries as a condition for which coverage will be denied or reduced;

(D) Exclude or limit coverage for losses or deny a claim; or

(E) Fix any lower rate for or discriminate in the fees or commissions of an insurance producer for writing or renewing a policy.

(b) The fact that an insured or prospective insured is or has been a victim of domestic violence or sexual violence shall not be considered a permitted underwriting or rating criterion.

(c) Nothing in this subsection prohibits an insurer from taking an action described in paragraph (a) of this subsection if the action is otherwise permissible by law and is taken in the same manner and to the same extent with respect to all insureds and prospective insureds without regard to whether the insured or prospective insured is a victim of domestic violence or sexual violence.

(d) An insurer that complies in good faith with the requirements of this subsection shall not be subject to civil liability due to such compliance.

(e) For purposes of this subsection, “domestic violence” means the occurrence of one or more of the following acts between family or household members:

(A) Attempting to cause or intentionally or knowingly causing physical injury;

(B) Intentionally or knowingly placing another in fear of imminent serious physical injury; or

(5) If the Director of the Department of Consumer and Business Services has reason to believe that an insurer in the application of its underwriting standards or rates is not complying with the requirements of this section, the director shall, unless the director has reason to believe the noncompliance is willful, give notice in writing to the insurer stating in what manner such noncompliance is alleged to exist and specifying a reasonable time, not less than 10 days after the date of mailing, in which the noncompliance may be corrected.

(6)(a) If the director has reason to believe that noncompliance by an insurer with the requirements of this section is willful, or if, within the period prescribed by the director in the notice required by subsection (5) of this section, the insurer does not make the changes necessary to correct the noncompliance specified by the director or establish to the satisfaction of the director that such specified noncompliance does not exist, the director may hold a hearing in connection therewith. Not less than 10 days before the date of such hearing the director shall mail to the insurer written notice of the hearing, specifying the matters to be considered.

(b) If, after the hearing, the director finds that the insurer’s application of its underwriting standards or rates violates the requirements of this section, the director may issue an order specifying in what respects such violation exists and stating when, within a reasonable period of time, further such application shall be prohibited. If the director finds that the violation was willful, the director may suspend or revoke the certificate of authority of the insurer.

(7) Affiliated workers’ compensation insurers having reinsurance agreements which result in one carrier ceding 80 percent or more of its workers’ compensation premium to the other, while utilizing different workers’ compensation rate levels without objective evidence to support such differences, shall be presumed to be engaging in unfair discrimination. [1967 c.359 §568; 1977 c.331 §1; 1979 c.140 §1; 1987 c.676 §2; 1987 c.884 §53; 1997 c.564 §1; 1999 c.59 §229; 2003 c.364 §134; 2007 c.70 §319; 2010 c.67 §1; 2013 c.681 §35]

746.035 Inducements not specified in policy. Except as otherwise expressly provided by the Insurance Code, no person shall permit, offer to make or make any contract of insurance, or agreement as to such contract, unless all agreements or understandings by way of inducement are plainly expressed in the policy issued thereon. [1967 c.359 §570]

746.075 Misrepresentation generally.

(1) A person may not engage, directly or indirectly, in any action described in subsection (2) of this section in connection with:

(a) The offer or sale of any insurance; or

(b) Any inducement or attempted inducement of any insured or person with ownership rights under an issued life insurance policy to lapse, forfeit, surrender, assign, effect a loan against, retain, exchange or convert the policy.

(2) Subsection (1) of this section applies to the following actions:
(a) Making, issuing, circulating or causing to be made, issued or circulated, any estimate, illustration, circular or statement misrepresenting the terms of any policy issued or to be issued or the benefits or advantages therein or the dividends or share of surplus to be received thereon;

(b) Making any false or misleading representation as to the dividends or share of surplus previously paid on similar policies;

(c) Making any false or misleading representation as to the financial condition of any insurer, or as to the legal reserve system upon which any life insurer operates;

(h) Materially misrepresenting the provider network of an insurer offering managed health insurance or preferred provider organization insurance as defined in ORS 743B.001, including its composition and the availability of its providers to enrollees in the plan. [1967 c.359 §574; 2001 c.266 §7]

746.100 Misrepresentation in insurance applications or transactions. 746.110 False, deceptive or misleading statements. No person shall make, publish, disseminate, circulate, or place before the public, or cause, directly or indirectly, to be made, published, disseminated, circulated, or placed before the public, in a newspaper, magazine or other publication, or in the form of a notice, circular, pamphlet, letter or poster, or over any radio or television station, or in any other way, an advertisement, announcement or statement containing any assertion, representation or statement with respect to the business of insurance or with respect to any person in the conduct of the insurance business, which is untrue, deceptive or misleading. [Formerly 736.608]

746.120 Illegal dealing in premiums. No person shall willfully collect any sum as premium or charge for insurance which is not then provided, or is not in due course to be provided subject to acceptance of the risk by the insurer, under an insurance policy issued by an insurer in conformity to the Insurance Code. [1967 c.359 §579]

746.195 Insurance on property securing loan or credit; certain practices by depository institutions prohibited. (1) A depository institution may not:

(a) Solicit the sale of insurance for the protection of real or personal property after a person indicates interest in securing a loan or credit extension, until the depository institution has agreed to make the loan or credit extension;

(b) Refuse to accept a written binder issued by an insurance producer as proof that temporary insurance exists covering the real or personal property that is the subject matter of, or security for, a loan or extension of credit, and that a policy of insurance will be issued covering that property. A written binder issued by an insurance producer or insurer covering real or personal property that is the subject matter of, or security for, a loan or extension of credit shall be effective until a policy of insurance is issued in lieu thereof, including within its terms the identical insurance bound under the binder and the premium therefor, or until notice of the cancellation of the binder is received by the borrower and the depository institution extending credit or offering the loan. When a depository institution closes on a binder under ORS 742.043, the insurance producer or insurer issuing the binder shall be bound to provide a policy of insurance, equivalent in coverage to the coverage set forth in the binder, within 60 days from the date of the binder. The provisions of this paragraph do not apply when prohibited by federal or state statute or regulations; or

(c) Use or disclose to any other insurance producer, other than the original insurance producer, the information relating to a policy of insurance furnished by a borrower unless the original insurance producer fails to deliver a policy of insurance within 60 days prior to expiration to the depository institution without first procuring the written consent of the borrower.

(2) As used in this section, “depository institution” means a financial institution as that term is defined in ORS 706.008. [1977 c.742 §4; 1987 c.916 §10; 2003 c.363 §12; 2003 c.364 §144a]

(1) In a contract or loan agreement, or in a separate document accompanying the contract or loan agreement and signed by the mortgagor, borrower or purchaser, that provides for a loan or other financing secured by the mortgagor’s, borrower’s or purchaser’s real or personal property and that authorizes the secured party to place insurance on the property when the mortgagor, borrower or purchaser fails to maintain the insurance as
required by the contract or loan agreement or the separate document, a warning in substantially the following form shall be set forth in 10-point type:

WARNING

Unless you provide us with evidence of the insurance coverage as required by our contract or loan agreement, we may purchase insurance at your expense to protect our interest. This insurance may, but need not, also protect your interest. If the collateral becomes damaged, the coverage we purchase may not pay any claim you make or any claim made against you. You may later cancel this coverage by providing evidence that you have obtained property coverage elsewhere.

You are responsible for the cost of any insurance purchased by us. The cost of this insurance may be added to your contract or loan balance. If the cost is added to your contract or loan balance, the interest rate on the underlying contract or loan will apply to this added amount. The effective date of coverage may be the date your prior coverage lapsed or the date you failed to provide proof of coverage.

The coverage we purchase may be considerably more expensive than insurance you can obtain on your own and may not satisfy any need for property damage coverage or any mandatory liability insurance requirements imposed by applicable law.

(2) Substantial compliance by a secured party with subsection (1) of this section constitutes a complete defense to any claim arising under the laws of this state challenging the secured party’s placement of insurance on the real or personal property in which the secured party has a security interest, for the protection of the secured party’s interest in the property.

(3) Nothing contained in this section shall be construed to require any secured party to place or maintain insurance on real or personal property in which the secured party has a security interest, and the secured party shall not be liable to the mortgagor, borrower or purchaser or to any other party as a result of the failure of the secured party to place or maintain such insurance.

(4) The failure of a secured party prior to January 1, 1996, to include in a contract or loan agreement, or in a separate document accompanying the contract or loan agreement, the notice set forth in subsection (1) of this section shall not be admissible in any court or arbitration proceeding or otherwise used to prove that a secured party’s actions with respect to the placement or maintenance of insurance on real or personal property in which the secured party has a security interest are or were unlawful or otherwise improper. A secured party shall not be liable to the mortgagor, borrower or purchaser or to any other party for placing such insurance in accordance with the terms of an otherwise legal contract or loan agreement with the mortgagor, borrower or purchaser entered into prior to January 1, 1996. [1977 c.742 §5; 1995 c.313 §3; 2003 c.363 §13]

746.213 Definitions for ORS 746.213 to 746.219. As used in ORS 746.213 to 746.219:

(1) “Affiliate” means any company that controls, is controlled by or is under common control with another company.

(2) “Customer” means an individual who purchases, applies to purchase or is solicited to purchase insurance products primarily for personal, family or household purposes.

(3) “Depository institution” means a financial institution as that term is defined in ORS 706.008. [2003 c.363 §2]

Note: 746.213 to 746.219 were added to and made a part of the Insurance Code by legislative action but were not added to ORS chapter 746 or any series therein. See Preface to Oregon Revised Statutes for further explanation.

746.215 Regulation of depository institutions with regard to insurance sales or solicitations. (1) A depository institution or an affiliate of a depository institution that lends money or extends credit may not:

(a) As a condition precedent to the lending of money or extension of credit, or any renewal thereof, require that the person to whom the money or credit is extended, or whose obligation thereof, require that the person to whom the money or credit is extended, or whose obligation is to acquire or finance, negotiate any policy or renewal thereof through a particular insurer or group of insurers or insurance producer or group of insurance producers.

(b) Reject an insurance policy solely because the policy has been issued or underwritten by a person who is not associated with the depository institution or affiliate when insurance is required in connection with a loan or the extension of credit.

(c) As a condition for extending credit or offering any product or service that is equivalent to an extension of credit, require that a customer obtain insurance from a depository institution or an affiliate of a depository institution, or from a particular insurer or insurance producer. This paragraph does not prohibit a depository institution or an affiliate of a depository institution from informing a customer or prospective customer that insurance is required in order to obtain a loan or credit, that loan or credit approval is contingent upon the procurement by the customer of acceptable insurance or that insurance is available from the depository institution or an affiliate of the depository institution.

(d) Unreasonably reject an insurance policy furnished by the customer or borrower for the protection of the property securing the credit or loan. A rejection is not considered unreasonable if it is
based on reasonable standards that are uniformly applied and that relate to the extent of coverage required and to the financial soundness and the services of an insurer. The standards may not discriminate against any particular type of insurer or call for rejection of an insurance policy because the policy contains coverage in addition to that required in the credit transaction.

(e) Require that any customer, borrower, mortgageor, purchaser, insurer or insurance producer pay a separate charge in connection with the handling of any insurance policy required as security for a loan on real estate, or pay a separate charge to substitute the insurance policy of one insurer for that of another. A charge prohibited in this paragraph does not include the interest that may be charged on premium loans or premium advancements in accordance with the terms of the loan or credit document. This paragraph does not apply to charges that would be required when the depository institution or an affiliate of a depository institution is the licensed insurance producer providing the insurance.

(f) Require any procedures or conditions of an insurer or insurance producer not customarily required of insurers or insurance producers affiliated or in any way connected with the depository institution.

(g) Use an advertisement or other insurance promotional material that would cause a reasonable person to mistakenly believe that the federal government or the state is responsible for the insurance sales activity of, or stands behind the credit of, the depository institution or its affiliate.

(h) Use an advertisement or other insurance promotional material that would cause a reasonable person to mistakenly believe that the federal government or the state guarantees any returns on insurance products or is a source of payment on any insurance obligation of or sold by the depository institution or its affiliate.

(i) Act as an insurance producer unless properly licensed in accordance with ORS 744.062, 744.063 or 744.064.

(j) Pay or receive any commission, brokerage fee or other compensation as an insurance producer, unless the depository institution or affiliate holds a valid insurance producer license for the applicable class of insurance. However, an unlicensed depository institution or affiliate may make a referral to a licensed insurance producer if the depository institution or affiliate does not negotiate, sell or solicit insurance. In the case of a referral of a customer, however, the unlicensed depository institution or affiliate may be compensated for the referral only if the compensation is a fixed dollar amount for each referral that does not depend on whether the customer purchases the insurance product from the licensed insurance producer. Any depository institution or affiliate that accepts deposits from the public in an area in which such transactions are routinely conducted in the depository institution may receive for each customer referral no more than a one-time, nominal fee of a fixed dollar amount for each referral that does not depend on whether the referral results in a transaction.

(k) Solicit or sell insurance, other than credit insurance or flood insurance, unless the solicitation or sale is completed through documents separate from any credit transactions.

(L) Except as provided in ORS 746.201, include the expense of insurance premiums, other than credit insurance premiums or flood insurance premiums, in the primary credit transaction without the express written consent of the customer.

(m) Solicit or sell insurance unless the insurance sales activity of the depository institution or affiliate are, to the extent practicable, physically separated from areas where retail deposits are routinely accepted by depository institutions.

(n) Solicit or sell insurance unless the depository institution or affiliate maintains separate and distinct books and records relating to the insurance transactions, including all files relating to and reflecting consumer complaints.

(2) A depository institution or an affiliate of a depository institution that lends money or extends credit and that solicits insurance primarily for personal, family or household purposes shall disclose to the customer in writing that the insurance related to the credit extension may be purchased from an insurer or insurance producer of the customer’s choice, subject only to the depository institution’s right to reject a given insurer or insurance producer as provided in subsection (1)(d) of this section. The disclosure shall inform the customer that the customer’s choice of insurer or insurance producer will not affect the credit decision or credit terms in any way, except that the depository institution may impose reasonable requirements concerning the creditworthiness of the insurer and the extent of coverage chosen as provided in subsection (1)(d) of this section. [2003 c.363 §3; 2005 c.22 §497]

Note: See note under 746.213.

746.217 Disclosures to customers. (1) A depository institution that sells insurance, and any person that sells insurance on behalf of a depository institution, or on the premises of a depository institution where the depository institution is engaged in the business of taking deposits or making loans, shall disclose to the customer in writing, when practicable and in a clear and conspicuous manner, prior to a sale, that the insurance:

(a) Is not a deposit;

(b) Is not insured by the Federal Deposit Insurance Corporation or any other federal government agency;

(c) Is not guaranteed by the depository institution or an affiliate of the depository institution
(d) When appropriate, involves investment risk, including the possible loss of value.

(2) The requirements of subsection (1) of this section apply:

(a) To an affiliate of a depository institution only to the extent that it sells insurance on the premises of a depository institution where the depository institution is engaged in the business of taking deposits or making loans or on behalf of a depository institution.

(b) When an individual purchases insurance primarily for personal, family or household purposes and only to the extent that the disclosure would be accurate.

(3) For the purpose of subsection (1) of this section, a person is selling insurance on behalf of a depository institution, whether on the premises of the depository institution or at another location, if either one of the following applies:

(a) The person represents to the customer that the sale of the insurance is by or on behalf of the depository institution; or

(b) The depository institution refers a customer to the person that sells insurance and the depository institution has a contractual arrangement to receive commissions or fees derived from the sale of insurance resulting from the referral.

[2003 c.363 §4]

Note: See note under 746.213.

746.230 Unfair claim settlement practices. (1) An insurer or other person may not commit or perform any of the following unfair claim settlement practices:

(a) Misrepresenting facts or policy provisions in settling claims;

(b) Failing to acknowledge and act promptly upon communications relating to claims;

(c) Failing to adopt and implement reasonable standards for the prompt investigation of claims;

(d) Refusing to pay claims without conducting a reasonable investigation based on all available information;

(e) Failing to affirm or deny coverage of claims within a reasonable time after completed proof of loss statements have been submitted;

(f) Not attempting, in good faith, to promptly and equitably settle claims in which liability has become reasonably clear;

(g) Compelling claimants to initiate litigation to recover amounts due by offering substantially less than amounts ultimately recovered in actions brought by such claimants;

(h) Attempting to settle claims for less than the amount to which a reasonable person would believe a reasonable person was entitled after referring to written or printed advertising material accompanying or made part of an application;

(i) Attempting to settle claims on the basis of an application altered without notice to or consent of the applicant;

(j) Failing, after payment of a claim, to inform insureds or beneficiaries, upon request by them, of the coverage under which payment has been made;

(k) Delaying investigation or payment of claims by requiring a claimant or the claimant’s physician, naturopathic physician, physician assistant or nurse practitioner to submit a preliminary claim report and then requiring subsequent submission of loss forms when both require essentially the same information;

(L) Failing to promptly settle claims under one coverage of a policy where liability has become reasonably clear in order to influence settlements under other coverages of the policy;

(m) Failing to promptly provide the proper explanation of the basis relied on in the insurance policy in relation to the facts or applicable law for the denial of a claim; or

(n) Any of the practices described in ORS 746.233.

(2) No insurer shall refuse, without just cause, to pay or settle claims arising under coverages provided by its policies with such frequency as to indicate a general business practice in this state, which general business practice is evidenced by:

(a) A substantial increase in the number of complaints against the insurer received by the Department of Consumer and Business Services;

(b) A substantial increase in the number of lawsuits filed against the insurer or its insureds by claimants; or

(c) Other relevant evidence. [1967 c.359 §588a; 1973 c.281 §1; 1989 c.594 §1; 2014 c.45 §1; 2015 c.59 §6; 2017 c.356 §101; 2019 c.284 §10]

746.260 Driving record not to be considered in issuance of motor vehicle insurance. (1) As used in this section, “employment driving record” and “non-employment driving record” mean the employment driving record and non-employment driving record described in ORS 802.200.

(2) Except as provided in subsection (4) of this section, an insurer may not consider an individual’s employment driving record or non-employment driving record in determining rates for, or whether to issue or renew, a policy of personal insurance, as defined in ORS 746.600, that provides, for the individual, automobile liability coverage, uninsured motorist coverage, automobile medical payments coverage or automobile physical damage coverage on an individually owned passenger vehicle, including pickup and panel trucks and station wagons. An insurer may not cancel the policy or discriminate in regard to other terms or conditions of the policy based
746.265 Purposes for which abstract of non-employment driving record may be considered. (1) Subject to subsection (2) of this section, an insurer may consider the abstract of an individual’s non-employment driving record under ORS 802.220 when evaluating the individual’s application to obtain or renew personal insurance, as defined in ORS 746.600, that provides automobile liability coverage, uninsured motorist coverage, automobile medical payments coverage or automobile physical damage coverage on an individually owned passenger vehicle, including pickup and panel trucks and station wagons:

(a) For the purpose of determining whether to issue or renew the individual’s policy.

(b) For the purpose of determining the rates of the individual’s policy.

(2) For the purposes specified in subsection (1) of this section, an insurer that issues or renews a policy described in subsection (1) of this section may not consider any:

(a) Accident or conviction for violation of motor vehicle laws that occurred more than three years immediately preceding the application for the policy or for renewal of the policy;

(b) Diversion agreements under ORS 813.220 that were entered into more than three years immediately preceding the application for the policy or for renewal of the policy; or

(c) Suspension of driving privileges pursuant to ORS 809.280 (6) or (8) if the suspension is based on a non-driving offense.

(3) Subsection (2) of this section does not apply if an insurer considers an individual’s non-employment driving record under ORS 802.220 for the purpose of providing a discount to the individual. [1987 c.5 §5; 1989 c.853 §1; 1991 c.860 §7; 1999 c.59 §231; 2001 c.327 §1; 2011 c.355 §25; 2015 c.76 §2]

746.275 Definitions for ORS 746.275 to 746.300. As used in ORS 746.275 to 746.300:

(1) “Adjuster” means a person authorized to do business under ORS 744.515 or 744.521.

(2) “Motor vehicle liability insurance policy” means an insurance policy which provides automobile liability coverage, uninsured motorist coverage, automobile medical payments coverage or automobile physical damage coverage on motor vehicles, but does not include any insurance policy:

(a) Covering garage, automobile sales agency, repair shop, service station or public parking place operation hazards; or

(b) Issued principally to cover personal or premises liability of an insured, even though such insurance may also provide some incidental coverage for liability arising out of the ownership, maintenance or use of a motor vehicle on the premises of such insured or on the ways immediately adjoining such premises.

(3) “Motor vehicle body and frame repair shop” means a business or a division of a business organized for the purpose of effecting repairs to motor vehicles which have been physically damaged. [1977 c.785 §1; 2019 c.151 §41]

Note: 746.275 to 746.300 and 746.991 were enacted into law by the Legislative Assembly but were not added to or made a part of ORS chapter 746 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

746.280 Designation of particular motor vehicle repair shop by insurer prohibited; notice; limitation of costs. (1) An insurer may not require that a particular person make the repairs to the insured’s motor vehicle as a condition for recovery by the insured under a motor vehicle liability insurance policy.

(2) Prior to providing a recommendation that a particular person make repairs to the insured’s motor vehicle, the person adjusting the claim on behalf of the insurer shall inform the insured of the rights conferred by subsection (1) of this section by communicating in a statement substantially similar to the following:

Oregon law prohibits us from requiring you to get repairs to your vehicle at a particular motor vehicle repair shop. You have the right to select the motor vehicle repair shop of your choice.

Note: 746.280 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 746 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

(3) If an insured elects to have the motor vehicle repaired at a motor vehicle repair shop other than a shop recommended by the insurer, the insurer may not limit the cost of repairs necessary to return the motor vehicle to a pre-loss condition relative to safety, function and appearance other than as stated in the policy or as otherwise allowed by law.

(4) If an insured accepts the insurer’s recommendation, the insurer shall provide, electronically or in printed form, a statement to the insured within three business days after the date of acceptance in substantially the following form:
USE OUR RECOMMENDED REPAIR SHOP. YOUR VEHICLE WILL RECEIVE REPAIRS RETURNING IT TO A PRELOSS CONDITION RELATIVE TO SAFETY, FUNCTION AND APPEARANCE AT NO ADDITIONAL COST TO YOU OTHER THAN AS STATED IN THE INSURANCE POLICY OR AS OTHERWISE ALLOWED BY LAW.

[1977 c.785 §2; 2007 c.506 §1]

Note: See note under 746.275.

746.285 Notice of prohibition in policies and by adjusters. (1) An adjuster establishing loss under a motor vehicle liability insurance policy shall advise the insured of the provisions of ORS 746.280.

(2) Every motor vehicle liability insurance policy issued in this state after December 31, 1977, and any extension or renewal after that date of a policy issued before that date shall be accompanied by a statement in clear and conspicuous language approved by the director of:

(a) The rights and responsibilities of the insured when a claim is submitted; and
(b) The provisions of ORS 746.280. [1977 c.785 §4]

Note: See note under 746.275.

746.289 Insurer offer of crash part warranty. Any insurer which offers a motor vehicle insurance policy that provides coverage for repair of the vehicle shall make available to its insured a crash part warranty for crash parts not made by the original equipment manufacturer as described in ORS 746.292 when the insured requests one. [1987 c.622 §3]

Note: See note under 746.275.

746.290 Notice of prohibition in motor vehicle repair shops; size; location. A person operating a motor vehicle body and frame repair shop shall display in a conspicuous place in the shop a sign in bold face type in letters at least two inches high reading substantially as follows:

PURSUANT TO OREGON INSURANCE LAW, AN INSURANCE COMPANY MAY NOT REQUIRE THAT REPAIRS BE MADE TO A MOTOR VEHICLE BY A PARTICULAR PERSON OR REPAIR SHOP.

[1977 c.785 §3]

Note: See note under 746.275.

746.292 Motor vehicle repair shops; invoices; estimates; warranties; prohibited practices. (1) All work done by a motor vehicle body and frame repair shop shall be recorded on an invoice and shall describe all service work done and parts supplied. If any used parts are supplied, the invoice shall clearly state that fact. If any component system installed is composed of new and used parts, such invoice shall clearly state that fact. One copy of the invoice shall be given to the customer and one copy shall be retained by the motor vehicle body and frame repair shop.

(2) Before commencing repair work and upon the request of any customer, a motor vehicle body and frame repair shop shall make an estimate in writing of the parts and labor necessary for the repair work, and shall not charge for the work done or parts supplied in excess of the estimate without the consent of such customer.

(3)(a) If crash parts to be used in the repair work are supplied by the original equipment manufacturer, the parts shall be accompanied by a warranty that guarantees the customer that the parts meet or exceed standards used in manufacturing the original equipment.

(b) If crash parts to be used in the repair work are not supplied by the original equipment manufacturer, the estimate shall include a statement that says:

This estimate has been prepared based on the use of a motor vehicle crash part not made by the original equipment manufacturer. The use of a motor vehicle crash part not made by the original equipment manufacturer may invalidate any remaining warranties of the original equipment manufacturer on that motor vehicle part. The person who prepared this estimate will provide a copy of the part warranty for crash parts not made by the original equipment manufacturer for comparison purposes.

(4) No motor vehicle body and frame shop may:

(a) Supply or install used parts, or any component system composed of new and used parts, when new parts or component systems are or were to be supplied or installed.
(b) Supply or install, without the owner’s consent, any aftermarket crash part unless the part has been certified by an independent test facility to be at least equivalent to the part being replaced. For purposes of this paragraph, an aftermarket crash part is at least equivalent to the part being replaced if the aftermarket crash part is the same kind of part and is at least the same quality with respect to fit, finish, function and corrosion resistance.

(c) Charge for repairs not actually performed, or add the cost of repairs not actually to be performed to any repair estimate.

(d) Refuse any insurer, or its insured, or their agents or employees, reasonable access to any repair facility for the purpose of inspecting or reinspecting the damaged vehicle during usual business hours.

(5) As used in ORS 746.287 and this section, “aftermarket crash part” means a motor vehicle replacement part, sheet metal or plastic, that constitutes the visible exterior of the vehicle, including an inner or outer panel, is generally repaired or replaced as the result of a collision and is not supplied by the original equipment manufacturer. [1977 c.785 §5; 1987 c.622 §1]

Note: See note under 746.275.

746.295 Proof and amount of loss under motor vehicle liability policies; determination by insurer. Nothing in ORS 746.275 to 746.300 or 746.991 shall prohibit an insurer from establishing proof of loss requirements for motor vehicle liability insurance policies, investigating and determining the amount of an insured’s loss through its agents or employees or negotiating with any person for the repair of such loss. [1977 c.785 §6]

Note: See note under 746.275.

746.300 Liability of insurers and motor vehicle repair shops for damages; attorney fees. An insured whose insurer violates ORS 746.280 or 746.290, or a customer whose motor vehicle body and frame repair shop violates ORS 746.292, may file an action to recover actual damages or $100, whichever is greater, for each violation. The court may award reasonable attorney fees to the prevailing party in an action under this section. [1977 c.785 §7; 1981 c.897 §102; 1995 c.618 §129]

Note: See note under 746.275.

746.308 Violation of provisions regarding totaled vehicles as violation of Insurance Code. An insurer that violates ORS 819.014 or 819.018 shall be considered to have violated a provision of the Insurance Code. [1991 c.820 §7]

Note: 746.308 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 746 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.
