TRAFFIC ADVISORY

Weekend lane closures on Portland freeways

Highway maintenance closes freeway lanes and ramps during the day and night

ODOT crews will perform several highway maintenance tasks this weekend require lane and ramp closures on Portland's freeways. The work will take place as follows:

Friday, Sept. 30

From 9 p.m. to 5 a.m., Saturday, Oct. 1, the on-ramp to Interstate 84 westbound from Northeast 181st Avenue northbound will close. This will allow crews to repair a large pothole at the top of the on-ramp. Drivers can use the Sandy Boulevard or Airport Way on-ramps to reach I-84 westbound during the ramp closure.

Saturday, Oct. 1

From 6 a.m. to noon, the right lane of Interstate 5 southbound near the Columbia Boulevard on-ramp will close as crews repair a bridge joint at this location.

Saturday, Oct. 1 and Sunday, Oct. 2

ODOT electrical crews will replace the aviation lights on the Interstate 205 Glenn Jackson Bridge. Replacing the lights requires closing the **left** northbound lane on the Glenn Jackson Bridge from 6 a.m. to noon Saturday and Sunday.

Please be alert to work crews on the roadway this weekend. Slow down in the work area and get in the appropriate travel lane well in advance. For traffic updates, visit www.tripcheck.com or dial 511.
