

Traffic Advisory

PIPE REPLACEMENT WORK CLOSES LANES ON U.S. 26

The contractor on the U.S. 26 (Mt. Hood Highway) Multorpor under-crossing to Timberline Road project will close lanes on U.S. 26 Monday, August 8 through Thursday, August 11 to replace a drainage pipe that runs under the highway near the Timberline Road junction. Traffic will be reduced to one lane in each direction and flaggers will control both directions of traffic **24 hours a day** until the work has been completed.

Motorists traveling on U.S. 26 should expect 20 minutes delays. Access to Timberline Road will be maintained at all times.
