

TRAFFIC ADVISORY

Upcoming lane, ramp closures

Thursday, March 22

Electrical work on the Sellwood Bridge:

Portland General Electric will close one lane of Highway 43 at the west side of the Sellwood Bridge from 9 p.m. on Thursday night to 5 a.m. on Friday, March 23. The lane closure will allow PGE to safely complete electrical work on the west side of the bridge. Flaggers will control both directions of traffic during the work.

Striping on Interstate 5:

The right lane of northbound Interstate 5 will be closed from the North Wilsonville interchange (Stafford/Elligsen) to the Interstate 205 interchange from Thursday night at 9 a.m. to Friday, March 23 at 5 a.m. The closure will allow a contractor for the Oregon Department of Transportation to apply durable striping to the pavement. All ramps will remain open during the work, which is weather dependent.

Friday, March 23

Joint repairs on the Glenn Jackson Bridge:

ODOT will close two lanes of traffic on northbound Interstate 205 over the Glenn Jackson Bridge on Friday night for bridge joint repairs. The lane closures will take place at the northern end of the bridge, near the Washington State border, approximately at mile post 26.5.

- ◆ At 10 p.m. on Friday night, ODOT will close the left lane of northbound I-205 at the bridge repair site
- ◆ At 11 p.m., the lane adjacent to the left lane also will be closed

Both lanes are scheduled to reopen by 6 a.m. on Saturday, March 24. Two lanes of I-205 will remain open at all times during the work.

—more—

Friday, March 23 cont.**Brush cutting on Interstate 5:**

There will be a rolling closure of the right lane of northbound and southbound I-5 from Spring Garden Street to the Front Avenue/Naito Parkway off-ramp from 11 p.m. on Friday night to 6 a.m. on Saturday, March 24. The moving operation will allow an ODOT crew to do brush cutting along I-5.

Attenuator repair on Interstate 5:

ODOT will close the right lane of northbound Interstate 5 from Spring Garden Street to Terwilliger Boulevard, and the I-5 off-ramp, exit 297, from northbound I-5 to Terwilliger, between 11 p.m. on Friday night and 4 a.m. on Saturday, March 24. The lane and off-ramp closures will allow an ODOT crew to make emergency repairs to a safety attenuator, which was damaged in a recent crash.

Saturday, March 24**Drainage inspection on Interstate 5:**

The right lane of southbound I-5 will be closed from Lower Boones Ferry Road to the Tualatin River on Saturday, 2 a.m. to 10 a.m., so a contractor for ODOT can do drainage inspection work. The Lower Boones Ferry Road on-ramp to southbound I-5 also will be closed during work hours to allow the contractor to safely complete its inspection. No other ramps or lanes will be closed during the work.
