## TRAFFIC ADVISORY

### Overnight work planned this weekend for I-84 / I-5 interchange

ODOT road maintenance work requires closing lanes Saturday night to resurface the Interstate 84 and Interstate 5 interchange.

The overnight work begins 9 p.m. Saturday, Sept. 25, and ends at 7 a.m. Sunday. Crews initially will close the left two lanes of westbound I-84 and the ramp to southbound I-5 for approximately 5 hours to do grinding and paving work. The second phase will close the right two lanes of westbound I-84 and the northbound I-5 ramp.

**Detour:** I-5 SB traffic takes the ramp to I-5 NB to the Fremont Bridge, I-405 SB back to I-5 SB. Northbound traffic takes I-5 SB to I-405 SB, over the Fremont Bridge, back to I-5 NB

This work is weather dependant and may be scheduled if conditions are unfavorable.

Motorists are advised to use caution in the work zone and be alert for road workers.
