

GUIDING GOLD HILL'S FUTURE DEVELOPMENT

INTERSTATE 5 EXIT 40 & 43
INTERCHANGE AREA MANAGEMENT PLAN

OPEN HOUSE TUESDAY, OCTOBER 20

4 TO 7 P.M.

GOLD HILL CITY COUNCIL CHAMBERS
420 6TH AVE.

ODOT wants to hear from local business owners, property owners, residents, and commuters who use Interstate 5 Exits 40 and 43 regularly. The Interchange Area Management Plan (IAMP) provides specific transportation improvement projects for future consideration based on current and future development near the interchanges. The IAMP will then identify current and future traffic safety and operational issues and identify preferred solutions for future interchange improvements. Project information is online at <http://goo.gl/jtd99R>.
