

SP00280 (2015 Specifications: ~~07-02-1501-01-17~~)

(This Section requires SP02320.
Requires SP01030 when
Temporary seeding is required.)

SECTION 00280 - EROSION AND SEDIMENT CONTROL

(Follow all instructions. If there are no instructions above a subsection, paragraph, sentence, or bullet, then include them in the project. The specifications may be modified to include project specific specifications, but all additions, deletions, or modifications must be sent to the ODOT Technical Resource and Senior Specifications Engineer for review and approval.)

~~*(Use the following lead-in paragraph when subsections .48 and .90 are NOT included in the project.)*~~

Comply with Section 00280 of the Standard Specifications.

~~*(Use the following lead-in paragraph when any of the following subsections are included in the project.)*~~

Comply with Section 00280 of the Standard Specifications modified as follows:

00280.00 Scope - Add the following paragraph to the end of this subsection:

(Use one of the follow two options as instructed. Delete the option that does not apply.)

[Option 1 - Use the following paragraph when the Agency's NPDES 1200-CA Permit is applicable to the project.]

The Agency's NPDES 1200-CA Permit is applicable to the Project.

[Option 2 - Use the following paragraph when the Agency's NPDES 1200-CA Permit is NOT applicable to the project and the Contractor is required to obtain the NPDES 1200-C Permit.]

The Agency's NPDES 1200-CA Permit is not applicable to the Project. Before beginning Work on the Project, obtain an NPDES 1200-C Permit that is applicable to the Project.

00280.30 Erosion and Sediment Control Manager - Replace the paragraph that begins "Designate and provide an ESCM..." with the following paragraph:

If the Agency's NPDES 1200-CA Permit is applicable to the Project, designate and provide an ESCM that possesses a valid ODOT ESCM certificate or has successfully completed an erosion control training that is acceptable to the Engineer.

(Use the following two paragraphs when the Agency's NPDES 1200-CA Permit is NOT applicable to the project.)

Add the following paragraph to the end of this subsection:

If the Agency's NPDES 1200-CA Permit is not applicable to the Project, comply with all requirements of the applicable permits.

(Use the following subsection .48 on projects that require emergency materials. Obtain information from the Erosion Control Designer. Only list items that are included in the Schedule of Items.)

00280.48 Emergency Materials - Add the following paragraphs after the paragraph that begins "Provide, stockpile, and protect...":

Provide and stockpile the following emergency materials on the Project site:

| Item | Quantity |
|-------|----------|
| | |
| | |
| | |

(Use the following subsection .90 when any of the following are required:

- *Temporary Mulching*
- *Matting*
- *Check Dam*
- *Compost Filter Sock*
- *Construction Entrance*
- *Tire Wash Facility*
- *Inlet Protection*
- *Sediment Barrier*

Delete the "(s)" or parentheses from the words "item(s)" and "paragraph(s)" as appropriate. Delete pay item letters from the lead-in paragraph and list that do not apply, but do not change the alpha characters next to the pay items.)

00280.90 Payment - Replace pay item(s) (e), (f), (h), (l), (n), (o), (r), and (s) with the following pay item(s):

- (e) Temporary Mulching, _____ Acre
- (f) Matting, Type _____ Square Yard
- (h) Check Dam, Type _____ Each
- (l) Compost Filter Sock, _____ Inch..... Foot
- (n) Construction Entrance, Type _____ Each
- (o) Tire Wash Facility, Type _____ Each
- (r) Inlet Protection, Type _____ Each
- (s) Sediment Barrier, Type _____ Each or Foot

Add the following paragraph(s) after the paragraph that begins "Item (b) includes protecting...":

(Delete pay item letters from the following paragraphs when the pay items are not included in the list above. If none of the pay item letters are included in the list above, delete the entire paragraph.)

In item (e), the word "Hydromulch", "Straw", or "Compost" will be inserted in the blank.

In item (l), the diameter of the compost filter sock will be inserted in the blank.

In item(s) (f), (h), (n), (o), (r), and (s), the type will be inserted in the blank.
