02440.30 – Hot Poured Joint Filler

ODOT keeps a list of hot poured joint filler products on the Qualified Products List (QPL). To have your product evaluated for inclusion on the QPL, you must show compliance with the specifications listed below.

Specifications:

1. AASHTO M324 – Type II (ASTM D6690 Type II).

To apply for inclusion on the QPL, submit the following:

- Preliminary information for Product Evaluation Form.
- Independent test results showing compliance with specs listed above.
- Legible copy of the MSDS.
- Spec data sheet.
- Detailed installation instructions.
- List of limitations and precautions.

Submit documentation to:

Oregon DOT – Product Evaluation Coordinator
800 Airport Road SE
Salem OR 97301-4798
503-986-3059

Please send no samples at this time.
