

## **Traffic Advisory**

### **I-84 TRAFFIC SLOWDOWN**

**Today**, Friday, Feb. 10 at approximately **12 noon**, there will be a rolling slowdown in both directions of Interstate 84 as the contractor performs a final round of blasting on the cliff along the south side of the freeway at milepost 61 (Hood River).

**During the blasting operation, motorists should expect slow and/or temporarily stopped traffic on I-84 and delays up to 20 minutes.**

The rolling slowdowns will begin at milepost 53 for eastbound traffic and milepost 67 for westbound traffic.
