

TRAFFIC ADVISORY

Lane closures on Glenn Jackson Bridge tonight

Expansion joint repairs to close left three lanes of I-205 near Washington state line

The three left lanes of northbound Interstate 205 will be closed on a stretch of the Glenn Jackson Bridge tonight so an Oregon Department of Transportation bridge crew can safely complete expansion joint repairs. **The lane closures will take place during work hours of 11:45 p.m. on Thursday night, Oct. 4, to 5 a.m. on Friday morning, Oct. 5.**

Motorists should expect lane closures to begin north of Airport Way on I-205, with the full three-lane closure set up at the north end of the bridge prior to the SR 14 exit. The far right lane of northbound I-205 will be open at all times during the expansion joint repairs. The ramp connecting northbound I-205 to SR 14 also will be open during the repair work.
