

## TRAFFIC ADVISORY

### **Tonight: I-205 expansion joint repairs**

*Left three lanes will be closed on north end of the Glenn Jackson Bridge*

An Oregon Department of Transportation bridge crew will close the left three northbound lanes of the Glenn Jackson Bridge (Interstate 205) from approximately 10 p.m. tonight to 5 a.m. Thursday morning, March 27.

The lane closures, which will take place at the north end of the bridge structure near the Washington State line, will allow the crew to safely complete expansion joint repairs on the roadway. One northbound lane will remain open at all times. Southbound I-205 across the Glenn Jackson Bridge will not be affected by the work.
