

Activity L13

Traffic Operations and Management

Description

Activity L13 involves operating the Transportation Operations Centers (TOC), investigating crashes, assisting with speed zone recommendations, and evaluating operation of traffic signals and timing, illumination, signing, and traffic turning movements.

General Information

Refer to discussion in the General Instructions section preceding Activity L10 in this section of the *Maintenance Guide* for additional information including environmental and traffic control recommendations and other important considerations.

Measurement of Accomplishment, Expenditure Account, Charge Activity

Measurement is number of worker hours involved. Expenditure account type is Crew OPS EA; use a sub job appropriate for the crew performing the work.

- Charge all work to Activity L13.
