

## TRAFFIC ADVISORY

### Upcoming lane closures for maintenance work

***Work Sunday, Monday nights will impact I-5, I-405 and Ross Island Bridge***

The following maintenance projects will close lanes on Portland-area highways as follows:

- ◆ On Sunday night, April 27, the right lane of eastbound Ross Island Bridge (U.S. 26) will be closed for drainage work. The lane will be closed from 10 p.m. on Sunday to 5 a.m. on Monday, April 28
- ◆ On Monday night, April 28, the right lane of Interstate 5 north will be closed at the Iowa Street viaduct for deck and shoulder repairs. The lane will be closed from 10 p.m. on Monday to 5 a.m. on Tuesday, April 29. The Iowa Street viaduct is approximately ½-mile north of the Terwilliger curves and about 1 mile south of the Macadam Avenue off-ramp
- ◆ On Monday night, April 28, the right lane of the ramp connecting Interstate 405 south to I-5 south/Harbor Drive will be closed for bridge repair work. The lane will be closed from 10 p.m. on Monday to 4 a.m. on Tuesday, April 29. The left lane of the ramp will remain open during this bridge work

April 25, 2008

2 p.m.
