## TRAFFIC ADVISORY

### Overnight I-5 south closures Wednesday

*Motorists will use I-405 south during the overnight closures Wednesday*

A contractor for the Oregon Department of Transportation will close the southbound lanes of Interstate 5 south of the Marquam Bridge from 11:30 p.m. Wednesday, Nov. 9 to 4:30 a.m. Thursday, Nov. 10.

During the closure, motorists heading south on I-5 should use the Fremont Bridge although access to Interstate 84 eastbound and to the Morrison Bridge from I-5 southbound will remain open.

Travel lanes on I-5 southbound will start closing at 10:30 p.m. Wednesday with the full closure beginning at 11:30 p.m. The southbound closure will allow the contractor to place bridge beams for the Gibbs Street Pedestrian Bridge over I-5.

To prevent motorists from entering the work zone, the I-5 southbound OR43-Macadam Avenue off-ramp (exit 299A) will close.

**Detours:** Motorists traveling on I-5 southbound will take the Fremont Bridge to Interstate 405 south to the I-5 southbound off-ramp.

Motorists on I-84 westbound will take I-5 northbound to the Fremont Bridge and take I-405 south to the I-5 southbound off-ramp.

Motorists on OR43-Macadam Avenue or U.S. 26 Ross Island Bridge heading to I-5 south will follow a signed detour using city streets.
