

Traffic Advisory

INTERSTATE 5 PAVEMENT REPAIRS

An Oregon Department of Transportation crew will repair and inspect pavement in several locations on Interstate 5. Dates, work hours and locations are listed below.

- **Wednesday, April 26** workers will close lanes in two different locations on northbound I-5 between the I-205 and Nyberg Road interchanges. At 9:30 p.m., the right lane at the I-205 interchange will close. A center lane closure will be added at 11 p.m. Lanes will reopen around 12:30 a.m. At 1 a.m., the left and center lanes at Nyberg Road will close. Lanes will reopen by 5 a.m. All ramps will remain open during the nighttime work.
- **Thursday, April 27** workers will close lanes on southbound I-5 between the Nyberg Road and the Wilsonville Road interchanges. The right lane will close at 9:30 p.m. If a center lane closure is required, it will start at 11:00 p.m. The Nyberg Road on-ramp to southbound I-5 will also be closed to allow crews to safely complete this work. During the on-ramp closure period, motorists headed for I-5 south will take I-5 north to the Lower Boones Ferry Road interchange and then follow the signs to southbound I-5. All lanes will reopen by 5:00 a.m., Friday, April 28.
