OVERNIGHT INTERSTATE BRIDGES MAINTENANCE WORK

Maintenance work is planned for both Interstate Bridges on Interstate 5 tonight, Tuesday, March 21. There will be multiple lifts of each bridge between 10:30 p.m. Tuesday night and 3:00 a.m. Wednesday, March 22. Each lift will last approximately 10 minutes and will allow crews to inspect the bridge cables and complete maintenance work.

Motorists on I-5 should expect delays and may want to consider taking I-205 as an alternate route.
