## TRAFFIC ADVISORY

### **Ramp and lane closures on I-84 in Portland**

*Rut paving requires overnight lane and ramp closures Sunday through Thursday*

Crews for the Oregon Department of Transportation next week will pave ruts on Interstate 84 westbound between Interstate 205 and Interstate 5. **Rut paving requires overnight ramp closures and double lane closures on I-84 westbound.**

**Overnight closures are scheduled Sunday, Aug. 22, through Thursday, Aug. 26, each night from 8 p.m. to 6 a.m. the next morning.** The double-lane closures begin at 10 p.m. Closures will only take place in areas that crews are working. Ramp closures will take place intermittently to keep motorists from entering the work zone.

To keep highway workers safe and to prevent motorists from entering the work zone, **the I-205 northbound on-ramp (exit 21B) to I-84 westbound will close overnight Sunday, Aug. 22, and Monday, Aug. 23, from 9 p.m. each night to 5 a.m. the next morning.**

**I-205 northbound to I-84 westbound detour:**

Motorists on I-205 northbound traveling to I-84 westbound will continue on I-205 northbound and take the U.S. 30 bypass west bypass – Columbia Boulevard off-ramp (exit 23A), head west to the I-205 southbound on-ramp and take I-205 southbound to I-84 westbound (exit 21B).

Please be alert to crews and equipment on I-84 and slow down near the work zones. For more information on the I-84 rut paving, visit [www.tripcheck.com](http://www.tripcheck.com) or dial 511.
