OVERNIGHT MAINTENANCE WORK ON INTERSTATE BRIDGES

Maintenance work is planned for both Interstate Bridges on Interstate 5 this week. Tuesday, June 20 through Thursday, June 22 there will be multiple lifts of each bridge between 9 p.m. and 5 a.m. each night.

Each lift will last between 5-15 minutes and will allow crews to perform scheduled bridge maintenance. **Motorists on I-5 should expect delays and consider I-205 as an alternate route.**
