

## TRAFFIC ADVISORY

### **Weekend ramp and lane closures for road work**

***Temporary ramp closures include I-5 north to Highway 217 north, I-5 south to I-84 east***

A couple of Oregon Department of Transportation projects will impact Portland area freeways this weekend. The work and ramp closures will take place as follows:

- ◆ **On Saturday morning, Aug. 2, from 5 a.m. to 10 a.m., the flyover ramp connecting northbound Interstate 5 to northbound Highway 217 will be closed.** The closure will allow crews to make repairs to the road surface on the ramp. During the closure, motorists headed for Highway 217 north will be directed to take the Kruse Way exit (292) to Highway 217 north.
- ◆ **On Sunday morning, Aug. 3, from 4 a.m. to 9 a.m., the ramp connecting southbound Interstate 5 to eastbound Interstate 84 (exit 301) will be closed.** The closure will allow electrical crews to safely set new light poles and rewire existing poles on the ramp. During the ramp closure, I-5 south motorists bound for I-84 east will be directed to take the Fremont Bridge (Interstate 405) south to I-5 north to I-84 east. Please note that the right lane of I-5 south also will be closed past the exit to the Broadway Bridge during the ramp closure (the ramp to the Broadway Bridge will remain open at all times during the electrical work).
