## TRAFFIC ADVISORY

### ***Traffic stops planned on the Interstate Bridge***

***Bridge maintenance will require periodic stops of southbound traffic beginning tomorrow***

Oregon Department of Transportation crews will perform bridge maintenance activities on the Interstate Bridge (Interstate 5) tomorrow and Wednesday. Crews will be washing the bridge, which is a part of their normal maintenance duties, and performing other maintenance activities. The work will require all southbound traffic to stop on the Interstate Bridge to allow crews to cross the bridge between 9 a.m. to 3 p.m. both days. Motorists should expect delays for up to 15 minutes during the traffic stops.

Please be aware of crews and equipment along the bridge during the maintenance activities.
