

TRAFFIC ADVISORY

Lane closure on U.S. 26 for culvert work

Culvert replacement work on U.S. 26 (Warm Springs Highway) from Oct. 8-24

A contractor for the Oregon Department of Transportation will begin work Monday, Oct. 8, on a culvert replacement project on U.S. 26 (Warm Springs Highway) east of Government Camp. The culvert is at East Fork Salmon River, mile post 58, which is about 1 mile east of the Highway 35/U.S. 26 junction.

The culvert replacement project is scheduled to be completed by Sunday, Oct. 21. Eastbound and westbound U.S. 26 (Warm Springs Highway) will be restricted to one lane only during the project. Flagger will control both directions of U.S. 26 (Warm Springs Highway) 24 hours a day until the culvert replacement is completed.
