#### CERTIFICATION

Under Oregon law, it is a crime to knowingly provide false information or certify any information that a person knows to be false related to a vehicle registration (ORS 803.375 and 803.385). Each offense is a Class A misdemeanor and punishable by a jail sentence of up to one year, a fine of up to \$6,250, or both. This certification is true and correct to the best of my knowledge. I am knowledgeable of the applicable federal motor carrier safety regulations, hazardous materials regulations, compatible state regulations, standards and orders. I declare all operations will be conducted in compliance with such requirements.
