## ALL ABOUT SPECIAL USE TRAILERS

1. Special use trailers include trailers of any width that are used temporarily on a construction site for office purposes only and trailers eight feet or less in width used for business or commercial purposes.
2. Registration length is the total length of the trailer, measured from the trailer hitch to the rear-most extremity of the trailer. Round any fractions **down** to the nearest full foot.
3. Special use trailers are registered for a two-year period. They are issued one registration plate, which must be displayed on the rear of the trailer.
4. Special use trailers are **not** required to be continuously registered, but must be registered or operated with a valid trip permit, when used over the highways.
5. Any application for title must include the title fee and other applicable fees.
