INSTRUCTIONS

This form is to be completed and filed when:

1. **Applying for an established account to operate as a motor carrier in Oregon**
2. **Changing the informational record on file with ODOT.**

TYPE OF APPLICATION

Indicate whether new account or change in existing account.

- A new carrier is a carrier that has had no previous established account in Oregon.
- A name change is when there is an existing account and only the name has changed. The FEIN remains the same.
- An ownership change is a change in entities and/or ownership structure of a company for which there is an existing account. The FEIN has changed.

WEIGHT-MILE TAX REPORTING TYPE

Pursuant to OAR 740-055-015, a motor carrier approved to report and pay weight-mile tax on a quarterly basis may begin such reporting and payment in the first full calendar quarterly reporting period immediately following the month approval is granted by the Department.

1. Select QUARTERLY, to elect to file reports and pay weight-mile tax on a quarterly basis. ODOT requires you to file reports and pay as long as you have Oregon DOT plates and/or vehicle(s) enrolled in the Oregon Weight-Mile Tax Program. If no tax is due, you must still file a report
2. Select MONTHLY, to elect to file reports and pay weight-mile tax on a monthly basis. ODOT requires you to file reports and pay as long as you have Oregon DOT plates and/or vehicle(s) enrolled in the Oregon Weight-Mile Tax Program. If no tax is due, you must still file a report.

NEW AUTHORITY/TYPE OF OPERATION

1. Your name must match exactly the name filed with your state if a corporation or assumed business name.
2. Enter your complete mailing address and telephone number. Your street address must also be entered if it is different than your mailing address, or if you receive your mail through a post office box. This will ensure UPS delivery. If your address of record with ODOT is an agent's address, the power of attorney must specifically authorize the use of the agent's address.
3. Indicate your type of ownership. Oregon corporations, Oregon limited liability companies, limited liability partnerships, and businesses with Oregon mailing addresses using assumed business names must be registered with the Oregon Secretary of State, Corporation Division.
4. A Class B Permit authorizes a carrier to transport household goods for hire within designated local cartage areas that are exempt from economic regulation (see list of cities in OAR 740-060-0100). Pursuant to ORS 825.240, the following conditions must apply: (a) the gross revenue derived from local cartage of household goods in the designated area by carriers cannot exceed \$100,000 a year; (b) the population of the affected city or cartage area is less than 10,000; (c) the incorporated city or cartage area is not an essential part of a metropolitan, industrial or homogeneous economic area; (d) the incorporated city or cartage area is not contiguous to another city or within the area encompassed by the commercial zone of another city; (e) service to the public would be adversely affected; (D the carrier's ability to render service would not be adversely affected; and (g) it is not otherwise adverse to the public interest to exclude such area from regulation.
5. Description of "7W" operations - Permit Authority under ORS 825.020 for operations over 26,000:

U.S. mail on a trip basis
Buses within cities and within three air miles of the city
Vehicles used in preventing or fighting forest fires
Tow trucks
Common or contract carriers transporting employees, relatives, indigents, etc.
Florist delivery vehicles
Private carriers transporting fish
Vehicles owned by truck leasing companies used for purposes of relocation

6. If you wish to haul commodities (except household goods) intrastate, please complete an Application for Class 1A Permit (ODOT Form 735-9745) and include a \$300 application fee.

7. List the full name, title, date of birth, and social security number of the individual owner, each partner, each corporate officer, partners in a limited liability partnership (LLP), or each manager/member of the limited liability company (LLC). If a corporation, attach a list of shareholders, officers or directors not already listed. Attach addendum if needed.
8. The application must be signed by the individual owner, all partners, a corporate officer, a partner in a LLP, a manager/member of the LLC, or Agent. Note to agent: Include your title when signing and attach a power of attorney form.
9. Per OAR 740-040-0070 you will be required to post a Surety Bond regardless of whether you operate on an ODOT plate, temporary pass, or enrolled in the Oregon Weight-Mile Tax Program.
10. When operating intrastate only, you will be required to file proof of liability insurance with ODOT. When operating interstate, review federal regulations regarding the Minimum Levels of Financial Responsibility for Motor Carriers.

For bond, insurance and record keeping requirements, refer to the information available on our website.

CHANGE OF INFORMATIONAL RECORD

1. So that you may be accurately identified, enter your account number, name, and current mailing address.
2. Complete the section or sections of the application form for which a record change is requested. In the Type of Application area, identify the change (i.e., name, ownership, address, permit, or telephone).
3. A corporate name change may require an updated corporate certificate reflecting the change.
4. An Oregon assumed business name change requires an update with the Oregon Secretary of State, Corporation Division.
5. If your operation has a change in ownership, a new application for motor carrier account must be completed and submitted to ODOT. Upon approval of the application, a new account number will be assigned.

NOTE:

The completion of this form does not constitute authority to operate in the state of Oregon. In addition, a Temporary Pass, OR DOT plate must be obtained, or enrolled in the Oregon Weight-Mile Tax Program.

After your account application has been approved and you have registered a motor vehicle with the Department (see Vehicle Registration/Amendment, ODOT Form 735-9076), weight-mile tax report forms will be mailed to you.

APPLICATION FOR AN OREGON INTRASTATE CERTIFICATE TO TRANSPORT HOUSEHOLD GOODS

BEFORE FILING

MAKE SURE YOU NEED A HOUSEHOLD GOODS FOR-HIRE CARRIER CERTIFICATE

"Household goods" means the personal effects or other property used or to be used in a dwelling but does not include property transported from a store or factory or property exclusively for office use.

A certificate of authority is required for persons or businesses providing, or offering to provide, for-hire transportation of household goods between two Oregon points. You do not need a certificate of authority to transport household goods for-hire within certain exempt cities with a population of less than 10,000 (ORS 825.240). However, for those operations you must obtain a permit. For permit information, call (503) 378-6699.

ODOT Commerce and Compliance Division staff at (503) 979-6967 can help determine whether you need a for-hire certificate; however, it is very important to remember two things:

- You must clearly and accurately describe the service you would like to provide and your method for providing that service. Slight changes in your operation may result in changes in the requirements you must meet.
- Commerce and Compliance Division staff are not attorneys: they may not be able to answer your questions if you present an unusual fact situation. Opinions offered by staff are not binding on the Department.

If you want to consult an attorney but you do not know a qualified one, contact the Oregon State Bar Lawyer Referral Service (1-800-452-7636). Ask for an attorney who is familiar with transportation law.

If you are transferring an existing certificate, check the transferor's records to determine whether the transferor has provided service to the public in the recent past. Certificate authority that has not been used for the six months immediately preceding the transfer application may be denied.

Additional information to assist in completion of this application is available at: <https://www.oregon.gov/ODOT/MCT/Pages/HouseholdGoodsMoving.aspx>

THE APPLICATION PROCESS

ODOT staff must determine that applicants are fit, willing and able to properly provide the proposed service. Staff reviews each applicant's application, highway use tax payment and audit history, bond and insurance filing history, criminal background information and safety records.

If ODOT intends to deny your application, the Department will notify you of the reason for the proposed denial and provide you with information regarding how to request a hearing. A hearing will be scheduled and you will receive notification of the time and place.

GENERAL REQUIREMENTS

Before filling out the application form, you should:

- Make sure your business name is filed with the Corporation Division;
- Have a Business Identification Number if you have employees;
- Have criminal background checks on all owners.

BUSINESS NAME

Unless you intend to conduct business under your personal name (Ex. John Smith Moving), if you plan to operate as an individual or partnership under an assumed business name, a Limited Liability Company (L.L.C.), or as a corporation, the name of your business, L.L.C., or corporation must be registered with the Oregon Corporation Division. Out-of-state corporations or L.L.C.s, and out-of-state individuals or partnerships using assumed business names should first contact the Secretary of State, Corporation Division, 255 Capitol St NE, Suite 151, Salem, Oregon 97310-0210, (503) 986-2200, and get advance information on how to qualify or register. You do not need to submit any registration papers from the Oregon Corporation Division with this application. ODOT will confirm your registration with the Corporation Division.

BUSINESS IDENTIFICATION NUMBER

If you use employees in your business, you are required to provide your Oregon Business Identification Number (BIN). A BIN is obtained by completing and submitting a Combined Employers Registration form, which is available from the Oregon Department of Revenue (https://www.oregon.gov/DOR/forms/FormsPubs/combined_employer_registration_211-055.pdf) (503-378-4988 or 1-800-356-4222). **It may take up to one week to receive a BIN after you submit a Combined Employers Registration form.**

CRIMINAL BACKGROUND CHECK

An application must include a criminal background check of all owners. The background check must include all court records for the five years immediately preceding the application concerning each owner. Criminal background checks will be used to determine an applicant's fitness. The Department reserves the right to require additional information than that provided with the application when the Department is not satisfied that the information provided by the applicant is current, complete or valid.

APPLICANT STANDARDS

An applicant must show that it is fit, willing and able to properly provide the service sought. In addition to the application form, each applicant must provide a criminal background check. For the purpose of this application:

- (1) "Fit" means that the applicant has not, during the five years preceding the application, been convicted of a crime punishable by imprisonment for a period of time in excess of one year under the law under which he or she was convicted, or a crime regardless of punishment involving Theft; Burglary; Sexual conduct; Manufacture, sale or distribution of a controlled substance; Identity theft; or False statements.
- (2) "Willing" means the applicant is prepared to provide all service sought in the application in compliance with ORS Chapter 825 and Department rules; and
- (3) "Able" means the applicant has or can provide adequate facilities, vehicles and equipment to perform the service proposed; the applicant certifies that these vehicles comply with all Oregon laws and rules covering vehicle safety and operations, and will be so maintained; and there is no significant evidence concerning the proposed service submitted by the applicant, by members of the public, or in the department's files that suggests a compelling reason to deny the application. Examples of evidence of a compelling reason to deny an application may include a record of a pattern of violations of laws or rules administered by the Department, or two or more complaints from customers regarding applicant's unsatisfactory resolution of loss or damage claims.

INSURANCE

Each applicant must certify that it has, or will have prior to operating, Cargo Insurance coverage or other surety of at least \$10,000 to protect shippers against loss or damage to their household goods.

If you intend to provide service only in Oregon and operate vehicles or vehicle combinations that exceed 26,000 pounds, you must provide proof of Bodily Injury & Property Damage (BIPD) insurance coverage of at least \$750,000. Contact Registration Services at (503) 378-6699 for additional requirements when operating in excess of 26,000 pounds. If you also operate interstate, your insurance filing with USDOT satisfies this requirement.

TARIFFS

You must file a proposed tariff containing rates, rules, and regulations with your application.

You can meet tariff requirements in any of three ways:

1. You may become a party to an existing published rate tariff.
2. You may have a tariff bureau or publishing agent publish an individual tariff.
3. You may submit an individual tariff meeting ODOT requirements.

Two tariff bureaus have offices in Oregon:

Acceleration Transportation Rate Bureau, Inc.
PO Box 19796
Portland, OR 97280-0796
(503) 598-7451

Oregon Moving and Storage Association
4005 SE Naef Rd
Portland, OR 97267
(503) 513-0005

Tariffs must be approved by ODOT before you begin operating.

For more information on tariff filings, access <https://www.oregon.gov/ODOT/MCT/Pages/HouseholdGoodsMoving.aspx>, call (503) 779-8083, or write to: Oregon Department of Transportation, Commerce and Compliance Division, 455 Airport Road SE, Building A, Salem, Oregon 97301.

INSTRUCTIONS FOR PAGES 2 AND 3

It is critical that the information on these pages be completed accurately and that it specifically describes your proposed service. If the territory is not described accurately, it will delay the application process.

QUESTION 1 - TYPE OF OPERATION PROPOSED

Please check your proposed type of operation. Below is a description of these terms:

Other Than Local Cartage - Household Goods - Transporting household goods to, from and within areas outside the corporate limits and the commercial zones of cities.

Local Cartage Service - Household Goods - Transporting household goods within the corporate limits of Oregon cities that have a population over 10,000 and, in the case of larger Oregon cities, their commercial zone. See Question 3 instructions on this page for cities that have commercial zones.

QUESTION 2 (PAGE 2) - OTHER THAN LOCAL CARTAGE HOUSEHOLD GOODS

"Other than local cartage" descriptions vary considerably. The broadest is "unrestricted in the state of Oregon." It is quite common for carriers to list radial-type authority. For example, between points within ten air miles of Salem, on the one hand, and all points in Oregon, on the other. Another common approach is to list territory by county. For example, between points in Clackamas, Multnomah, and Washington counties, on the one hand, and all points in Union and Umatilla counties, on the other.

QUESTION 3 (PAGE 2) - LOCAL CARTAGE SERVICE - HOUSEHOLD GOODS

For this service, the origin and the destination of a shipment must be within the same city limits or that city's commercial zone. This is a distinct and separate authority.

The following cities have extended commercial zones that vary from one air mile beyond their city limits to ten air miles beyond their city limits: Astoria, Coos Bay, Eugene, Klamath Falls, Medford, Portland, and Salem. Please call (503) 979-6967 for the limits of each of the above commercial zones.

PAGE 3 & 3A - FINANCIAL INFORMATION

Financial fitness and ability to provide proposed service are evaluated. A complete and accurate Financial Statement (balance sheet) and either a current income statement for the prior year or a projected income statement for the upcoming year will be used to determine if an applicant meets those standards. For assistance completing the financial information, access detailed instructions online at: <https://www.oregon.gov/ODOT/MCT/Pages/HouseholdGoodsMoving.aspx>, call (503) 979-6967, or write to: Oregon Department of Transportation, Commerce and Compliance Division, 455 Airport Road SE, Building A, Salem, Oregon 97301.

APPLICATION FEE

Mail the original of each page and the \$300 application fee to the Oregon Department of Transportation, Commerce and Compliance Division, 455 Airport Road SE, Building A, Salem, Oregon 97301. Once an application is made, the application fee cannot be refunded unless a request is made in writing prior to the Department's proposed decision and the Department finds that the request meets the requirements in ORS 825.180(2)

FOR ADDITIONAL INFORMATION ON APPLICATIONS FOR HOUSEHOLD GOODS AUTHORITY, PLEASE CALL (503) 979-6967.

INSTRUCTIONS

This form is to be completed and submitted along with Form 735-9075, Application for Motor Carrier Account (New/Change) for obtaining a permit to transport property (except household goods) in intrastate commerce in Oregon.

APPLICATION PROCESS

Upon receipt of your completed application, ODOT staff will verify liability and cargo insurance filings. **YOUR PERMIT WILL NOT BE ISSUED UNTIL PROOF OF LIABILITY INSURANCE (if you operate vehicles over 26,000 pounds declared weight) AND CARGO INSURANCE (if you transport commodities subject to material damage through normal transportation hazards) ARE ON FILE WITH THE DEPARTMENT.**

ASSUMED BUSINESS NAME AND/OR CORPORATE QUALIFICATION

If you plan to operate as an individual or partnership using an assumed business name, or as a corporation, the name of your business or corporation must be registered with the Oregon Secretary of State, Corporation Division. All corporations and individuals or partnerships using assumed business names should contact that agency, Public Service Building, 255 Capitol Street NE, Suite 151, Salem, Oregon 97310-0210, (503) 986-2200, and get information on how to qualify and register. There is a fee for this registration/qualification. You do not need to submit any registration papers from the Corporation Division with this application. ODOT will confirm your registration directly with the Corporation Division.

COMPLETING THE APPLICATION

1. Vehicles Under 10,000 lbs: If all your vehicles have a gross vehicle weight of 10,000 pounds or less, please check the "YES" block. This information will assist us in determining which new carriers need to receive a New Carrier Education Packet a requirement for most new Oregon-based carriers as specified by ORS 825.402

2. and 3. Liability Insurance: Oregon intrastate for-hire carriers operating vehicles over 26,000 pounds must have a minimum \$750,000 liability insurance policy on file with ODOT. Please ask your insurance agent/company to file a Form E, Uniform Proof of Liability Insurance, with ODOT's Insurance and Bond Section. Your insurance agent may be able to submit a liability insurance binder which we will accept until the original Form E Filing is received from your insurance company. We must receive either a written binder, facsimile copy of a binder or Form E, or the original Form E before we will issue your Class 1A Permit. Please request that your insurance agent/company send these documents to ODOT Commerce and Compliance Division, Insurance and Bond Section, 455 Airport Road SE, Building A, Salem, Oregon 97301. Fax: (503) 378-3736.

4, 4A, and 4B. Cargo Insurance: Oregon intrastate for-hire carriers must have a minimum \$10,000 cargo insurance policy on file with ODOT. This commonly applies to carriers hauling general commodities. ODOT waives this requirement for carriers transporting commodities not subject to material loss or damage through normal transportation hazards. It is waived, for example, for carriers hauling logs, sand/gravel, lumber, plywood, wood chips, garbage, water, and a number of other commodities. Please ask your insurance agent/company to file a Form H, Uniform Proof of Cargo Insurance, with ODOT's Insurance and Bond Section. Your insurance agent may be able to submit a cargo insurance binder which we will accept until the original Form H filing is received from your insurance company. We must receive either a written binder, facsimile copy of a binder or Form H, or the original Form H before we will issue your Class 1A Permit. Please request that your insurance agent/company send these documents to ODOT Commerce and Compliance Division, Insurance and Bond Section, 455 Airport Road SE, Building A, Salem, Oregon 97301. Fax: (503) 378-3736.

5. Application Fee: File the original of this application and a \$300 application fee with an ODOT port of entry office near you or mail to: Commerce and Compliance Division, 455 Airport Road SE, Building A, Salem, Oregon 97301.

6. Oregon Uniform Cargo Liability Law (see note): Oregon law, Chapter 823, requires that common carriers issue a bill of lading on intrastate shipments and accept liability for cargo loss or damage. It provides that shippers have at least nine months after delivery to file claims and two years from the date a claim is denied to institute a suit.

7. Cargo Credit Rule (see note): OAR 740-055-0170 states that carriers cannot deliver or relinquish possession of freight until lawful transportation charges are paid. Carriers can, however, present the bill as many as seven days after delivery and they may extend credit for up to seven days after the bill is presented.

8. Uniform Bill of Lading Rule (see note): OAR 740-055-0170 requires that carriers prepare a bill of lading for every shipment transported. The rule details what information must be included on a bill of lading. Carriers may use an ODOT Uniform Bill of Lading form that is similar to the Straight Bill of Lading published in the National Motor Freight Classification (NMFC) Tariff. Whether you use the ODOT form or your own individual form, the bill of lading is an important legal document constituting the entire contract of carriage. It contains the terms and conditions of the contract (including carrier liability and claims), serves as a receipt for the goods transported, and is documentary evidence of the party entitled to delivery.

9. Joint Line Rates and Routes (see note): A joint line rate is a rate applicable to carriers involved in an interline freight movement. When carriers collaborate on such a rate, they need immunity from antitrust claims and prosecution. ODOT will provide optional regulatory oversight so that interlining carriers can set rates with antitrust immunity.

10. Mileage Guides (see note): Freight rates are often based on exact distances. Oregon tariff bureaus will continue to publish ODOT approved mileage guides that carriers may subscribe to and use as a basis for their rates.

11. Commodity Classifications (see note): Motor carriers have historically relied on commodity classifications in the NMFC Tariff to determine transportation rates. Carriers have also relied on it for packaging regulations. This will be the ODOT approved classification tariff that carriers may subscribe to and use.

NOTE: Any optional question (6 through 11) left blank will be reflected in your 1A Permit that you do not elect to participate in that optional regulation.

FOR ADDITIONAL INFORMATION, PLEASE CALL (503) 378-6699 OR (503) 378-6691.

NOTE: ONCE ODOT ISSUES A CLASS 1A PERMIT, A FEE OF \$50.00 MUST BE PAID PRIOR TO ISSUANCE OF A REVISED PERMIT (ORS 825.180(1) (d)).

Enclosed is the Class 1A permit application package, which includes *Application for Motor Carrier Permit* and *Application for Class 1A Permit* forms. Both forms need to be completed.
