

## **Traffic Advisory**

### **I-5 LANE CLOSURES SATURDAY NIGHT**

The Oregon Department of Transportation will close the left lane of northbound and southbound Interstate 5 between Delta Park and Lombard Street from Saturday, Nov. 18 at 10 p.m. to Sunday, Nov. 19 at 7 a.m.

The lane closures will allow an ODOT crew to safely drill under the I-5 center median for soil samples. The soil testing is part of an ODOT project to widen I-5 from Delta Park to Lombard Street to reduce congestion. Construction on the I-5 widening is expected to begin in 2008.
