

Traffic Advisory

LANE PAVING ON SANDY BOULEVARD

A contractor working for the Oregon Department of Transportation (ODOT) will close lanes on a portion Sandy Boulevard (U.S. 30 Bypass) Wednesday night, June 29 for asphalt grinding and paving. Workers will pave both directions of Sandy Boulevard between SE 162nd Avenue and SE 165th Avenue from 8 p.m. Wednesday night until 6 a.m. Thursday morning. One lane will remain open at all times. Flaggers will control both directions of traffic.
