

STATEMENT OF TECHNICAL REVIEW FOR DESIGN SERVICES

OR-19: Holmes Creek - John Day River
Key # 07637
Pavement Design Services
September 2, 2003

COMPLETION OF INDEPENDENT INTERNAL TECHNICAL PEER REVIEW

The District has completed the Pavement Design for the OR-19: Holmes Creek - John Day River project, Key No. 07637. Notice is hereby given that an independent technical review has been conducted that is appropriate to the level of risk and complexity inherent in the project, as defined in the Quality Control Plan. During the independent technical review, compliance with established policy, principles and procedures, utilizing justified and valid assumptions, was verified. This included review of assumptions; methods, procedures, and material used in analyses; alternatives evaluated; the appropriateness of data used and level of data obtained; and reasonableness of the results, including whether the product meets the customer's requirements as described in the Project Prospectus.
