

The Online Highway Restriction Notice Form has been updated

Motor Carrier
Transportation
Division

The MCTD Mobility Team updated the online Highway Restriction Notice Form on Wednesday, January 9, 2019.

What has changed?

- Every restriction notice submitted to the MCTD Mobility Team is now assigned a unique number. This will help us track and retrieve restriction notices from our system more efficiently.
- The updated form has more questions to help us get the specific information we need the first time, to reduce unnecessary emails and phone calls.
- A detailed User Guide as well as brief tutorial videos are available to help users complete the form.

What has not changed?

- Notification requirements for Highway Restriction Notices are not changing at this time. Notification requirements can be found in Chapter 5 of the Mobility Procedures Manual.
- No further action is needed for forms submitted prior to the changeover. Information submitted on the previous form will still appear the same, and no new questions need to be submitted.
- The [link](https://www.oregontruckingonline.com/cf/MCAD/pubMetaEntry/restriction/) to the Highway Restriction Notice form remains the same on the Oregon Trucking Online website:
