TRAFFIC ADVISORY

Paving closes I-84 in Portland

Nighttime closures between I-205 and NE 102nd start Friday at 8:30 p.m.

The contractor for the Oregon Department of Transportation working on the Interstate 84 Preservation Project will resume paving I-84 this weekend. **This work requires overnight closures of all lanes on I-84 between Interstate 205 and NE 102nd Avenue.** The work will take place as follows:

- Friday, June 25, the contractor will pave I-84 westbound. **The paving requires an overnight closure of I-84 westbound between I-205 and NE 102nd Avenue from 8:30 p.m. Friday, June 25, to 8 a.m. Saturday, June 26.** I-84 eastbound will remain open.
- **Detour:** Westbound traffic will be detoured off I-84 onto I-205 southbound (exit 9) and will rejoin I-84 (exit 21B), east of 82nd Avenue.

Saturday, June 26, the contractor will pave I-84 eastbound. **The paving requires a full overnight closure of I-84 eastbound between I-205 and NE 102nd Avenue, from 8:30 p.m. Saturday, June 26, to 5 a.m. Sunday, June 27.** Additionally, the ramp from I-205 southbound to I-84 eastbound will be closed, as well as the 122nd Avenue on- and off-ramps to/from I-84 eastbound. I-84 westbound will be open.

—more—

Detour: Eastbound traffic will be detoured at the I-205 southbound off-ramp (exit 6), directed to the NE Glisan Street off-ramp (exit 21A) to head east on NE Glisan Street, to the I-205 northbound on-ramp, and then onto I-84.

Sunday, June 27, **the contractor will close the ramp from I-205 southbound to I-84 eastbound at 9:30 p.m. until 8:30 a.m.**

Detour: Motorists traveling on I-205 southbound to I-84 eastbound will continue on I-205 to the Glisan Street/Stark Street off-ramp (exit 21), head to SE Washington Street, to the I-205 northbound on-ramp and then to I-84 eastbound.

Monday, June 28 through Thursday, July 1, I-84 eastbound will have double-lane closures from 122nd Avenue to 174th Avenue.

These closures are from 9:30 p.m. until 5 a.m.

This construction project will be suspended and all lanes open for the July 4th holiday weekend.

Through the month of July the contractor will close eastbound and westbound lanes on I-84 for nighttime work as many as 20 weeknights. Closures only will affect one direction at a time. There are no full freeway closures east of 102nd Avenue. Subsequent closures will affect eastbound and westbound traffic from the I-205 interchange to NE 102nd Avenue.

Because the work is weather-dependent, the closure schedule could vary slightly. Future closures will be preceded by an announcement including detour information.

Check www.Tripcheck.com for the latest traffic information or dial 511. For information about upcoming closures and detours visit www.oregon.gov/ODOT/HWY/REGION1/I84_I205to181/.
