You must let the post office know you are going to change your address and want your mail forwarded to your new location, you have two options:

- Go to USPS.com/move to change your address online
- Go to your local post office and request a Mover's Guide packet

DMV uses the same address for all vehicles registered in your name **and** for your Driver License, Permit or ID Card. By giving us your new address, we will change the address on:

1. Your Driver License, Permit or ID Card record. If your Driver License, Permit or ID Card is currently valid, we will send an address sticker to your new address. You must place this sticker on your card.
2. Every vehicle registration record where you are the owner and where it is your address being used on the registration.
 - If there are multiple owners and you are not sure whose address is being used, ask all owners to verify that their current address is on file with DMV.
 - We will not send new registration cards. Please write your new address on the vehicle registration card so that it matches our computer records.
