To Security Interest Holder:

The registered owner of the vehicle described on the enclosed documents has moved to Oregon and applied for registration. By law, DMV cannot title or register a vehicle unless we receive the current certificate of title. The owner cannot register the vehicle in Oregon until you send DMV the title.

Please send DMV:

1. The **current original CERTIFICATE OF TITLE**.
2. The Application for Title and Registration (Form 735-226), which has been completed and signed by the owner. (See the attached title and registration procedures for instructions to complete the form.)
3. If you still hold an interest in the vehicle, your name, DMV customer number (if known), and address must appear on the application form as security interest holder.
4. Any necessary supporting documents, such as a power of attorney or release of interest.
5. A check or money order made payable to Oregon DMV, from either you or the registered owner, for all title and registration fees.

**ALL DOCUMENTS and FEES must be submitted TOGETHER** in the enclosed envelope to avoid delays in processing. Please make sure that the Application for Title and Registration (Form 735-226) has been completed to show the ownership you want shown on the Oregon title.

**The Oregon title will be mailed directly to the security interest holder shown on the application. The registered owner will receive only the registration card.**

If you no longer hold an interest in the vehicle, please submit to Oregon DMV either the signed-off title or the title with a signed statement that includes the vehicle identification information releasing your interest. The signature for a business must show the name of the business and the signature of a person authorized to sign for the business.

The vehicle described is currently being operated in Oregon on a temporary basis. Oregon only allows the purchase of two (2) 21-day trip permits within a 12-month period. **The registered owner is depending on your prompt reply.**
