## TRAFFIC ADVISORY

### Maintenance work closes ramps in Portland

*Crews will work overnight Thursday through Saturday on I-5, I-84 and I-405*

Oregon Department of Transportation crews will perform maintenance activities on several Portland freeways overnight Thursday, Dec. 2, through Saturday, Dec. 4. Some work will require closing ramps connecting to Interstate 5, Interstate 84 and Interstate 405. Work will generally take place in one area and detours will be in place during the closures. The work will take place as follows:

#### **Thursday, Dec. 2:**

- Pothole repair closes the I-5 southbound ramp to I-84 eastbound (exit 301) overnight from 11 p.m. to 5 a.m.
- **Detour:** Motorists can take I-5 southbound to I-405 southbound across the Fremont Bridge to I-5 northbound to the I-84 eastbound off-ramp (exit 300).

#### **Friday, Dec. 3:**

- Crews will prepare to replace a damaged attenuator barrier at the split from I-405 southbound to I-5 southbound. This requires closing the I-405 southbound off-ramp to I-5 southbound (exit 0) overnight from 9 p.m. to 6 a.m. To complete this work, crews will close the left lane of the I-405 southbound off-ramp to I-5 northbound and the SW 5<sup>th</sup> Avenue on-ramp to I-405 southbound.

**Detour:** Motorists can take I-405 northbound across the Fremont Bridge to I-5 southbound.

—more—

A temporary truck mounted attenuator will be placed at the split until crews return to finish placing the new attenuator Saturday, Dec. 10. Motorists need to use caution when traveling through the area. Placing the new attenuator requires the same overnight closures from 9 p.m. to 6 a.m. next Saturday, Dec. 10.

- From 10 p.m. to 6 a.m., crews will close the right lane of I-5 northbound between Hasslo and Columbia Boulevard to obtain pavement samples. This work will take place in a moving operation. Motorists should watch for crews and equipment along the roadway during the work.

**Saturday, Dec. 4:**

- Paving work will close the I-405 southbound top deck of the Fremont Bridge overnight from 10 p.m. to 5 a.m. The paving work requires closing the following ramps:
  - I-5 northbound off-ramp to I-405 southbound
  - I-5 southbound off-ramp to I-405 southbound
  - North Going Street on-ramp to I-5 southbound
  - North Kerby Street on-ramp to I-405 southbound

**Detour:** Motorists traveling to I-405 can take I-5 to the Marquam Bridge to connect to I-405 northbound.

When traveling this weekend, visit [www.tripcheck.com](http://www.tripcheck.com) or dial 511 for road conditions. Please be alert to crews and equipment on the roadway.
