

UTILITY CERTIFICATION

Local Agency

Date:

To:

Local Agency Liaison, ODOT

Project:

Key No:

This is to certify that for this project based on plans dated _____, all utility work has been completed or that all necessary arrangements have been made for it to be undertaken and completed as required for proper coordination with the physical construction schedule.

Appropriate notification identifying all utility relocation work together with status of/or schedule for completion for each utility company involved within the limits of this project has been made a part of the special provisions.

The following utilities are in the project limits and will be adjusting, relocating, or installing facilities, before, during, or after, construction. Relocation time requirements for these utilities are attached to this Certification.

-

The following utilities are within the project limits but no conflicts are anticipated.

-

Utility Certification: _____ **Utility Coordinator**
Print Name:

UTILITY EXCEPTIONS

The following Utilities have been appropriately notified of the project and the impacts to their facilities however a schedule for their relocation work has not been verified with the utility. The utilities shown below have been directed to relocate their facilities within a specified time-duration estimated by our staff and included in the contract special provisions. The letters for these utilities are attached to this certification.
